THE 1965 TROJAN PRESENTS A STORY OF

OUR SCHOOL

The purpose of the 1965 TROJAN is to record the deeds of the PHS students, who, for the past three years, embodied the SPIRIT of PORTSMOUTH HIGH SCHOOL. In the years to come this year-book will keep alive the memories gathered during our student days. The future years will bring many new faces and changes to the school scene, but there shall be this record of the friends we knew, the great things we did, and the wonderful memories of our high school years.

During the past few years math has been increasingly important. Algebra, plane and solid geometry, and trigonometry are desirable requisites for advanced work in college study . . .

Betsy Ann Richards, Anne Phillips, Michele Chaboudy, and Cindy Brooks solve math problems at the blackboard during Miss Dupuy's trig class, while the boys attentively observe their procedure.

Miss Henrietta Dupuy's third period trig class think that they know all the answers.

Portsmouth High's pretty and charming Betsy Ann Richards excelled in many areas. She represented PHS in the Miss River Days Festival, was a member of National Honor Society, Senior Honor, Scholarship Team 2, 3, Honor Roll 2, 3, 4, Revelers, Tri-Hi-Y, Investment Club, Social Studies Club, French Club and Cheer-a-liers.

A Lot of Things To Be Said About The Art of Home Making--

Our girls are given useful future training through home economics classes. Basic principles of study in clothing and textiles, family living and child development, food and nutrition, home economics education, and home furnishing, equipment, and management help prepare these students for the important part they will some day play in family life and community service.

Proper table setting is displayed by Pat Roberson and Sue Ruark. Miss Lou Ann Elliott, instructor.

Home Economics Has Special Contributions to Make to the Education of the Pupil For Personal and Family Living

Women began going out of the home to work with the advent of the Industrial Revolution. Today one third of the working force is women—many of these women are wives and mothers. Homemaking has become a family affair with father coming in for his share. Homemaking must also be streamlined and speed is the keyword.

The values of homemaking offered at PHS contribute greatly to those values which are helpful in home and family living.

We learn the basic operating technique, accuracy, and production which are the key words for developing and using the typing skill. This skill is very necessary for the student of today's world. It may be the means of earning a living, of making better grades in college study, or just more time for fun when the school assignments are done.

Respect for Others Shows Social Maturity

One of the major elements of personality is the attitude of respect. This means to consider worthy of esteem, consideration, or honor.

Students who enter PHS are taught that their school is a public building and requires suitable manners for business and work. Also, our school places emphasis on the practice of mutual respect and the recognition of student talents and skills. In the early spring a special assembly program is presented to honor students with special awards and recognitions for their work.

PHS had the honor of receiving an exchange AFS student from Finland, Heikki Matilla. Heikki was given a heart warming welcome and was provided with a home for the school year under the hospitality of the F. Carl Daelher family. The friendly cooperation of the Daelhers helped this AFS participant to adjust to the new country and to the new school environment.

Different kinds of host schools take part in the AFS program and the primary emphasis in the schools is academic. However, participating students must also have the resourcefulness and interest in other people to make themselves known and accepted.

FUTURE CAREER OPPORTUNITIES IN OUR SCHOOL TRAINING

For the high school student charting his career and job future, the rapid changes of our age appear bewildering. Each new technical development signals changes in work patterns and in job markets. It means that some skills may no longer be useful and that new skills may be more complicated or harder to acquire.

TRADE AND INDUSTRIAL EDUCATION

O. M. GWINN
Supervisor-Director

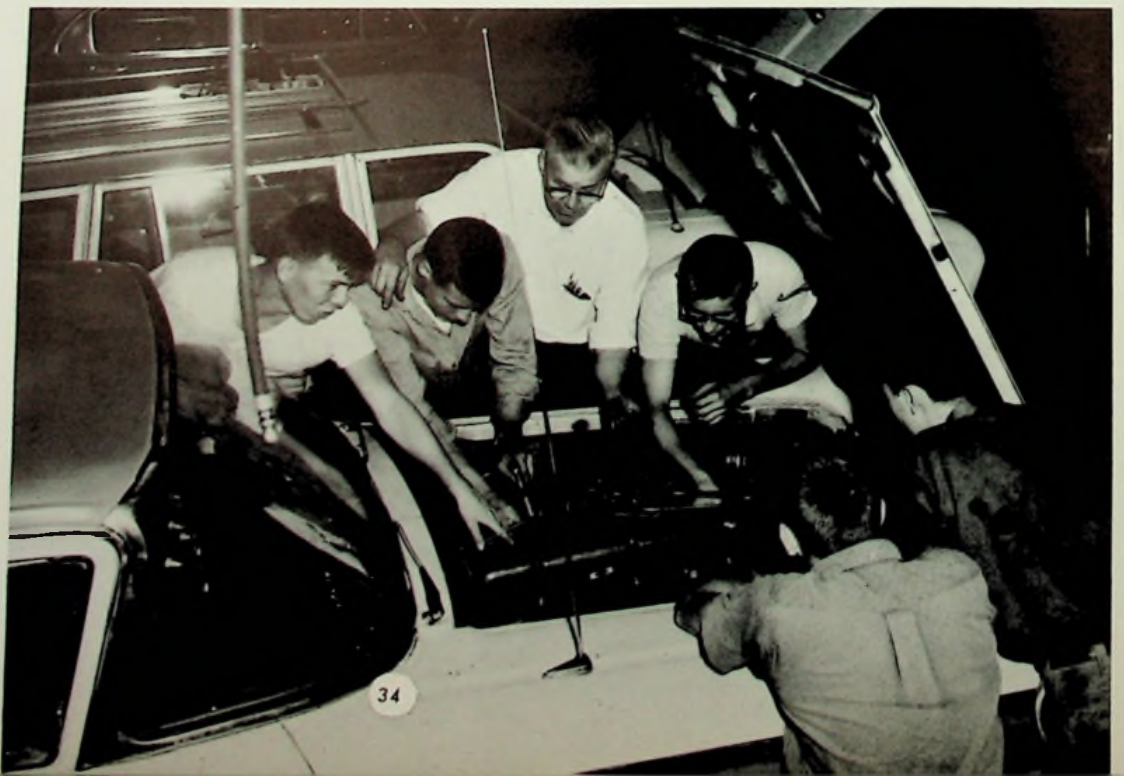

The important function of vocational education is to prepare students to enter and advance in a trade or occupation. The instruction consists of three hours each day of study in the "shop" of the student's choice where the correct use of hand and machine tools is taught. The work performed in the shop must be on a useful basis under actual job conditions so far as possible. Students are given individual attention rather than group instruction in their shop training.

Approximately thirty percent of the student's time in school each day is devoted to the study of trade technology which includes shop mathematics, science, blueprint reading, sketching and trade information. These subjects differ from general subjects in that they are designed to apply directly to the chosen trade.

DISTRIBUTIVE EDUCATION PROGRAM

MISS MILDRED BAILEY, Director

Distributive education is a term used to identify an instructional program in distribution and marketing. Distributive occupations are those followed by business proprietors, managers or employees engaged in marketing or merchandising goods or services. Such occupations may be found in various business establishments, including retailing, wholesaling,

manufacturing, storing, transporting, financing, and risk bearing. Distributive education locally attempts to provide the kind and amount of instruction students would need to engage in some aspect of distribution or marketing after leaving school.

Combining Classroom Work and Store Experience . . . We Learn and Earn in Vocational Study Courses

In his senior year, the student works at least 15 hours per week during school time in an approved business establishment. No classes are scheduled in the afternoon when he reports to his job. This work experience acts as a laboratory

where he applies the theory he has learned in class.

In class, he studies sales techniques, advertising, merchandise information, credit, personality development, arithmetic, distribution process, and other related topics.

COE TRAINING ON THE JOB

The Rewards of Knowing Business Skills May Be Tremendous

The Commercial Coop Class specializes in education for senior girls and boys who are preparing themselves for employment in the city's many business offices. To obtain this type of education, pupils must meet qualifications set up by businesses pertaining to personality, integrity, intelligence, physical fitness, health, appearance, and skills. The classroom program of study includes: office procedures, office machines, business correspondence, filing, and advanced shorthand and transcription.

