August - 1890.

A mid day.  
It was very  
warm. Rained  
a shower early in  
the afternoon  
and a hard one  
in the evening.  
Squire & I hauled  
in hay till noon.  
He went over in  
the afternoon and  
helped Jos. Ball  
thresh. came over  
and got my loads  
of hay before the  
train. We got ready  
for town Pa was  
intending on going  
to town but when  
time came but  
Pa was not well.

August 2.

A very warm day. Mattie & I drove all night. Got in town about 4 o'clock. We had a time selling our chickens.

We sold 84 dozens of chickens.

We sold the rest of them to a butcher man.

Got ready and started for home. We got back a little after dark.

August 3

A very warm day. I have been sleeping about all day. Smith went over to Mr. Correll. I have been awful lonesome. If I had not slept the most of the time I would have been terribly lonesome.

Aunt Flora and Edna Hattie is here today.

They came here before we got breakfast over. I was at home all day. They but it is lunch

August 4.

A nice forenoon  
It rained a little  
all the afternoon  
We hauled in  
all the hay we  
had raked.

George S. came  
up in the evening  
to let us know  
about the thrasher  
We immediately  
prepared for  
the coming of the  
next day.

August 5:

A bad looking  
day to thresh  
It rained about  
all the fore-  
noon.

We quitted around  
11:30 after dinner  
The thrasher  
came and threshed  
out against  
the wind  
with us.

We had 102 of wheat  
and 69 of oats.

I rode Popkin  
down to the  
mill after the  
mail. Got  
terrible disappointment  
-col-

Aug. 6.

A fine day.  
I sowed a  
whole this morn-  
ing then worked  
at the turnip ground.  
After dinner Mr  
hauled in hay,  
finished a  
stack and started  
another one.

Aug. 7.

A cool night  
I sowed a lot  
of turnip seed  
this morning.  
Got down in  
time for the  
rain that set  
in about 10 o'clock.  
It has rained  
about all the  
time since it  
commenced.  
Mr boys have  
been trying to  
put the druggs  
we have after  
a accomplish

Aug. 8.  
A big fog this  
morning.

Pa finished  
mowing.

Abie hauled out  
weed and briars  
till noon.

After dinner we  
hauled in  
hay.

Abie went to  
the office.

I wrote a note  
to Miss Hattie

Aug. 9.  
Another rainy day.  
Abie hauled in  
one load of hay.  
I finished mowing  
turnips.

He finished the  
buggy & painted  
it. I went down  
and saw the  
fog about going  
to the summer  
kidd not get  
back till after  
dark.

Dewie came down  
this afternoon.  
He has just  
arrived from  
Cumberland Gap.  
Did not get away

Aug. 10.

A cold breeze going  
to day, it seems  
like a fall day.  
Lewie came down  
this morning.

He and Smith  
started off.

I went up to  
Brookfield.

Got my dinner then

I stopped at Aunt

Jake's as I went

up and took a

survey of their new

house.

Came back and

went down to

Church to see

the boys about

drumming.

Aug. 11.

A very cold morning.  
Cold for  
this time of the year.  
The 4 boys took  
our scythes and  
axes and went  
till noon in

the peach orchard.

After dinner we

went to haddling

in hay.

Lewie it has

the rat dinner

with us.

Aug. 12.

A nice cool day.  
This morning was  
very cool.  
We have finished  
our hay harvest.  
Hauled tin &  
loads today.  
Lewis is here to  
day.

The boys met with  
our drum and  
went up to  
Howard to see  
about getting the  
flag.

We did not  
get back till  
after midnight.

Aug. 13.

A nice cool day.  
The boys have  
finished the  
hay harvest  
and have  
commenced to  
sow the  
pasture fields.  
Dawson worked  
all day at it.  
Jens told went  
over to Howard  
after supper to  
get a letter that  
Jens had for  
of Mrs. Jensen.  
He got home and  
supper and  
the girls  
dinner.

Aug. 14.

A rainy morning  
The rain did  
not amount to  
much.

Smith & I  
worked all day  
at our band  
wagon.

Miss E. Willard  
came up and  
stayed all day.  
He went to  
town.

I rode Robin  
down to Sadon  
to see about  
our team.

My eye & vision  
will be.

Stoughton with aqua  
to be in for 3.50

Aug. 15:

A gloomy morning  
but a nice day  
to follow.

I have put the  
day in getting  
things ready  
for the trip.

I have been  
over to John's  
and up to  
Howard to get  
the flag.

John & I  
John, and Lewis  
in here to night  
Canny and July,  
Canny over with  
Canny and  
spent the evening  
in about  
for me to a lot.

Aug. 16.

A beautiful day. A little  
mist. Lewis & I did not  
go to head. I he sent of the  
boys did not get to sleep  
much. We all started at  
about one o'clock. We had  
a very good time. Lots of  
fun. Space permits not  
soon to describe our trip.  
I stayed all night at the  
cottage. The boys made  
it back to about midnight.

