For Business and Pleasure Trips Use D & C Line Steamers

The Delights of a Lake Trip

REST after work is necessary to human endurance, and holidays are a wise economy. The Great Lakes of America offer more vacation opportunities than any other source in the country. The steamers of the Detroit and Cleveland Navigation Company operating to all important ports are unrivalled in point of elegance, comfort and quality of service—the perfect freedom offered by the saloon and promenade decks, the commodious state rooms, luxurious furnishings and excellence of cuisine make life aboard these floating palaces, a solace to the weary mind and body.

WHERE YOU CAN GO

Daily service is operated between Buffalo and Detroit, Detroit and Cleveland, four trips weekly between Toledo, Detroit and Mackinac Island, the historic summer resort of the North Country, and from June 25 to Sept. 10 a special steamer will be in commission between Cleveland and Mackinac Island, stopping at Detroit enroute every trip. During July and August special daylight trips between Detroit and Cleveland.

RAILROAD TICKETS AVAILABLE

Tickets reading via any rail line between Buffalo and Detroit, Detroit and Cleveland will be honored for transportation on D. & C. Line Steamers in either direction. Send 2 cent stamp for illustrated pamphlet and Great Lakes Map. Address L. G. LEWIS, G. P. A. Detroit, Mich.