On-the-job experience is given by the Portsmouth employers who cooperate with the school in a training course to prepare youths for careers in the business field. These students attend school four periods a day for classroom instruction and are on the job for training during the afternoon.

COE club activities included: fund-raising projects, candy and school bake sales, decorating COE homecoming float, a trip to Columbus to see the ice show "Holiday on Ice," the Employer-Employee Banquet, a Christmas Party, and helping needy families at Thanksgiving and Christmas.

"A WOMAN'S place is not only in the home, but in the House, the Senate, and throughout government service." That's the kind of statement that used to be heard only at meetings of women's business groups, or from dedicated feminists. This time, however, it came not from a woman, but from a man—President Johnson.

This Presidential concern with womanpower spotlights the place of women in the working world today. Women have entered virtually every career field. Thus, for today's high school girl considering a career, almost no field of work is closed to her simply because she is female.

 Kneeling—Head Coach—Carl Benhase. Assistant Coaches—William Mosure, Harry Weinbrecht, Elwood Sparks, Charles Adams.

HEAD COACH CARL BENHASE directed Portsmouth High School athletics this past year. Before coming to PHS he was head football coach at Hanover College in Indiana.

Coach Benhase is a graduate of Miami University, B.S. degree. He completed his graduate work at Florida State

University where he received his M.Ed. degree. Benhase centers his football philosophy around his belief that football should not be under nor over-emphasized in the school educational policy but must be an integral part of the over-all program.

TROJANS FALL TO CHARLESTON STONEWALL JACKSON IN OPENER, 58-18

Municipal Stadium, September 11, 1964

The game was strictly an offensive show, with the visiting Generals piling up 344 yards from scrimmage and another 66 through the air.

The Trojans used Gary Hauth's recovery of a Charleston fumble to post its first score. Steve Duncan started from his own 48, shook away from several tacklers in sweeping his right end and romped into the end zone to complete a 52-yard gallop.

An exchange of punts set up the Trojan second score. Duncan took the ball on the 35 and headed down the sidelines going 65 yards and boosting the score to 32-12 at the end of three periods.

The Trojans got their final touchdown when quarterback Mike Hughes hit Duncan with a screen pass which covered 61 yards.

TROJANS OVERPOWERED BY COLUMBUS EAST, 32-0

Municipal Stadium, September 18, 1964

A good veteran team from Columbus East gave the Trojans a sound thumping for Portsmouth's second loss of the season. Four Portsmouth fumbles and two pass interceptions helped East post a 32-0 victory.

East gained a 26-0 lead by halftime; the Trojans, however, could not get going. Finally, the Trojans started a sustained drive late in the third quarter with Steve Duncan and Jeff Howland leading the way. The drive was stopped on East's 33-yard line. East was only able to score once more as the Trojan defense tightened. The final touchdown was made in the third quarter on a two-yard dash by Tigerman Wright to complete a 25-yard gain. So ended a bad night for the Trojans.

**ZANESVILLE BLUE DEVILS TRAMPLE TROJANS, 44-0
Zanesville, September 25, 1964**

A battered Trojan squad fell to its third defeat of the season at the hands of a bigger Zanesville squad. Zanesville used its heavy line and speedy backs to gain a homecoming victory for their coach, George Vlerebome.

The Trojans kept the Blue Devil backfield from making long gains. Most of Zanesville's scoring came by short plunges through the line. Portsmouth's running attack could never get started and our passing never clicked as Zanesville's defense came back with 26 points the second half.

So, again the Trojans lost. The more powerful Zanesville squad put the damper on the first Trojan road trip of the 1964-65 season.

LANCASTER SCUTTLES PHS IN 27-0 WIN OVER TROJANS

Lancaster, October 2, 1964

The Trojans were unable to move the ball against the Golden Gales. The Men of Troy had three chances to score in the first half but could not get the yardage needed for a first down.

The Trojans, behind at the end of the first half, put together a sustained drive early in the second half. However, this bid to score was halted on the three-yard line by the determined Golden Gale defense. It was this stronger Lancaster defense that gave the Trojans their fourth consecutive defeat.

Coach Benhase works hard with each boy.

TROJANS DROPPED BY CHILLICOTHE, 27-0

Chillicothe, October 9, 1964

Highly-rated Chillicothe had difficulty in getting started against a determined Trojan squad. The Cavaliers could manage only one TD in a hard-fought first half. The Trojans best effort came late in the 4th quarter. Sophomore quarterback John Boling headed the drive that started on the Trojan's own 28-yard line, and ended on the one-yard line of Chillicothe when PHS back Steve Zeune was knocked out of bounds after a five-yard gain.

However, the second half was a different story as Chillicothe dominated the offensive action, and held the Trojans in check except for a sustained drive late in the game. This was the fourth straight game in which the Trojans were held scoreless.

TROJANS MAKE STRONG BID FOR UPSET AGAINST MIDDLETOWN, 32-0

Municipal Stadium, October 16, 1964

The Trojans made every effort to bring victory to a large Homecoming crowd. The players and coaches can remember that the final score was not a true measure of the actual closeness of the game.

The Trojans controlled the play in the first and third quarters allowing only two touchdowns in the second quarter, but a fourth quarter spurt of 19 points by the Middies put the game on ice. Portsmouth backs ate up good yardage out-gaining the Middies 141 yards to 103 yards.

We wish to give credit to the superb running by Steve Duncan and Mike Hughes.

TROJANS SUFFER 7TH DEFEAT AT HANDS OF SPRINGFIELD, 35-0

Springfield, October 23, 1964

Springfield South rolled by Portsmouth with little trouble as the Trojans were simply outclassed by the powerful Wildcat squad. The Springfield defense, which has allowed only four touchdowns in seven games, gave up only two first downs to the Men of Troy. The Trojans, completely stopped on the ground, picked up both first downs on passes from quarterback Hughes to halfback Steve Duncan.

The Wildcats scored in every quarter and also tried two field goal attempts which fell short. Springfield kept a perfect 7-0 slate while the Trojans' record fell to 0-7. Thus, another game loss for the Trojans.

WINLESS TROJANS FALL TO FRANKLIN HEIGHTS, 20-0
Columbus, October 30, 1964

The Trojans came out on the short end of a defensive battle with the Franklin Heights Falcons. Franklin held a 6-0 lead with less than a minute to go, but two quick touchdowns resulted from successive pass interceptions. The Trojans had several scoring opportunities in the second half but couldn't capitalize. A pass interception by the Trojans early in the third quarter gave them the ball on their 48; however, they lost the ball on a fumble after moving it 20 yards. The Trojans had chances of getting deep into Franklin's territory, but were stopped by fumbles.

TROJANS SCORE BUT ASHLAND WINS, 27-13
Ashland, November 6, 1964

The Trojans started out with a bang against the Ashland Tomcats as Mac Bagby scored on a 27-yard run with less than two minutes of playing time gone. The advantage didn't last long as Ashland quickly fought back to tie the score. Portsmouth turned in its best offensive game of the season by gaining 199 yards rushing and 135 yards passing.

The Men of Troy penetrated deep into Ashland territory on several occasions, but could not move the ball across the goal line. After trading initial touchdowns, Portsmouth again got the ball moving. From their own 41, the Trojans carried the ball to the Ashland 14. In the

opening plays of the second half, the Trojans moved the ball to the Ashland 8-yard line, but a fourth-down pass was incomplete in the end zone. Portsmouth managed to score again as the 4th quarter opened, this time on successive passes to Craig Smith and Jeff Howland.

TROJANS END SEASON IN 8-8 TIE WITH GREENFIELD Municipal Stadium, November 13, 1964

The never-say-die Portsmouth Trojans marched 90 yards for a touchdown in the last 8 minutes of the game to tie Greenfield McClain 8-8. Alternating running and passing plays, the Trojans moved the ball from their own 10-yard line to the Greenfield 24. From there, Steve Duncan skirted left end and ran all the way to the end zone. Mike Hughes' pass to Craig Smith got the two conversion points and the tie.

The Men of Troy were plagued by several fumbles, one of them setting up the only Greenfield touchdown. The closest the Tigers got, except for the touchdown, was the Trojan 29-yard line. This tie score could be considered a moral victory for the mighty Trojan warriors.

