Look to This Day!

**Look to this day!
For it is life, the very life of life.
In its brief course lie all the verities
and realities of your existence:
The bliss of growth;
The glory of action;
The splendor of beauty;
For yesterday is already a dream,
and tomorrow is only a vision;
But today, well lived, makes every yesterday
A dream of happiness, and every tomorrow
a vision of hope.
Look well, therefore, to this day!
*from the Sanskrit***
