Dedication

We, the graduating class of 1955, wish to dedicate our annual to Mr. John Fugitt. He has helped and advised our four years in high school.

Mr. Fugitt, came to East High School in 1936 starting as the Industrial Arts Teacher. Later he was appointed athletic coach and as this department developed, he became head football coach. In the spring of 1952, Mr. Fugitt retired from coaching.

He is now a teacher of general science and biology. The students and faculty respect and admire Mr. Fugitt as a teacher and as a friend.

Editorial

The Atom and E.H.E.

Everybody who reads this yearbook remembers the great news that broke in this area in August of 1952: the building of the A-plant in Pike County. And everybody knows some of the very obvious consequences; the building of new roads, the enormous rise in rent, the increase in wages, the appearance of the trailer villages, and the opportunity for good employment.

Soon, if not already, a change at the A-plant will be made from the construction stage to the operating stage; and then the numbers of workers will be greatly reduced. Those who find permanent work with Goodyear will be those who are hard steady workers, have learned something about science, and can present good credentials or a strong record. No doubt many of these

highly-paid and well-trained workers will have to come from outside places because not enough of our own people are qualified. Therefore it behooves those who still have another year or so at East to use their time and select their subjects in such a way that they can seek and hold the best of jobs.

How often have we felt in school that the subjects we take will never mean anything to us! A boy may steer clear of foreign languages like poison only to find himself spending a year or so in Germany or Japan; and then he misses a lot if he has no curiosity about a foreign environment. Someone else may fail to get a job at the A-plant because he was afraid to take physics or chemistry or math in school, or wanted the so-called "easy" subjects and got by as easily as possible. Another person may be up against it because he could never see any value in learning to write a paragraph of correct English. "We reap as we sow" may be a worn-out expression, but it is as true as true can be, anyway.

The atom age has come about in our lifetimes, and the nearby A-plant has put us at the very forefront of progress and modernity. Rather than be old fogies by the time we are old enough to vote, let's accept this challenge and make whatever sacrifices are required. By so doing, we shall become as great as our ability will permit, and never have any regrets about fatal mistakes made in our teens. We are just as smart as anybody else, and if we are determined, we will not fumble the ball. Opportunity has knocked at our door as never before in the history of Portsmouth; therefore, the big question is: "Am I going to do something about it?"

Freshmen Science Class.

Route 52 taken from the air past Detroit Steel Corporation and through Portsmouth.

The new four lane highway which goes past the Atomic Energy Plant.

The One remains, the many change and pass;
Heaven's light for ever shines, Earth's shadows fly;
Life, like a dome of many-colored glass,
Stains the white radiance of Eternity,
Until Death tramples it to fragments.--Die
If thou woudst be with that which thou dost seek!
Follow where all is fled!--Rome's azure sky,
Flowers, ruins, statues, music, words, are weak
The glory they transfuse with fitting truth to speak.

Dig that Crazy Kid

Remember when Joan Quick was Homecoming Queen at Harding Grade School? October, 1950.

Attendance Officer

MR. GEORGE B. MCGAHAN has been the attendance officer for all the Sciotoville Schools since 1946. Before coming to East High School, he was employed as a mechanic by William's Manufacturing Company. One of his very interesting hobbies is in assisting his wife as a Kindergarten teacher. He also spends much of his leisure time fishing.

Custodians

MR. RUFUS PERKINS came to East High School in 1948 to serve as Custodian. He was employed from 1945 until the time he came to East at Garfield School. Previous to his employment as Custodian, he worked as an Interior Decorator.

MR. ROY PLATT has served as Custodian at East High since 1933. He is always available and efficient in his services. Before coming to East High School, he worked as a carpenter in Portsmouth. He is responsible for completely building his own home. His hobby in the past several years has been raising Belgran Hair rabbits.

This is the first time that our East High Elementary grades have had a section in the Tartan. If the children like their part in this annual, we will continue to have these pages. We hope that next year we can improve this section of our year-book by getting pictures of the best projects the pupils have on during their class work.

Janet Johnson was the member of the annual staff who was responsible for collecting material to organize this section of the annual. Next year the annual staff and their adviser will appreciate suggestions from the teachers and parents of our grade school children.

Junior Cup Winner

The Junior Cup is presented to the outstanding student of the junior class who has made many contributions to the class and school. Character, leadership, co-operation, scholarship, and athletics are considered in selecting this winner. This coveted cup for 1954 was presented to Cynthia Mucha. Cynthia was also our representative for the "I Speak for Democracy" contest. She has taken part in all the extra-curricular activities our school offers. Cynthia was a member of the National Honor Society and the Scholarship team.

Our Tartan Queen,

PATTI HARTLAGE

This is the second year this idea, the "Miss Tartan Contest", has been used at our school. Six girls were chosen from each class. Then these girls were voted upon and one girl was chosen to represent her class. Ellen Gilpin was the freshman candidate; Kay Whitt, junior candidate; and Betty Chamberlain, senior candidate.

Our queen, Patti Hartlage, a sophomore, is a daughter of Dr. and Mrs. Wm. Hartlage, 5833 Gallia Street, Sciotoville. Patti is a majorette and a member of the Girls' league.

Any person could vote for any one of the girls by giving the girl's manager a penny per vote. Miss Hartlage's manager was Roger Sheperd; Miss Gilpin's, Ed Reinhardt; Miss Whitt's, Bob Shoemaker; and Miss Chamberlin's, Jack Brock.

CLASS OF 1955

Detroit Steel Corporation extends hearty congratulations to this year's graduates upon completion of another step in the process of preparing yourselves to become useful citizens in your community.

Your career after graduation will develop in a nation whose progress is a direct result of its freedoms, so that you will have an opportunity to grow and to develop in a land of opportunity.

The future will offer many additional opportunities for continued study and improvement. We urge all graduates to pursue all opportunities to further increase their knowledge in order to stay abreast of our rapidly expanding technology in a highly technical world. More than ever it can be said for the future that "knowledge is power."