TROJAN BASKETBALL — 1964 AND 1965

... WHERE THERE'S ACTION

Where things are jumping . . . expect to find our Trojan warriors. They have the spirit that swings . . . they are frisky and quick—a great PHS power in Ohio high school sports. Always rated at the top!

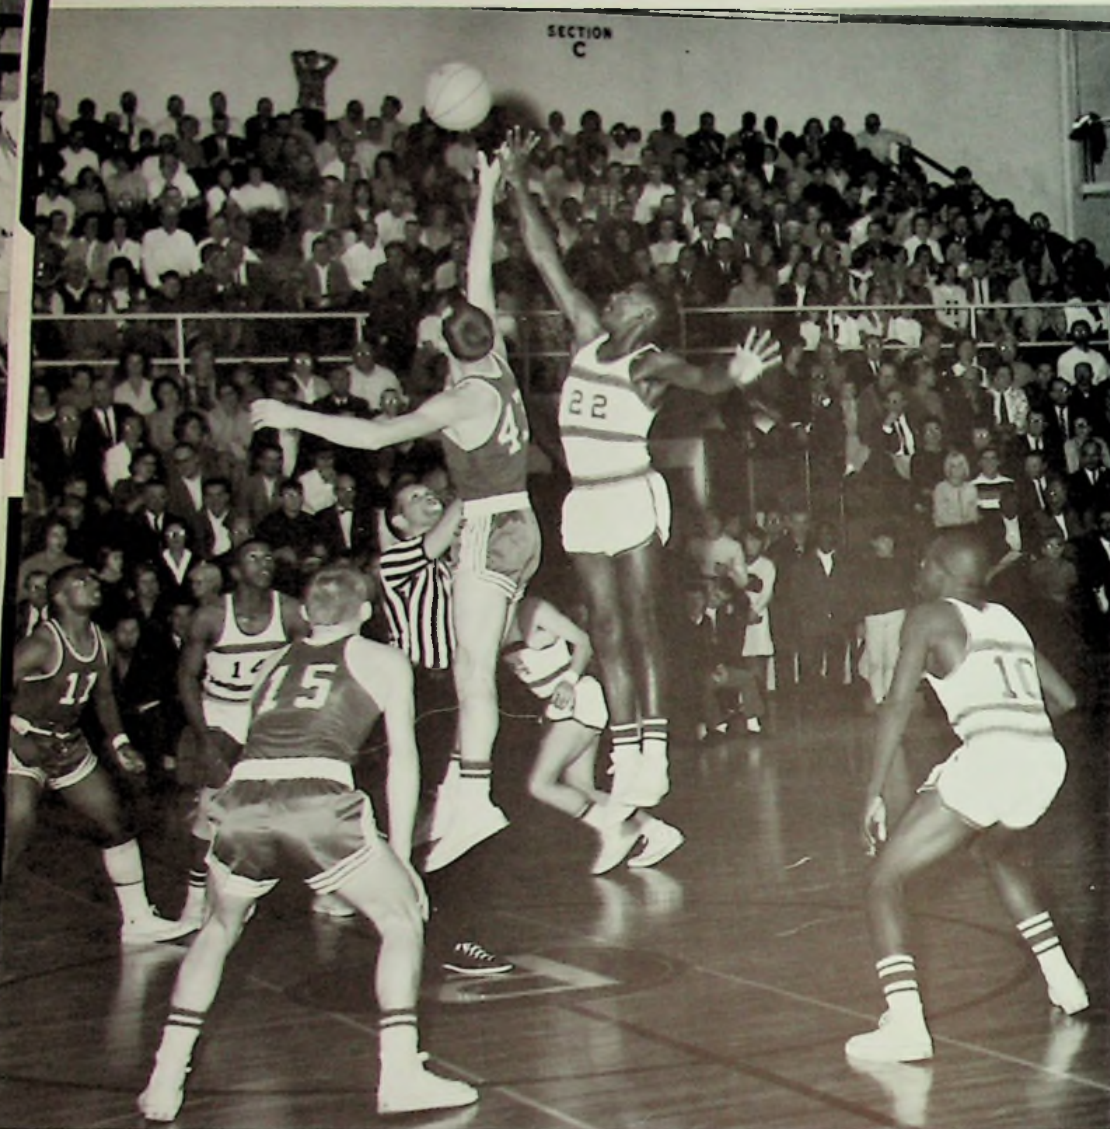

ALL-AMERICAN PREP STAR PORTSMOUTH HIGH'S DAZZLING LARRY HISLE

Larry Hisle, senior captain and honor student, was named to the 37-man all-America high school basketball squad selected by Scholastic Magazine and announced by the Associated Press.

Hisle, an all-Ohio selection first team for two straight years by both wire services, was just one of two Ohioans named on the elite team that covers the entire United States. Cincinnati LaSalle's star player, Dick Haucke (3-5), was the other selection.

With the swiftness of a cat Larry Hisle broke all standing records at PHS. He has been classed as the greatest high school player in Ohio and one of the best in the nation. Only adjectives in the superlative can be used in describing his skills in scoring, rebounding, defense, team work, and spirit. Hisle's magnificent talents on the basketball court have made Ohioans become aware of Portsmouth.

Here we go again!

LARRY HISLE—Senior

All-Ohio first-team choice for the past two years. Top individual scoring star in all PHS basketball history.

"A very fine gentleman and a star ball player! Excels in all areas—excellent shooter, top rebounder, and team player! Larry Hisle is the most modest boy we have ever coached. He does everything exceptionally well."—Coach George Heller.

Hisle finished with a total of 508 points his senior year, a 25.5 average for 20 games. Over three years Larry scored a total of 1,368 points in 64 games, a brilliant 21.3 average. He holds seven Portsmouth High scoring records, including most points as a sophomore (381) and junior (479), plus an individual effort of 41 markers set against Wilmington this year. Larry enjoyed a brilliant high school basketball career and has a promising college future.

COACH HELLER WINS TOP CLASS AA HONORS

"Mr. Trojan," our school's veteran basketball coach of fourteen successful years, was named Coach of the Year for the Southeastern District in Class AA basketball for the second straight year. In 1961 the Trojans under his expert coaching won the state championship in Ohio Class AA basketball tournament play. This year the Trojans placed eighth in Ohio basketball official ratings by the 1965 Associated Press Class AA. Also, the Trojans recorded the greatest season in PHS history. (17-3)

TROJANS RECORD GREATEST SEASON IN PHS HISTORY (17-3)

TROJANS OPEN SEASON WITH IMPRESSIVE 84-37 WIN OVER HILLSBORO PHS Gym—November 27

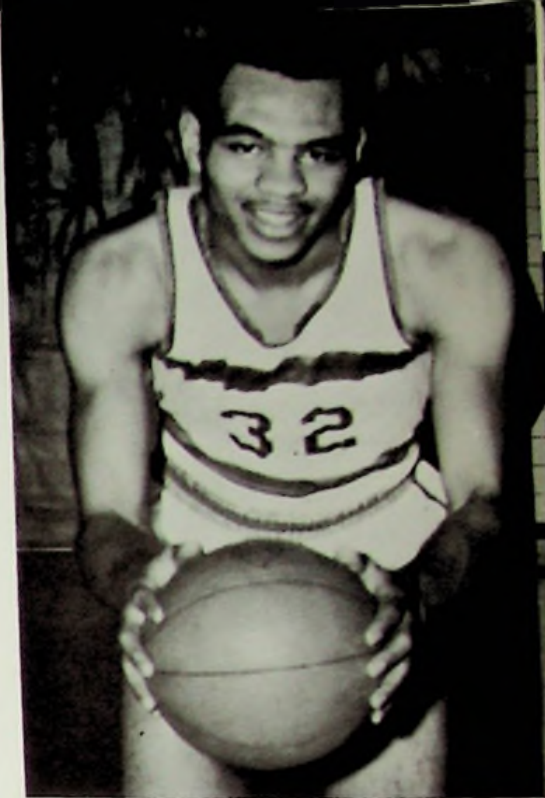

The Portsmouth Trojans started the 1964-65 basketball season with a blaze of glory in their new gymnasium. The "Men of Troy" ripped the nets all evening as they hit 47% of their shots. Coach George Heller substituted frequently throughout the game, since the Trojans controlled the ball game from the opening minutes of play.

