Dedication To Sylvia Fannin

We, the Annual Staff of 1981, dedicate this annual to Mrs. Sylvia Fannin in honor of her dedication and sincere interest in students and in the teaching profession, whose warm, out-going and helpful personality aided in her teaching.

After graduating from Eastern Kentucky State College, she devoted 38 ½ years of her life to teaching. Of her 38 ½ years teaching, she spent fourteen years in Kentucky, three years in Cincinnati, and one year at Wheelersburg Local Schools. She came to Valley in September 1950 and retired in June 1973.

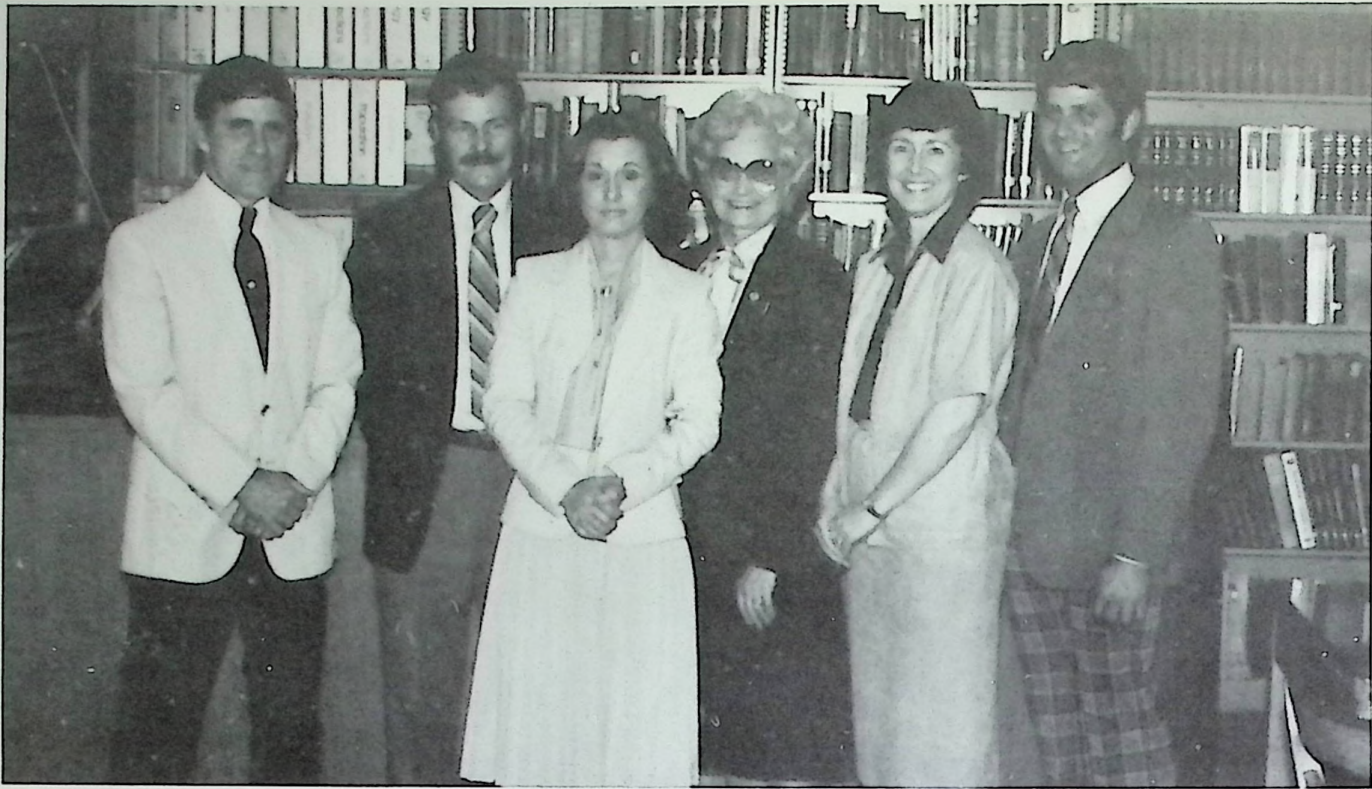

Along with teaching Government and World History, Mrs. Fannin helped with many Clubs. She started the Lucas Chapter of the National Honor Society. She was sponsor of the Annual Staff and, occasionally, she aided many of the other club sponsors.

Graduation

WE HOLD THE DREAMS OF TOMORROW

The senior class of 1981 will always remember their last year at Valley High School - no matter how good, bad, funny or sad it was.

Music played a big part in our senior year. Some of the biggest names in music were "AC/DC", "Styx", and "REO Speedwagon." "AC/DC" gave us "Back in Black" and "REO Speedwagon" hit big with "Keep on Loving You." But the number one favorite song of the senior class was "Celebration" by "Kool and the Gang."

When we weren't studying hard for that big government test that was given by our favorite teacher, Mr. Bender, we found enjoyment in watching T.V. shows such as "MASH", "Flamingo Road," and "BJ and the Bear." At the movies, we loved the humor of "Stir Crazy" and fell in love with Goldie Hawn in "Private Benjamin." Two of the "Saturday Night Live" crew came back to give us another favorite - "Blues Brothers."

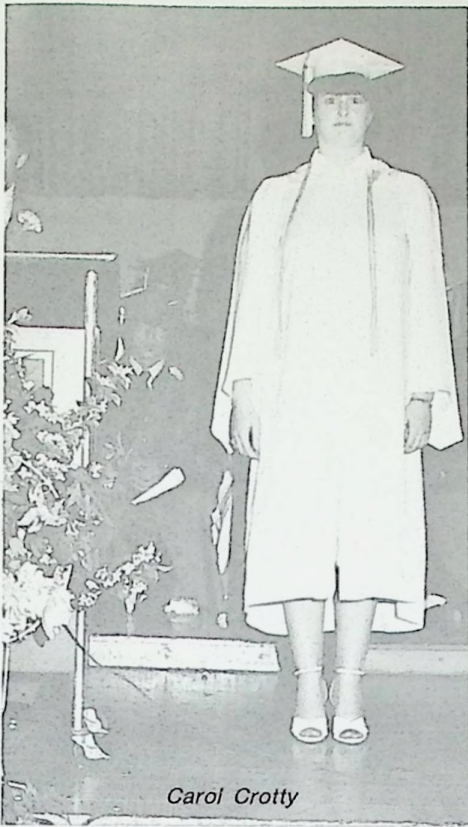

Chili was voted the best school lunch, while pizza remained the favorite food for high school seniors. And our love for pizza showed in our choice of favorite hangouts which were Pizza Pub, Pizza Hut, and Pizza Box.

Our senior year was filled with many dramatic events - the release of the American hostages, the death of John Lennon, the successful flight of the space shuttle, and "A New Beginning" with the election of Ronald Reagan which nearly ended with the assassination attempt on the President. But with "Indian Fever" burning out of control, the successful seasons of our athletic teams seemed just as important to the senior class of 1981.

As our senior year drew to a close, we ventured to Cincinnati to see the Reds in action and stayed at the "Holidome." With tear-filled eyes and long good byes, we parted ways with life-long friends on May 15 as we graduated from Valley High with the motto of WE HOLD THE DREAMS OF TOMORROW.