Aug. 17

A nice day. My  
father, John and I  
enjoying ourselves  
at Mr. Percill's. What  
a nice time we all  
had. A trip to  
be long & interesting.  
We started for home  
but came back. I  
tried to well to  
head, I stayed  
at the cottage. The  
boys made a  
bruncheon.

Aug. 18.

It begins to  
rain this morning  
All seem to en-  
joy the rain  
and soon, better  
than the girls.  
He stayed till  
after dinner  
and then took  
our departure.

We have had  
a time to be  
long suspended  
He arrived home  
about 5 o'clock.

After supper  
I took John down  
to Mr. Nail's  
I came back and  
I got chicken feed  
I don't think I got home

Aug. 19.

A cloudy morning  
It rains a little  
Clear up about  
noon. He has  
been cutting  
weeds and  
working on the daisies  
A bad place  
to work, but  
and wally.

It begins to  
rain in the evening  
It rained a little

Aug. 20.

It still tries to  
rain but does  
not rain much.  
Pa and the boys  
are working at  
the dam. They  
chicken coops  
and then took  
the acetylene and  
moved till  
noon. After  
dinner I went  
to work to  
clean out the  
strawberry  
patch.

Worked all out  
all the rest of  
the day.

Aug. 21.

It has rained  
about all day.  
I worked at  
the strawberry  
patch a while  
this morning.  
The tractor  
calves out in  
the calf lot  
this morning.  
To give them  
I have wrote  
a letter to Fannie  
and one to  
Stettin.

It quit raining  
in the afternoon  
now, so I  
went on work  
at the strawberry

Aug. 22.

A heavy fog this morning. It rained a little at noon.

Hattie went down after the mail. I worked at the strawberg patch all day besides doing the other fine jobs.

Pa took his horse down to the mill and got him shod. After dinner he went up to the mill.

Aug. 23.

A nice day. It has got cooler. Mr. Sultz came up and loaded a horse for two cows.

Pa went to mill in the afternoon and I helped Mr. Sultz drive his cow home. Came back part of the forenoon and got my supper. Came over and came across George eating of mutton which I helped him finish. I have a bad cold.

Aug. 24.

A sweet day  
a little cool.  
I layed in  
bed about all  
day on the account  
of a bad cold.  
Uncle Jim Rowell  
and Jake came  
down and stayed  
all day.

Smith went  
down to church  
in the evening.  
I put in a  
washed my face  
both day and  
will be gradu-  
ated in about  
four days.

Aug. 26.

It rained like  
rain. Rained  
just a little.  
I do not feel  
much better.  
I began my  
budding this  
morning.

Budding 25.  
Late buds.  
When I came to  
the house, there  
were Bill, Vera  
& Rosie, Haruca,  
Miss. Ratty, Patti,  
Miss Ann Ruth,  
Miss Jennie, Shy  
and John H. and  
Miss Effie H.

After dinner  
Mr. Gunk  
Blutz and Dr.  
Frank Kurland  
came.  
He had a fine  
time playing  
out the end  
They belong  
to the first  
man.

Evening came  
and we all  
went down to  
the boat to  
a social gathering  
being; my wife  
and I enjoyed our  
evening very much  
until a few  
midnight  
I closed when I

Aug. 26.  
A rainy bad  
day. I had  
a whole day  
It rained a  
very hard rain  
in the evening

Aug. 27.

A very hot day  
still warm.  
I buckled all  
day. Smith &  
Johnson are  
cutting brush  
and trees.  
Benji & Co. in  
hauling ma-  
mms.

Aug. 28

A nice day  
A little cool  
and a heavy  
fog. This morning  
I have been  
buckling.

Aug. 25.

A nice day.  
Paul & Ma. went  
to town today.  
I went over  
to Mr. Chapman  
after a jug of  
brandy. Got  
two glasses  
the ampoules  
and the cigar  
I brought  
them and  
after a moment  
I took Robin  
and went down  
to Mr. Ferguson  
after the last  
ampoules and  
a cigar. I  
got out in  
the evening

Aug. 30.

A nice day.  
A little cool.  
I fixed the  
buggy. After  
dinner I finished  
the peach and  
my. Mrs. Emma  
Hawl came  
down and stayed  
all night.  
She took the  
buggy and  
went up to  
Lynch's Summit  
in a party.  
Had to get  
back till after  
midnight.  
Had a nice  
time

Aug. 31.

A much cooler day. Berge got the saws and the chisel and got the full plate. Smith went over by Mr. Correll and I went down to the Patent.

The gyps were all at home. I had a meal time got back before mid night.

Aug 28.

Pa traded his last work mule off for a little gray horse as he was coming home.

The first time I ever knew of his to be without mules to work he now has five new work horses