Four Portsmouth starters got in double figures as Larry Hisle paved the way with 22 points.

PORTSMOUTH ENDS UP ON TOP IN 61-59 SQUEAKER AGAINST COLUMBUS CENTRAL PHS Gym—November 28

Two foul shots by Jon Arnett in the final 30 seconds of play gave Portsmouth a 61-59 victory in their second game of this young basketball season. The Trojans' ball handling

was not as it had been in their opening game, and their shooting percentage was lowered to 36%. Still, the Trojans managed to score key baskets to come out a winner instead of a loser.

Larry Hisle was again high man with 23 points, followed by Arnett with 12.

**HISLE LEADS TROJANS TO OVERTIME WIN
AT CHILlicothe, 62-60
Chillicothe—December 5**

The Portsmouth Trojans battled back from a 6-point deficit to tie Chillicothe in regulation time, and then went on to take a two-point victory in overtime. Portsmouth trailed most of the game, but the final tie came on Larry Hisle's steal and driving layup with just three seconds remaining in the game. Jack Spencer put the Trojans ahead in the overtime with a 20-foot shot, and after two Chillicothe foul shots Hisle scored on a 15-foot jump shot with nine seconds left to give the Trojans their third victory.

Hisle took scoring honors with 23 points, followed by Spencer with 17.

**TROJANS STUN ASHLAND WITH 80-73 VICTORY
Ashland—December 11**

The Men of Troy extended their winning streak to four games with an impressive 80-73 triumph over a powerful Ashland team. Unimpressed by the Tomcat 99-point scoring average, the Trojans led the entire game, the greatest lead being 16 points.

The Trojans used great team work in the win as starters Jim Hamilton and Jack Spencer scored 24 and 17 points respectively to aid captain Larry Hisle who finished with 19.

**TROJANS LOSE IN LANCASTER LETDOWN, 51-49
Lancaster—December 12**

A disastrous last quarter in which Portsmouth was outscored 15-6 gave the Men of Troy their first loss of the season. The Trojans were obviously tired after their game at Ashland the previous night. They had their worst shooting night of the season, making a low 26%.

Hisle was high with 14 points. Jack Spencer added 13 and Jon Arnett 10.

**HISLE BREAKS SCHOOL SCORING RECORD
AS TROJANS WHIP MARIETTA, 73-65
Marietta—December 19**

Larry Hisle made 13 field goals and 10 free throws for a total of 36 points and a new PHS record for individual single game. This broke the old mark of 35 points set by Leroy Carr in 1953. The Trojans hit 46% from the field as Jack Spencer and Jerry White added 12 points each to the Trojans' victory total.

**HISLE BREAKS OWN SINGLE GAME RECORD WHILE
BEING FIRST PLAYER IN PHS HISTORY
TO SCORE 1,000 POINTS
PHS Gym—December 26**

Larry Hisle pumped in 41 points in leading the Portsmouth Trojans to a 93-57 rout over Wilmington. He also scored his 1,000th and 1,001st points on a layup midway in the first quarter.

The Trojans led 39-25 at halftime and then put the game out of reach in the third quarter as they outscored Wilmington 33-18.

Jack Spencer had his best night of the season, scoring 23 points. Jerry White also got into double figures with 10.

JERRY GRIFFITH—Guard—Junior

TROJANS TROMP COLUMBUS WALNUT RIDGE, 99-51
PHS Gym—December 30

With the opponents providing more of a workout than a game, the Trojans posted their biggest point total of the season. Numerous steals and sharp passing opened the game as the Trojans rolled up a 21-2 lead. Coach Heller substituted freely throughout the game.

Hisle, Spencer, and Bill Odle finished in double figures as the entire squad hit at a scorching 55%.

KETTERING ALTER 9TH VICTIM OF TROJAN WARRIORS
 Kettering—January 8

Portsmouth never trailed in their game with Kettering Alter as they rolled to an 82-64 victory. The Trojans led by 17 at halftime and were ahead by as much as 24 points during the third quarter. Coach Heller let the reserves see a lot of action as the outcome of the game was never in doubt.

Hisle, Spencer, White, and Hamilton were all in double figures for the Trojans.

SURGING TROJANS RALLY FOR 63-62 WIN OVER MIDDLETOWN
 Middletown—January 9

Coach Heller's Trojans, on the brink of defeat, staged a tremendous comeback effort to overcome a 12-point deficit at half-time, then held on for a 63-62 victory.

Heller termed the win a complete team effort, but had particular praise for Jon Arnett who controlled both backboards in the second half.

Hisle and Spencer furnished the bulk of the scoring with 22 and 20 points respectively.

MEN OF TROY EXTEND WINNING STREAK TO SEVEN, AS IRLINTON FALLS, 87-68
 Irlinton—January 16

Portsmouth shot past Irlinton for the second time this season with an easy 87-68 victory. Larry Hisle, who had been held to 13 points when the two teams met earlier, fought back with 27 points, 20 coming in the first half. The men of Troy, ahead 52-32 at the half, toyed with the Tigers the rest of the game.

Jack Spencer finished with 20 points, Jon Arnett had 14 and Jerry White 11.

ICE-COLD TROJANS UPSET BY COLUMBUS EAST, 69-61
 PHS Gym—January 30

Portsmouth came out on the short end of the score for the second time this season as Columbus East outrebounded and outshot the men of Troy. Both teams took about the same number of shots from the floor, but East took the better ones.

As the third quarter opened, the Trojans shot back from a five-point deficit to take a three-point lead, and the Portsmouth quintet seemed to show more team-work. But the opposite happened and Columbus rolled on to victory.

Hisle scored his usual 23 points and Jack Spencer contributed 19.

TROJANS BACK IN OLD FORM; DEFEAT PONY EXPRESS 85-75
 Huntington—February 5

The Helleners returned to the victory path with the help of Larry Hisle and Jack Spencer. After a hard-fought first half which found Huntington ahead by four, the Trojans slowly started to pull the game out of the fire, then broke loose in the last period outscoring the Express 24-17.

Hisle paved the way for victory with 34 points and Spencer added 26. Rich Staten starting his first game of the season, put fourth an encouraging effort scoring 8 points.

TALL FAIRVIEW SQUAD EASY PREY FOR TROJAN WARRIORS, 72-58
PHS Gym—February 13

A rugged Dayton Fairview team with a superior height advantage was chopped down to size by the scrappy Portsmouth Trojans. The Trojans outjumped the Bulldogs by grabbing 37 rebounds to the opponents 24. Larry Hisle and Rich Staten pulled down 28 rebounds between them. The men of Troy were also hot in the shooting department by tossing in 55%. Hisle and Spencer were the top scorers with 26 and 20 points respectively.

TROJANS CLOSE SUCCESSFUL SEASON WITH 67-51 TRIUMPH OVER DAYTON ROTH
PHS Gym—February 20

Larry Hisle added another PHS basketball record to his growing collection. With 3:48 left in the third period, a layup by Hisle gave him the most points scored in a season by a senior, 425, and he went on to set the new mark at 431.

While Larry was setting his records, guards Jack Spencer and Jerry White were also helping in the team victory scoring 17 and 14 points respectively. With the regular season now over, the Trojans enter the tournament trail with one of the best records ever, 15-2.

TROJANS ROLL OVER IRONTON IN TOURNAMENT OPENER, 66-53

Clay High School—March 4

The Trojans simply outclassed Ironton in an unimpressive

start in tournament competition. Coch Heller felt the Troy men turned in a very average performance, but it was still good enough to put the damper on upset-minded Ironton. Spencer was the Trojan sparkplug with 23 points and numerous steals. Larry Hisle had a sub-par evening, but still finished with 21 points and 16 rebounds. Greg Leichner also turned in a fine defensive effort against Tiger ace Buddy Quarles while adding 9 important points.

