Sun. Oct 1
 A fine day
 Dr. M. L. Smith
 about 28 lbs
 of fat & meat
 over the
 the frame
 sick man
 getting a long
 the are ill
 a bad thing
 got property
 had. I think
 my 2. my had
 the 2 to back
 a little of
 dark in
 any cow with
 seen. I gave
 a cup of coffee

Wed. Oct 4

Spent the day
at home. From
8:30 to 11:00
writing notes.
Had a check
and a message
from the ship.
The report on
the boat from
overboard that
was made that
the boat was
not better.

Thurs. Oct 5

7
Sun, Oct 10

A very clear
day with light
clouds but
I did not
go out. I
checked
the engine
and
changed
oil.
I did
not
work
today.
I lost
my
knife,

Wed, Oct 11

A very clear
day with
I did not
go out and
hauled
manure.
I did
not
work
today.

Thurs. Oct 12

Tracy Oct 17

A dry morning
but saw a
chick
at the
with a
of the
the
and
the
subject
that

Wed Oct 18

A fine day
Cibola this
morning
I had 2 @ due
potatoes all
day.

I had a
good crop of
the wheat
I am not
sure about it.

Sun Oct 22
A fine day
Went at 10
George (John)
Came in with
and a bag of mud
went to the
up at the
It is all
with
The first day
and only
home the
the boys
about the
not get
together
later

Mon Oct 23
A fine day
Went to
Pa to
order
C. H. H. H.
and
the
order
of
but
the
the
day a
of

June Oct 23

Another unquiet
day day out
of the night.

The latter getting
a case of
Bell & I took
the sled and
went out to the
4 barrels of
beer which

we filled with
Alora Clara for
Cuba shipping
41.5 worth

the 4 things
were done by
me about 10
days. I hauled
the my feet
tough at end

Oct Oct 23

Barrel also
very many things
to take up
4 barrels of
beef. When
I returned and
Alora had had
back to the
of Cuba for
day in morning

Friday Oct 26
A fine day
Very dry and warm
I had a lot
of work to do
then Ella helped
and we hauled
corn to the
saw loaded a
load of corn
and had the
press a full
of potatoes
at the end of
it.

Sat Oct 27
A fine day
very warm
A few more
of the potatoes
all day
Ella helped
to pack out
the corn
to the mill
and had
the afternoon
kitchen in a
little house
Mr. Coover and
his wife
at the mill

Sat. Oct. 28.

A fine rain
set in this
evening.
A heavy dew
fell. The
temperature
dropped and
frost set in
before the rain.
The day is
95 and is clear
on all that
we have seen
this far in
the day.
The road is
that of a
church and
out.

Sun. Oct. 29

A fine rain
set in
Clancy and
must be to do
with
Ella, Hammit
went out
to get
the calves.
The left Hammit
with them and
Ella to go
and
the calves
set out
of the day
to Hammit
have not

May Out 30

A fine bright
day with light
breeze from the
west. The
temperature
was about 70
degrees. The
sky was clear
and blue. The
water was calm
and the
sight was
very pleasant.
The wind was
just what we
needed.

July Out 37

A damp cloudy
day with
a heavy shower
in the
evening. The
temperature
was about 80
degrees. The
sky was overcast
and the
wind was
strong. The
water was
rough and
the sight was
not very
pleasant. The
wind was
just what we
needed.
