HOME ECONOMICS

If more of the girls took Home Economics from Miss Waller and Miss Finney, there would be fewer divorces and happier homes in the future. The girls with the help of the mothers, made all the costumes used in the Washington Bi-Centennial plays. They also give candy sales and the most tempting luncheons. Anyone interested in becoming an ideal home-maker should consider seriously the taking of Home Economics.

LANGUAGE

You'd know that there are other languages than English if you'd just step in rooms 304, 302, or 116. Such noises! If you hear a song or a line of poetry, it might be anything but English. The pupils even write letters to boys and girls in France and Spain. Those taking Latin can't write letters but Julius Caesar saw to it that they have plenty to keep them busy.

MUSIC

Perhaps you aren't aware of the fact, but our high school is just filled with Carusoes and "Rose-Bud Tenors". Miss Anderson and Mr. Schnabl have instilled into their hearts the desire to attain fame in a musical line, and they have been very successful. Some of the students received national recognition in the musical convention at Cleveland. The glee clubs have entertained many of the business and social organizations in the city.

SCIENCE

If you happen to catch a glimpse of crowds darting over lawns with butterfly nets or digging undecorative dandelions from the high school turf, don't be alarmed. It's probably the members of the department of science. This department, under Mr. Walden's leadership has done much to further the study of sciences by bringing speakers, moving pictures, and instructive experiments to the students.

COMMERCIAL

The intriguing art of business is carefully poured forth into the eager ears of the young hopefuls by the teachers of the commercial department. The financial affairs of our noble institution are well directed by Mr. Kegley, assisted by Flora Sutherland and Kathryn Jones. Grade cards, grade sheets, reports, and business letters are typed by the industrious pupils.

HISTORY

The subject of history sounds rather didactic but just get into it once and you'll find it to be very different. Since it is said that "history repeats itself" one should study it just to find out what is going to happen. Tests on current events have been given frequently, and as a result, the students have been reading more of the newspapers than the "funny sheet".

SENIOR CLASS HISTORY

In the autumn of 1928 there came tripping into High School approximately 250 naive little Freshmen who were all for making highest distinction and being in every activity. To start things off a picnic-hike was arranged for Freshmen only, and the usual tumbling and sliding down the hills of old Kentucky was renewed with much vim and vigor. The Freshman Dance was open to the whole school. The lucky sponsors of this remarkable class were Miss Hughes, Mr. Phillips, and Miss Blazer. Little Billie Horr presiding over such a rowdy bunch was quite a success.

Came 1929, and with this year a hush that comes before an ensuing storm. A Sport Dance took the limelight and was a "whale of a success". The head sponsor again was Miss Hughes and her assistants were Miss Slavens and Mr. Simmons. Booker V. Moore was the big shot that memorable year.

The storm broke in 1930 and such a downpour there was! We were honored with the very difficult task of editing the school paper—the "Echo." The Halloween Dance was advertised to the limit and "went over big". The real affair, however was the Hard Times Dance. Confetti and clever decorations adorned the gym. Next on the list was our Spring play, "Lilies of the Field", which was brilliantly portrayed by a lively group of amateurs. Furthermore and lastly the Junior-Senior Banquet deserved all the honors. Those responsible were Miss Hughes, Mr. Simmons, and Mr. Leach.

At last comes the climax of our career followed by graduation and for some, oblivion. The first gala affair of our current events was a Dance in which all classes were invited to participate. Everyone enjoyed the band immensely. "Green Stockings", a modern comedy, received quite an ovation and the auditorium was well filled both nights. Another dance namely, the "Valentine Frolic", thrilled the Freshies but the nonchalant upper-classmen took it merely as a matter of course. Almost last comes the Boat Excursion of May 17th, a day never to be forgotten by anyone who went. The band was marvelous and dancing was in demand throughout the afternoon. Lastly, but as usual, not least, the commencement play was given. It wasn't just another play, but something by which to remember the high and mighty Seniors. In closing I wish to mention that the Senior Class has given to P. H. S. some of the most versatile athletes ever to attend high school. Both girls and boys have performed diligently in all divisions. The Senior girls as a parting souvenir won every championship available.

The Class of '32—now bids the old "Alma Mater" a fond farewell.

Since Betty was an active member of our class for only one year, probably only the upper classmen will remember her. While here she was not only outstanding in scholarship and activities but also editor of an unofficial news sheet. "The Daily News" (for freshmen only) was written in the clever, witty style so characteristic of Betty. "Leach", as she was called, had a gracious, informal manner and a pleasing personality which won for her innumerable friends.

IN MEMORIAM

We had the good fortune of having Hewlet with us for three years. He was active in all phases of school life but was particularly brilliant in English and various forms of literature. His original verse and short stories were quite humorous but he also wrote many more serious articles. He did especially fine work the short time he was editor of the Echo. His extraordinary ability, his willingness to work and his likable ways made him a student who will linger always in our memories.

JUNIOR CLASS HISTORY

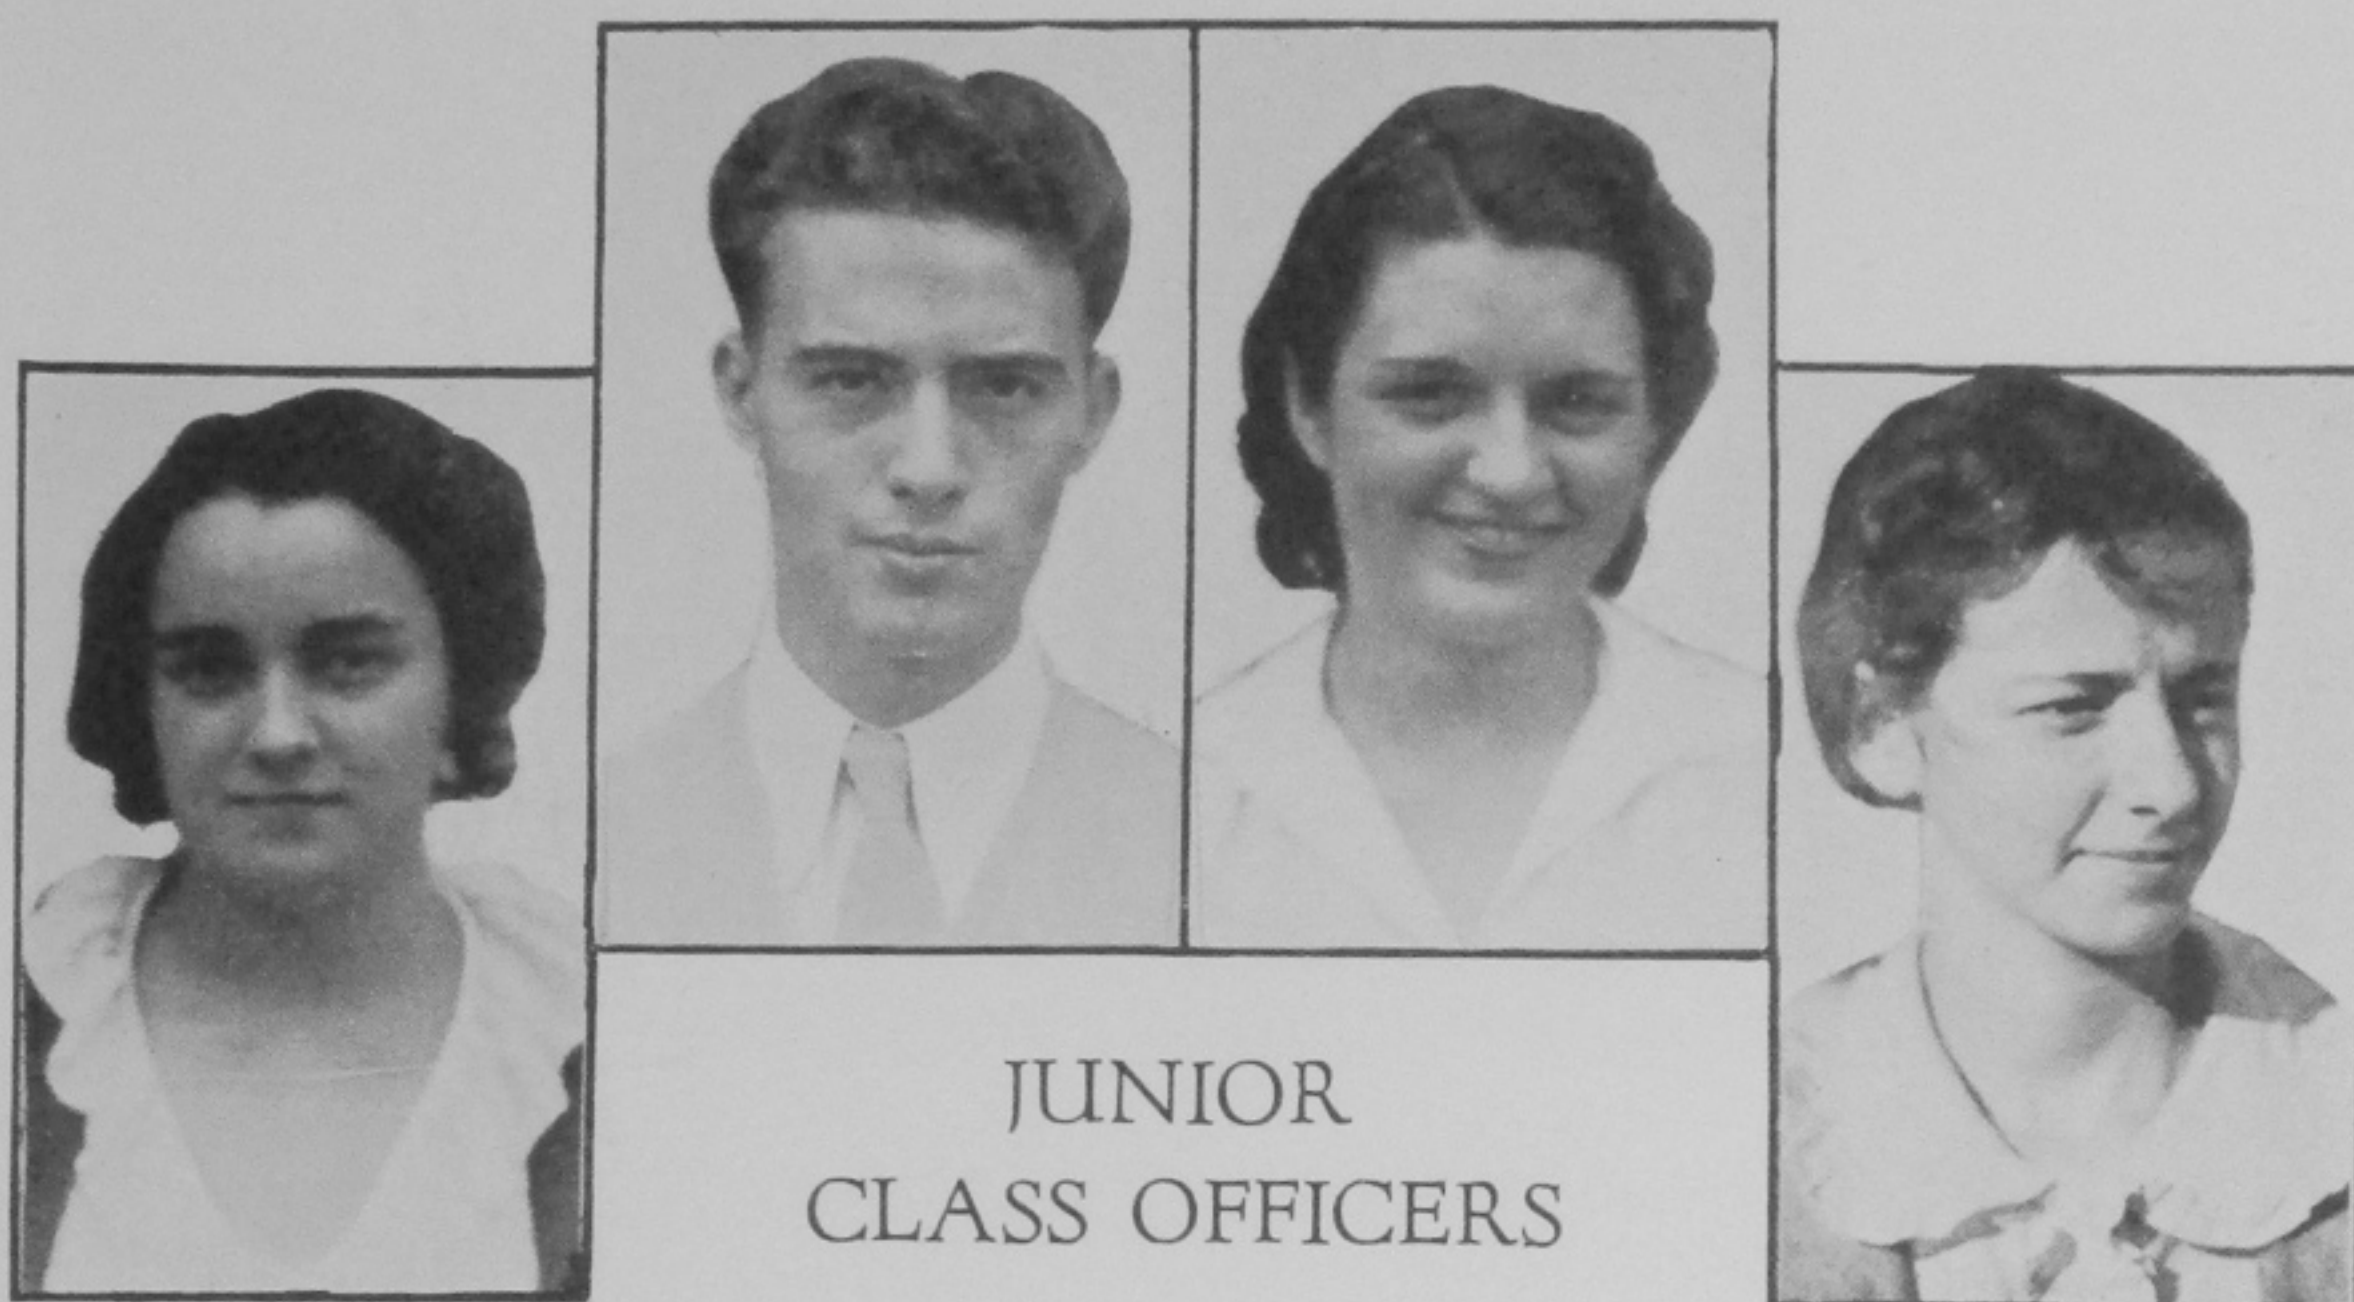

Three years ago when this class entered P. H. S. it immediately showed everyone that it was destined to become a really active organization. The entire class seemed to overflow with pep and enthusiasm.

To start things off in the correct manner they elected Don Ferguson as president and Miss Bell and Miss Ball as advisors. During their first Christmas season in High School all the Frosh, and they only, enjoyed a big Yuletide party in the gym. In April they entertained the entire school at a big Spring Dance.

Their Sophomore year was even more alive than the preceding one. With James Newman at the helm they presented their first class play, "Oh Kay", before a capacity audience. In February of this year they held a skating party which again was simply a class function. Toward the close of the semester the entire student body was once more the guest of the class of '33 at a peppy sport dance.

When their Junior year opened the first official duty was the publishing of the Echo, which they have edited throughout the past year with much success. Immediately following the first edition of the paper, the entire class assembled in 320 and selected their leaders for this past year. Charles Dearth was elected president, Pauline Newman, vice president, and Katherine Cabiness, and Louise Kelso, secretary and treasurer respectively. Mr. Pitts and Miss Bell were chosen advisors by the class, and Mr. Massie was the appointed third sponsor. These Juniors gave a spooky Hallowe'en Dance as the first school social event of the year, and it was certainly full of fun and surprises for all. Just before the close of the first semester they presented their annual dramatic production "Take My Advice." It was a very interesting comedy and met with the hearty approval of everyone.

Again this spring they gave a novelty Leap Year Dance. The girls took the fellows and acted as their escorts all evening. In some cases it was sweet revenge for the feminine half, while it certainly pleased the strictly Scotch male dancers. As the last class activity as Juniors, the traditional Junior-Senior banquet, in honor of the Seniors, is always a fitting climax.

SOPHOMORE CLASS HISTORY

When the class of 1934 entered the High School, the whole school sat up and took notice, for such a large group of up and coming youngsters was very unusual. They voiced high ambitions concerning activities and scholarship—and what's more they are really accomplishing things in both lines.

Our attention was first attracted by their choice of class sponsors—who could direct them better than Miss Colley, Mr. Kegley, and Mr. Lorentz? Bill Clark officiated as President that first year of struggling, and under his guidance all members of the class became acquainted with one another at a “get-together” party.

This year with Jack Williams at the wheel, the Sophomores showed real speed in getting under way. First they gave a dance in night club style—floor show, eats, and everything. It was an extraordinary affair and one at which everyone enjoyed himself to the fullest extent, especially after Santy Claus Cookes passed out the favors. Then to make its reputation more secure, the class of '34, with Miss Colley's coaching, presented the very clever comedy “Icebound”. Joe Graham and Elizabeth Jordan in the leading roles gave excellent performances—as did everyone else in the cast. Elizabeth Miller was a scream! Her imitation of Zasu Pitts sent the whole audience into convulsions.

To return to the more serious things—this class boasts of five scholars who have had no grade below ninety since they first entered the portals of this temple of learning. They are, Leona Atlas, Ruth Burkitt, Spencer Cunningham, Nancy Pennington and John Purslow. The Sophomores are not lacking in athletes either. For instance Raymond Chapman, George Carr, Mary Malavazos and Flora Sutherland are already bringing fame to their class. With such outstanding members, great things are expected.

CLARKSON OF NEW YORK

FRESHMAN CLASS HISTORY

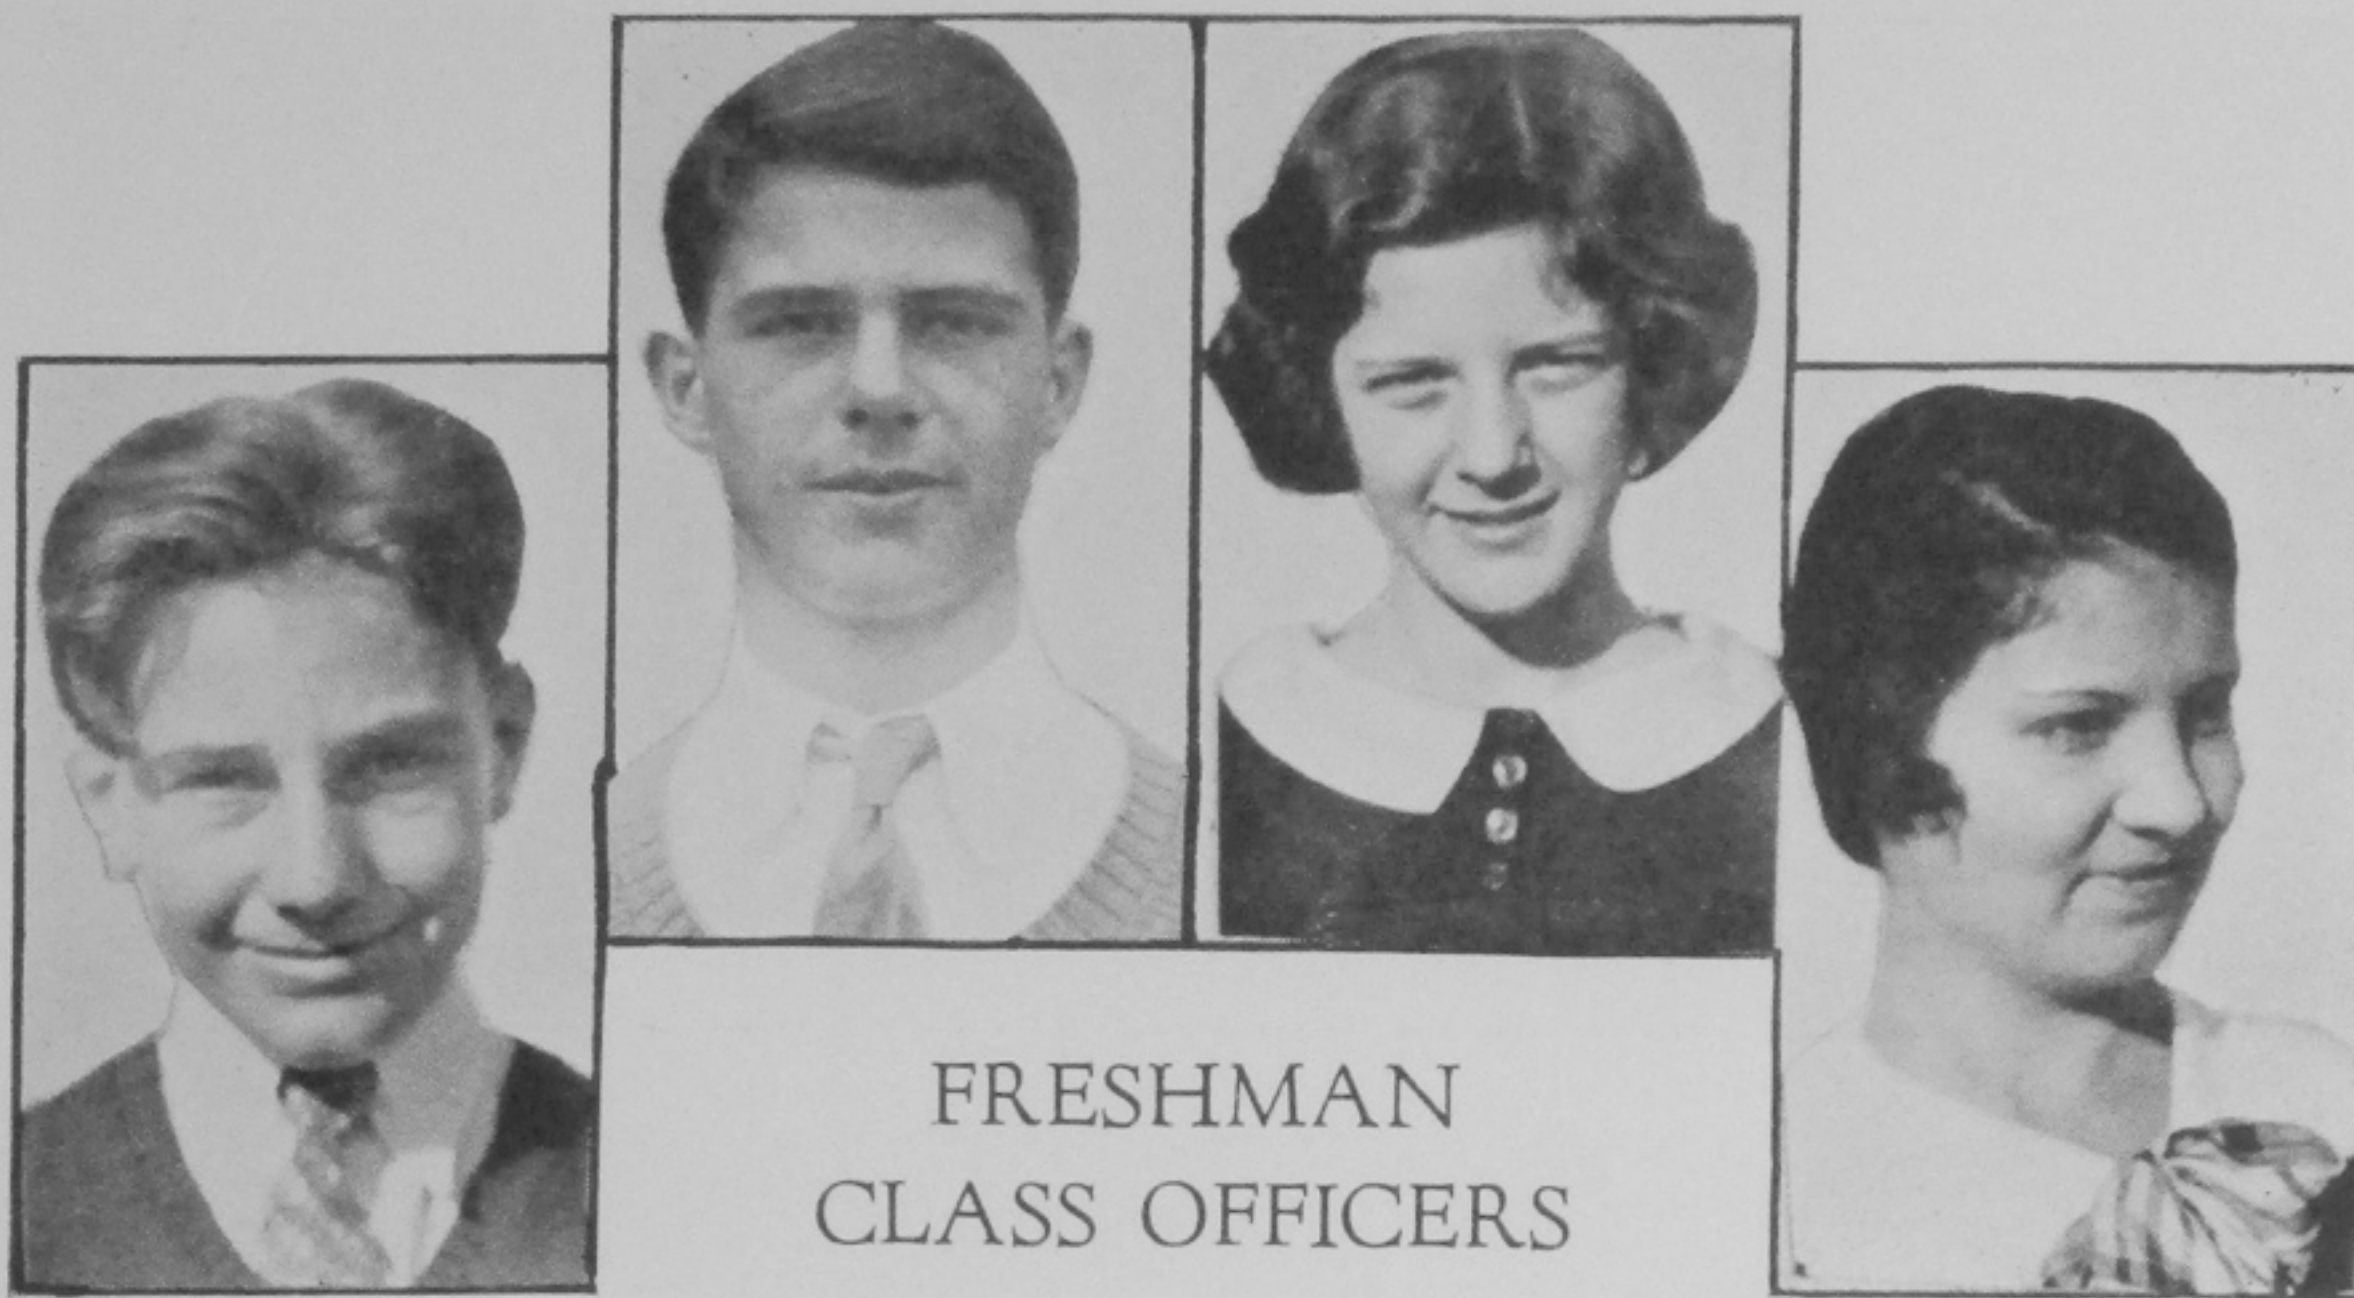

The infants of our big family who expect to graduate in '35 are representative of every grade school throughout the city. In September some three hundred of them walked through the P. H. S. corridors for the first time, while in February about eighty more enrolled as still younger sisters and brothers. From all parts of the city they came. Grant and Highland sent the largest delegations, but many others registered from Lincoln, McKinley, Roosevelt, Lafayette, Woodrow Wilson, Offnere, Bond, Washington, Massie, Scudder, North Moreland and several out of the city schools.