WEST FALLS TO POWERFUL TROJANS, 84-64
Clay High School—March 6

The mighty Portsmouth Trojans kept rolling along the tournament trail with a 20-point victory margin against Portsmouth West. Although West tried hard for an upset (the score was tied at the end of the first quarter), the Trojans broke lose for 10 quick points and from there the Trojans simply overpowered their opponent. Larry Hisle played his usual fine game with 33 points and 17 rebounds. Jon Arnett showed improved effort in scoring 17.

ATHENS END TROJAN'S TOURNAMENT HOPES, 70-63
Athens—March 12

Atheñs' first win over Portsmouth came at the wrong time. The Trojans' title hopes were blasted by a revengeful Athens squad. "They just outrebounded and out hustled us" was Coach Heller's comment.

The Trojans never led in the contest as Athens led by nine at the half. The men of Troy cut the margin to two in the last quarter but Athens came back to go up by ten and that was the ball game.

Hisle finished with 23 points and junior guard Jerry White added 15.

BASEBALL TEAM

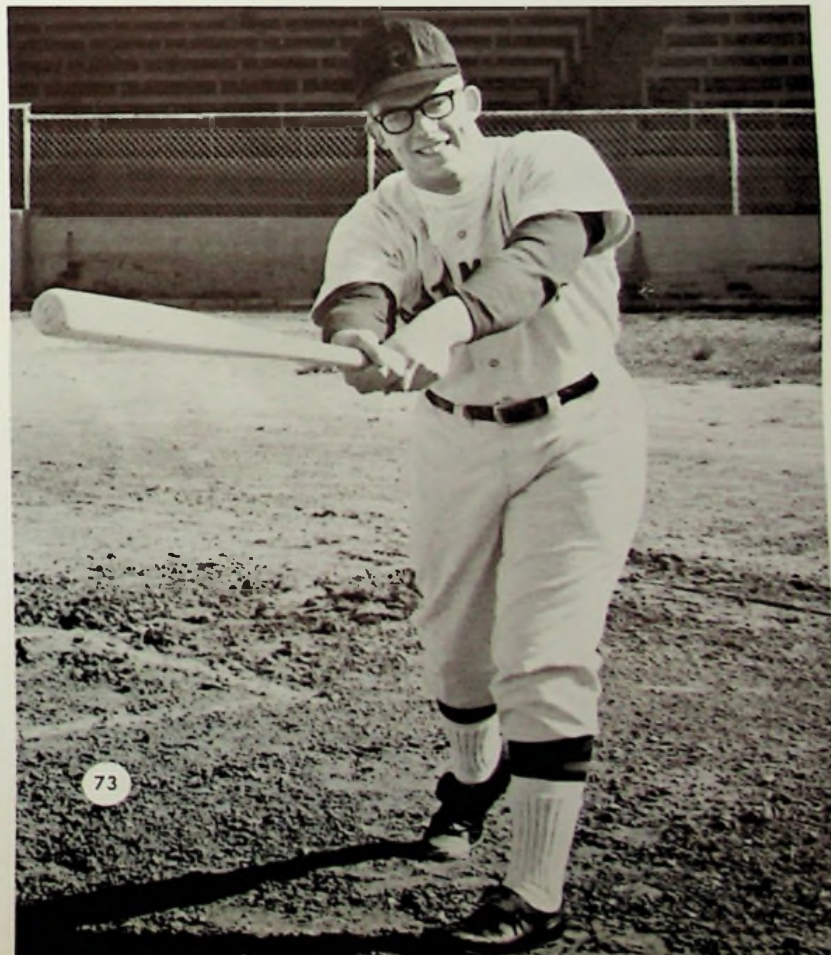

Trojan baseballers have bright prospects for a most successful season in 1965. With fourteen lettermen returning from last year's squad, Coach Harry Weinbrecht has high hopes of bettering the 1964 record. He reports strength in pitching and defense and is drilling his players in running practices to improve speed.

A large number of sophomores and juniors are expected to help out the veteran players in the lineup, assisting the leading hitter, Larry Hisle, and pitcher, Howie Covert. The Trojans gave a good performance in their early contests with victories over Valley and other strong district teams, making a bright baseball future for the Troymen.

TROJAN TRACK TEAM, 1965

This year the Trojan track team is determined to improve last year's record. With only four returning lettermen and many sophomores, there is great potential and many prospects. Captain Don Venturino is a fine candidate for state honors in the low hurdles. With boosts from the sprinters, relay teams, and senior pole-vaulter, Jim Jones, the men of Troy should place high in the district competition. Assisted by sophomore hopefuls, Ken Bagby and Ed McGriffin, the Trojan track team should add many more wins to their early season record of 6-1.

SASSY JUNIORS RATE HIGH IN SCHOOL LIFE

As Juniors we were determined to make 1964-1965 the most outstanding in our class history. It was a busy year with many preparations and plans for our senior year. Academic work assumed increased importance as we began to plan for our College Board examinations.

As Sophomores we elected Pat Apel as our president, Toni Taylor as our vice-president, Linda Berndt as secretary, and Jill Adams as treasurer. Their efforts, under the guidance of Mrs. Cathleen Fluty and Mr. Charles Adams, enable us to have a successful year. Toni Taylor was selected to be the sophomore homecoming attendant.

In September of 1964, we elected as our junior class officers: Bob Myers, president; Linda Berndt, vice-president;

Dottie Berndt, secretary; and Barbara Noel, treasurer. Early in the school year we completed a very successful magazine drive to finance the Junior-Senior Prom. Jeff Leach was the high salesman for this fund-raising project. Toni Taylor was once again elected to represent our class as homecoming attendant. In April, we gave a very successful play, "The Thread That Runs So True," which was directed by Mr. John Glass. The highlight of our junior year was the Junior-Senior Prom, "An Evening in Paris." Juniors achieving a high 4.0 scholastic average were: Fred Asche, Jeff Leach, and Charlotte Osenton. Other top-rating juniors were: Pat Apel, John Randall, Mike Abrams, Dottie Berndt, Bob Johnson, Kathy Battle, and Mike Hughes.

SENIOR CLASS—1965

SENIOR CLASS OFFICERS—1965—Left to Right: Gary Hauth, president; Jackie Waggal, vice-president; Pam Watters, secretary; Peggy Wertz, treasurer.

SENIOR CLASS OFFICERS

Our school days at Portsmouth High were the greatest! We shall always remember those three wonderful years. Our experiences have helped us to grow and mature into better citizens for tomorrow's world.

In our sophomore year we elected for leadership: Shirley Arthur, president; Jackie Waggal, vice-president; Sally Wainstein, secretary; Pam Watters, treasurer. Our homecoming attendant was Carole Cunningham. We sold name labels under the supervision of sponsors Mrs. Olive Wood and Miss Helen DuPre.

For many years the "spirit" of our junior year will be the favorite memory of our high school days. To serve as junior class officers we elected Larry Eynon, president; Gary Hauth, vice-president; Peggy Wertz, secretary; and Pam Watters, treasurer. Joanne Boyce was elected homecoming attendant. Our financial project was our magazine drive under the guid-

ance of Mr. Pat Darone. "Evening in Hawaii," our Junior-Senior Prom, highlighted our fun-filled year.

We are now ready to depart from Portsmouth High and face the challenges of our changing world. As class leaders for our last year at PHS we elected Gary Hauth, president; Jackie Waggal, vice-president; Peggy Wertz, secretary; and Pam Watters, treasurer. One of the highlights of our senior year was the crowning of Jackie Waggal homecoming queen and Joanne Boyce as her senior attendant. We were also very proud of our Senior Class top honor students rating a 4.0 average. They were: James Adams, Jeff Allen, and Greg Leichner. Other high-rating students in order of grade averages were: Michele Chaboudy, Christina Pather, Nicole Sainopulos, Jennie Buckner, Brian Clausing, Greg Potts, Cindy Brooks, Sally Wainstein, Bill Sutton, Roy Smith, Richard Randolph, Steve Johnson, Betsy Ann Richards, Vicky Sexton, and Pat DeBorde.

"THE CHALLENGE OF CITIZENSHIP"

I look at the world through the eyes of an American Teenager. My generation never had to stand in a bread-line waiting for food. We have never personally known the pain and horror of war, save what we have read in textbooks or heard from our parents. No one has ever shoved a rifle into our arms. We have never had to choose whether we would actually give our lives in defense of American ideals. But all of these things may someday be required of us, and we must be prepared to meet these challenges head-on.

