

REFLECTIONS 1975

Dam Hampy - 1974-1975

A decorative border of red maple leaves runs down the left side of the page. The leaves are layered and overlap, creating a dense, textured effect. The color is a vibrant, slightly dark red.

# DEDICATION

The 1975 Minford High School Falcon Yearbook Staff is pleased to dedicate the 1975 Falcon to Mr. Dan Kuhner. Perhaps through this gesture he will see the love and respect we have for him because of his giving of time, love, understanding and efforts within our daily lives. He has strengthened our spirits as well as improving our sportsmanship and our regard for Minford High School. I can think of no man who has done more for Minford High School and the students as individuals. Mr. Kuhner, our 1974-75 principal and head football coach, has left a lasting impression on many of us with his leadership and guidance throughout the year and he will never be forgotten. We will always be grateful to him for all he has done for us. May God bless him, his family and his home.