At their initial class meeting they elected their officers and advisors to guide them through their first trying months with us. After several close races they finally decided upon Ralph Dearth for president, Betty Jane Brechner as vice-president, and Richard Enterline, and Irma Moore, secretary and treasurer respectively. Miss Blazer, Miss Gorsuch, and Mr. Leach were selected as parental sponsors for this large group.

It wasn't long until they really had things going. As their first social function, they held a peppy fall party in the gym, which was really a get-to-gether in order that everyone might become acquainted. The boys were rather bashful at first, but as the evening progressed, their shyness completely wore off and everybody had a great time.

But these younger students do not spend their time in pleasure alone. From the unusually high scholastic records of some, their school work seems to take a very important part in their lives. Kenneth Beman, Betty Jane Brechner, Dorothy Davis, Gladys Eddy, Hilda Fulton, Charles Horr, Jr., Vernon Ishmael, Donna Love, Nancy Padan, Arthur Prince, Robert Reno, Charlotte Richards, and Frank Sheridan have all maintained averages of at least ninety per cent in their studies during their Freshman year.

We will miss our guess entirely if this up and coming Class of '35 does not accomplish great things during their next three years at P. H. S. The pep and enthusiasm is there, and with a little extra work success should always be theirs.

NATIONAL HONOR SOCIETY

ROBERT WALKER

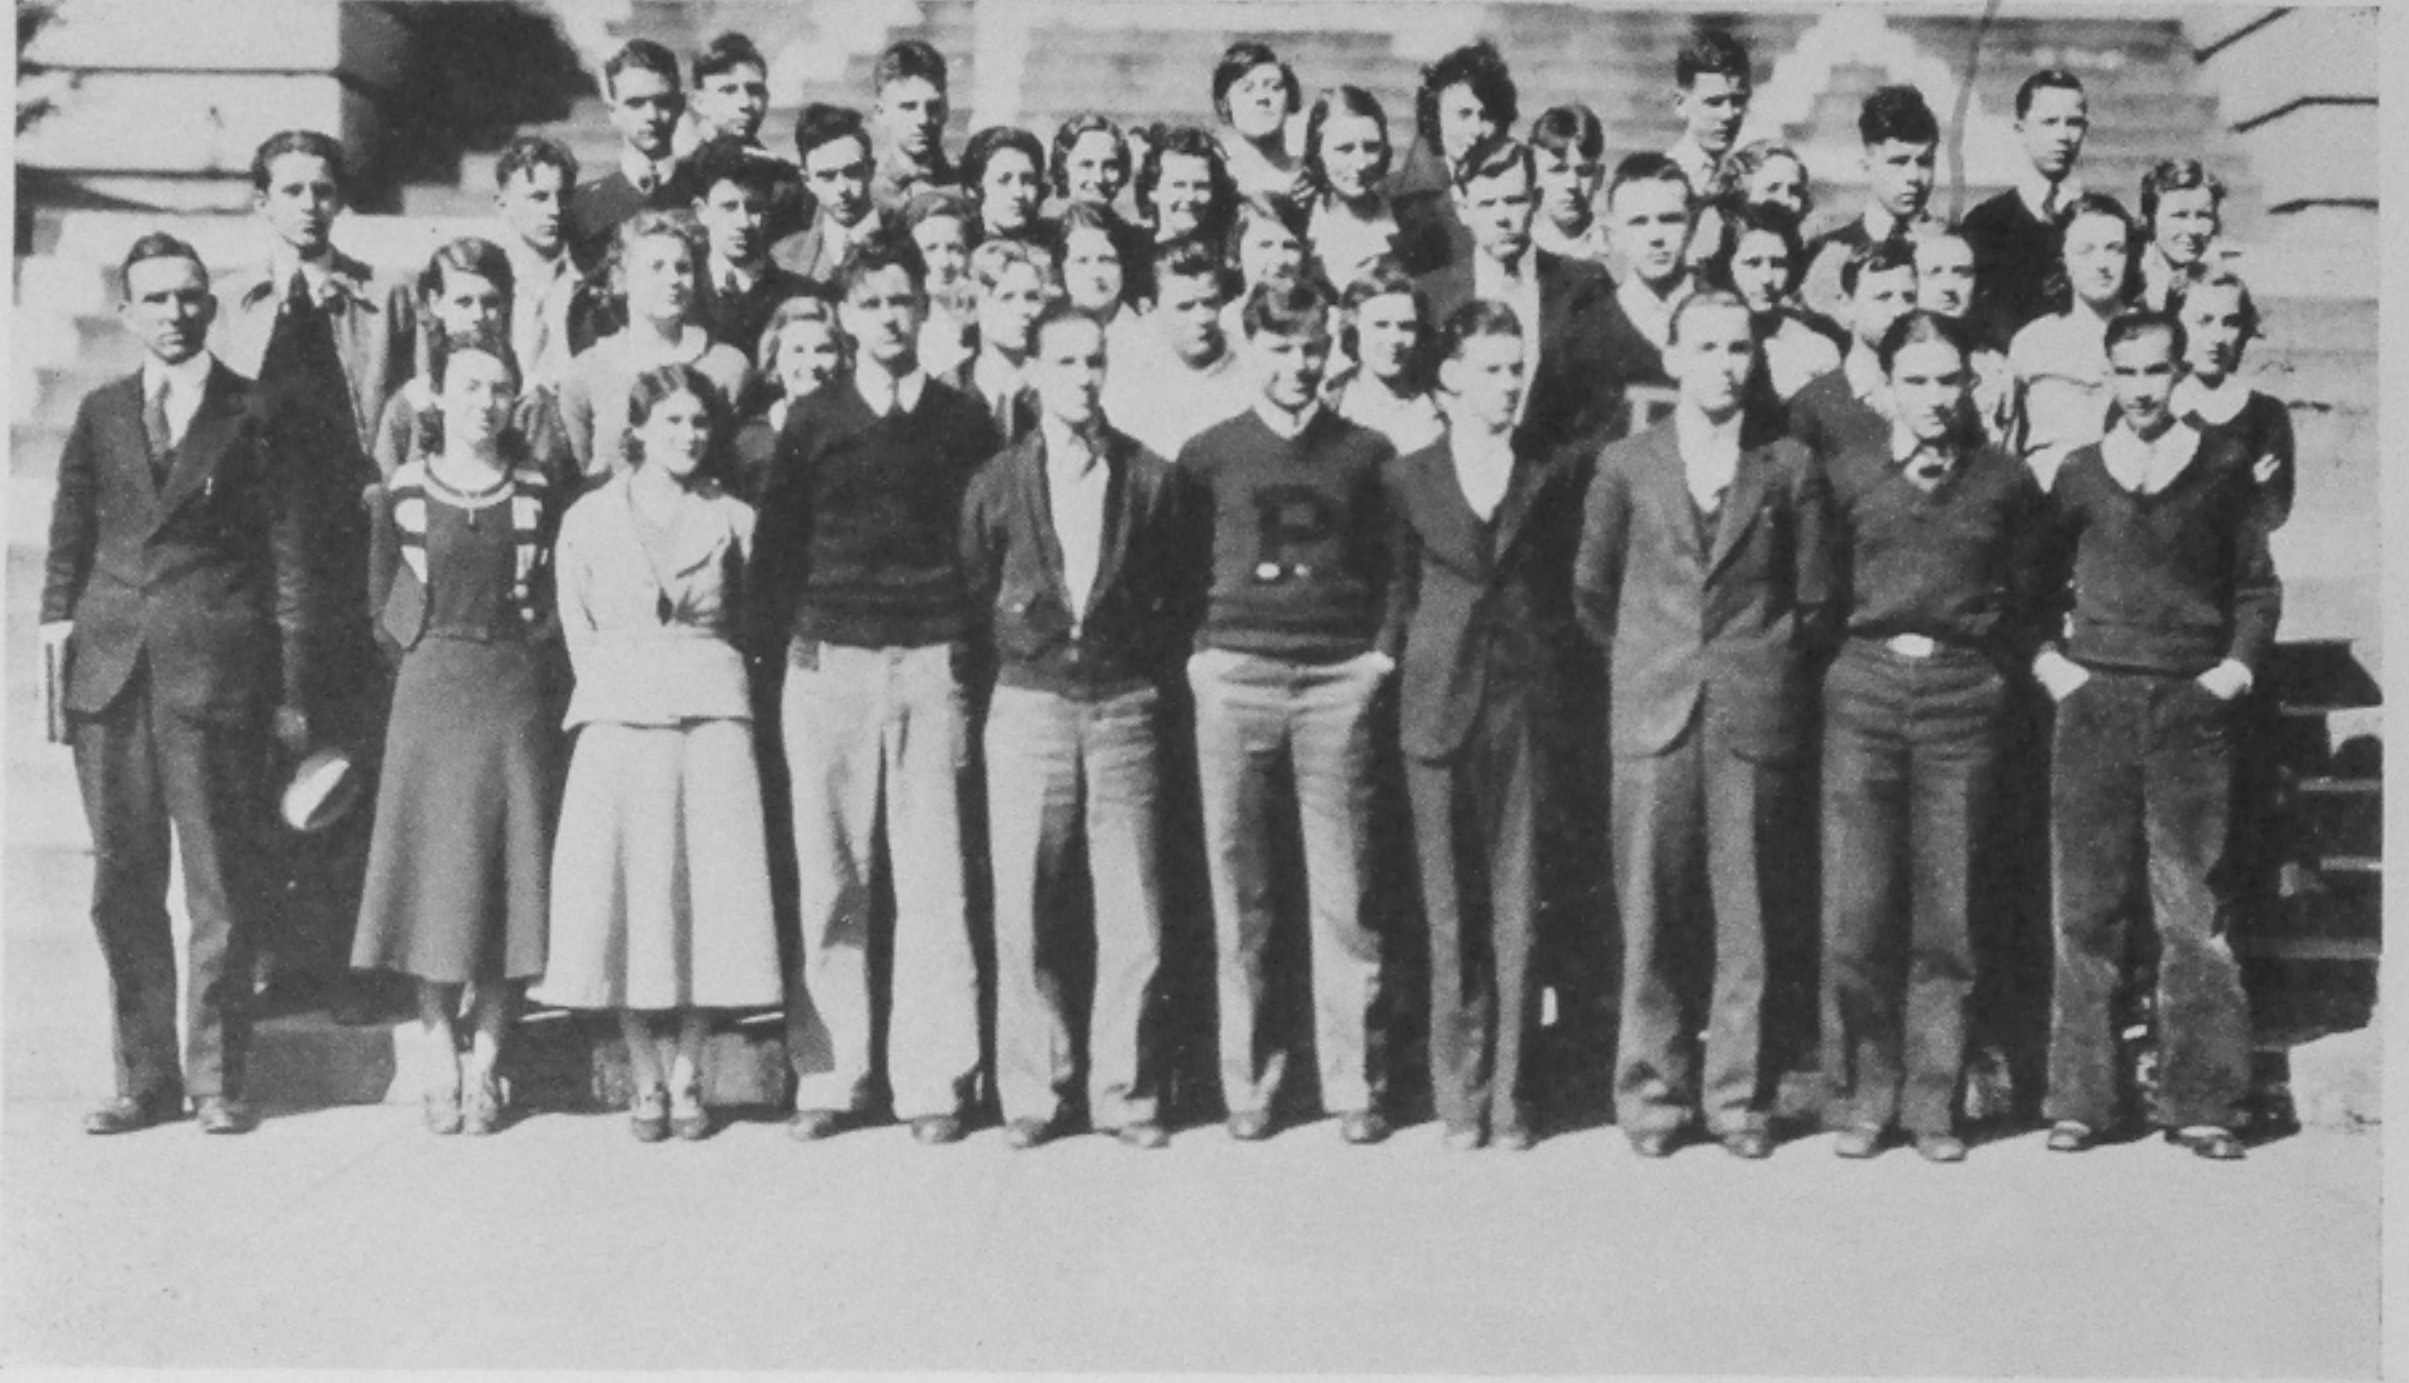

The National Honor Society is an organization in secondary schools for the purpose of rewarding an enthusiasm for scholarship, stimulating a desire to render service, promoting leadership, and developing character in the students. All members must have a scholarship rank in the first third of their class. To be selected for membership implies that a student start in his first year at high school in order to attain this coveted honor: grades must rank high, a little piece of service must be well done, an office must be filled with efficiency and last, but not least, a high standard of character must be maintained.

Growth in all things is necessary and so it is in these things, until finally in the junior or senior year the pupil has really made for himself a place, which the faculty but recognizes when it selects the members for the National Honor Society. The aim of each pupil should be, not the attaining of the honor of membership in this society, but, rather, the attaining for himself and his school the ideals for which this society stands. A pin which is the certified emblem of the National Honor Societies of the United States is presented to each member by the High School Parent-Teachers Association.

This year's Officers were: President, Robert Walker; Vice President, Sarah Anne Marting; Secretary-Treasurer, Rossine Schirman Sponsors, W. E. Massie, Miss M. M. Ball.

CHARLES COOKES

STUDENT COUNCIL

Each Monday afternoon the presidents of the different advisory groups meet in 205 for Student Council. This group is not in the true sense of the word a student governing body, though each member has his vote in questions brought up before the council. Mr. Dale, who is sponsor, meets with them and gives the announcements for the following week. Then on Tuesday morning at 9:30 the advisory groups meet, and the president of each announces the program for the week. These meetings are formally conducted and thus they give each student experience in the correct manner of expression in formal club meetings of any kind. Parliamentary law, the study of which was taken up several years ago through the advisory group plan, was again studied this year.

Student Council held a magazine subscription sales campaign this year in order to contribute to the Student Aid Fund. The undertaking was successful, for quite a few subscriptions were sold. Elizabeth Jordan was awarded a prize for selling the most. Several others also were given awards for their salesmanship.

Officers were elected for the entire year. They were: President, Charles Cookes; Vice-President, Norma Goodman; Secretary, Donald Ferguson; Treasurer, Lester Schisler.

GIRLS' LEAGUE CABINET

The Girls' League is the one activity of P. H. S. in which every girl can take part, regardless of whether she is a freshman, sophomore, junior, or senior.

The work of this activity is carried on through the League Cabinet, which is comprised of several committees: hospitality, publicity, refreshment, health, program, and finance.

This year has been almost wholly a social one. First there was a "big sister" movement. All the freshman girls were assigned a "big sister" and these sisters helped them to become acquainted with their new surroundings and routine. The "Freshies" were supposed to ask the "big girls" questions—and my what questions they were! The week of getting acquainted was climaxed by a big party. An interesting program was given, followed by dancing and refreshments. The big event of the year was the Christmas party for the girls and their mothers. A play was given and tea was served, after which the girls, as usual, were seen dancing in swarms on the gym floor. Girls' League parties always feature entertainment and good eats.

Our new Dean, Mrs. Felsted, is the sponsor. The officers this year were: President, Sarah Anne Marting; Vice-President, Mary Warman; Secretary, Madeline Ames; Treasurer, Virginia Tatje.

WILLIAM HARR

1932 TROJAN STAFF

There is a great deal more to working on the Annual staff than merely being "literary minded." Just as important as those who do the write-ups are the photographers, the artists, the typists, the business manager, and the ad-hunters. Many hours were spent in toil up in 304, and much was accomplished under the watchful eye of Miss Kauffman. Those who helped pull the strings to form the 1932 Trojan were:

ECHO STAFF

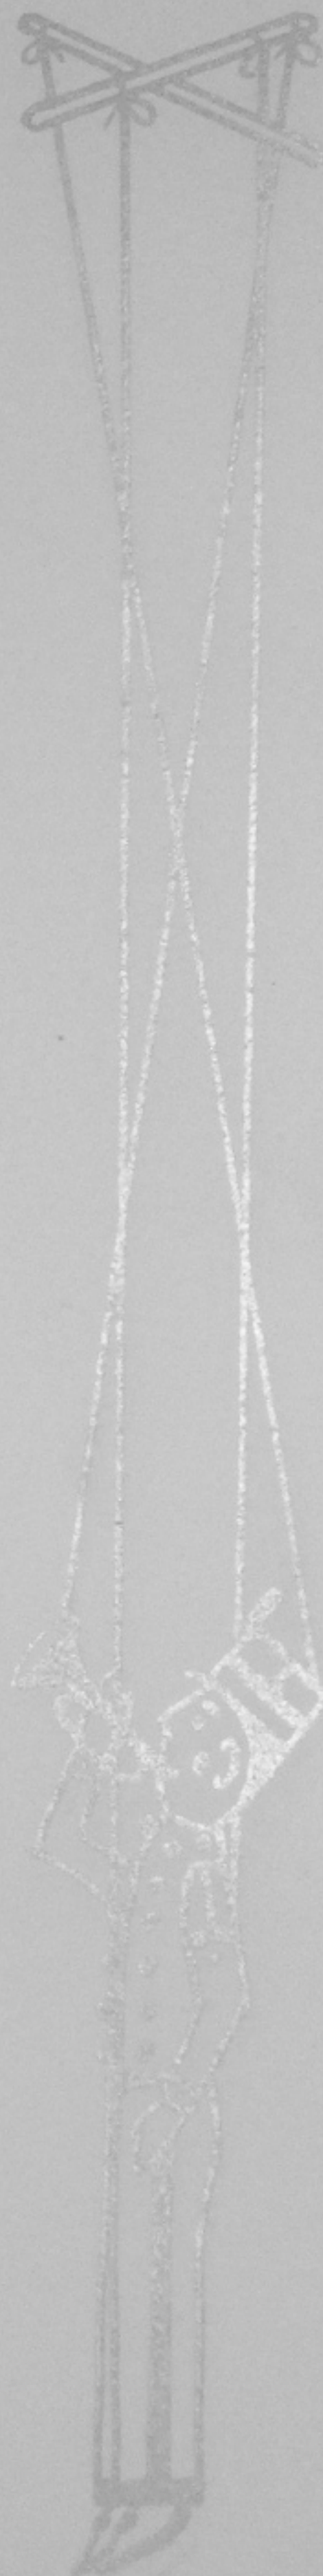

Hounds on the trail of the latest scandal, sometimes on the trail of real news—the Echo staff!

The key-note of its publicity this year has been "your school paper". An effort has been made to increase the news value of the paper for the individual pupil, by means of a contribution box. These activities give rise to a training class for successors to the present staff, who, it is hoped, will place in next year's Ohio State Press contest.

HOMER BROWN

PORTSMOUTH HIGH SCHOOL BAND

Another band victory added to the 1931 State Championship was the winning of first place and one hundred dollars in cash at the Southeastern Ohio Eisteddfod in Jackson. Since there was no State contest in 1932, the band automatically remains the State Champion High School Band.

Among the outstanding events for the band in 1931 were the Jackson Eisteddfod, semester concerts, several parades, and participation in both the Trojan and Spartan football games, where the band earned state-wide recognition through its splendid drills and formations. As a high spot, an invitation from the Ohio State University took the band to Columbus, Nov. 22, where it played for Governor White and at the Ohio State-Illinois football game.

Fourteen members participated in the concert given in Cleveland, April 14th for the Music Supervisors, which was conducted by famous directors. Mr. Schnabl was appointed a unit leader of this massed band, and several of our students were especially honored by receiving the side chairs. At the National Band Contest held in Marion, Indiana, May 20, 21, William Miller, a Trojan Band Member, won First Place in the Bassoon Division. This is the first National Championship for any P. H. S. Musician.

Mr. Schnabl, our director, recently was written up in the Who's Who Column of the "Supervisor's Service Bulletin," an honor of note.

PORTSMOUTH HIGH SCHOOL ORCHESTRA

For the first time in the history of the school, this worthy organization was entered in the Southeastern Ohio district contest in Chillicothe. The orchestra, composed of 46 members has been engaged in various activities, such as playing in assemblies, and giving numerous concerts. Another permanent "job" is to play for all class plays, which adds greatly to the production. The third annual concert, given in Bigelow Church May 15, 1932, together with the Portsmouth Little Symphony and the Portsmouth String Quartet, was a huge success and showed the ability of the orchestra in a real symphonic setting.

MR. SCHNABL

It pays to take advantage of the study of instrumental music. It develops musical talents, besides building up a younger, local, high class symphonic organization.

Several first places were won by our students in the 1931 Solo contest. Eleven students and five ensembles were again entered in the 1932 State Contest.

The orchestra deserves strong support from the students next year so that it will be possible to obtain more instruments and thus further the interest and the enjoyment which have made this musical organization so well liked.

MISS L. ANDERSON

NATIONAL CHORUS MEMBERS

The National Music Supervisors' Conference was held this year in Cleveland with representatives present from schools all over the United States and its territories. Portsmouth High School was represented in several of the great programs, one of which was the National High School chorus. From our Girls' Senior Glee Club went Misses Beulah Newman, Dorothy White, and Ruth Thompson, who sang in this chorus composed of four hundred and fifty voices. Dr. Charles M. Dennis of Stockton, California directed the chorus and Dr. Melius Christiansen of Northfield, Minnesota was guest conductor. Tests were given to select those eligible for singing in the combined chorus.

Beulah Newman, who sang first contralto, won a very distinctive honor in ranking second place for that section in the try-outs for the chorus. This means a great deal when one stops to realize that she placed next to the highest from among the very best student musicians of the country. Much credit is also given Dorothy White who ranked sixth in the second contralto section, and Ruth Thompson, who through superior voice quality and absolute preparation in memorizing, was seated in the front row of first sopranos.

In the National Music Discrimination Contest, a radio program presented by Damrosch, to which only members of the National Chorus and Orchestra were eligible, Beulah Newman and Dorothy White received recognition for their excellent papers.