There is no recipe for instant citizenship. To build the qualities of a good citizen requires many years. In the earliest time of life it is the parents who rear and mold the child, helping him form his first convictions and attitudes. Perhaps this accounts for the high rate of juvenile waywardness today. Too many parents simply don't have the time or the patience to help their children develop a set of high moral values. The formative years a child spends in school provide a tremendous opportunity to create a whole new generation of conscientious Americans. Although the school may do much toward developing a sense of fair play, its goal cannot be reached if the groundwork has not been laid in the home.

Perhaps we tend to underestimate the value of competent instructors during these years. (School presents the first real exposure to the outside world.) A child's teacher represents the first form of authority he has come into contact with after his parents. The teacher sets an example. The single most important attribute he may possess is justice. Many a young person who admired a teacher for his strict though fair manner has grown to adulthood emulating that former idol.

Eventually individuals arrive at that magic age when they are permitted to drive automobiles, smoke, buy beer, and be married without parental consent. They can do all these things, just as adults, and yet they are not quite adults. Now laid before them is perhaps the most important decision they have had to face during their entire lives. All people must determine for themselves whether they intend to be-

come social parasites or useful, productive citizens of this country.

Finally these people become twenty-one. They are looked upon by society as full-fledged adults. But along with adult privileges go adult responsibilities. We know that every eligible person has a duty to vote, but it is not enough merely to scribble an "X" on the ballot. Voters are challenged to select the very best candidates.

We say we believe in a democracy. But isn't it ironic that after every election some citizens are still violently unwilling to abide by the outcome? All that is asked of them is that they respect the right of majority rule, which, after all, is the very basis of our governmental system!

We have thus far traced the growth of an American from a baby to a voting citizen, but the cycle is not complete. Nor, in fact, will it ever be complete, for as we grow, rear children, and finally pass on, there is an overlapping generation to fill the void we have left. But . . . Will we be ready to take over where our predecessors left off?

I plead with the leaders and adults of today—take care in what you do! Consider what kind of planet you are going to leave in the hands of your children! We shall make mistakes of our own, for we are human, and we shall be responsible for them. But please don't force us to pay a penalty for things we cannot control. Would you place a live bomb in the hands of an infant?

In the final analysis, the challenge for our time is to improve our country, and in turn our world, to remove the gnawing doubts, the violence, the hatred, the narrow-mindedness of men.

We have a chance to improve upon the past, to correct the errors of the present, and to lay a solid foundation for the future. The youth of today must accept this challenge, so then history will look upon America as the society that advanced the world instead of one that nearly destroyed it!

OUR SCHOOL ACTIVITIES ☆ ☆ ☆

VARIETY OF ORGANIZATIONS REFLECTING PORTSMOUTH HIGH'S STUDENT INTERESTS

The program of activities at PHS brings forth the personality of the student. Most persons have real or potential leadership ability of some kind, and almost everyone has capabilities which when developed will make him a valuable member of a club group or student organization.

School leaders pictured on the opposite page are Student Council officers (standing, left to right): Jan Tierney, recording secretary; Howie Covert, president; Dave Gannon, treasurer; (seated) Cindy Brooks, corresponding secretary. Not pictured: Bill Horr, vice-president.

Student Council is a government "of the people, by the people, and for the people." It is composed of all homeroom presidents and class presidents. As soon as homeroom elections have been held, the council meets to organize and take up its responsibility as the representative government of the student body. The council meets at a specific time and works with the Portsmouth High School principal for the good of the high school.

This Organization Does Many Worthwhile Services For PHS and the Community

At Portsmouth High we serve in many ways. Service is given through work in various clubs and class activity committees.

Senior Honor girls at PHS give service in many areas. At Christmas time, in the traditional spirit, they give time and energy to make Christmas cheer for elderly women of the

community by giving a Christmas party. Also, Senior Honor places the Christmas tree on the second floor hall of PHS. Senior Honor Council sponsors the Girls' League, an organization of all girls in the high school. Throughout the year, this organization does many worthwhile services for both school and community under the direction of their sponsor, Mrs. Mary Coe Brown, dean of girls.

Club activities for this year included: a formal installation service, pirate party, Christmas dinner party, spring picnic, after-game dance, bake sales, a library convention at Heidelberg, presentation of a gift to Heikka Mattila of Finland, and book exhibit for the Scioto County book show.

Special honor came to the PHS Library Club via the publication of **The Ohio Student Librarians Association Handbook** which was edited by the staff members. WE SAW OUR NATION'S CAPITOL AND THE "ETERNAL FLAME" BURNING BRIGHTLY ACROSS THE GREAT CITY OF WASHINGTON ...

In late October a group of fifty PHS students journeyed to Washington, D.C., and Gettysburg, Pennsylvania, on a trip sponsored by the Social Studies Club.

We traveled by C&O railway train with our advisor, Miss Mary Krausz, and spent two exciting days in Washington and one day in historic Gettysburg. Some of the highlights seen on our tour were: the Capitol, the White House, the Bureau of Engraving and Printing, the Smithsonian Institution, Ford's Theater, the National Archives, the Pentagon, the Wax Museum, Mt. Vernon, Alexandria, Arlington Cemetery, the Tomb of the Unknown Soldier, President Kennedy's Grave, the Lincoln Memorial, the Washington Monument, and a drive through the Tidal Basin and Embassy Row.

OUR SCHOOL PARTICIPATES IN THE AMERICANS ABROAD PROGRAM

TROJAN AMBASSADORS OF FRIENDSHIP

The Americans Abroad Programs involve family and school experiences. They are not travel tours or "fun" trips. Students are abroad for approximately one year. Students leave the U.S. at any time from June, 1965, to early September, 1965, depending on the opening date of the schools in their host country. Return dates are dependent also on the host country's school system and range from June, 1966 to August, 1966.

Qualifications for all candidates include: excellent health, U.S. citizenship, class in school (must be members of the Junior or Senior class), language (at least two years of foreign language study), age (at least 16 by December 31, 1964), and academic record.

STUDENT EXCHANGE HIGHLIGHT OF PHS SOCIAL STUDIES CLUB

Sponsorship—Miss Mary Krausz

One of the best-known and largest foreign study programs for high school students is sponsored by the American Field Service. AFS arranges the exchange of high school juniors and seniors between the U.S. and countries of Europe, Latin America, and Asia. This year 304 such U.S. students studied under this program in 25 different countries.

Under the AFS program, travel expenses are usually paid by hometown communities. Overseas the U.S. students live with local families and attend local schools. In exchange, foreign students live with U.S. families in the participating communities, and attend local U.S. schools.

First PHS candidate selected for overseas study was Eddie Kaylor.

THE LESSONS WE LEARN IN OUR SCHOOL... HELP US ACHIEVE SUCCESS

To attain knowledge and acquire skills related to the teaching profession are goals held by members of the PHS chapter of Future Teachers of America. Members also explore their own areas of interest and abilities as they study the various aspects of this profession. High school students receive practical classroom experience as assigned assistants to help teachers prepare tests, mark papers, and in some classes to teach or help students solve problems.

1964-1965 program consisted of special movies, panel discussions, guest speakers, and the annual visit to area

schools to observe teachers at work in their classrooms. We also observed a special luncheon at the end of the year to honor new officers for the 1965-1966 term.

