

1855 / 107

May Fri. 7. 1876
A nice day
Threatened rain
Several showers
went down
Sprinkled a
little.
Plowed all
the afternoon

Sat. May 2

A nice day
I plowed and
rolled all day
Oscar plowed
all day

Emmit & I went
up to Uncle Sam
to see how
he was.

He seems to
be lots worse
I traded old
Nig for a
gold log to
Henry Perry.

Sun. May 3

A warm day
I attended
Sunday school
up at the school
house.

The rest of them
did not go
A good big storm
hit here the rest
of the time.

Genist & I went
down to Havel
on Hick Run.
I stole one of
Emmit's 5.

practically been
George & Bertha
Shepard

Mon. May 4

A nice warm day
& harrowed until
noon on the oat
ground. After dinner
I drilled oat in
Ore finished

I helped with
the surveying
Carried the chain
most all day
We got Bill Jenkins
and John Belt

to carry the chain
the rest of the line
I drove down to
George. I got
him as flag man
The rest of the day
Emmie went with
me.

Tues May 5

A nice day
& harrowed until
noon and then
drilled in oats
The rest of the
day

Ore finished
plowing and then
went to harrowing
Mr. Cannon of
Chester Tice. was
over to him the
bag bailed.

But the boys are
still surveying

Tues May 6.

A very warm day
I finished drilling
oats. Pa finished
surveying at
noon.

He has located
the corners on the
N.E. of us.

Our gear to roll
the oats found
small.

Uncle Eliza
died last night.

Thurs May 7.

A nice warmer
day. Our rolled all
day & hauled
manure until
noon. He then went
up to the bullies
& saw a woman
take a fit.
He did not get
back until
evening.

Fri. May 8.
A nice day
Still dry.
I plowed until
about 10 A.M.
Then hauled a
few loads of
manure. I then
hauled the rest
of the day.

Sat. May 9.
A warm dry day
Dad & I plowed
most all day
Began to blow
on the island
Pa drove down to
Hytula to trade
his horses off.
He put the sheep
tongue in the
buggy for his
I had looked
real nice

Sun, May 10
A very hot day
At home most
all day
John Baker came
over,
He went up to
Sunday school
and back home.
Smith, Jennie and
Hattie + Bill were
here all day
Tom Charter's
wife was
suffering today.
John Baker + I
drove up to Aunt
Hannes B. and did
not get back until
about 10 P.M.
Had some fun

Mon, May 11
A very warm day
Rained a couple
of showers this evening
We got wet and
had to stop off.
The wind blowing
on the island
Steven came

Tues. May 12.
A very hot sultry
forenoon. but
came a very
hard shower
of a half hour
duration.
Out to mow
in it all.
The men hauled
and plowing,
They all mowing
The saw mill
down part
to. but the com
down with a
load and got
wet.

Wed. May 13.
A warm day
Sprinkled a little
I plowed the
midland out both
ways. Out to
finished plowing
and the hauled
Tipp's men
mowed his saw
mill down part
to day with
five yoke of cattle

Thurs May 14

A warm day
I planted the bilbao
to corn and then
marked out my
ground.

Dr. plowed &
harrowed a truck
patch and then
harrowed the
potato patch.

Fri May 15

A nice day
I finished planting
corn and planted
my beans.

I dragged and
rolled all day
on the corn
ground.

Sat. May 16.
A warm day
Dad & I took
our team up
and helped
Smith all day
Plowed & harrowed
on the hill in
front of the hill.
The boys went
up to the school
house to meeting

Sun. May 17.
A nice warm
day
Att. most all day
Went to Sunday
school and church.
Jas. Smith & Belle
Baker came over to
church and came down
for dinner.
Barnes came down
J. Pett & wife was
here. Martha & Bill
here also
Smith & Jennie
went down to George's
& don't stand up to
Aunt Hannah in the
evening. Came down to
church. At the church I
took the speaches down to
old Clinton Twp.

Mon. May 12

A nice rain this
afternoon.

I helped Smith
plow until noon.

Or rolled his

coat. I cut spears
a little while in
the orchard.

Tues. May 19.

A nice shower this
^{P.M.} Had started
in to help Smith
but rain prevented it.

Ort I firmed
around until noon
plowing sweet potato
patch and setting
out cabbage & sweet potato.

We worked this
afternoon in the
orchard cutting
spears.

Wed May 20
A nice shower
Began to rain
at noon and
rained until
about 3 P.M.
We pined around
John, Bill, Oss
& I went to work
on our miller
patch. Began a
fence it and
plow it.

Thurs May 21.
A nice day
We pined
our miller patch
by noon and
all but planting
Oss & I took our
scythes and
cut brush out
of the orchard
The rest of the
day
The Whittier team
began to haul
lumber part
here to day
for the first
They are to
be heard here

Tue. May 22

A warm day

Os. & I cut spouts
untill noon.

They then rig up the
cultivator and

plowed potato

Os. peeled
willows.

Pa. went to

Becky to see

Trip about the
men that is to
board her.

Sat. May 29.

Threatened rain
and rained the most
of the forenoon

I finished the
potatoes and

fixed the pump
to plow in the
orchard. Os. finished

cutting spouts and

then peeled a
few willows.

They then took the
pump and here

up and plowed
in the orchard.

Sun. May 24

A nice warm day
I attended Sunday
school.

At home the rest
of the day.
Clarence & Lewis
Lemons came
over.

Rev. Cadott was
here this afternoon
I wrote a letter
to Ella C.

A couple of team-
sters came to
begin to board
here.

Mon. May 25-
A damp rainy
day
I cleaned out
the stable for
the teamster
and firmed
around the rest
of the day
One chopped
wood.

Thurs May 28

A nice day
Got & worked in
the orchard all day
& plowed until
noon.

He then cut apart
the seat of the sled
& drove over to Mr.
McNair's. Jack
Betty & over and
left her.

Jim Bennett went
with me
He had a time
eating cherries.

Did not get back
until evening.

Jim came down
with me and spent
the evening.

Fri. May 29

A nice day
Pa went to town
Genie replanted
corn.

I planted beans
and finished around
Smith was down
I got mad and
all out of fire and
said a great
deal more than I
ought to to ma.

She trying to shush
Smith got me
riled and started
thill feel had
about it for a
long long time
Pa brought back
a new road tire
wasn't.

Sat. May 30

A fine cool day
for decoration day

He had a grand
time A large crowd
attended
A speech by Mr
Basham.

The boys met at
the Hill and
marched up to
Aermon at the
head of a large
procession.

J. H. Butler led
the band in to
the cemetery.

Sun. May 31.

A cool chilly day
Attended Sunday
school.

At home the rest of
the day
No one came all
day

I was about
well, but and
slept most all
day

John did not
get back from
decoration until
this evening
came through the rain