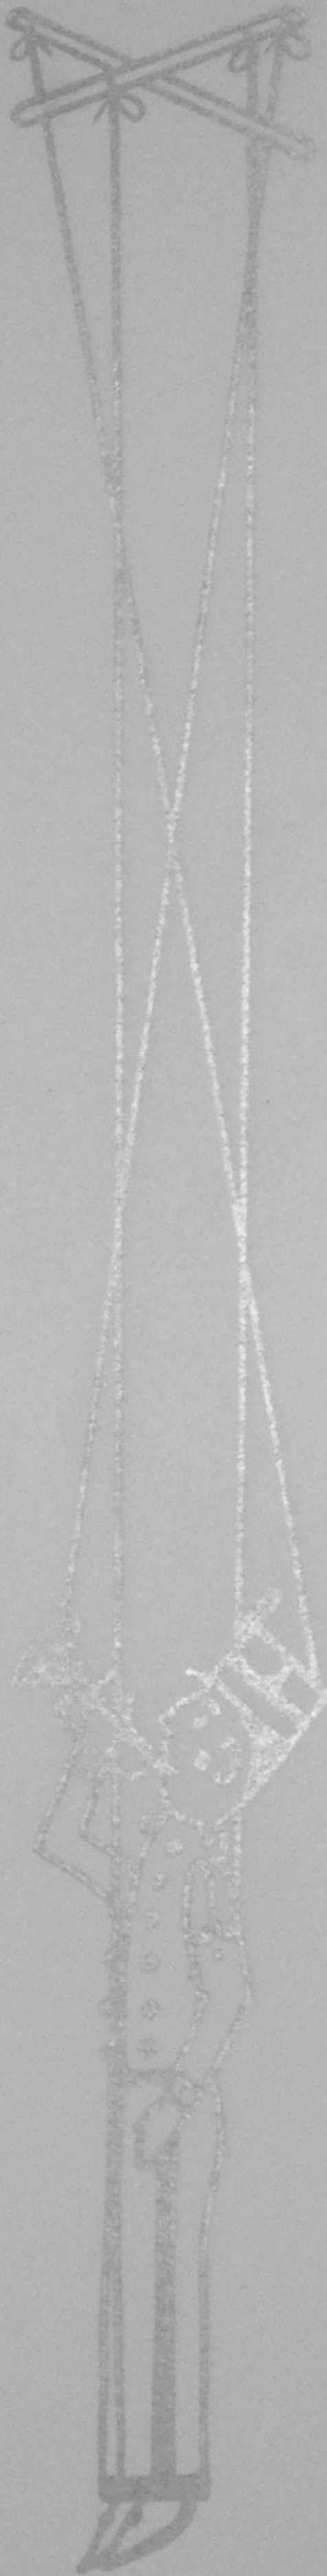

GIRLS' SENIOR GLEE CLUB

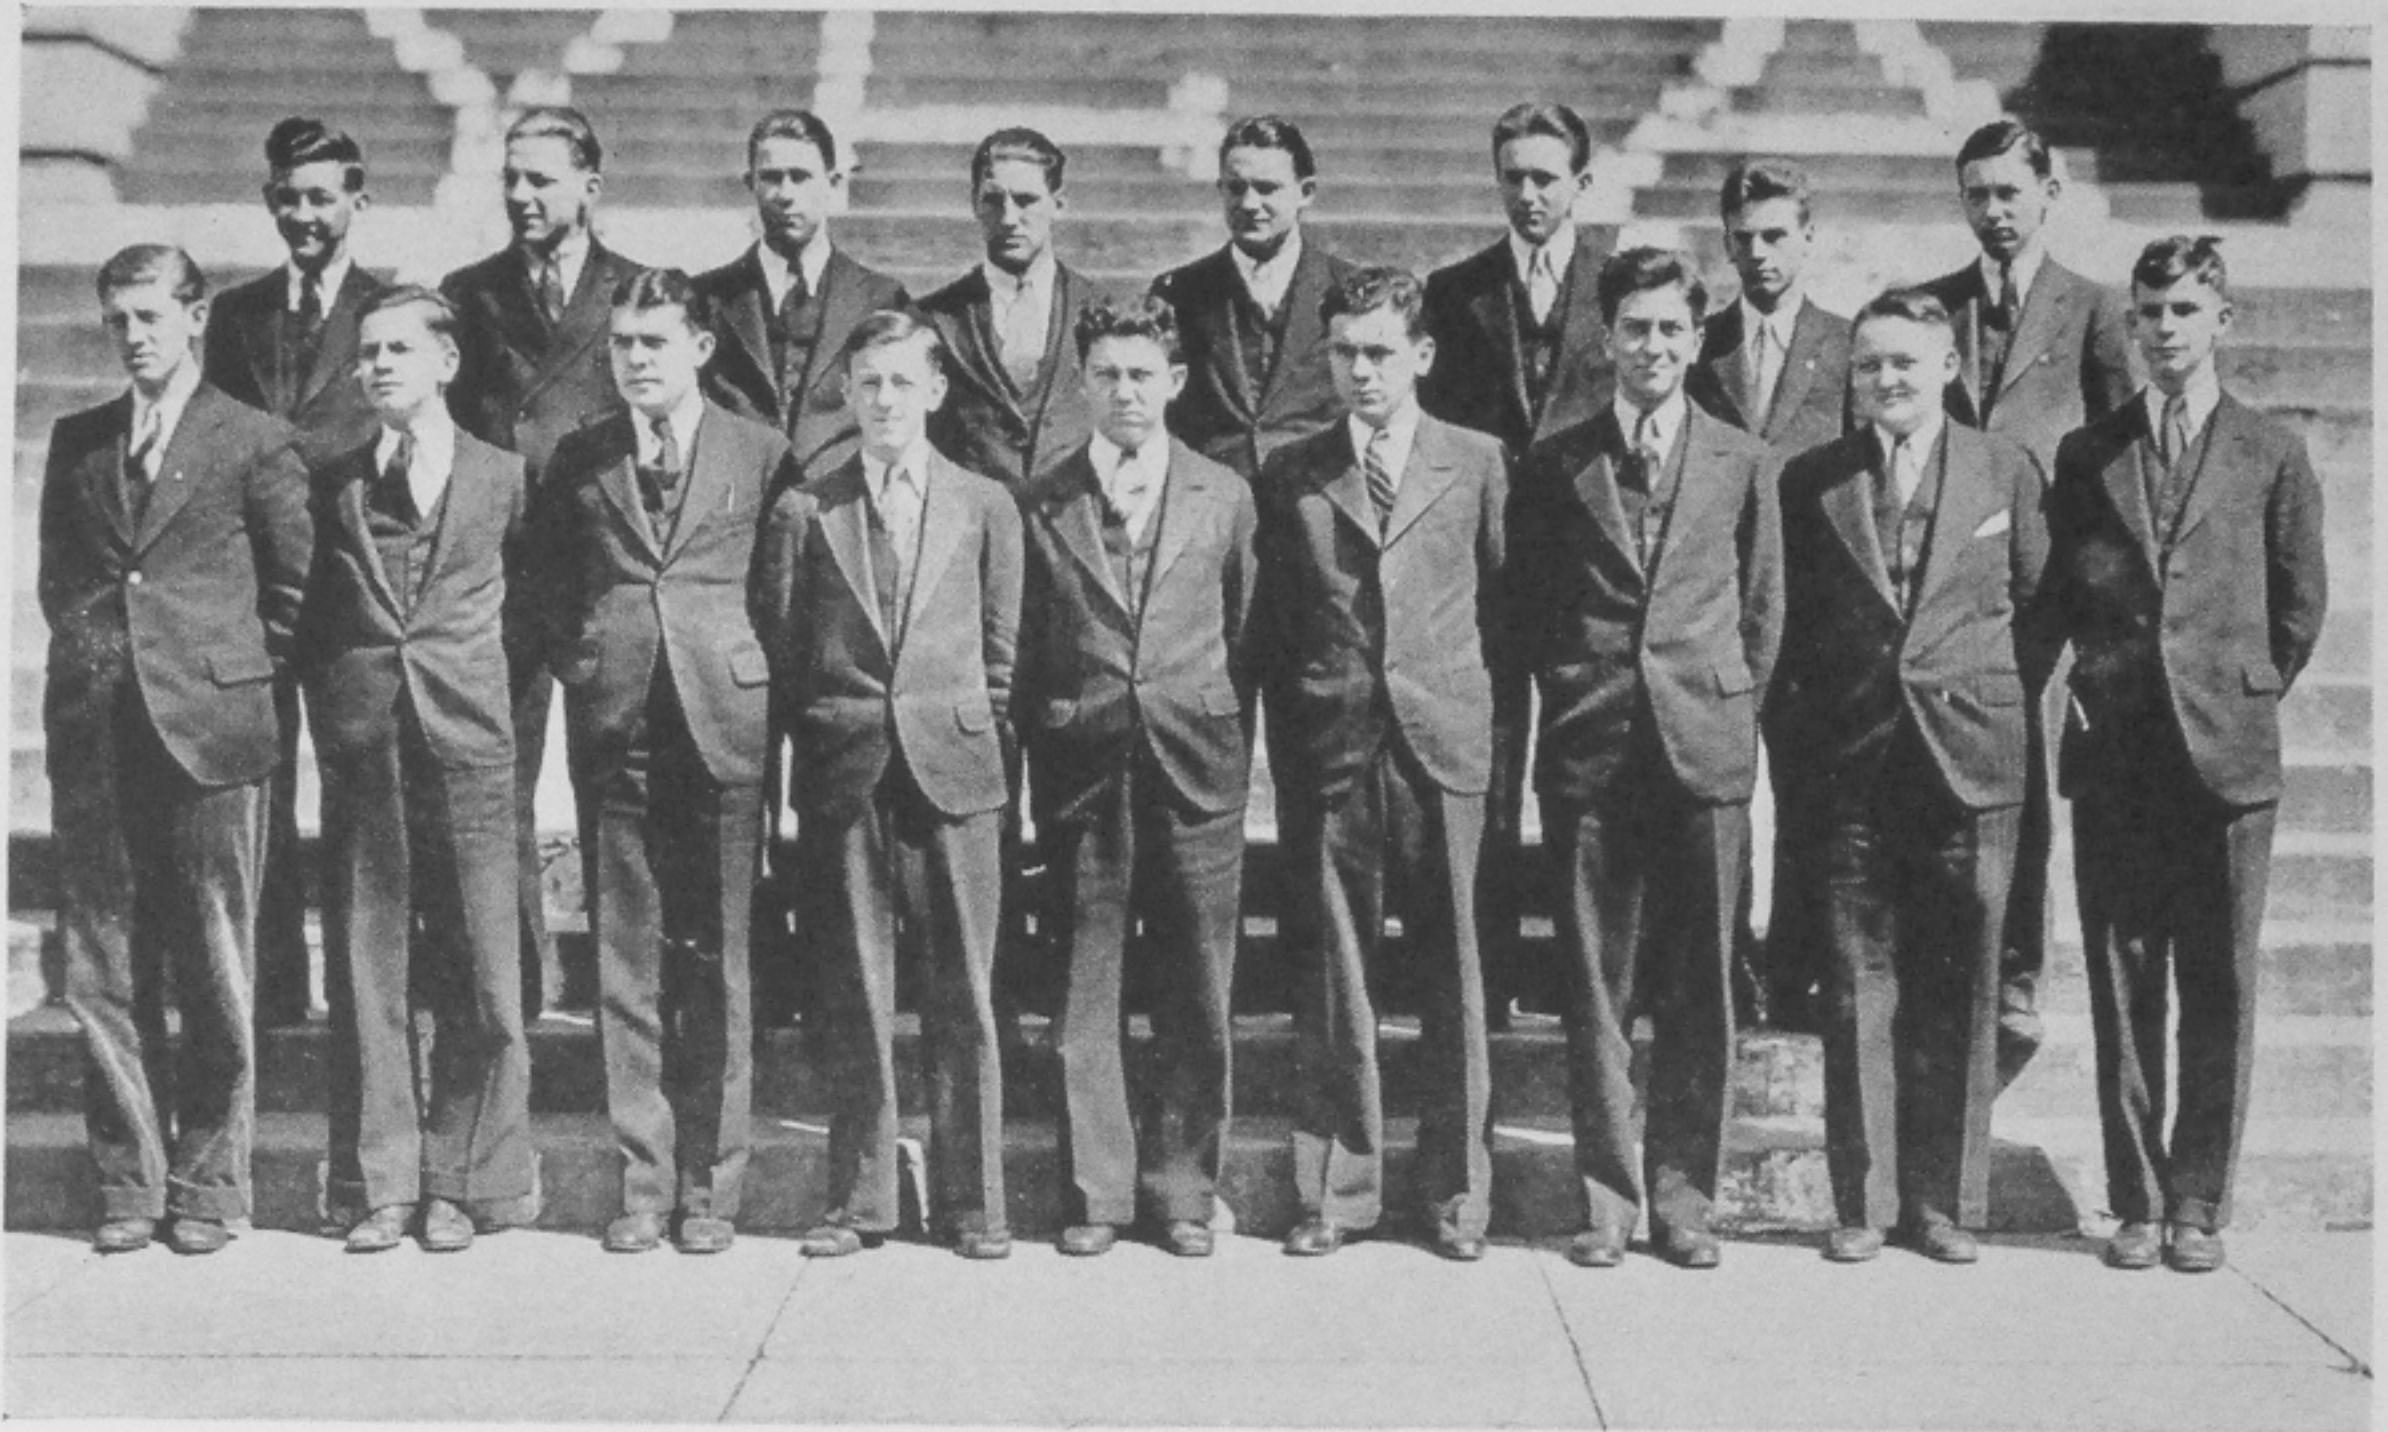

The aim of the Girls' Senior Glee Club, which is composed of Juniors and Seniors, is to become familiar with the most worthwhile choral music that is available. Interpretation of the finest type of spiritual and musical feeling is stressed, and, during the past year, fine results have been accomplished in a capella music. They have appeared successfully before various women's clubs, service clubs and other civic organizations.

The entire community was grateful for the splendid interpretation of many interesting carols sung throughout the week preceding Christmas.

An unusual experience was given the girls through the invitation of the Elks to sing at their Annual Memorial Service held in the All Saints Chapel. This club was also glad that it might have a share in singing the patriotic music which is being extensively used this year.

The climax of the year's work was the Choral Vespers which was presented by this group and the Boys' Glee Club in the Second Presbyterian Church. Some of the numbers on this program, sung by a double quartet of mixed voices, were those used by the National Chorus. The Choral Vespers showed not only the concentrated ability of the clubs, but also manifested their joy and sincere interest in becoming familiar with the choicest and most beautiful music of the church.

BOYS' GLEE CLUB

The Boys' Glee Club has made a very fine impression upon the school and the community during the past year. Their singing has improved materially in balance and quality, and a most eager interest in the better type of choral music has given an impetus to a genuine desire of the boys to further the development of this organization.

The club has appeared successfully upon formal programs presented on Armistice Day and at the Washington's Birthday Program, given at the Masonic Temple by the combined service clubs of the city.

Variety in the work has been made possible by using quartets and other small ensembles. One quartet, selected from this club, sang a lovely Portuguese folk song during the production of "My Son", the annual play of the Revelers.

The Boys' Glee Club shared honors with the Girls' Senior Glee Club in a Choral Vespers at the Second Presbyterian Church early this spring. The fine interpretative feeling that was shown in their singing has made this program of significance musically, and has set a new, higher, and more nearly perfect standard for the glee clubs of the future.

Programs of a lighter vein were given for various assemblies, luncheon clubs, the Business and Professional Women's Club, and other clubs of the city which have requested their appearance.

GIRLS' JUNIOR GLEE CLUB

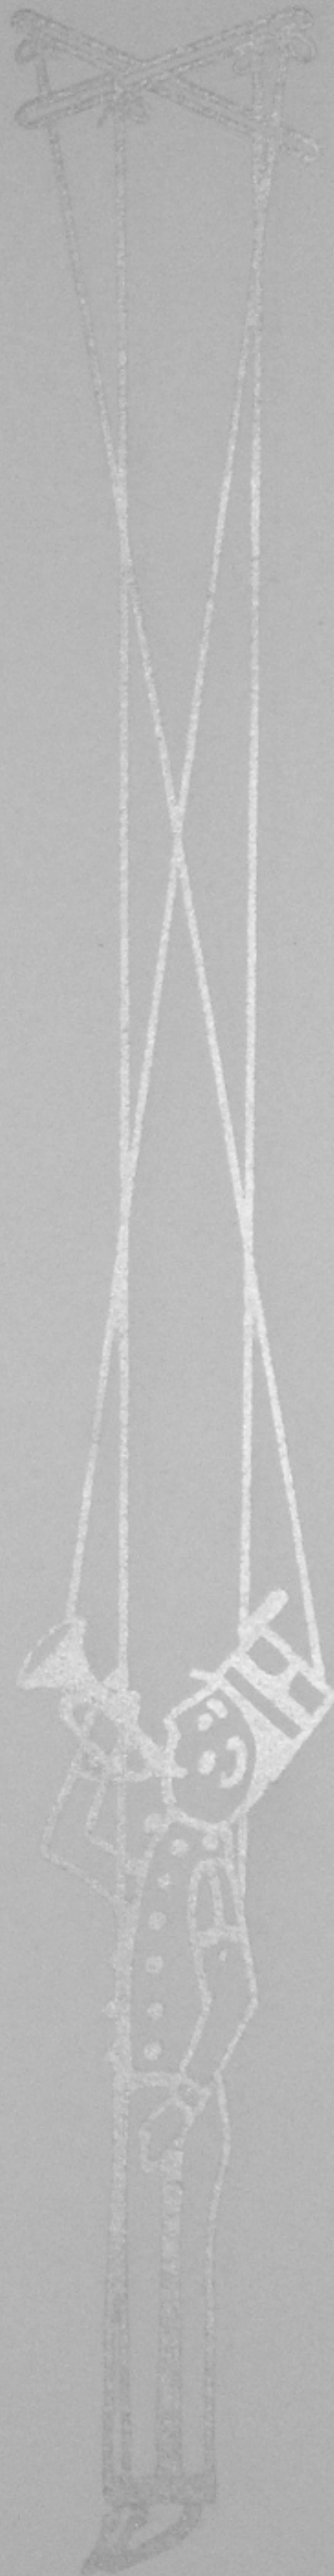

During the past year, fifty Freshmen and Sophomore girls have had a profitable musical experience in the Girls' Junior Glee Club. Emphasis has been placed upon the study of diction, rhythm, phrasing, and elementary theory, as a formation for the advanced work for the Girls' Senior Glee Club. There are no requirements for membership, other than an interest in singing, and a desire to develop musical ability and further the advancement of music in the school.

VOICE CLASS

For the past three years, some very interesting work has been accomplished in the Voice Class. This type of specialized training is one of the most recent to be included in Public School music. Individual differences are studied, voice troubles corrected, and many have developed excellent voices, using as material the general repertoire of a singer.