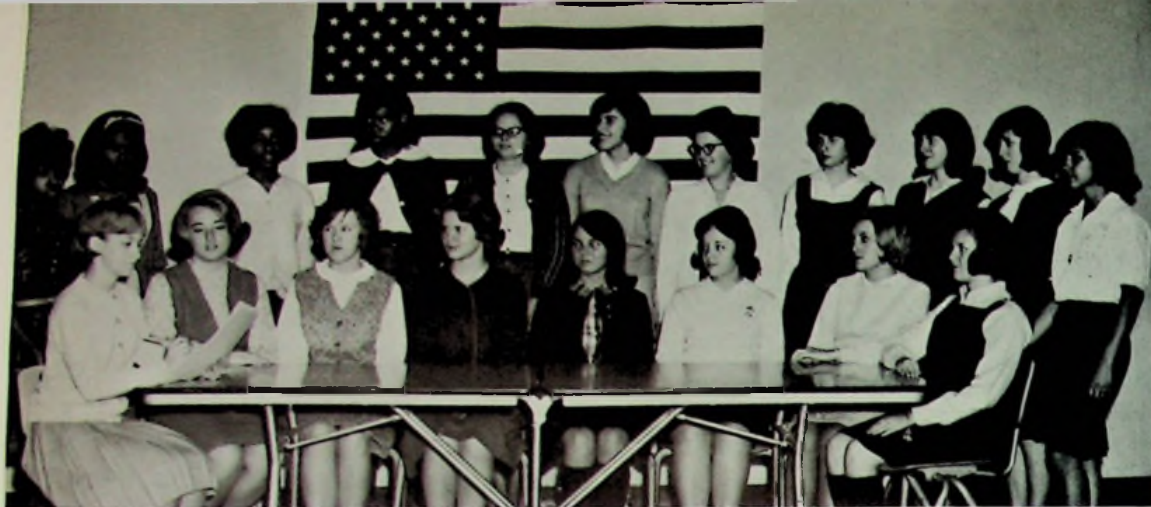

FTA Club officers elected to serve the 1964-1965 school year were: president, Cindy Brooks; vice-president, Martha Anderson; treasurer, Janie Duncan; secretary, Jessie Kavanaugh, and historian, Cheryl Gotez.

WE LEARN ABOUT OUR SPANISH HERITAGE

First and second-year Spanish students are eligible for membership in the Spanish Club. Students study the important role of foreign languages in understanding people of our world today. Through their monthly meetings they learn of the art, literature, and customs in Spanish-speaking countries.

Spanish Club officers for this school year were: Larry Eynon, president; Barbara Jewett, vice-president; Emily Berndt, secretary; and Jan Tierney, treasurer.

Our club program consisted of special meetings to honor traditional Spanish holidays—"The Day of the Dead" and "Christmas." Also, we enjoyed talks by foreign speakers, travel films, Spanish games and movies.

Mrs. Betty Hodgden, Spanish teacher, served as sponsor for this group.

Y CLUBS DEVELOP CHRISTIAN CHARACTER

The Hi-Y and Tri-Hi-Y Clubs are organized by the Portsmouth YMCA and co-sponsored by Portsmouth High School, and are affiliates of the National Hi-Y Fellowship. Groups are organized with their own officers with the thought of providing opportunities for participation in democratic action. Each club is small enough to allow for full expression of ideas and individual contribution to club life.

A highlight of the Hi-Y program is the annual Youth In

Government Model Legislature, in which the members frame bills, debate issues, and serve as senators or representatives of other state officers as they take over the state capitol building for three days.

Membership in the Hi-Y and Tri-Hi-Y is open to all high school students who apply and, accordingly, subscribe to the Hi-Y purpose.

The dramatic club of our school is the Revelers Club and is open to juniors and seniors. Members are chosen at special tryouts on the basis of interest, dramatic talent, and the ability to work satisfactorily on various committees and projects of theatre production.

The Revelers' activities included special dramatic pro-

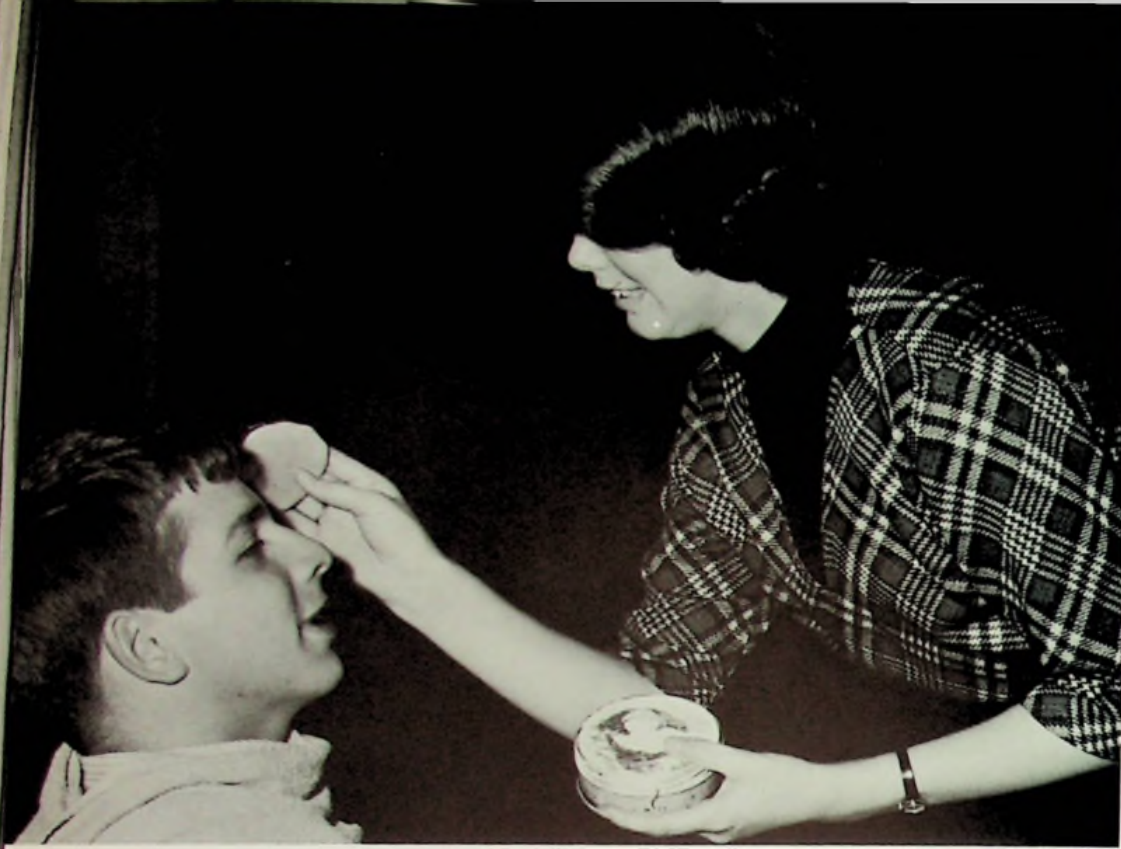

grams, study and design work, outside speakers, and the presentation of the Revelers' play, "Miss Pell Is Missing."

Club officers for 1965 were: Bill Johnson, president; Jim Adams, vice-president; Pat Stone, secretary; Dottie Berndt, treasurer. Mr. John Glass served as advisor for the group.

REVELERS' PLAY . . . "MISS PELL IS MISSING"

Standing: Charles Ison, Mary Ellen Egbert, Graydon Webb, Debbie Matiz, Mr. Glass. Sitting: David Freeman, Kay Shy, Sam Blackburn.

