Bobby

To a pain in the butt, I just thought I would write to tell you stay the way you are. Don't ever change for any-one unless you have to. I know we have had our ups and downs. But maybe later on in life things will work-out between us. But not right now. I know we have known each other for only 3½ years. But you feel like a little brother. Just remember good luck in love, life and (me) Girls. Ha, Ha (I was only joking.) If you ever have a problem you know my number to talk about it. Well I'm gonna have to let you go for now, but not forever. **I hope things will work-out between us!**

RIVER DAYS 1991

We would like to extend our congratulations to Tracy Kern who participated in the 1991 River Days Pageant. "The experience lifted my self-confidence. I really enjoyed meeting new people and being on stage in front of them. Most of all, I was proud to represent Notre Dame High School," Tracy said.

LATIN CLUB

1st row: S. Haider, M. Schackart, A. Dengel, W. Young, 2nd row: C. Cassidy, K. Stevens, A. Stevens, M. Colley, 3rd row: A. Emmett, A. Schmidt, C. Perkins

The Ides of March are certainly not forgotten by the Latin students at Notre Dame, for Julius Caesar comes out of his grave "to haunt" them and their teacher annually at this time.

Ever since "Scribius", who signs the correspondence, graduated from N.D. in 1977, after completing four years of Latin, this package, usually containing cookies, has been coming yearly about March 15. This year, because the box arrived a couple days late, "Scribius" blamed the delay on Caesar's old age. He is, as noted on the enclosed scroll, a little forgetful, being 2092 years old.

The 1992 box, in addition to the cookies, contained a booklet, *Ferdinas Taurus*, which the Latin III students translated.