EURYTHMICS

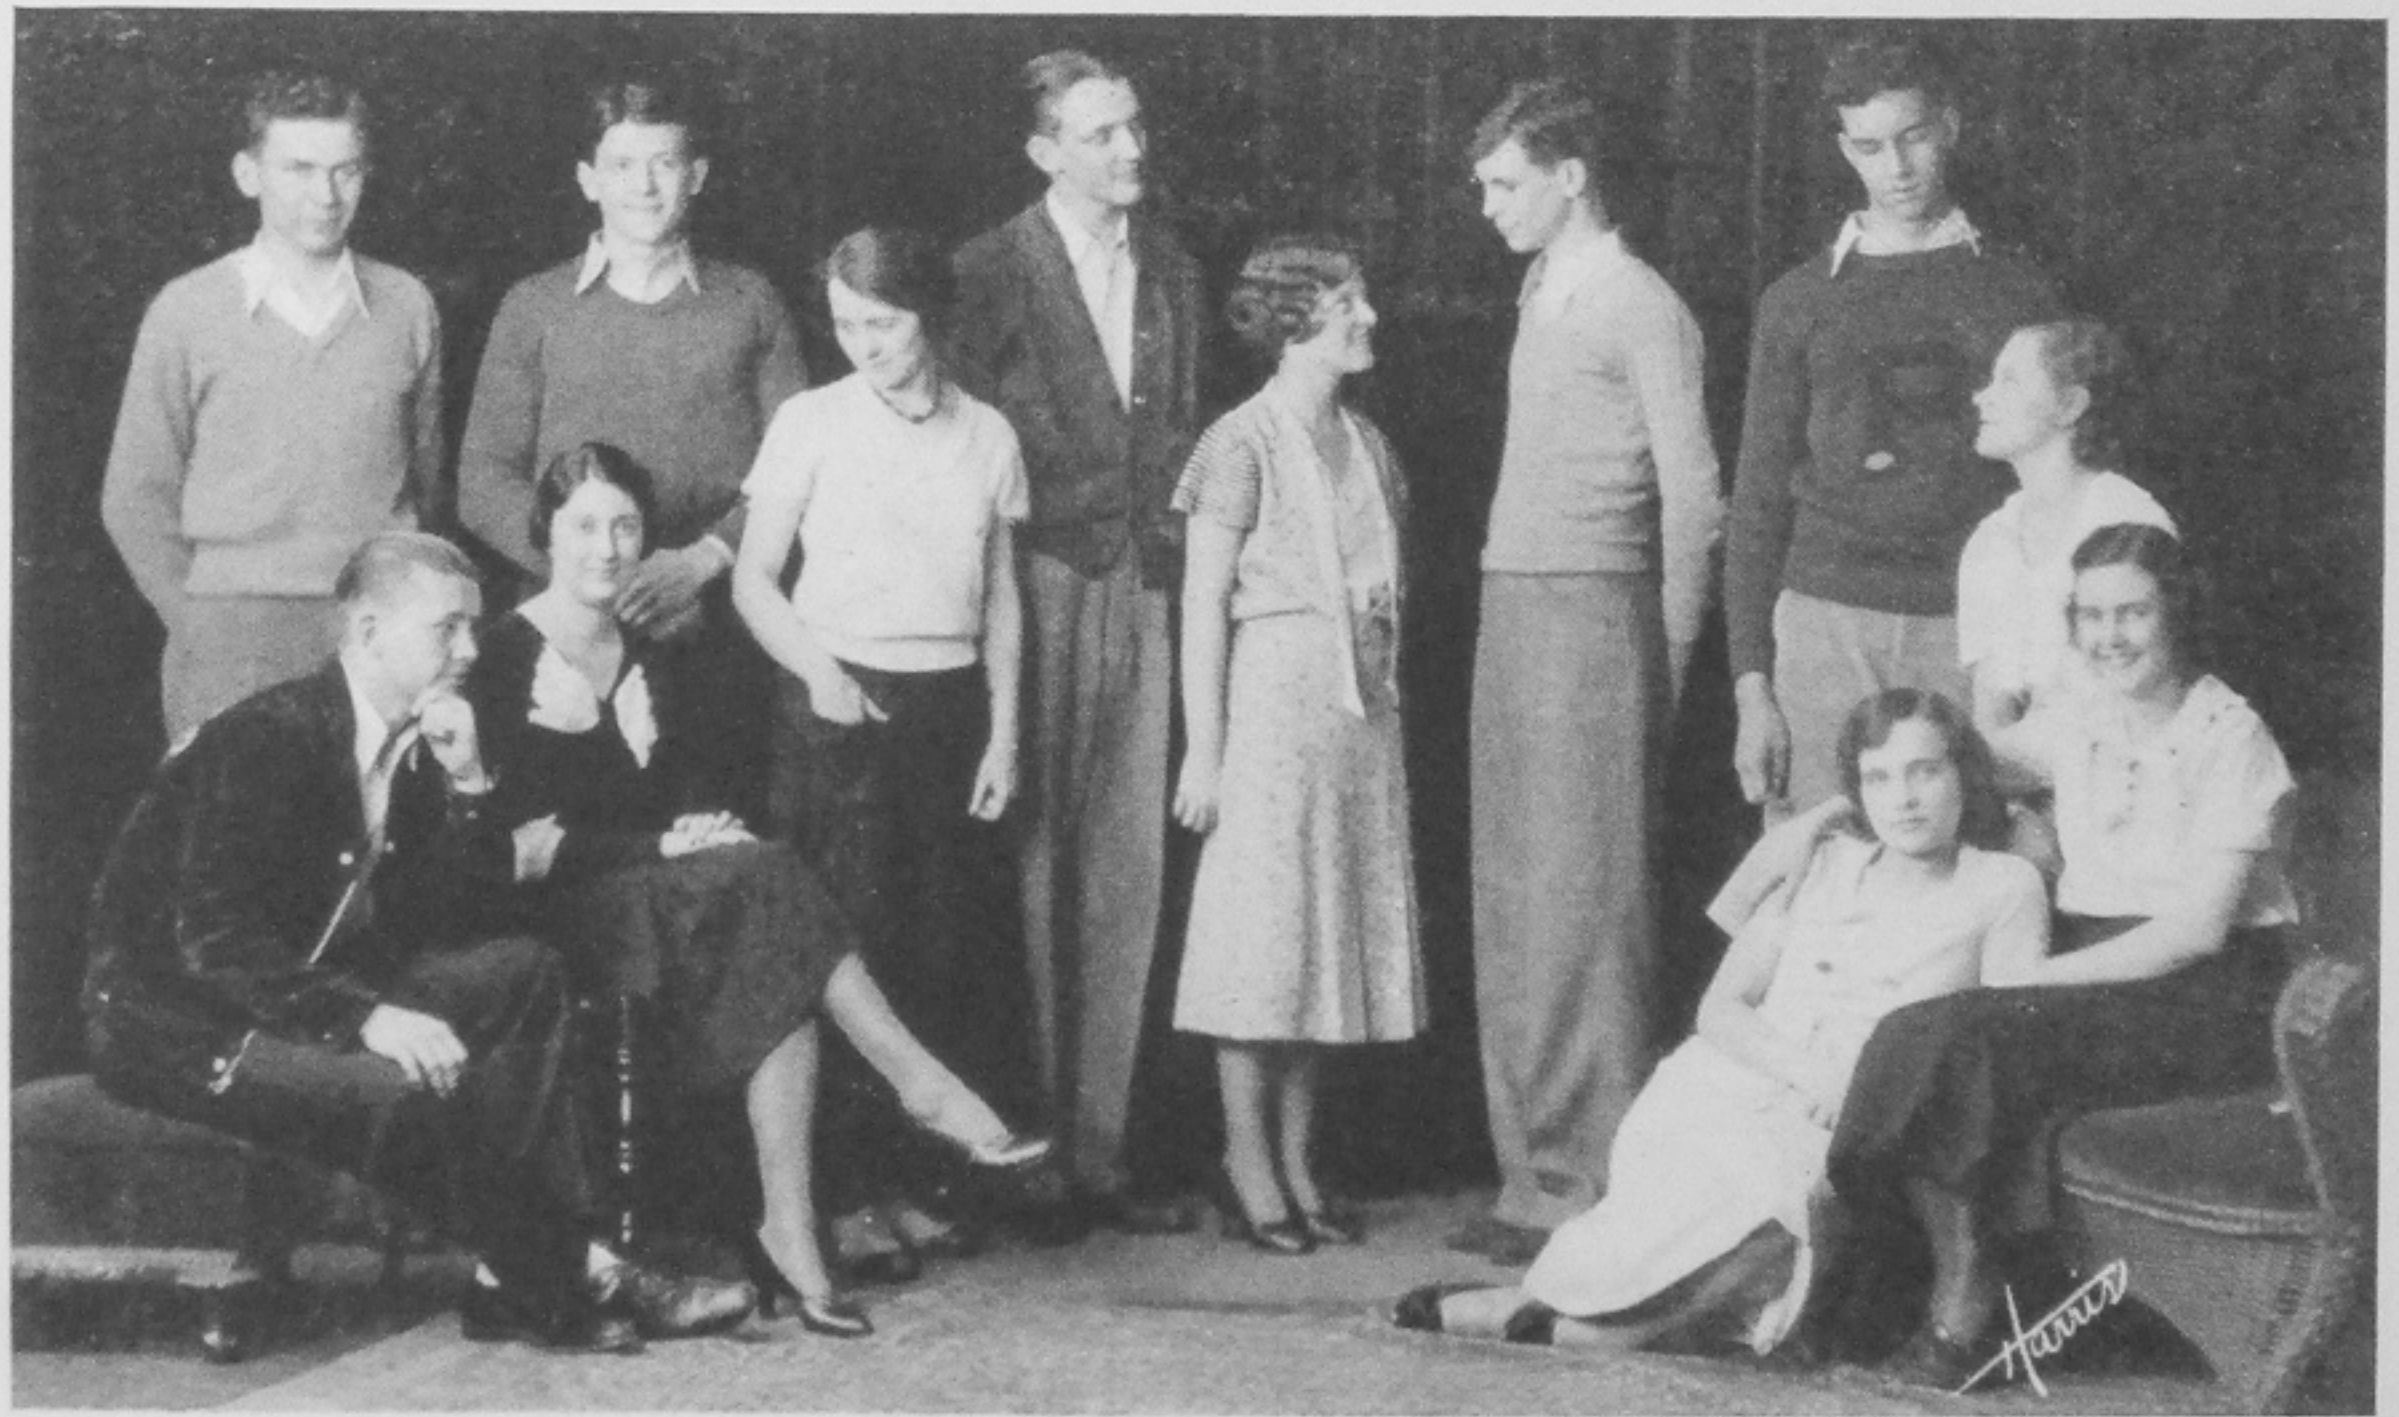

Another innovation in the music department is the study of eurythmics. A beginning and an advanced class are demonstrating with keen interest the excellent work that has been done in this specialized study of rhythm.

Why not invent a lover if you haven't one? That is just what Celia does to avoid having to wear green stockings at the marriage of her youngest sister. She has already been compelled to wear them twice before because two of her other sisters were married. She can't stand the pity of her friends once again, so she announces her engagement. The plot thickens when the fictitious lover turns up as a guest at the Faraday home.

MISS H. PFAU

MY SON

Undoubtedly "My Son" is one of the most unusual plays ever presented in P. H. S. The excellent cast, ably coached by Miss Pfau, interpreted the deeper meaning of the play, in the manner of experienced artists. The plot centered around Ana Silva, portrayed by Helen Clark, who enacted the role with marked dramatic ability. The story reverts to the never-old love of a mother for her son and how the love remains, regardless of anything encountered on the "seas of life."

The cast was as follows:

Braulio, her son	Joseph Shaw
Hattie Smith	Dorothy Partridge
Betty, her daughter	Sally Marting
Felipe Vargos	William Baker

"Get out of my bath tub!" said Mr. Van Kind in the Junior Class play, "Take My Advice", given January 29th.

The plot centers around the Weaver family and their difficulties. Mr. Weaver, the "hen-pecked" husband, is a prey for bond salesmen; while Mrs. Weaver believes in numerology. Their daughter, Ann, is stage struck, having been told by Mr. Van Kind that she has ability; and, to complicate matters, Bud comes home to pursue a love affair with the town vamp. Professor Clement rescues each of them from his fate and as the curtain goes down is making real love to Ann, and she likes it! The coach of the play was Miss Bell.

MISS L. COLLEY

ICEBOUND

The Sophomore Class presented "Icebound", a New England drama, Friday, April 22. It was the second time in many years that a Sophomore Class had given a full-length play, and the cast under Miss Colley's coaching gave an excellent performance.

At the beginning of the play the children are discussing the contents of the will of their dying mother. The surprise comes when they find her money has been left to Jane, the maid, in the hope that she will marry Ben, who is the "black-sheep" of the family. Ben's life is changed, the ice is broken, and the plays ends to the satisfaction of everyone.

DEBATE TEAM

Resolved: That the P. H. S. Debate Squad is one of the most efficient groups of orators to be heard in this section of the country. The debators conveyed their arguments to their listeners with such positiveness that their winning seemed the only possible outcome.

The question for debate this last season was: Resolved, that the Several States Should Enact Legislation Providing for Compulsory Unemployment Insurance. Both the affirmative and negative teams spent many long hours in preparation, which enabled them to defeat such able teams as Gallipolis, Logan, Athens, Nelsonville, and Georgetown.

Although debating is thought among the students in general to be a minor activity, it really is major in that it so well develops the mental capacities and oratorical powers of those engaged in the work. Having participated in the necessary number of debates, the following members of the squad were awarded letters: Robert Walker, Margarite Malavazos, James Newman, Gretchen Russ, Beulah Newman, Strelsa Wade, and Spencer Cunningham.

Much of the success was due to the coaching of Miss Gladys Hughes, who has had winning teams for the last three successive years. Kathleen McClanahan acted as librarian and timekeeper for the team. After showing such remarkable determination, we may look for the championship next year.

REVELERS CLUB

Each year since 1925 the Revelers have presented in Portsmouth a play that has enjoyed a successful run on Broadway. Some of those which have greatly forwarded the interest in high school dramatics have been "Merton of the Movies" and "The Youngest". This year "My Son" was presented, with Helen Clark in the lead. Miss Pfau was the excellent coach of this spell-binding play.

During the year a group of seven one-act plays, cast from Revelers and presented before different community organizations, helped commemorate the 200th anniversary of Washington's birth. The following plays were presented, coached by these members of the faculty, under the direction of Dean Felsted:

"The Minuet"—Miss Rimer

"Crinoline and Candlelight"—Miss DuPuy, Miss Cochran

"Miss Penelope"—Miss Gorsuch

"A Dish of China Tea"—Miss Noel, Miss Blazer

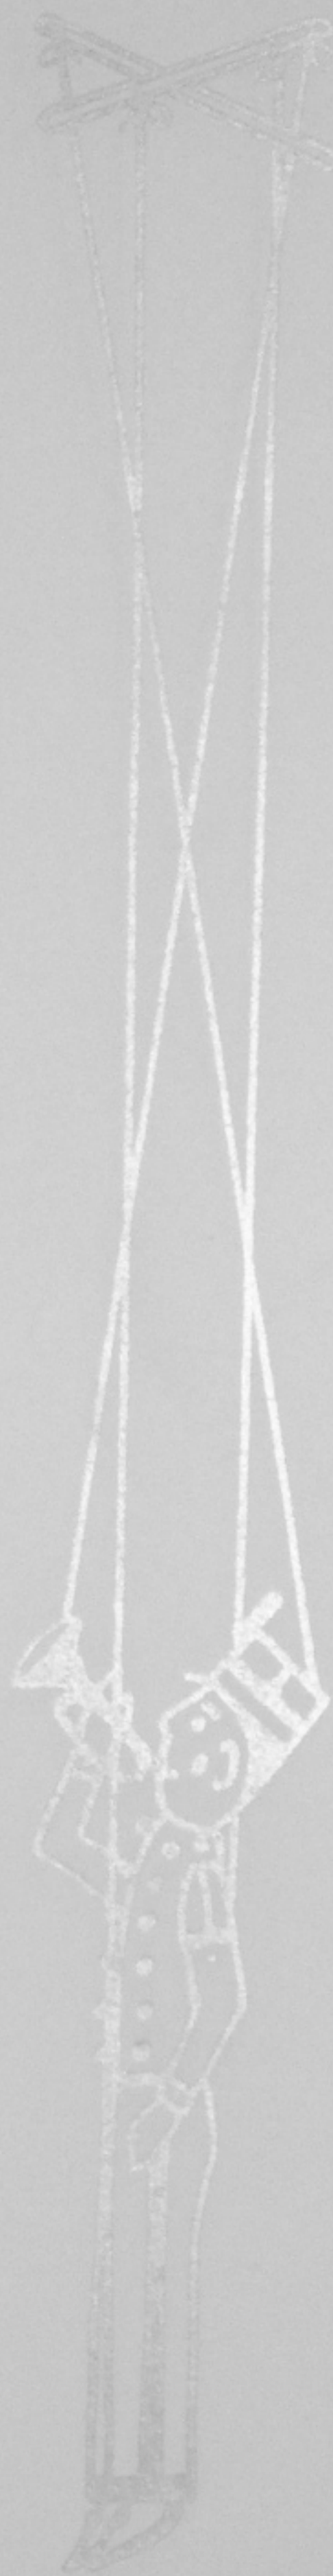

"Love and Tea"—Mr. Leach

"The Patriot Girl"—Miss M. Anderson

"Jazz and Minuet"—Mr. Richardson

Some of the organizations at which these plays were given are: The American Legion, The Community Center, General Hospital, Sciotoville Parent-Teachers Association, Business and Professional Women's Club, Yezdigerd Grotto, several luncheon clubs, and various church organizations. Most of the plays were presented in our own assemblies. They included about three-fourths of the members of Revelers.

The officers for 1931-32 were: President, Woodrow Ishmael; Vice President, Miriam Bailey; Secretary, Irma Kessick; Treasurer, Helen Clark; Adviser, Dean Felsted.

LES JEUNES MODERNES

"Parlez-vous francais?" Those who do it well enough may become a "Young Modern", and wear a pin on which rest the Eiffel Tower, two Fleur-de-lis, and two battleaxes.

This club makes use of its new members to furnish royal entertainment in the form of solos, poems, and plays in French. Some of the plays presented were: "Le Petit Chaperon Rouge", "Les Trois Ours", and "Cendrillon". Many songs including the national anthem "La Marseillaise," are sung lustily in the new tongue by the whole group, also. Several members correspond with students in France. They often chuckle when reading the English in these letters, though no doubt the laugh is the other way round when the Pierres and Maries receive letters from Portsmouth.

At the last meeting of the year, a pin was presented to the members bringing in the best collection of French current event clippings, concerning such things as the assassination of President Doumer, and the new election.

As may be seen in the list of members, some of the Jeunes Modernes have been rechristened with a French name, sometimes a translation and sometimes a nom de plume. Mlle Kauffman is the faculty member and the officers were: La Presidente, Mlle Lucile Roth; le Vice Presidente, Ann Switalski; and le secretaire-treasorier, Lester Schisler.

PLUS ULTRA CLUB

This organization is a senior Latin club for members of the Junior and Senior classes. "More beyond", which is the meaning of the words Plus Ultra, not only refers to the fact that freshmen and sophomores are not admitted to this club because of their lack of knowledge of the Latin language, but it implies that there is always more beyond because of the study of this subject. Not only through school years is it but all through life the knowledge of it creeps into every day life. A greater appreciation of the value of this study is the worth-while purpose of Plus Ultra. The club endeavors to so increase the interest of pupils in the Latin language that this so called dead language will become a live and interesting study.

MARY WARMAN

The meetings are held the first Wednesday of every school month. The programs this year have included papers on the following Roman subjects: the calendar, mythology, customs, government, etc. At Christmas time a special program centering around the Saturnalia was given and Christmas songs sung in Latin were enjoyed. A passing party was held at this meeting and the toys which were collected were given to the Civitan Club for distribution to poor children. A picnic featured the closing of the school term.

Officers: Consuls, Mary Warman, Robert Brown; Quaestor, Joan Rice; Censor, Louise Kelso; Sponsor, Miss Margaret Ball.

GEORGE COOKES

INTER NOS

Inter Nos, which is the Latin club for Freshman and Sophomore students, was organized four years ago for the purpose of maintaining and stimulating interest in things pertaining to Latin, to make the study of Latin more interesting, and to teach the students some of the Roman customs. New members are admitted at the beginning of each semester. Any student taking first or second year Latin is eligible for membership.

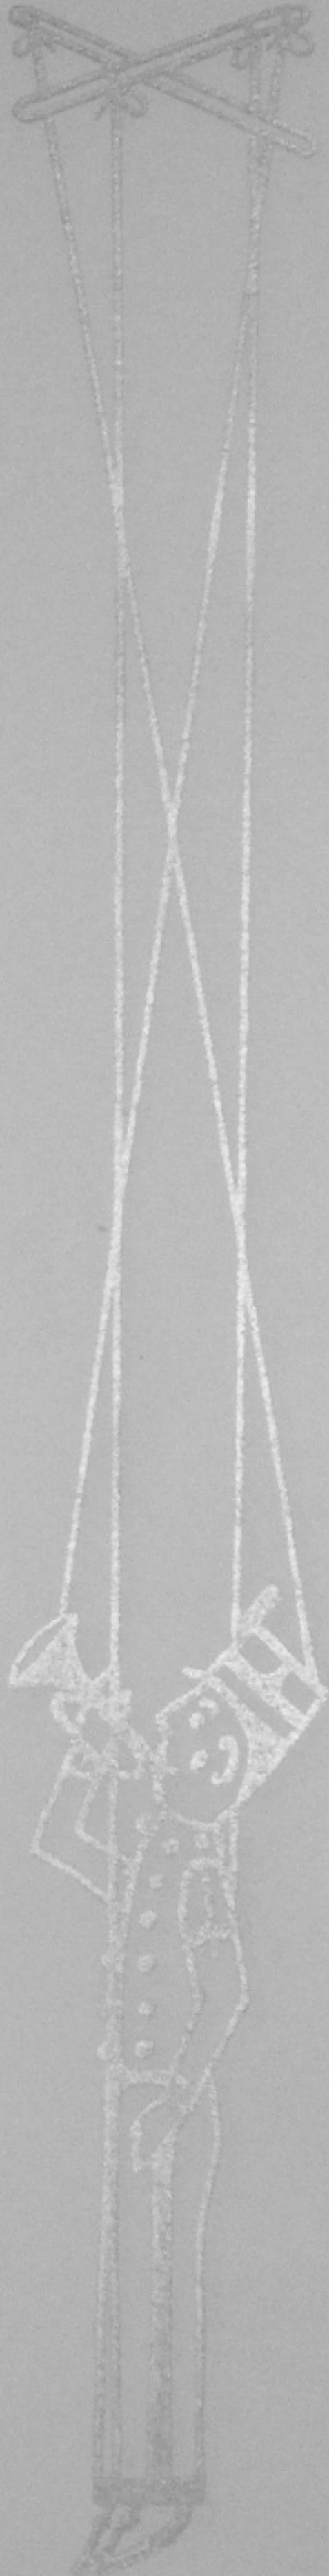

There is one meeting a month, and it is usually held on the second Tuesday of the school month. In order that every person may have some part in planning the programs, the entire membership is divided into eight committees, and each committee is responsible for the program of one meeting. These programs are not always similar, but in general they consist of Latin songs, Latin plays, contests of various kinds, and reports on subjects of interest to Latin students. These programs keep the students interested and at the same time help them with their Latin.

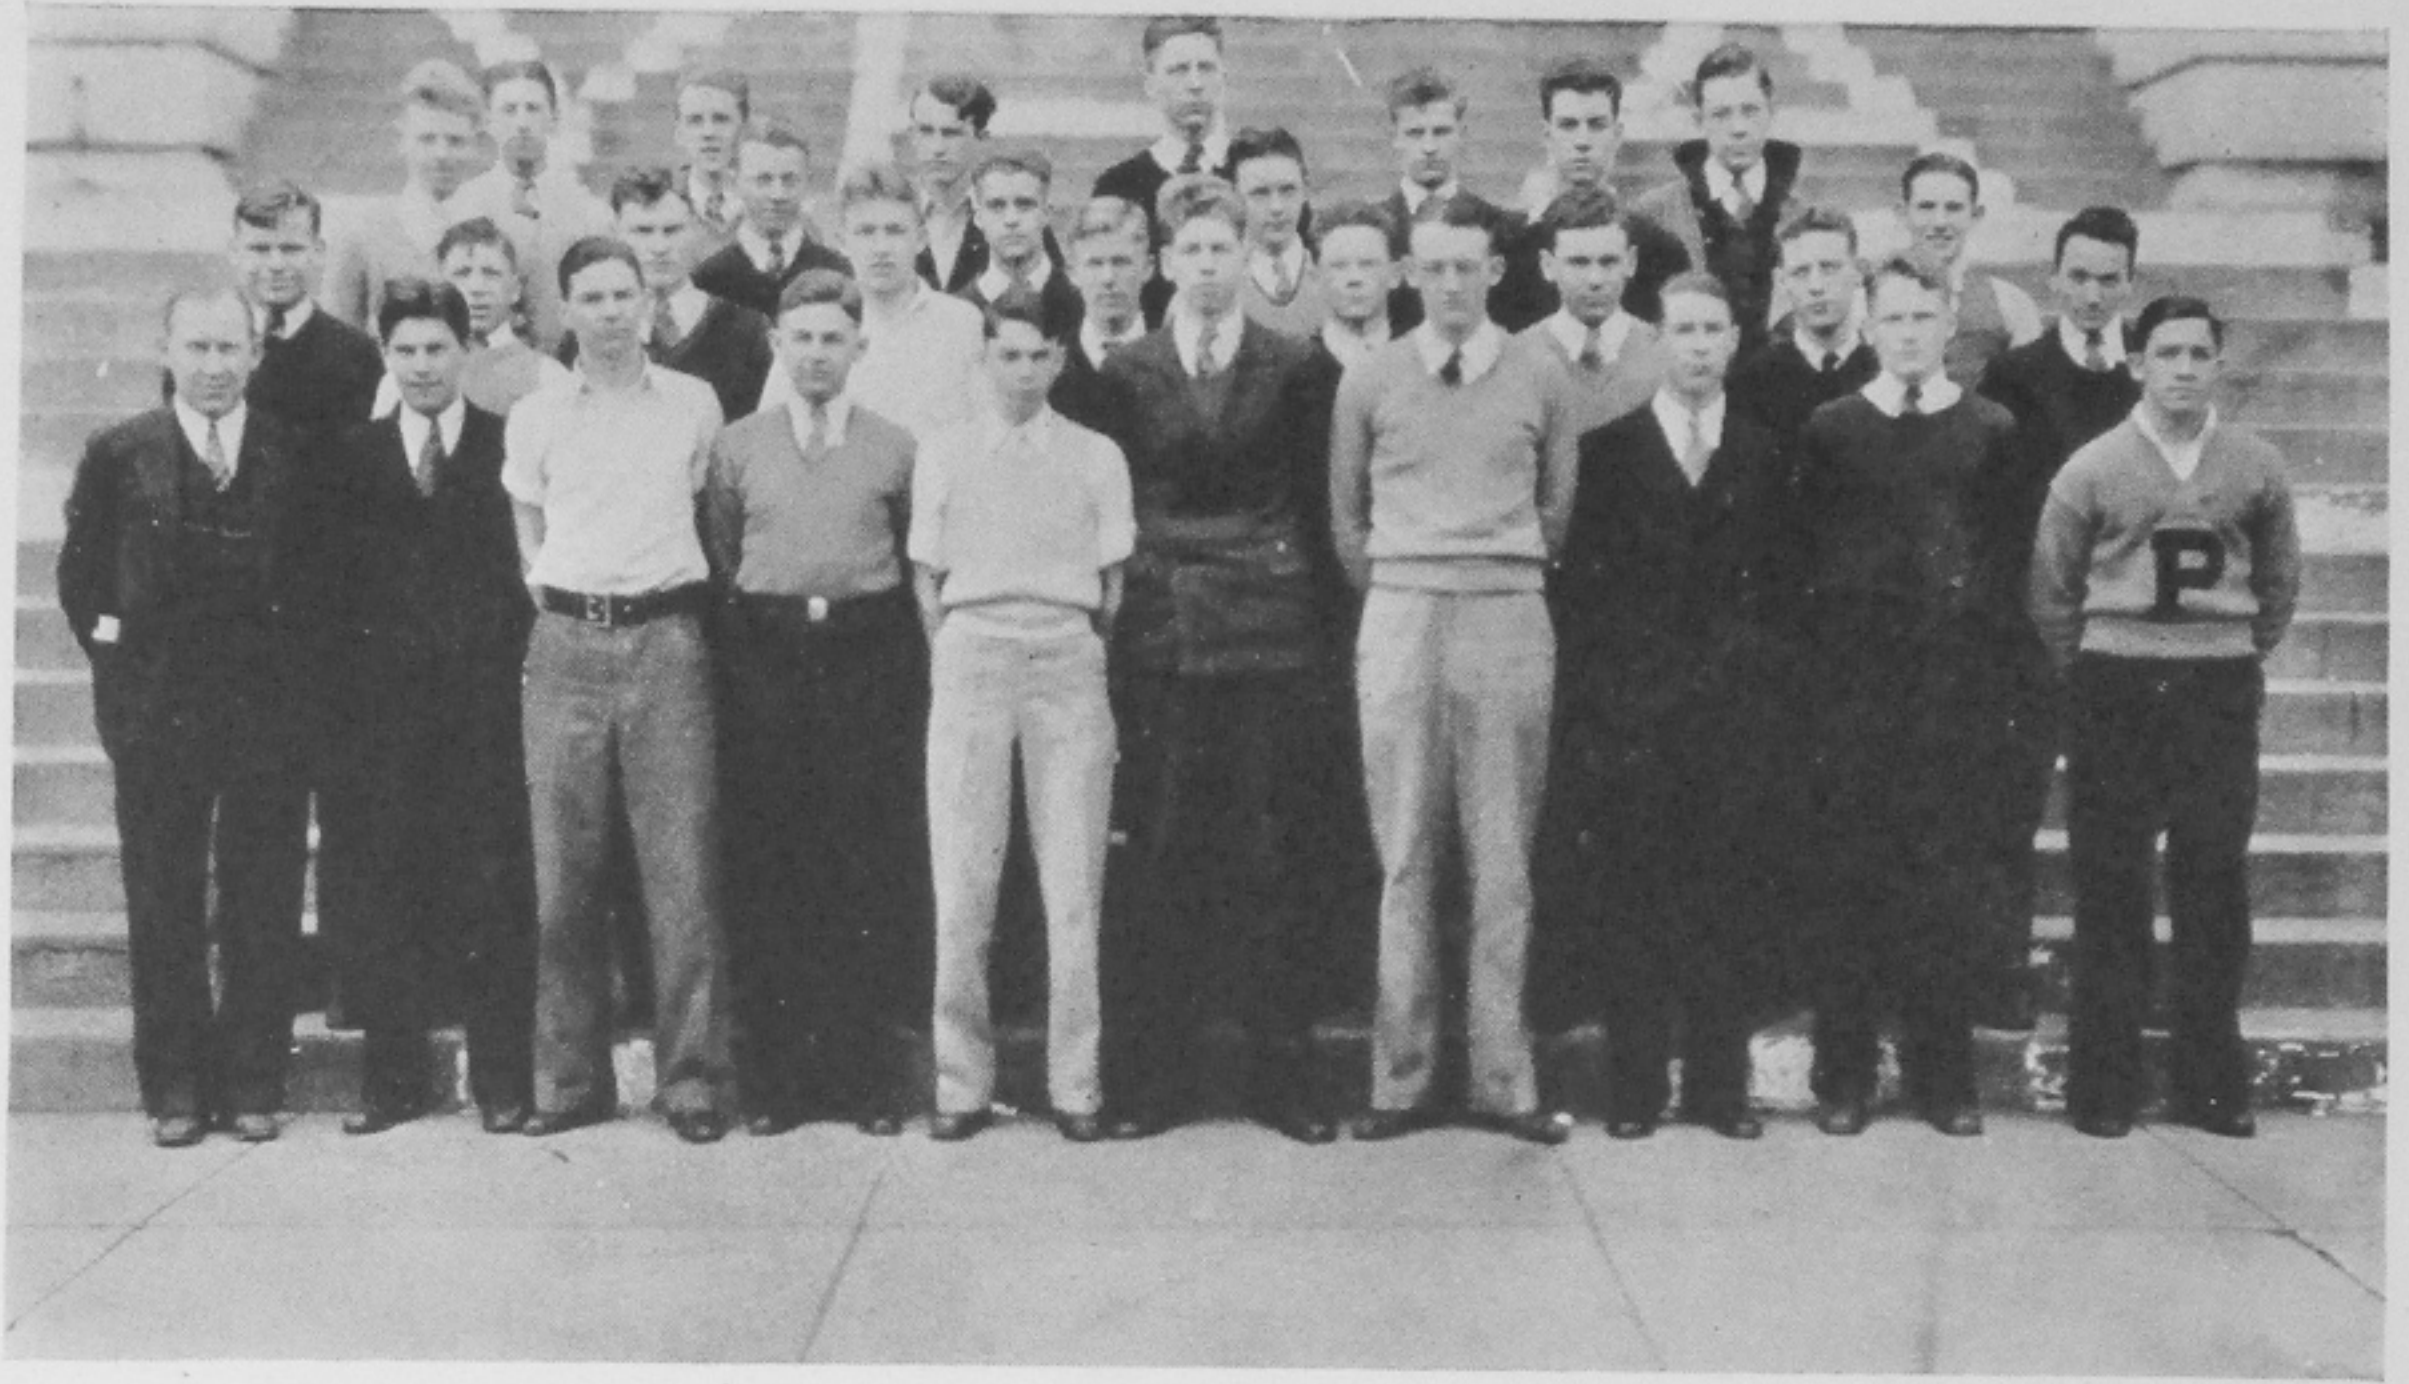

The club enjoys one social event each year, which is generally in the form of a picnic at Selco Park. At this outing, tennis, golf, sockball, and various other games are enjoyed.