Mr. John Glass Directs Players in Correct Stage Positions

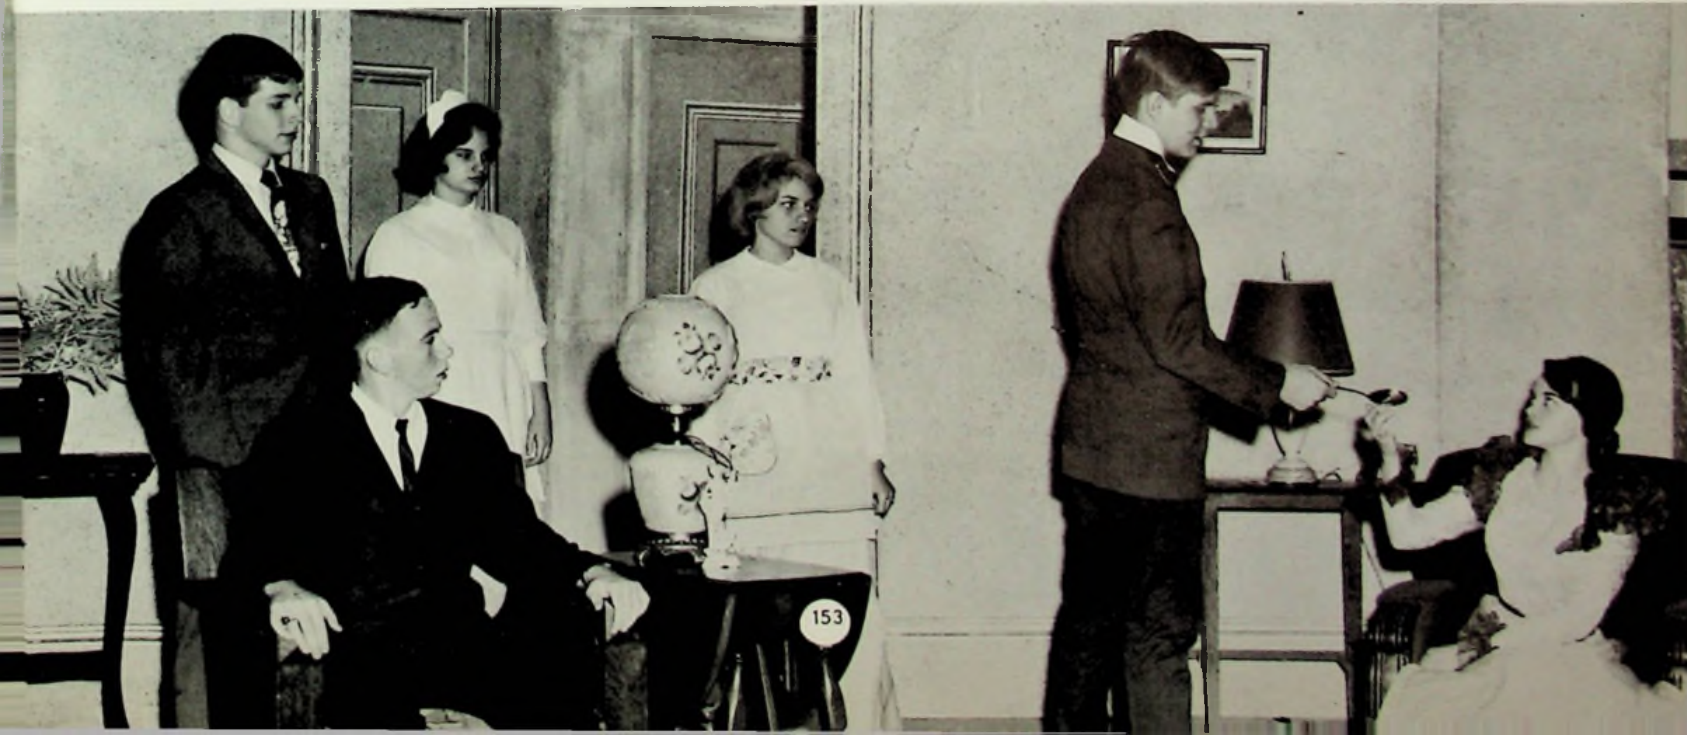

This story is balanced between the melodramatic and the comic. Miss Pell has been missing for six weeks and the police have given up the case because there is no evidence of a crime. Her brother and her brother's daughter (the niece) hire a private detective to find her or to find out what has happened to her. Since Miss Pell controlled the pursestrings and was such a tyrant over her brother and niece, they are not very eager to find her. However,

Miss Pell is eventually found by the detective and is delivered to her family.

The Revelers play cast included: Kathy Magurie, Kay Shy, Mary Ellen Egbert, Cheryl Goetz, Jim Wilson, Graydon Webb, Jeff Allen, Sam Blackburn, David Hassler, David Freeman, Debbie Matiz, Shelia Neal, Richard Bettis, Charles Ison.

Mr. John Glass, Revelers advisor, directed the play.

Standing: David Hassler, Cheryl Goetz, Shelia Neal, Rich Bettis. Sitting: Jeff Allen, Kathy Maguire.

MR. ROBERT McCOY

SPARKING OUR

Portsmouth High's colorful Trojan band under the direction of Mr. Robert McCoy possesses all the trimmings and zest to inspire Trojan spirit and action. Students qualify for this group by meeting the requirements of the music instructors and by demonstrating the ability to play an instrument well enough to be a useful member of the band.

The band's activities this year included: The River Days, Jackson Apple and Spring Festivals, Ashland and Chillicothe out-of-town football games, plus all home football games, Veterans Day, Bill Pepper Day, Memorial Day, and Santa Claus Parades; Commencement, and two formal concerts.

SCHOOL SPIRIT

Special performances were also given by the stage band and all small ensemble groups.

Come Along and Sing With Us . . .

Our school's vocal music department is under the direction of Mr. Charles Varney. Through his efforts these musical groups were very much in evidence this school year. They have participated in more than forty programs and concerts for the enjoyment of the Portsmouth community.

Most outstanding was the Christmas Concert which is one of our school's great traditions and is presented by the music department to an all-school assembly on the last day before our Christmas vacation. Other programs and concerts presented by the music department for the 1964-1965 school year were: the annual Thanksgiving and Spring concerts; the musical comedy, "Plenty of Money"; District Choral Competition in Ironton, and the City Festival of Music. In addition, the music clubs have helped sponsor the appearances of the University of Cincinnati Choir, the Ohio University Singers, the Ohio University Faculty String Trio, and the Ohio State University Brass Choir.

THE UNIVERSAL MAGIC OF

"Plenty of Money," a musical comedy, was given at 8 o'clock on February 18-19. This hilarious play was directed by Mr. Charles Varney and Mr. Robert McCoy. It centered around a charitable grandmother who finds herself in the precarious position of wanting to give money to her favorite

charities; only one problem, she hasn't any money. So she solved this predicament by making her own money. The band, the cast, and the chorus provided the audience with a very enjoyable evening.

"Our School" history as recorded in the 1965 Trojan has endeavored to spotlight school events such as Homecoming, the Prom and Fall Formal, decorating the gym, studying for exams, viewing our colorful Trojan band, meeting our Trojan athletes, joining the cheering section, cheerleaders, classroom projects, and many other exciting and interesting activities.

We hope that this 1965 Trojan will help you realize these wonderful memories of "Our School".

**TODAY THE
TREND IS TO FLAMELESS
ELECTRIC HEAT**

EVEN HEAT: It warms and feels like sunshine. It eliminates "hot and cold" spots. Warms without using up moisture in the air. Won't cause dryness to your skin, hair, nose or throat.

ROOM-BY-ROOM CONTROL: With radiant electric heat, a thermostat in every room gives you the exact heat you want at the touch of a dial. You decide if you want the bathroom at 90 degrees, the living room at 72 degrees, the bedroom at 65 degrees — all at the same time.

FLAMELESS: No fuel, no flame. With electric heating, there's no pilot light to go out, no fuel to store, nothing to escape, leak or smell. Maintenance costs are practically zero. Radiant electric heating requires no furnace, has no moving parts to wear out or rattle, no filters or burners to repair or replace, no ducts to clean out.

IT'S CLEAN: Yes, it reduces the cleaning and decorating costs. Since electric heating burns no fuel it creates no dirt. Your walls, ceilings, rugs and draperies stay clean longer with electric heating.

Ohio Power Electric rates have been reduced 3 times in 3 years.

OUR SCHOOL, PORTSMOUTH HIGH

This year Portsmouth High continued to maintain high standards of excellence in all phases of OUR SCHOOL'S educational program. The 1964-65 student year was one of the most successful in PHS history. Our sports action saw Larry Hisle, Trojan basketball star, gain all-Ohio rating for a second straight year. Cindy Brooks won a second place rating in the state of Ohio in the Voice of Democracy contest. Our music groups won state recognition in music competition contests while

providing enjoyment for many listeners. PHS students exhibited dramatic skills which were applauded by enthusiastic audiences. The Trojan yearbook won another first place in Columbia University Scholastic Press award ratings. PHS scholars received many high honors in the State Scholarship Tests and in the National Merit and College Board Scholarship programs. All in all, this year at OUR SCHOOL will be one remembered by students and by teachers for many years.

SO NOW WE'VE REACHED THE END OF THE HIGH SCHOOL FUN,
FAREWELL AND GOOD-BYE . . .