Much of the success of the club is due to Miss Anna Blazer and Miss Lillian Colley, who are the sponsors.

The officers for the past year have been: President, George Cookes; Vice President, Elizabeth Miller; Secretary, Dorothy Wells; and Treasurer, Wendell Rapp.

Other members of this organization who are not pictured on the preceding page are M. Dawson, A. Harris, E. Hopkins, V. Ishmael, C. Johnson, J. Legler, D. Love, E. Lovens, H. Lykins, H. McGlin, M. ROBERT WALKER

SENIOR HI-Y

The Portsmouth chapter of the Senior Hi-Y is headed by Mr. Pitts and Mr. Freeland. Any boy in the Senior and Junior Classes who lives up to the high standards set by this club is eligible to membership. The boys are aided in physical, moral, spiritual and mental development by this club; the purpose of which is to create, maintain, and extend throughout the school and community high standards of Christian character.

The weekly meetings are held on Wednesday nights. One a month is devoted to spiritual problems; one to athletic pursuits; one to educational addresses, and the other is taken up by Mr. Pitts.

During the year the following men have spoken to the boys: C. B. Plummer, Court Bailiff; Charles Clowe, City Detective; Cameron Meacham, County Prosecutor; Mr. Chambers, State Secretary of Hi-Y organizations; and Mr. Jay Wilson, Local Secretary.

The Hi-Y club closed its year's program with an outing at Young's camp. At a very impressive ceremony the officers for the next year were installed. President Robert Walker relinquished his office to Donald Means; Vice President Albert Dehner was replaced by George Stockham; Secretary Woodrow Ishmael turned over the roll-book to Jack Grimm; and Max Haas took the place of William Miller, Treasurer.

JUNIOR HI-Y

"We, the members of the Portsmouth Hi-Y Club, in the presence of God and each other, do pledge ourselves to help one another in the keeping of this covenant—to create, maintain, and extend throughout the school and community high standards of Christian character, and to stand together on and for the platform of clean speech, clean sports, clean scholarship, and clean living".

The Junior Hi-Y is the little brother of the Senior Hi-Y. Its membership is composed of Freshmen and Sophomores, and it is limited to thirty persons in order that each member may have individual attention.

Mr. Richardson has sponsored the club this year through one of its most successful seasons. Their meetings consist of discussions, gymnasium work, speakers, and round tables, where one may see oneself as others see him.

Mr. B. E. Leete, assistant State Forester, whose headquarters is in Portsmouth, was the speaker at one of their meetings. His subject was "The Conservation of Forests".

Their social activities included house parties and theater parties, with a co-ed social event as a climax for the year.

The officers for this year included: Tom Wyatt, President; Spencer Cunningham, Vice President; Paul TePas, Secretary and Treasurer; Louis Hacquard, Sergeant-at-Arms.

GIRLS' ATHLETIC CLUB

The Girls' Athletic Club, which is an organization for girls interested and active in athletics, is now in its eighth year of existence. The purpose of this club is to promote athletics and good sportsmanship among the girls of P. H. S. Membership in this club is allowed only to girls who have earned 100 points, which they receive for participating in the various sports.

This club has developed into a very useful organization in the past few years. It finances all the girls' athletics and also buys equipment. Each year the club sponsors the gym demonstration, in which all the gym classes take part. This year it also sponsored a basketball game between the Alumni girls and the present varsity team. The money received from these activities is used to buy new equipment.

The social events which the club has enjoyed this year are a Halloween party, skating party, and a banquet. The alumni were invited to the banquet, and they seemed to enjoy it as much as the regular members. A very entertaining program was given, after which the varsity "P" letters were awarded. Another interesting event was the awarding of the loving cup to Kate Evans for being the best all around sport and athlete.

Much of the success of this club is due to the sponsor, Miss Bell, who is very interested in athletics and keeps all the girls enthusiastic.

The officers are: President, Sally Marting; Vice President, Jeanne Briggs; Secretary and Treasurer, Rossine Schirman.

HOME ECONOMICS CLUB

"The way to a man's heart is through his stomach"—That old adage certainly helps the Home Economics Club. This year it became a member of the American Home Economics Association and for the first time it awarded the honorary pin of the association to several of its members. To receive this pin the girls fulfilled the following requirements: Scholarship of 85% or higher, membership for at least two semesters, and service on at least two committees. The girls who received this honor are: Mauritta Haffner, Mary Freytag, Neva Jackson, Martha Zoellner, Ruth Hahn, Helen Leedom, Lorraine Crichton, Janet Dunn, Margarite Malavazos, Mary Helen TePas, Doris Millirons, Joanna Bachman, Bertha Ramsey, Ivarene Lyons, Lorraine Ogden, Louella Benson, and Virginia Daniels.

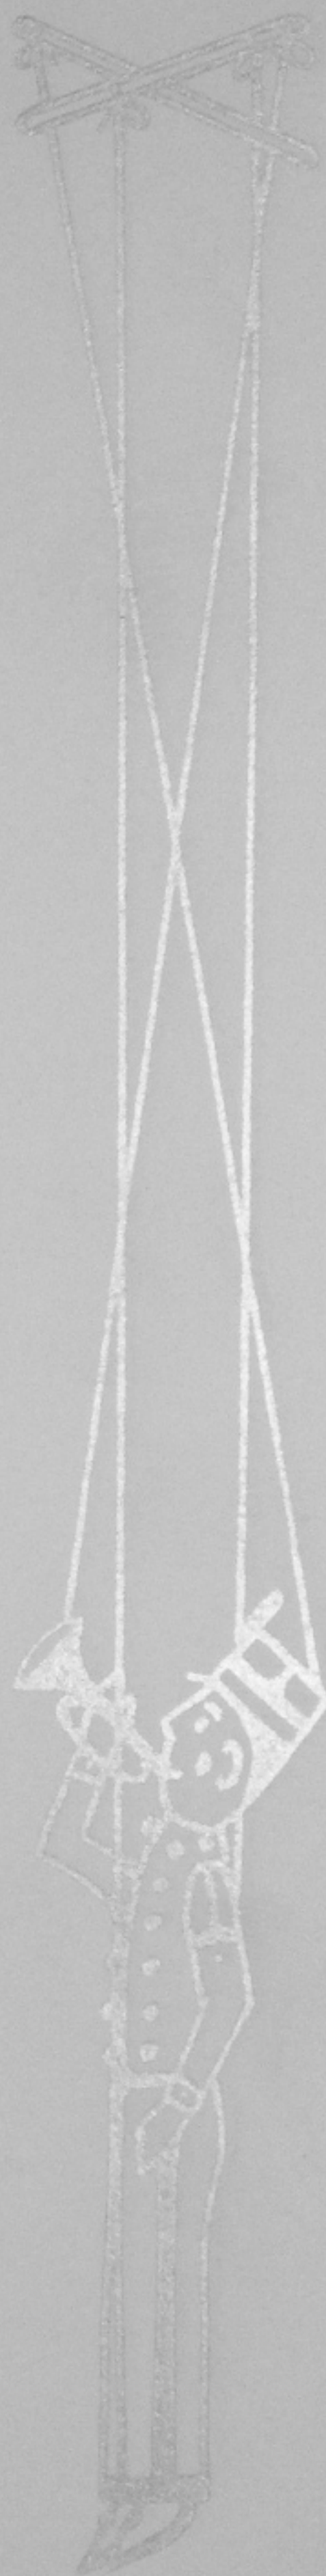

HELEN LEEDOM

These delegates were sent to the state convention at Columbus, April 8th and 9th: June Nagel, Lorraine Ogden, Bertha Ramsey, and Beulah Kimble.

Much of the success of the club is due to the sponsors, Miss Finney and Miss Waller, who have devoted their time to the club and have created a lively interest among the girls.

The club has enjoyed several social events during the past year, one of them being a Christmas party at the home of Miss Waller. They also sold candy at the basketball games last season. This money was used to buy equipment for the department.

The officers are: President, Helen Leedom; First Vice President, Doris Millirons; Second Vice President, Lorraine Crichton; Secretary, Martha Zoellner; Treasurer, Mary Helen TePas.

ENGLISH CLUB

MARY CORIELL

The English Club is one of the oldest organizations of the school. Miss Cramer is the very able sponsor of this worthwhile club, and much of the credit for its success should go to her.

The purpose of this organization is to promote an improvement in English and an interest in literature. This is not the sole purpose, however, as the members derive a great deal of pleasure from their gatherings. The enrollment is made up of students from all four classes, as anyone taking English is eligible for membership.

The programs are planned for the benefit and enjoyment of the members. They include plays suitable to the occasion, sketches and works of various authors, poems, and other articles pertaining to English or literature which are of interest. Several contests have also been held to create more enthusiasm in the meetings.

This year their activities have been centered around plays. These, for the most part were to commemorate the Washington Bi-centennial. The most important of these were "The Washingtons" and "All Because He Couldn't Tell a Lie." Both plays were given for the Women's Republican Club and the latter was also given at the Old Ladies Home.

The officers are: President, Mary Coriell; Vice President, Kathryn Jones; Secretary, Ruth Braunlin; Treasurer, Helen Clark; Parliamentarian, Ruth Thompson.

PHYSICS CLUB

Three years ago, Mr. Walden, ever alert to find something to interest his pupils, organized the Physics Club for them. These young Einsteins who aspire to greater heights in science through this club have also had a little entertainment thrown in for good measure.

The programs for their meetings were planned by the president and his committees who succeeded in engaging several eminent speakers to address them. Harold Thompson, a prominent organist of this city, lectured on the scientific aspects of an organ. His explanation about the "lost chord" enlightened the young physicists to a great extent. Another educational address was given by Mr. Leach on the subject of photography—why one must "look at the birdie" and all that. Last but not least was a talk by the optician, Dr. Babcock, dealing with lenses and the eye.

Once in a while some member found enough nerve to address the club. These talks were usually more entertaining than educational (from the listeners' point of view.)

The officers who served the club this year were: President, Max Haas; Vice President, Strelsa Wade; and Secretary-Treasurer, Juanita Thompson.

FOTO FANS

Foto Fans is a very new organization in P. H. S. Mr. Moak is the sponser, and although the enrollment is not large, all the boys are very interested and derive a great deal of enjoyment from the meetings.

The purpose of the club is to specialize in the science of photography. The activities of the club are governed by a constitution, and the programs consist mainly of working in different lines of photography. The boys have had experience in developing, printing, enlarging, and embossing pictures. Lately they have taken some very clever silhouettes. The next phase of work to be taken up is the coloring of pictures with oil and water paints. During the Christmas vacation they displayed their handiwork on greeting cards with their own pictures. At one meeting an address by Mr. Fowler on photography proved to be very beneficial, giving the boys many new ideas.

Contests are held to create even more enthusiasm on the subject among the members, and prizes are given for the best character studies. It is interesting to note that the name of the club was determined by means of a contest, in which the name "Foto Fans" won first place.

The officers who have served the club for the first year are: President, Albert Dehner; Secretary and Treasurer, Donald Means; Supply Manager, Russell Cook.

THE JOLLY ROGERS

Boys will be boys! The Jolly Rogers is an organization without a purpose other than to allow boys to be boys. All work and no play makes Jack a dull boy, so the members of this club believe. Play does have an important place in the lives of boys, for it permits the giving off of that excess steam and energy which all boys, more or less, create. It is far better to get rid of that surplus energy outside the school room, and it is much wiser for one teacher or sponser to open the valve than for all the teachers to be compelled to cope with pent up steam.

DONALD BOEHM

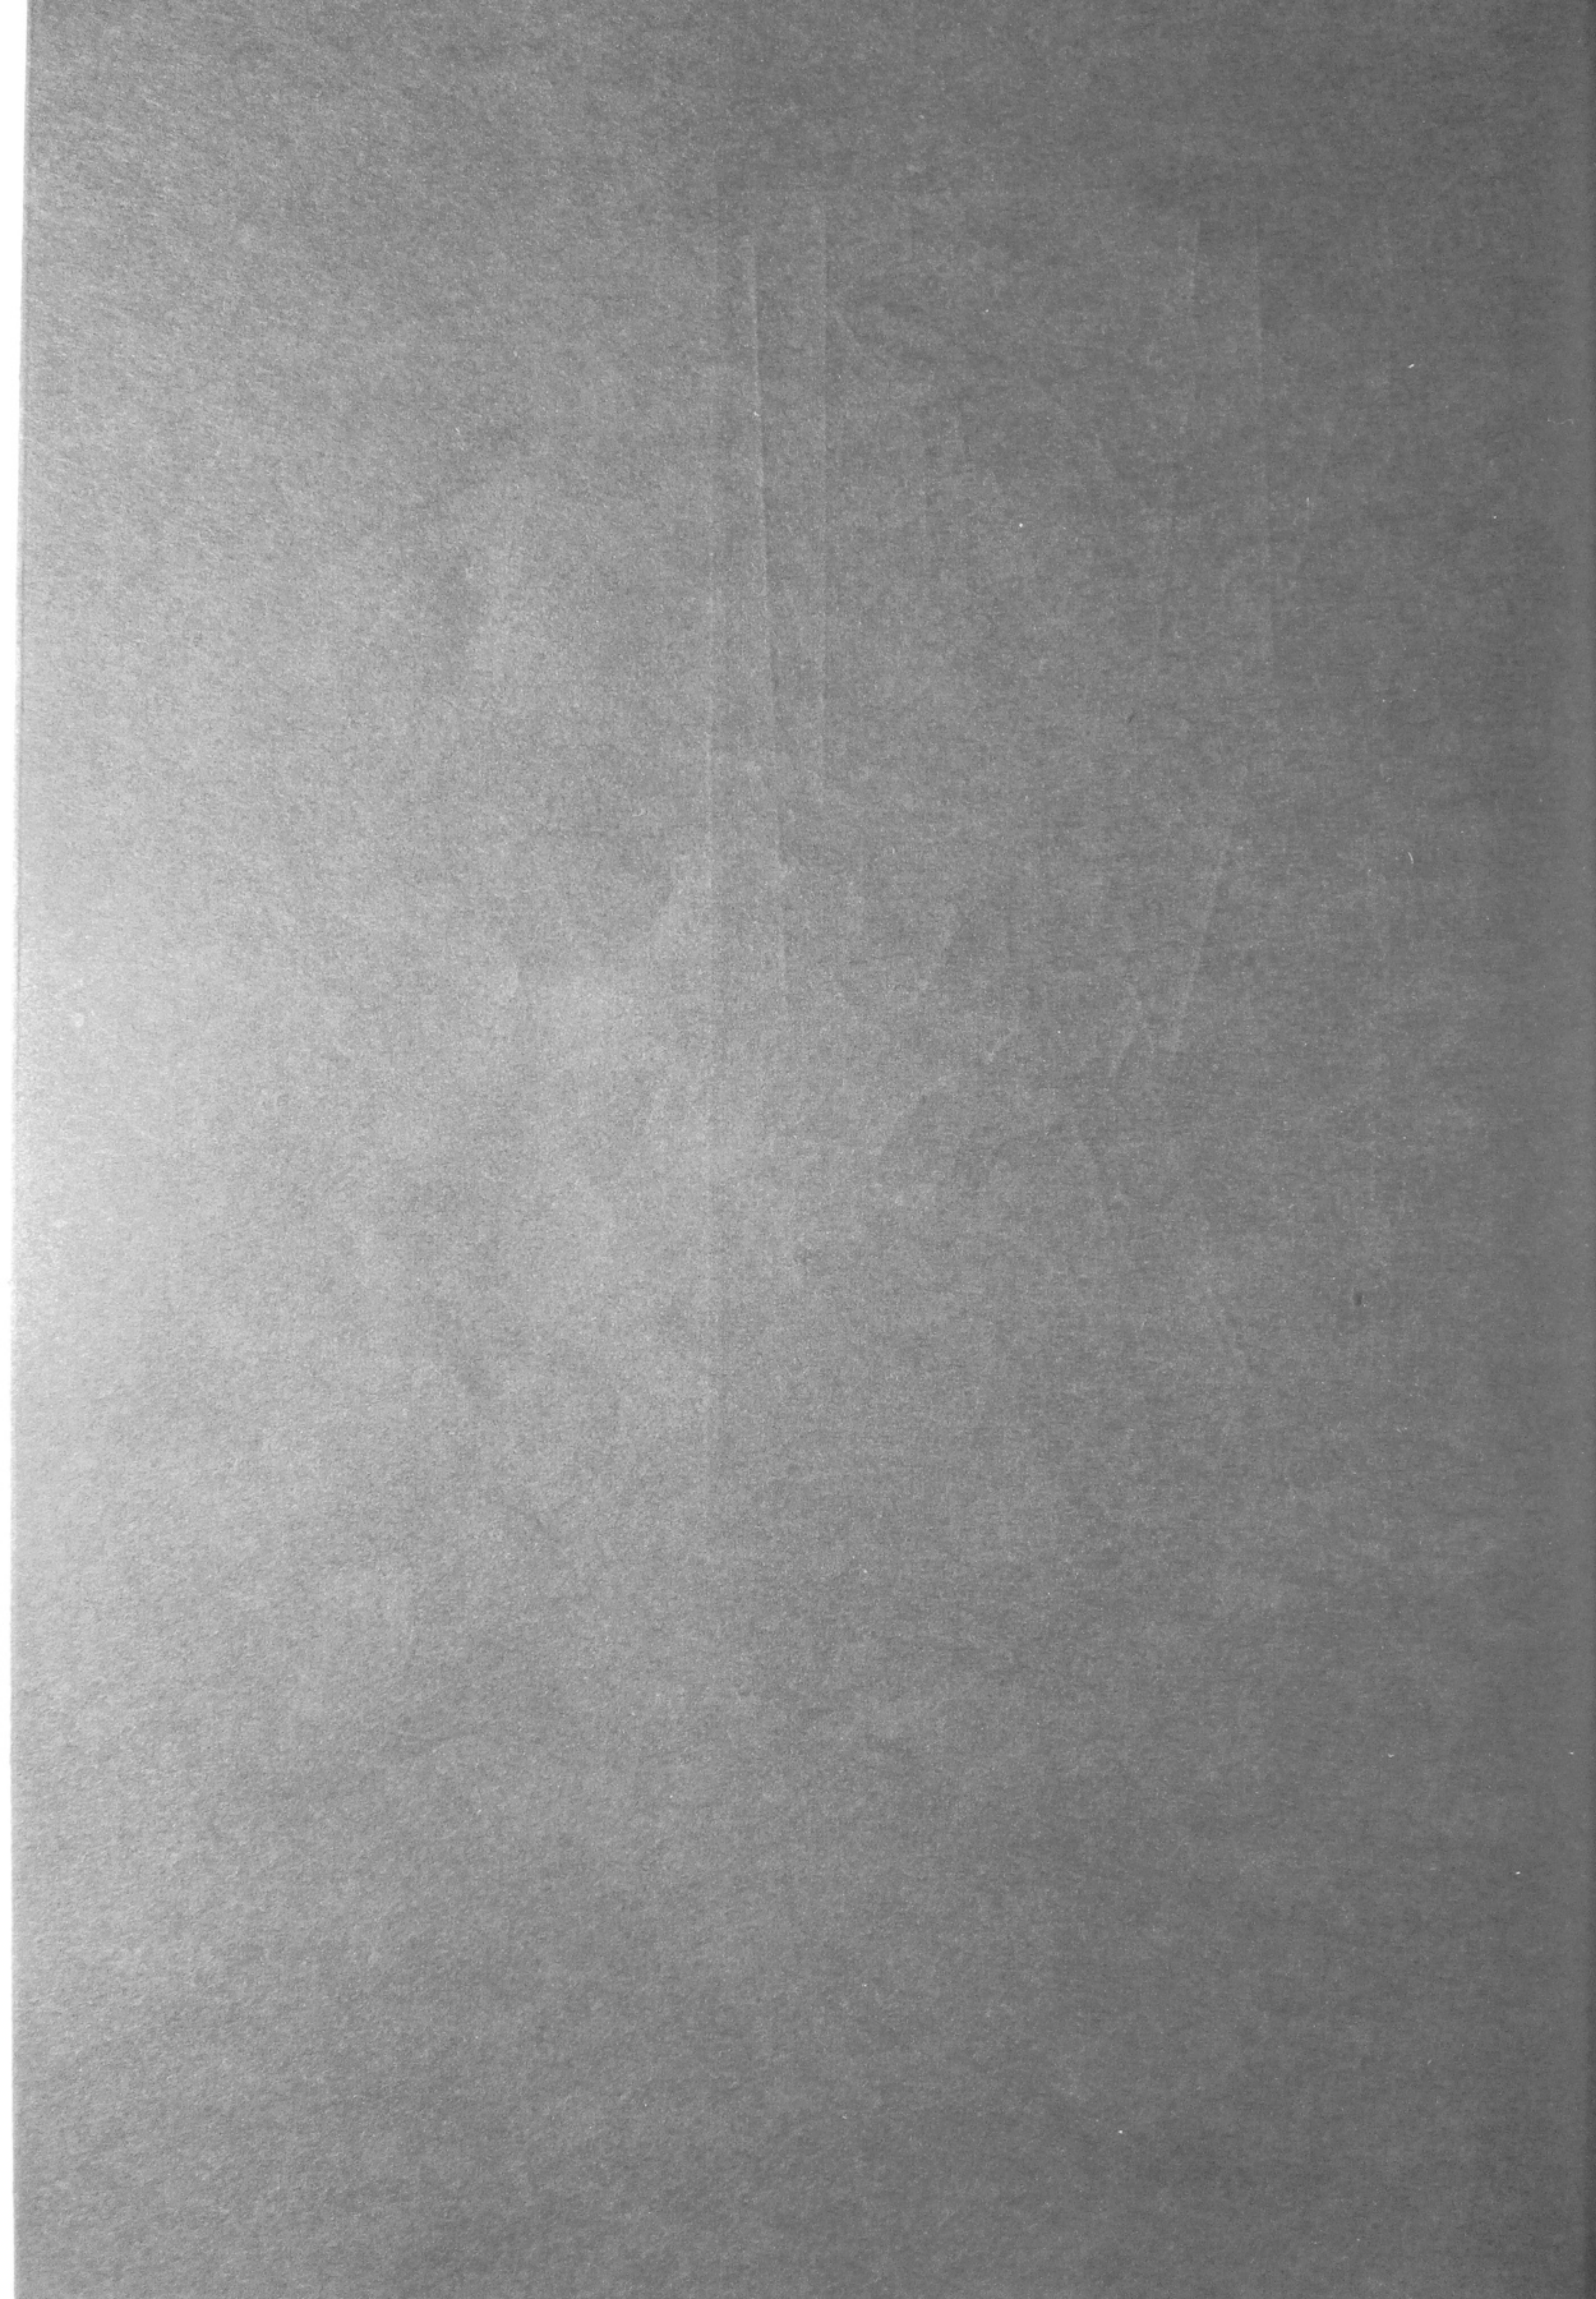

Not having a regular time for meeting, this club meets only when the steam gets to the place that it would burst all bounds if not allowed to escape. New members are required to walk the plank, and indulge in many other similar piratical pastimes to demonstrate their fitness. Don Boehm is the blood-thirsty skipper.

No one could better describe this club than did Mr. Bert Leach, Chief Cut-throat, when he said, "The Jolly Rogers, being a crowd of defiant adolescent specimens of Homo Sapiens, defy classification. It is a high school organization without a high-sounding ethical purpose. It meets occasionally, and monkeys around. But—well—perhaps the pirates work off a few complexes, inhibitions, and other psychological impedimenta that way."

ATHLETICS

COACH RICHARD E. HOPKINS, a former athletic star of P. H. S. and Miami University, has used his own experience to great advantage throughout his successful coaching of the Trojans. He is head coach in basketball, baseball, and tennis, and assists with football and track.

HOPKINS

C. Lorentz

CHARLES LORENTZ, a Marietta graduate, has been at P. H. S. only three years, yet he has accomplished much with the Trojan Junior basketball team. He has also helped with the other branches of sports.

LORENTZ

NESS

COACH RALPH E. NESS, a Wittenberg alumni, is head football coach. Portsmouth is fortunate in having him, as can be seen by glancing at the scores of this year's football squad. He has done much in helping with other varsity athletics, especially track.

HOWARD BRYANT, who graduated from Heidelberg came here two years ago and has been engaged in coaching the Trojan Junior football squad. He has also been of great assistance in coaching track and basketball.

ALL SPORTS 1931-'32

Athletics, taken as a whole, has had a very successful season—though many of the games played were with schools much larger than P. H. S.

The football squad made a name for the school, by being undefeated. Some of the schools on its schedule were Huntington, W. Va., Cleveland Glenville, and Middletown. Winning from such teams as these gives P. H. S. a strong claim to the state championship, which was shared with Sandusky and Mansfield. The Reserve squads played a number of small schools and reserve squads of larger schools.

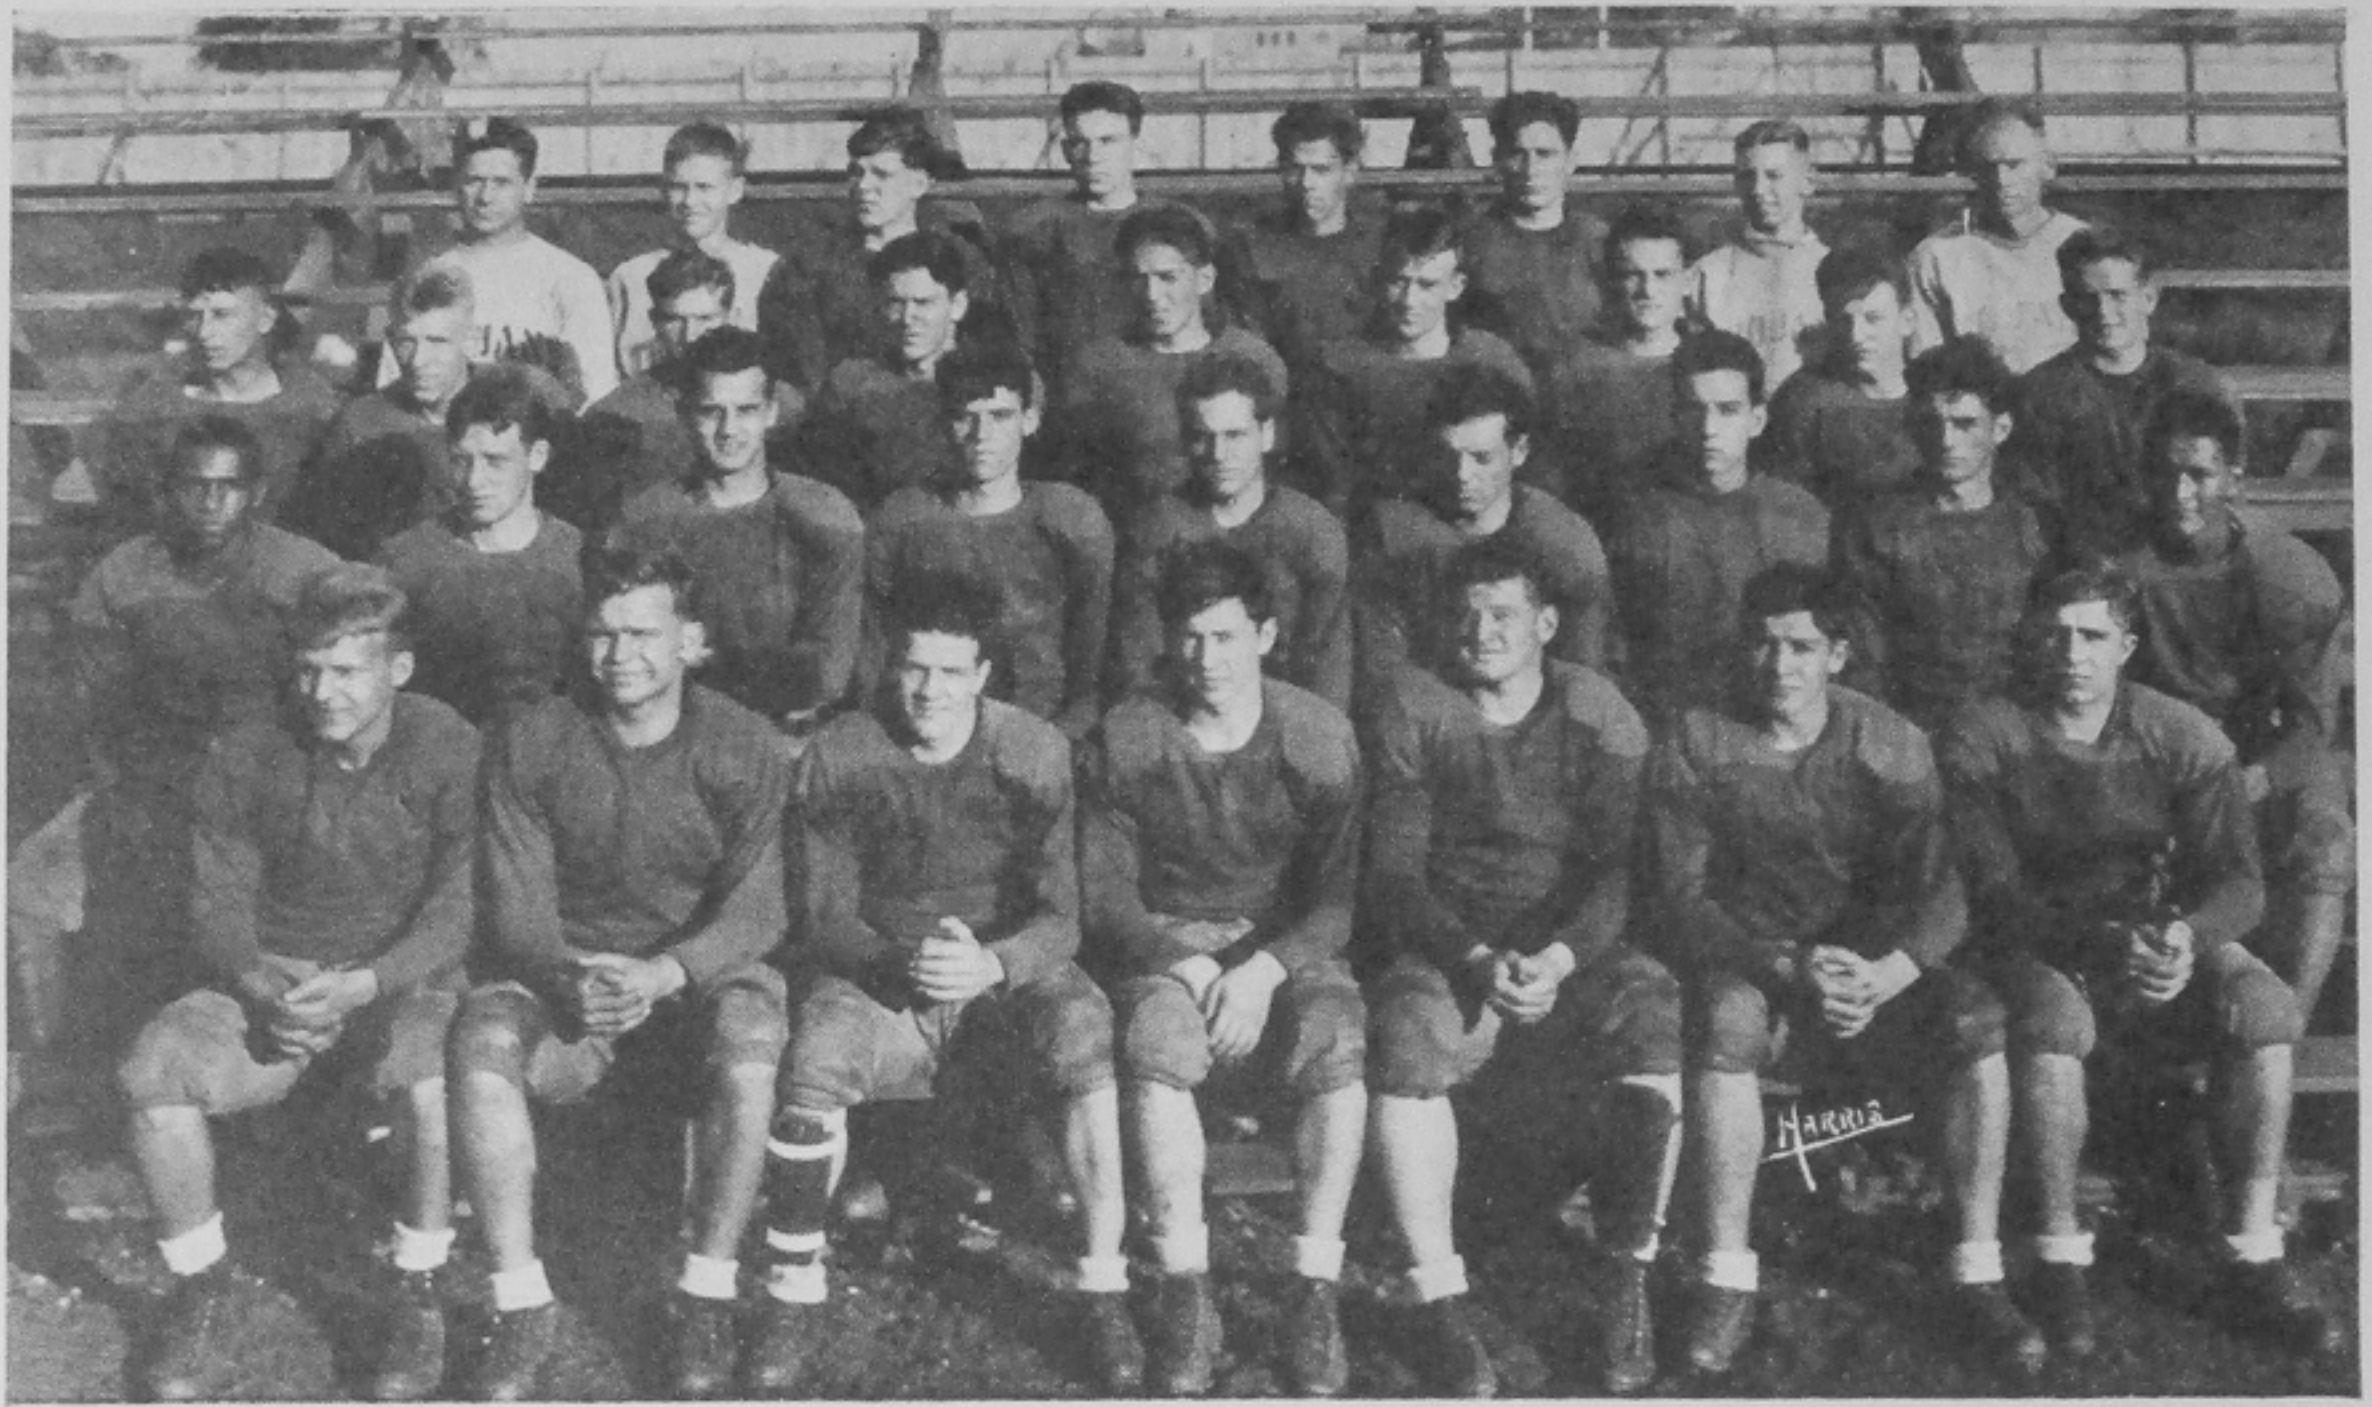

The basketball team was not so successful as the football team. They won fourteen games out of twenty. In the Southeastern Ohio Tournament they were beaten by Chillicothe, whom they had defeated in two games during the season. The Reserves played most of the county high schools and reserve squads, winning nineteen games and losing eight. Two intramural leagues were conducted to find new material for next year's varsity and reserve squads.

The spring athletics consisted of spring football, baseball, track, and tennis. The material found in spring football has shown great promise for next season. Although this is only the second year for baseball, the team was very successful, having won the District Tournament at Athens. Track had never received much attention until this year. The squad was much larger than it has been previously and showed up well. The tennis squad, composed of four members, was successful in several interesting matches with large schools.

The high school and the community have enthusiastically supported the teams in appreciation of the splendid work done by the coaches and the players.

FOOTBALL SEASON 1931

The Trojans opened the 1931 season by defeating the New Boston Tigers by a decisive score. This game was Portsmouth's debut in night football.

Portsmouth's inexperienced, lightweight team rose to new heights by turning back the Columbus East Tigers. The forward wall of the Trojan grid machine without a doubt proved its worth by holding the Tigers on the one yard line for seven consecutive downs, while two perfectly executed 30 yd. field goals by Tod Cropper also featured.

Journeying up the river to Huntington the Trojans entered the fray the underdogs but left the Pony Express somewhat lamed with a 13 to 7 defeat.

On Saturday afternoon, October 11th, the Red and Blue men met the ponderous team of Cincinnati Withrow and after romping with these Tigers for four quarters left the gridiron with another victory to their credit.

On a muddy field the Trojans overwhelmed a gallant and fighting team from Hamilton. Although the home team seemed to score almost at will, the Butler countians fought to the last play.

Portsmouth met a heretofore unknown team from Wayne, West Virginia, October 24, and sent the Wayne Wonders home wondering just what had happened.

The undefeated and highly touted Middletown Middies were next met and the Trojan slate was kept clean by a hard earned victory, 13 to 0. Cropper, Benner, Bailey, and Moore were outstanding for the Red and Blue.

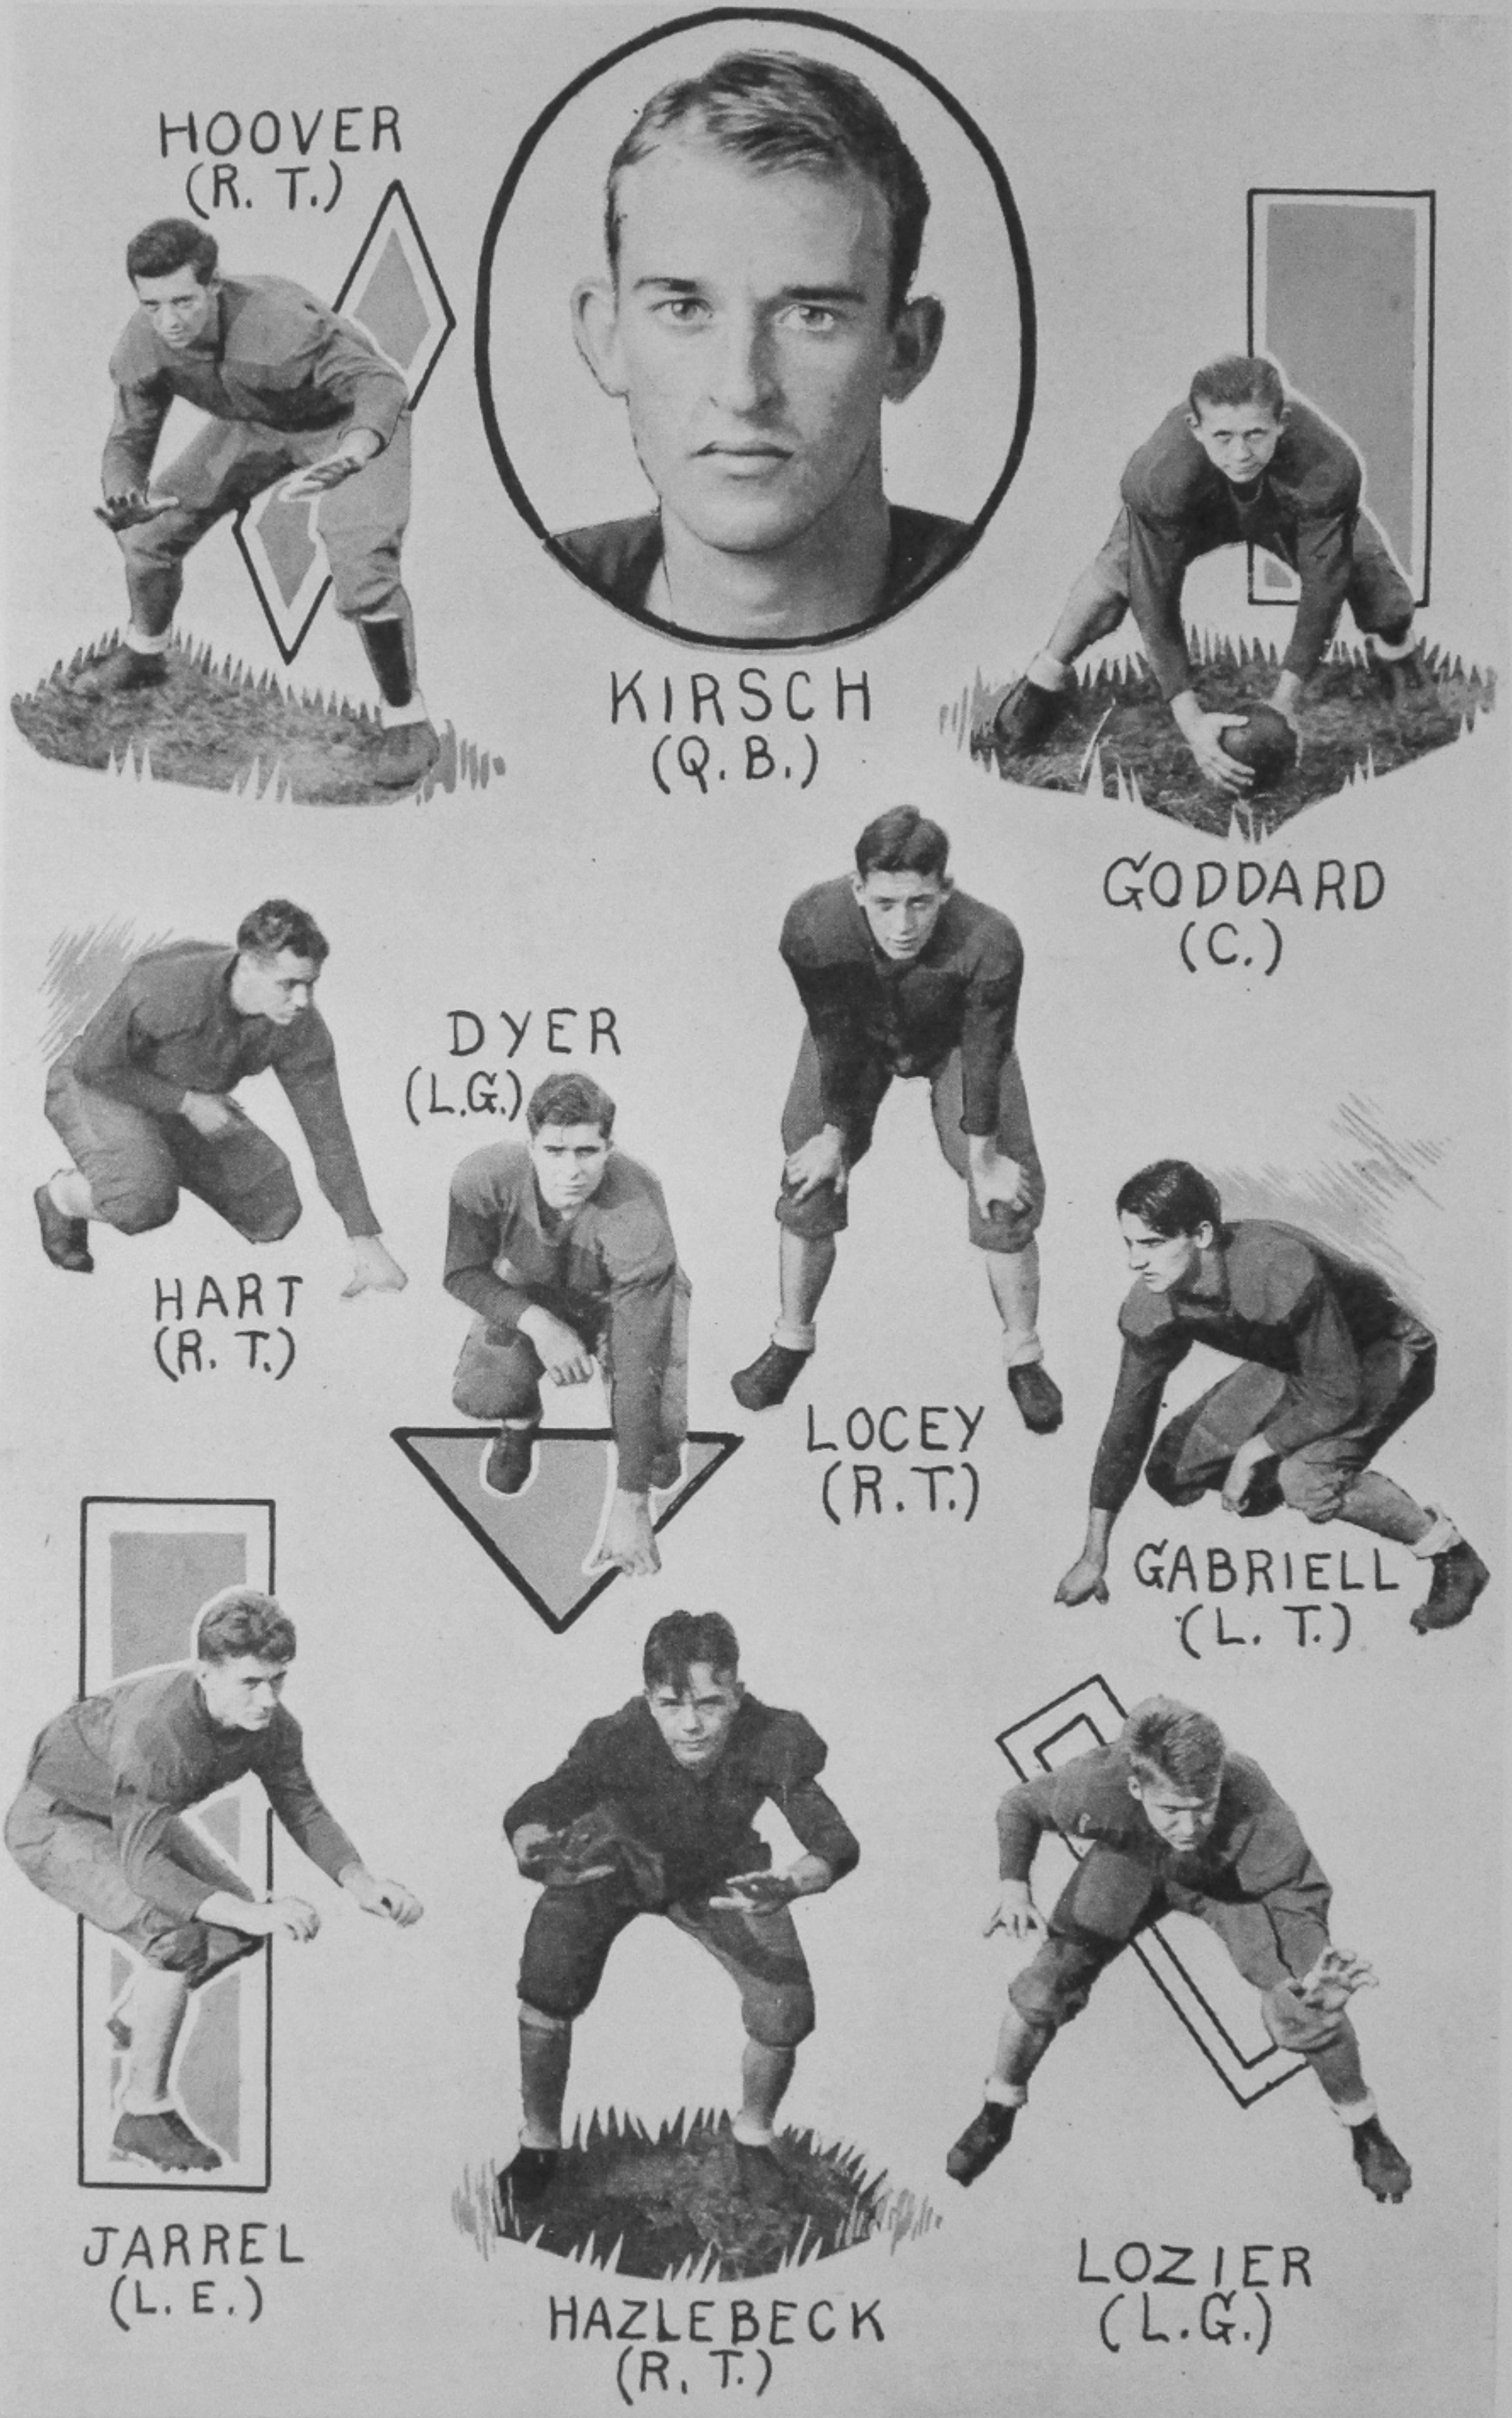

In a game that left the fans of Portsmouth shivering from a narrow escape, the Trojans eked out a 7-6 victory over a powerful, undefeated Cleveland Glenville team. Bailey was the Portsmouth star, while the combination of Bate and Wein was outstanding for the up-state club.

On a slippery, grassy field the Trojans conquered their old rivals the Chillicothe Vikings, by a score of 32-0.

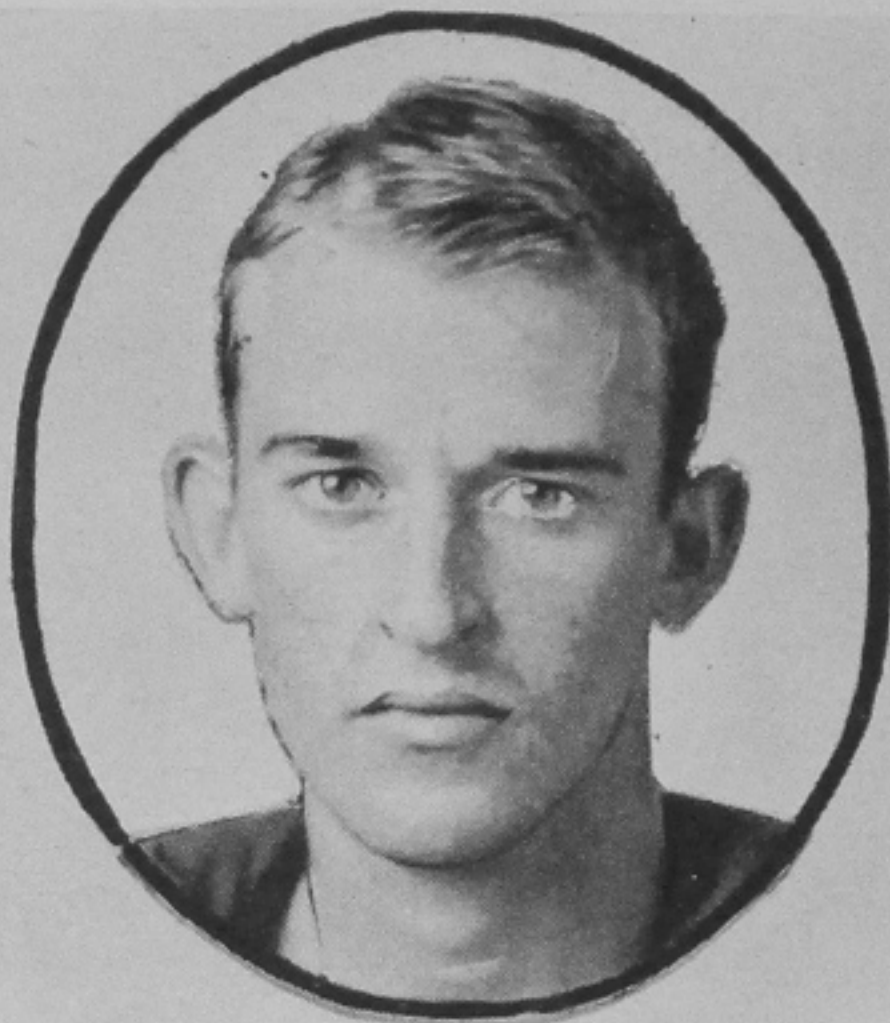

On Thanksgiving Day the Trojans ended their schedule by defeating their greatest rivals, the Ironton Tigers. The Tigers put up a marvelous passing attack and succeeded in scoring two touchdowns on the undefeated Trojans.

By virtue of their perfect season of ten victories and no defeats against many of the toughest teams of Ohio, the 1931 Trojan football squad made a strong claim to the state championship.

THE PLAYERS

Because of graduation most of our outstanding pigskin toters will be missing at the "pink teas" held on Labold field next year. Tod Cropper, who captained the Trojans to an undefeated season, Jack Bailey, our plunging fullback, Louis Russell and George Suter, two stellar halfbacks, and June Moore and Charles Kirsch, as field generals, will be conspicuous by their absence in the backfield.

The Trojan line will also be weakened considerably by the loss of the guards, Bassler, Cookes, Sprouse, Walker, and Dyer, who all proved their consistency by "holding that line." We're sorry to lose our flashy ends, Parker and Blackburn. They were real go-getters. The Trojan tackles, Rardin, Hoover, Locey, Gabrielli, and Hazlebeck will be missed not only on the defense, but also on the offense, as each of them seems to have the art of making a hole in the opponents line. Last, but certainly not least, come the ones about whom revolve the entire team; namely, the centers, Dave Goddard and Charlie Reinhardt. Their efficient work in this position will be hard to duplicate next year.

The boys who will form the nucleus of next year's varsity and who gave brainy performances this past season are Carr, Jarrell, and DeLotelle at the wing positions; Minter, Benner, Mays, and Stewart in the backfield; and Lozier and Bush as guards. These boys will be expected to continue their consistent, alert playing, as the future reputation of the Trojans depends on them.

The Trojan Juniors also started their 1931 gridiron season with some very green and inexperienced material. Many of the boys were simply Freshmen who were perhaps getting their first taste of really scientific football. But as the weeks progressed their awkwardness wore off and they became a fast, well balanced team. The climax of the season came when they journeyed to McDermott and walloped the home team, 38 to 0. They certainly looked like real Trojan Juniors in their blocking and ball carrying that day.

There are several of the boys who showed up exceptionally well last year and if they continue to play the same heady, aggressive ball next year should be among the first in line for berths on the varsity. Martin at tackle, Wedebrook at tackle or fullback, Dearth and Bowser in the backfield, Gillen at center, Jackson and Boren at the ends, and Staten at half, were among these outstanding players of the Trojan Juniors. However, there are many others who may, through extra hard work next year, come out on top either on the junior squad or the varsity.

LABOLD FIELD

The Universal Stadium where the Trojans "carry and kick" the pigskin up and down the gridiron is located on the east side of Labold Field. The areas east and west of this stadium are finally being utilized to carry out the intentions of the original benefactor, Mr. Simon Labold. The High School portion of this field has been officially labeled and dedicated to the memory of the donor, Mr. Labold.

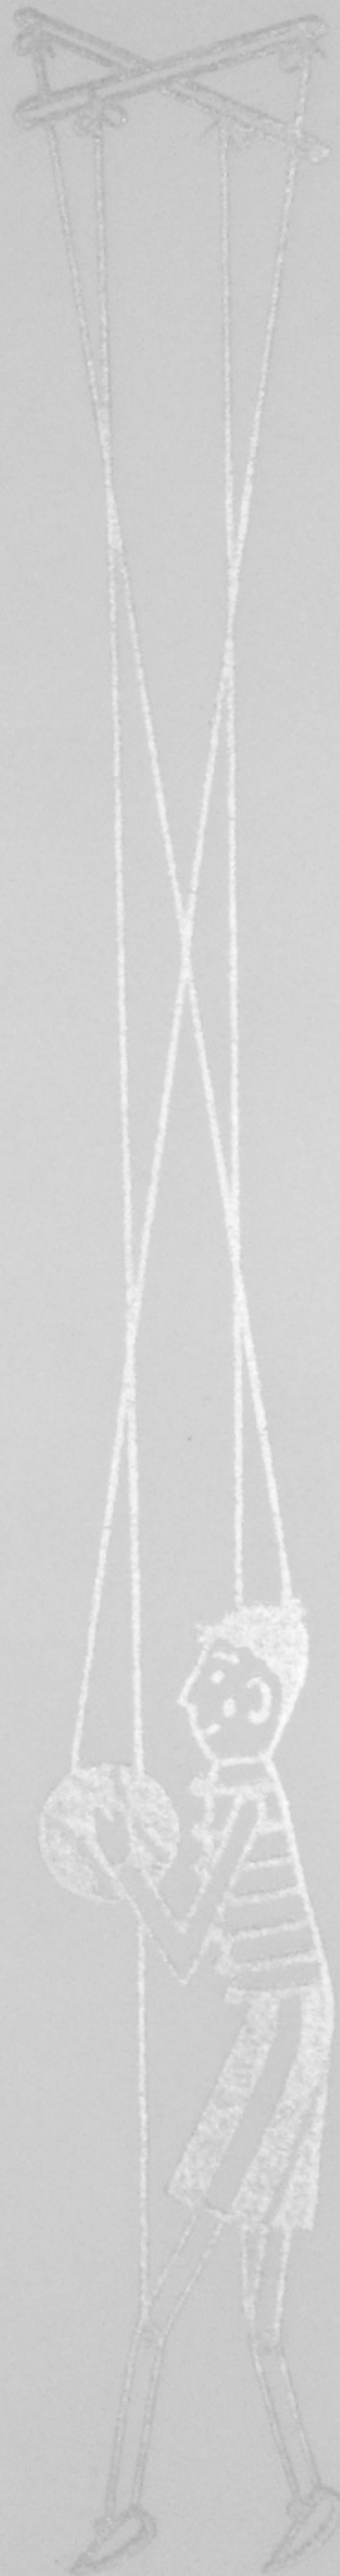

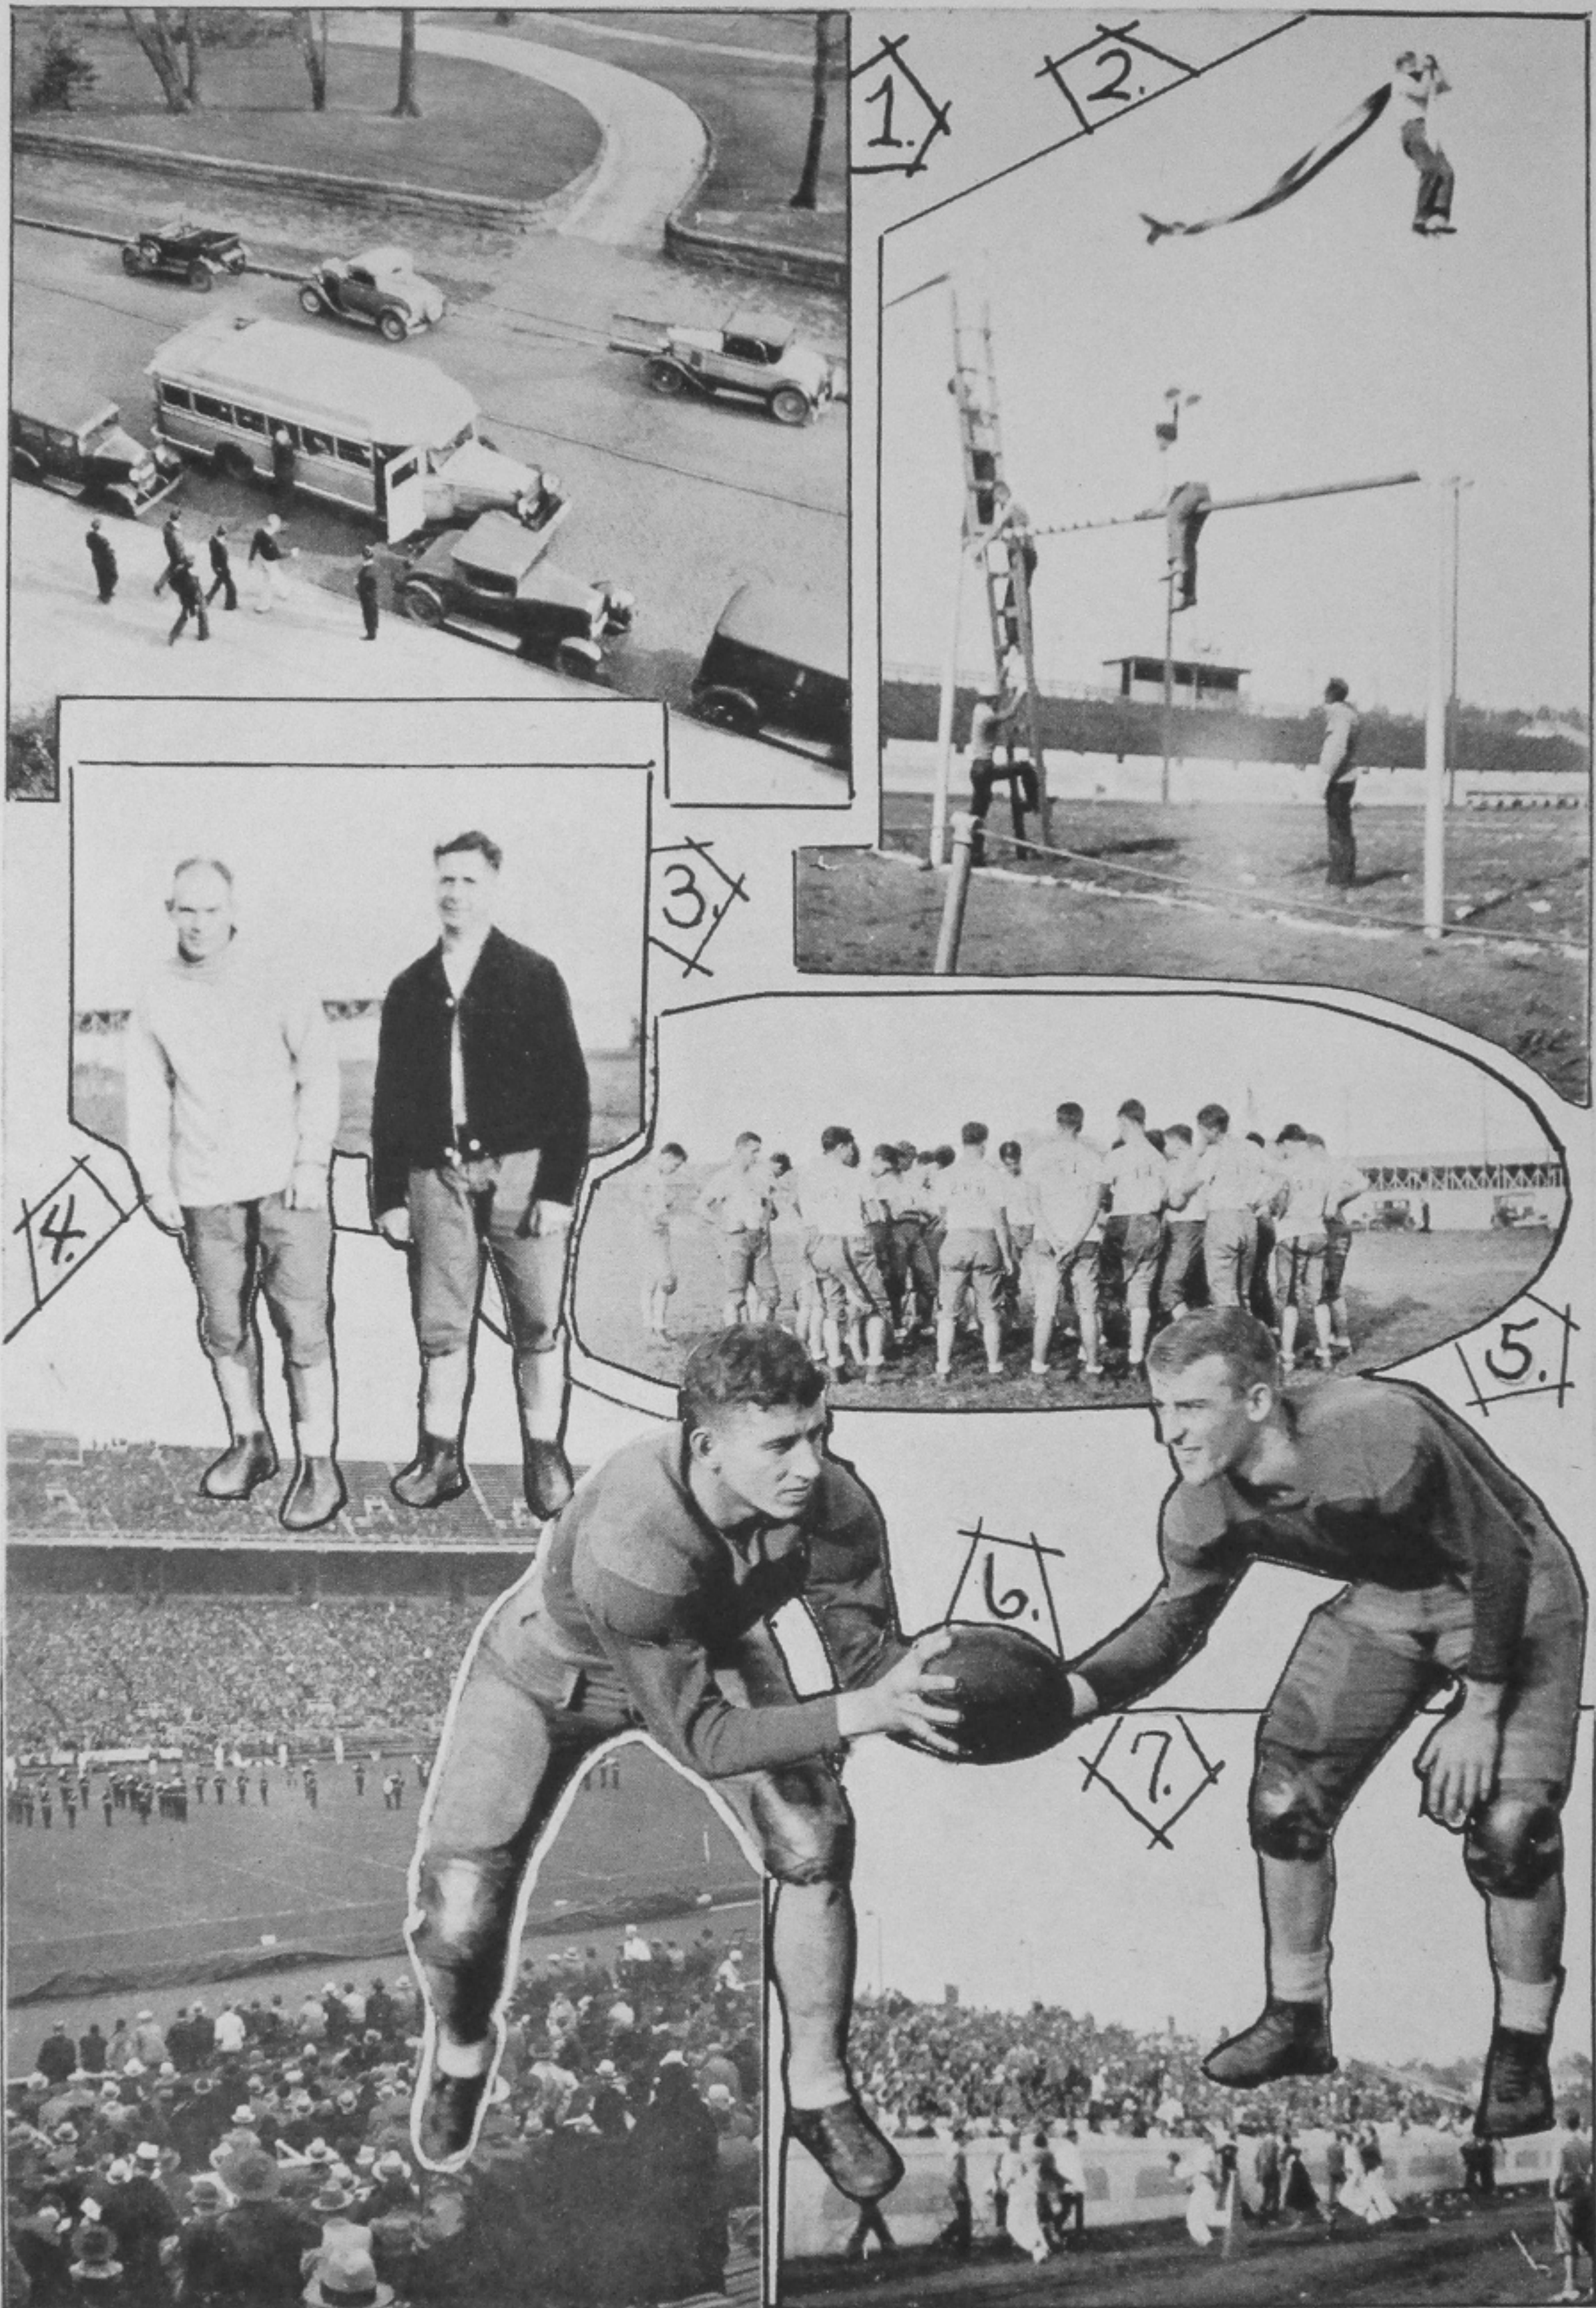

FOOTBALL MANAGERS

TOM WYATT, MAX HAAS, BILL PATTERSON, JACK WILLIAMS

These fellows certainly gave a fine account of themselves last fall through their diligent work "back stage." To them belongs much of the credit for our successful 1931 season on the gridiron.

THE PLAYERS

CHARLES KIRSCH, a Senior, has played three seasons with the varsity squad. His playing, though not spectacular, was very dependable, as is shown by his playing in every quarter of the season.

CARLOS PARKER alternated with Kirsch in acting as captain. This flashy center made more points than any other player and will be greatly missed next year.

TOD CROPPER finished his athletic career at the end of the first semester. "The blond flash" has played four seasons with the Trojans and will long be remembered as the All Ohio forward of 1931.

JUNIOR MOORE was the other member of the Cropper-Moore duo and his career also ended with Tod's. His spectacular playing made him popular with all the basketball enthusiasts of the city.

RALPH BENNER won his first Varsity basketball letter this year. "Cutie" is a quick little forward and a hard fighter. He will be back again next year.

JAMES GRIMM, sometimes playing forward, sometimes center, is lost to P. H. S. by graduation.. This tall, lanky lad was always there to get the ball and drop it into the basket.

RAYMOND CHAPMAN, a sturdy guard, played his first varsity basketball this year and showed up very well. No doubt he will continue his brilliant playing next year.

KETCHELL LEWIS played his first year of varsity basketball this season. He was good at getting the ball out of ticklish situations and we are glad to have him back next year.

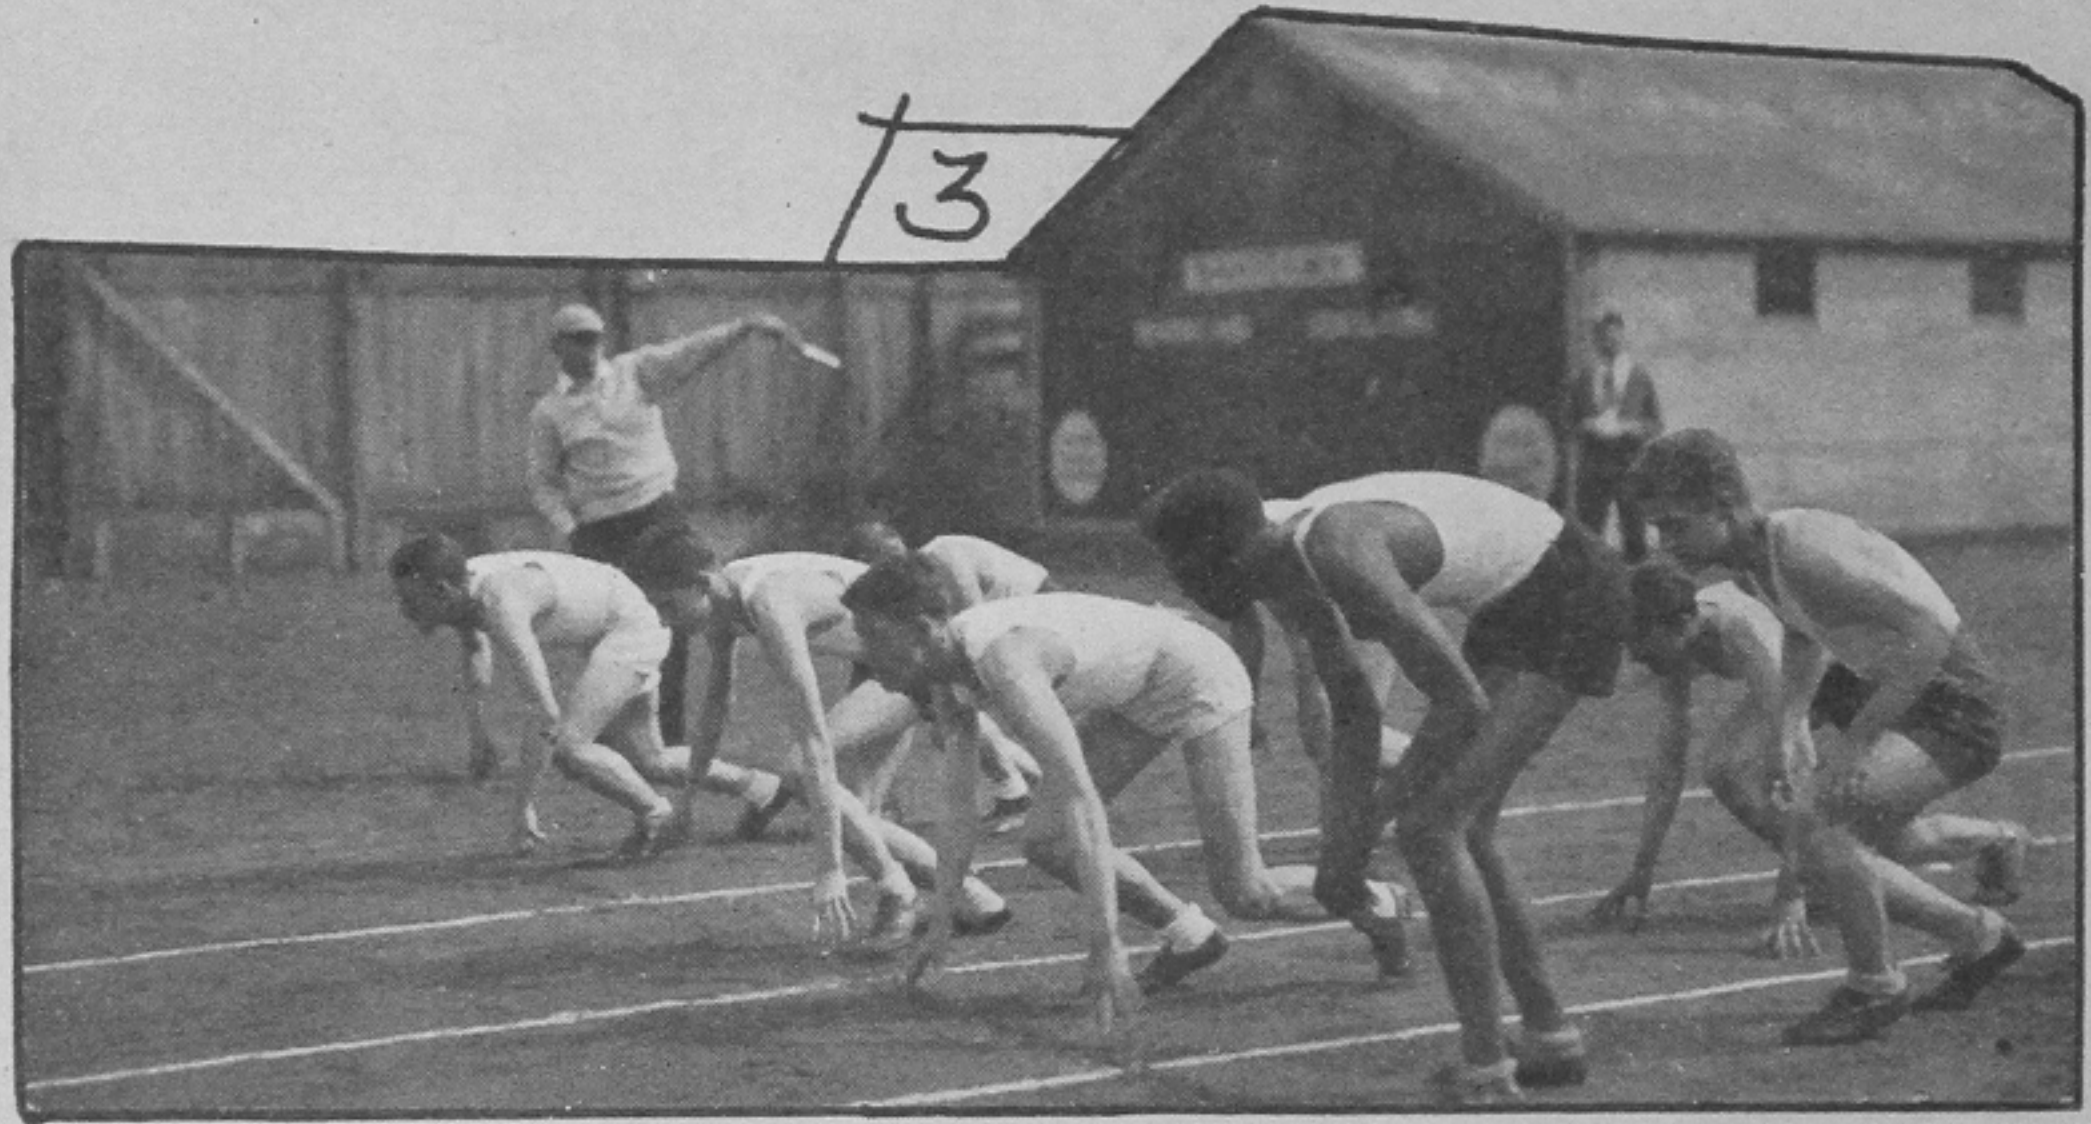

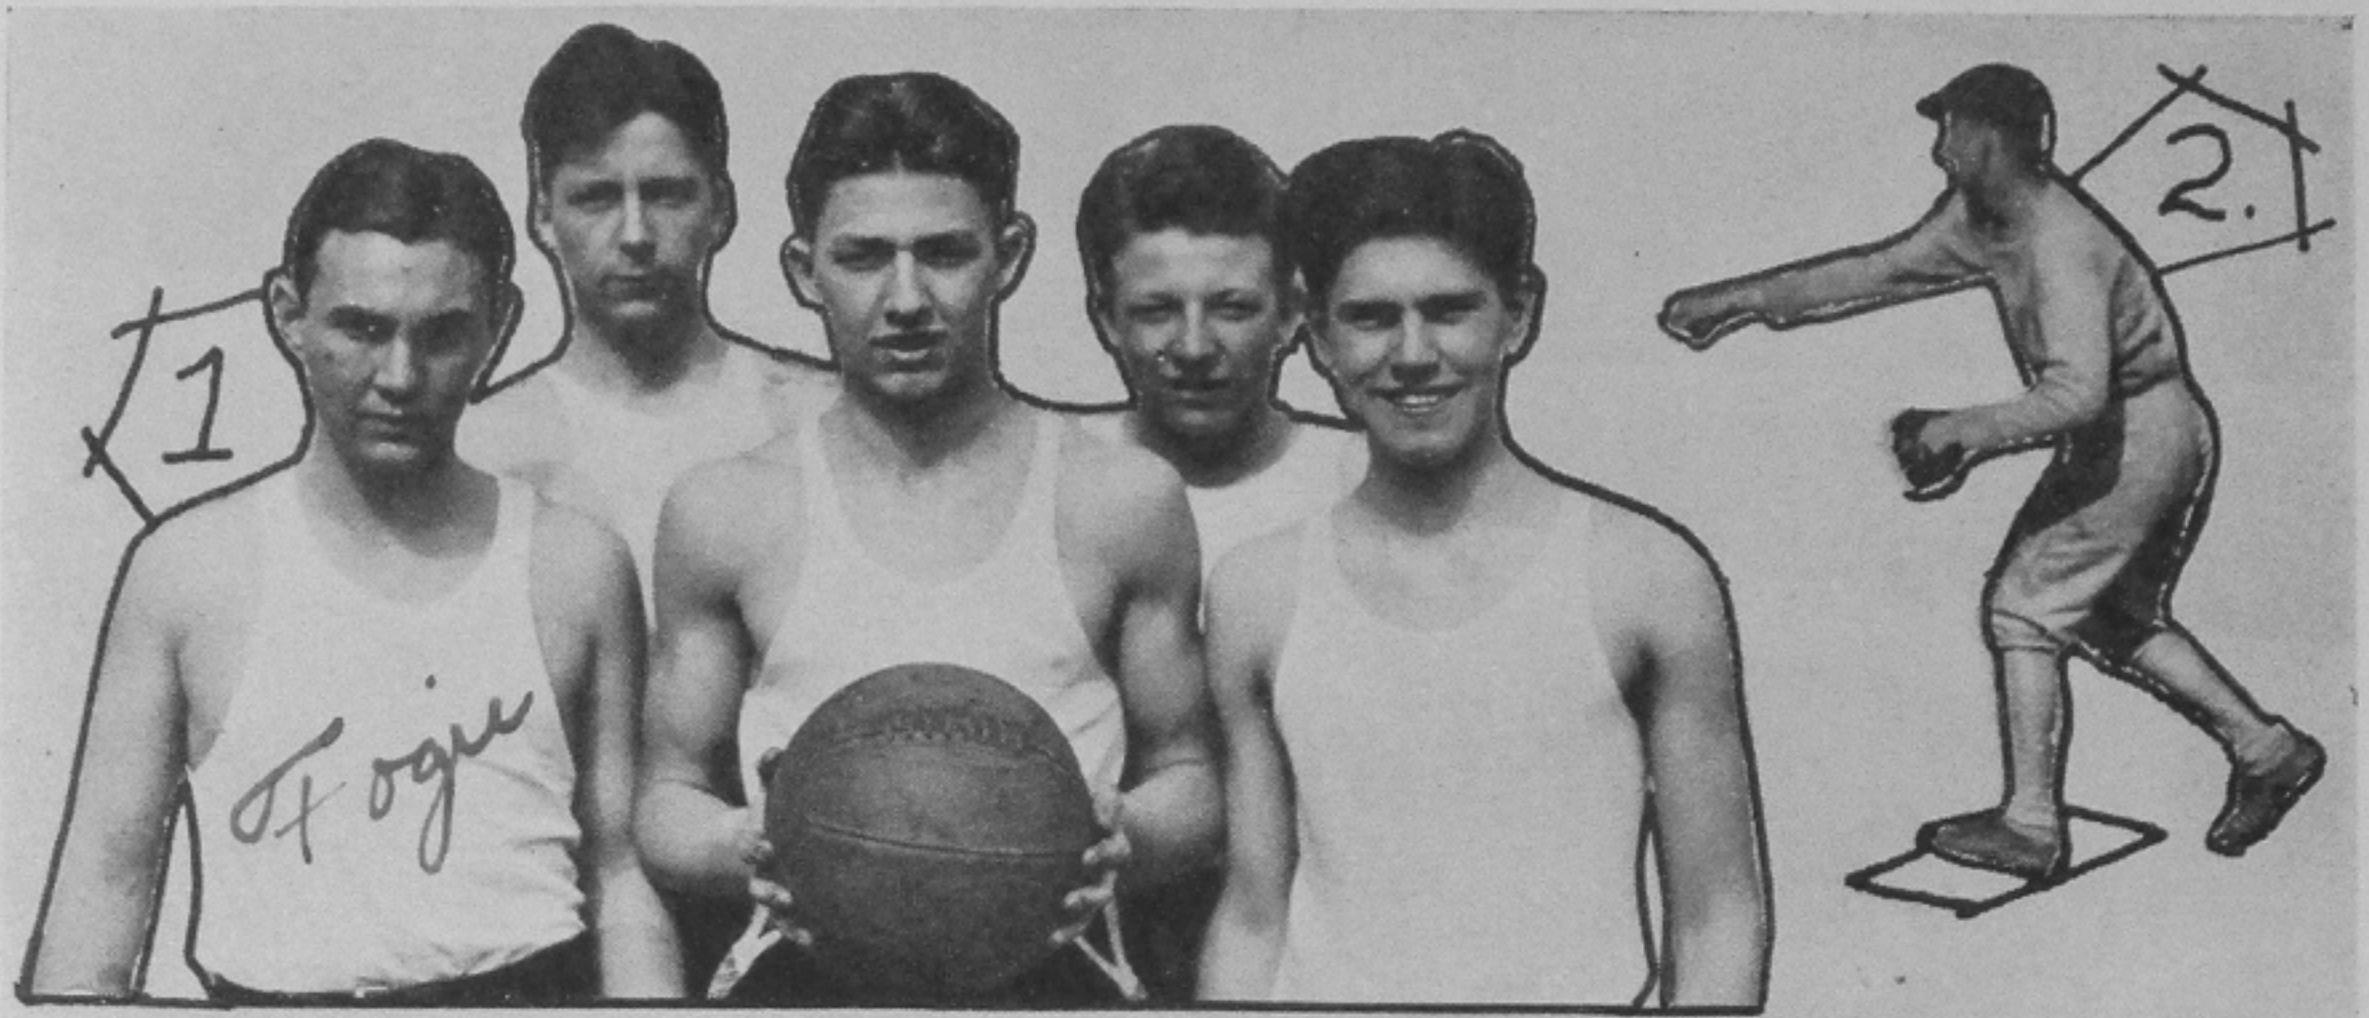

JOE WALLSMITH and HOWARD DALE, both Juniors, are members of the Reserve Team. They have played forward on the second squad for two years, and, although small, have broken into several varsity games.

EARL BENDER plays reserve center, and shows great promise for the varsity squad of next year.

WILLIAM LIVINGSTON and ARTHUR BOWSER have worked hard at guard positions for the last year and have shown much ability.

Two other boys who look good for the future teams are HOWARD JACKSON and GEORGE CARR. They are both fast and steady players.

CHEMICAL SHOWERS

MISS CHARLOTTE BELL more familiarly known as "C. J.", has been the feminine unit in the coaching staff of Portsmouth High School for the past nine years. Most every protege of Miss Bell has had some

chance to distinguish herself in the sport or sports that particularly interest her. "C. J.'s" knowledge of directing seems to have no limits and her ability to participate in these activities is very remarkable.

GIRLS' ATHLETICS

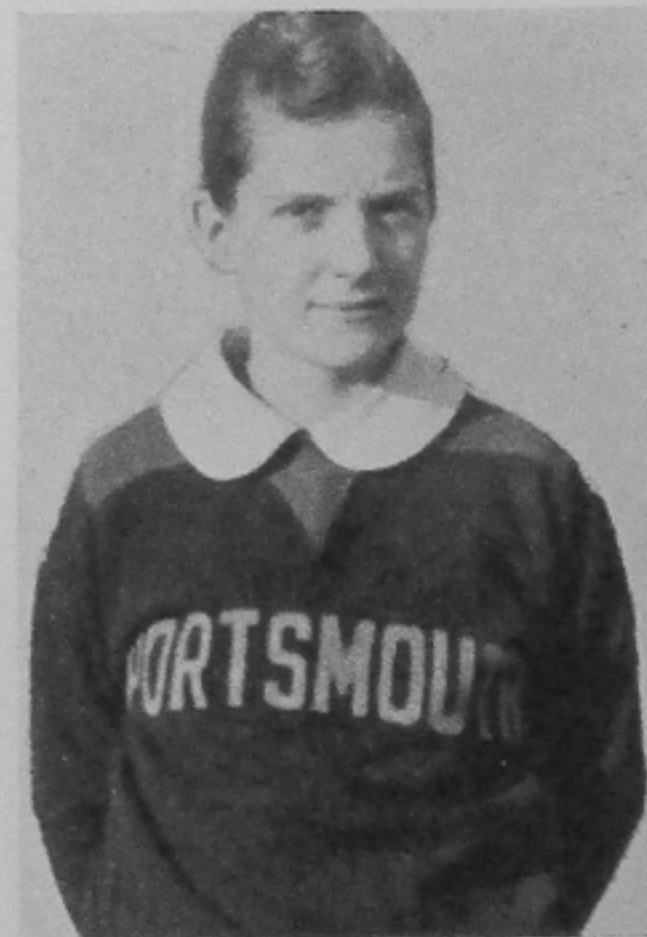

This year the girls' athletics of Portsmouth High School have been divided into two major and four minor sports. The majors are tennis and basketball; the minors, volleyball, baseball, track, and bowling.

Contests in these different sports held the interest of the girls who took part in any athletic activity on the program. The Senior teams lived up to their reputation by making a "clean sweep" and won championships in every sport attempted. Next year the Sophomore or Freshmen will probably take up the role of leader, since the Juniors did not roll up a very big score. The underclassmen seemingly overwhelmed them by forcing them to the cellar position.

From the four class basketball teams two Varsity teams, namely the Red and Blue, were chosen by "C. J." They played a three game series which was won by the Red team. Janie Yeager was high scorer and one of the most versatile players in recent years. Toney and Shields also aided their teams by their splendid showing. The other girls also performed in their respective positions to the best of their ability.

During the past year the position of managers of girls' athletics was capably filled by Kate Evans, senior manager, and Leah "Jack" Fairtrace, assistant manager. Both girls were exceedingly fond of their work; they worked diligently and hard, and so were most deserving of the letter which is awarded after two years of service.

GIRLS VARSITY TENNIS 1932

Tennis, introduced to P. H. S. only three years ago, is one of the most popular sports of the school. In 1931, Coach Charlotte Bell produced an undefeated girls' team which was one of the best in this section of the country.

The team that represented the school this year was not rated quite so high due to the fact that all but one of the six girls were inexperienced in inter-scholastic playing. Although the team did not play the alert tennis they had previously exhibited in the spring, they had little difficulty in winning the major portion of their matches. The girls should be congratulated on their excellent co-operation with their teammates and Miss Bell.

MALAVAZOS was the only remaining veteran of the team of 1931. Mary should be commended for her very splendid playing, and also for the remarkable way she captained the girls. She played brainy tennis throughout the entire season and had her revenge for early season defeats of last year.

SELLARDS disclosed a quick readiness of return with her left-hand stroking this year. Marg baffled all opponents with her aggressive finishing volleys from the forecourt. The "southpaw" will be with us next year and her stellar playing will be greatly appreciated.

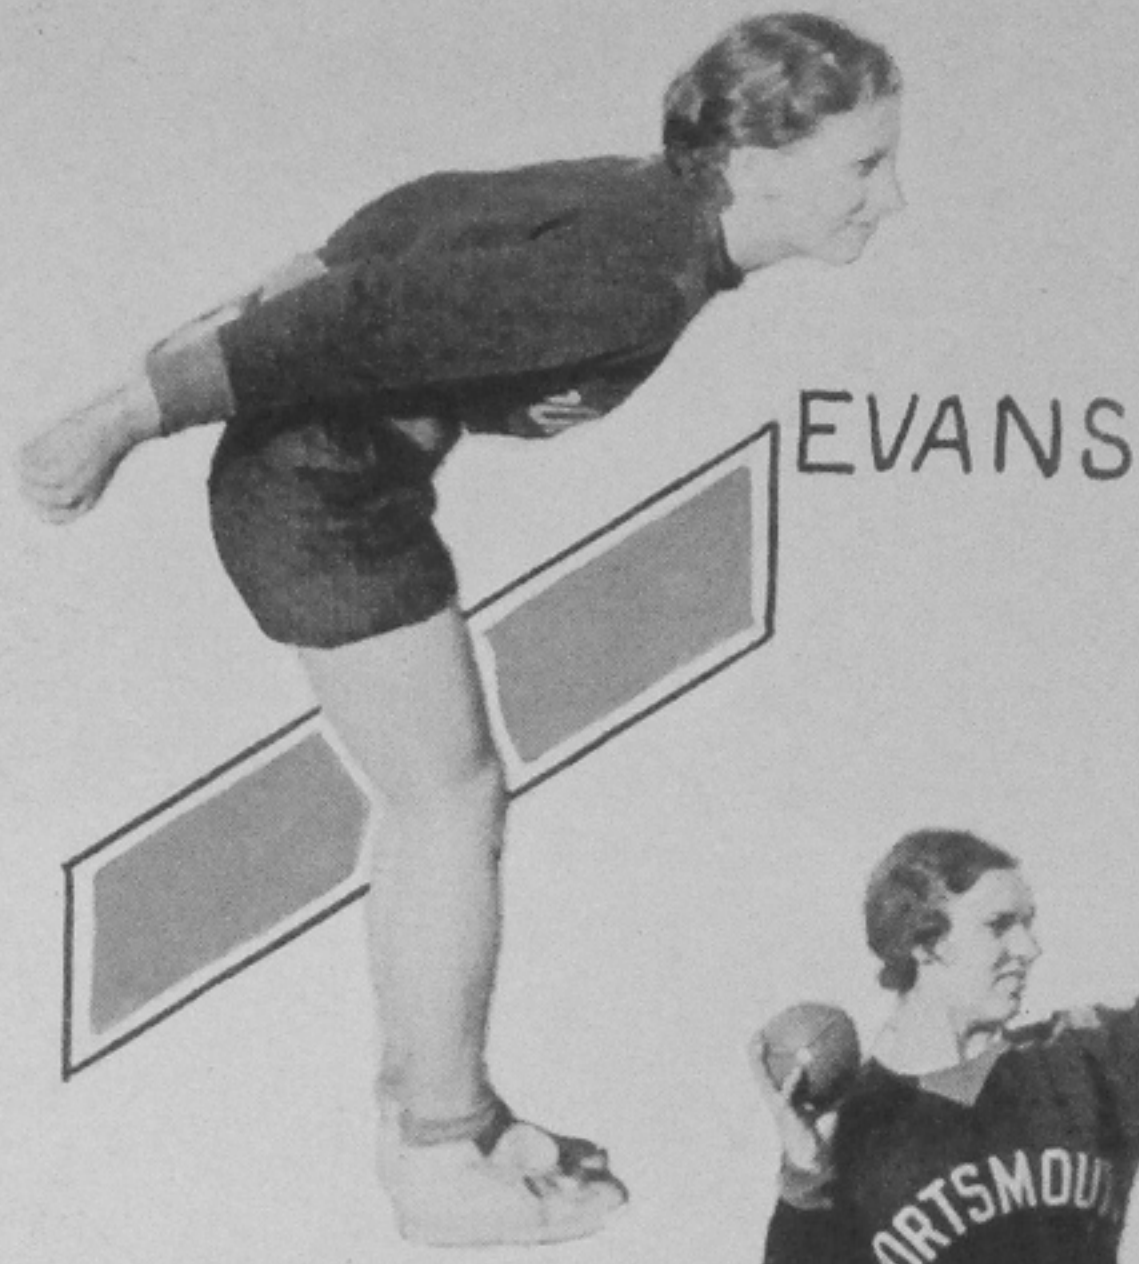

FAIRTRACE defeated most of her victims in easy style and was deserving of the praise she received for her impenetrable consistency. Jack, a Junior, also plays the role of assistant manager of Athletics.

NAGLE can always be depended upon to do her best and she easily proved that to all who saw her perform in the double combination. Being only a Sophomore her future will be anticipated with considerable interest.

RUSSELL, like the rest of the team, was not overly crowned with success this season but displayed brilliant form in all the contests. She flashed through victory and defeat with the same good nature. This Sophomore will be heard from again next year.

ROBBITT, still another Sophomore, gave the fans some exceptional performances on the courts this season and although her offense was not so strong, Rosemary on defense was unbeatable. Slow and steady was her motto.

1932 TRACK SEASON

More interest was shown in track this year than ever before. There was a good turn-out from all four classes for the try-outs, due to the fact that two new events were added—hurdles and shot put. An interclass meet was held and the Seniors came out on top, thus keeping the championship for two years.

MARYKLINE, a Senior, made a new record in high jump when she cleared 4 ft. 6 in. She also won in the standing broad jump in the interclass meet.

KATE EVANS is an all-around athlete. Beside tennis and basketball, she also stars in track. She won in the baseball throw, basketball throw, and shot put.

RUTH BAKER although rather small, "gets there" in athletics. She did well in track and won the target throw.

TRACK RECORDS IN THE HISTORY OF P. H. S.

Kate Evans, '32, basketball throw, 72 ft. 2 in.; baseball throw, 166 ft. 9 in.; shot put 24 ft. 3 in.; Mary B. Kline, '32, high jump 4 ft. 8 in.; broad jump 7 ft. 5 in.

VARSITY BOWLING 1932

Bowling, a sport fast becoming very popular, was initiated in Portsmouth High School this year. There was great competition for places on the team. Finally Evans, Malavazos, Fisher, and Bierley were chosen. One out of town game was played this year and several matches have been planned for next year.

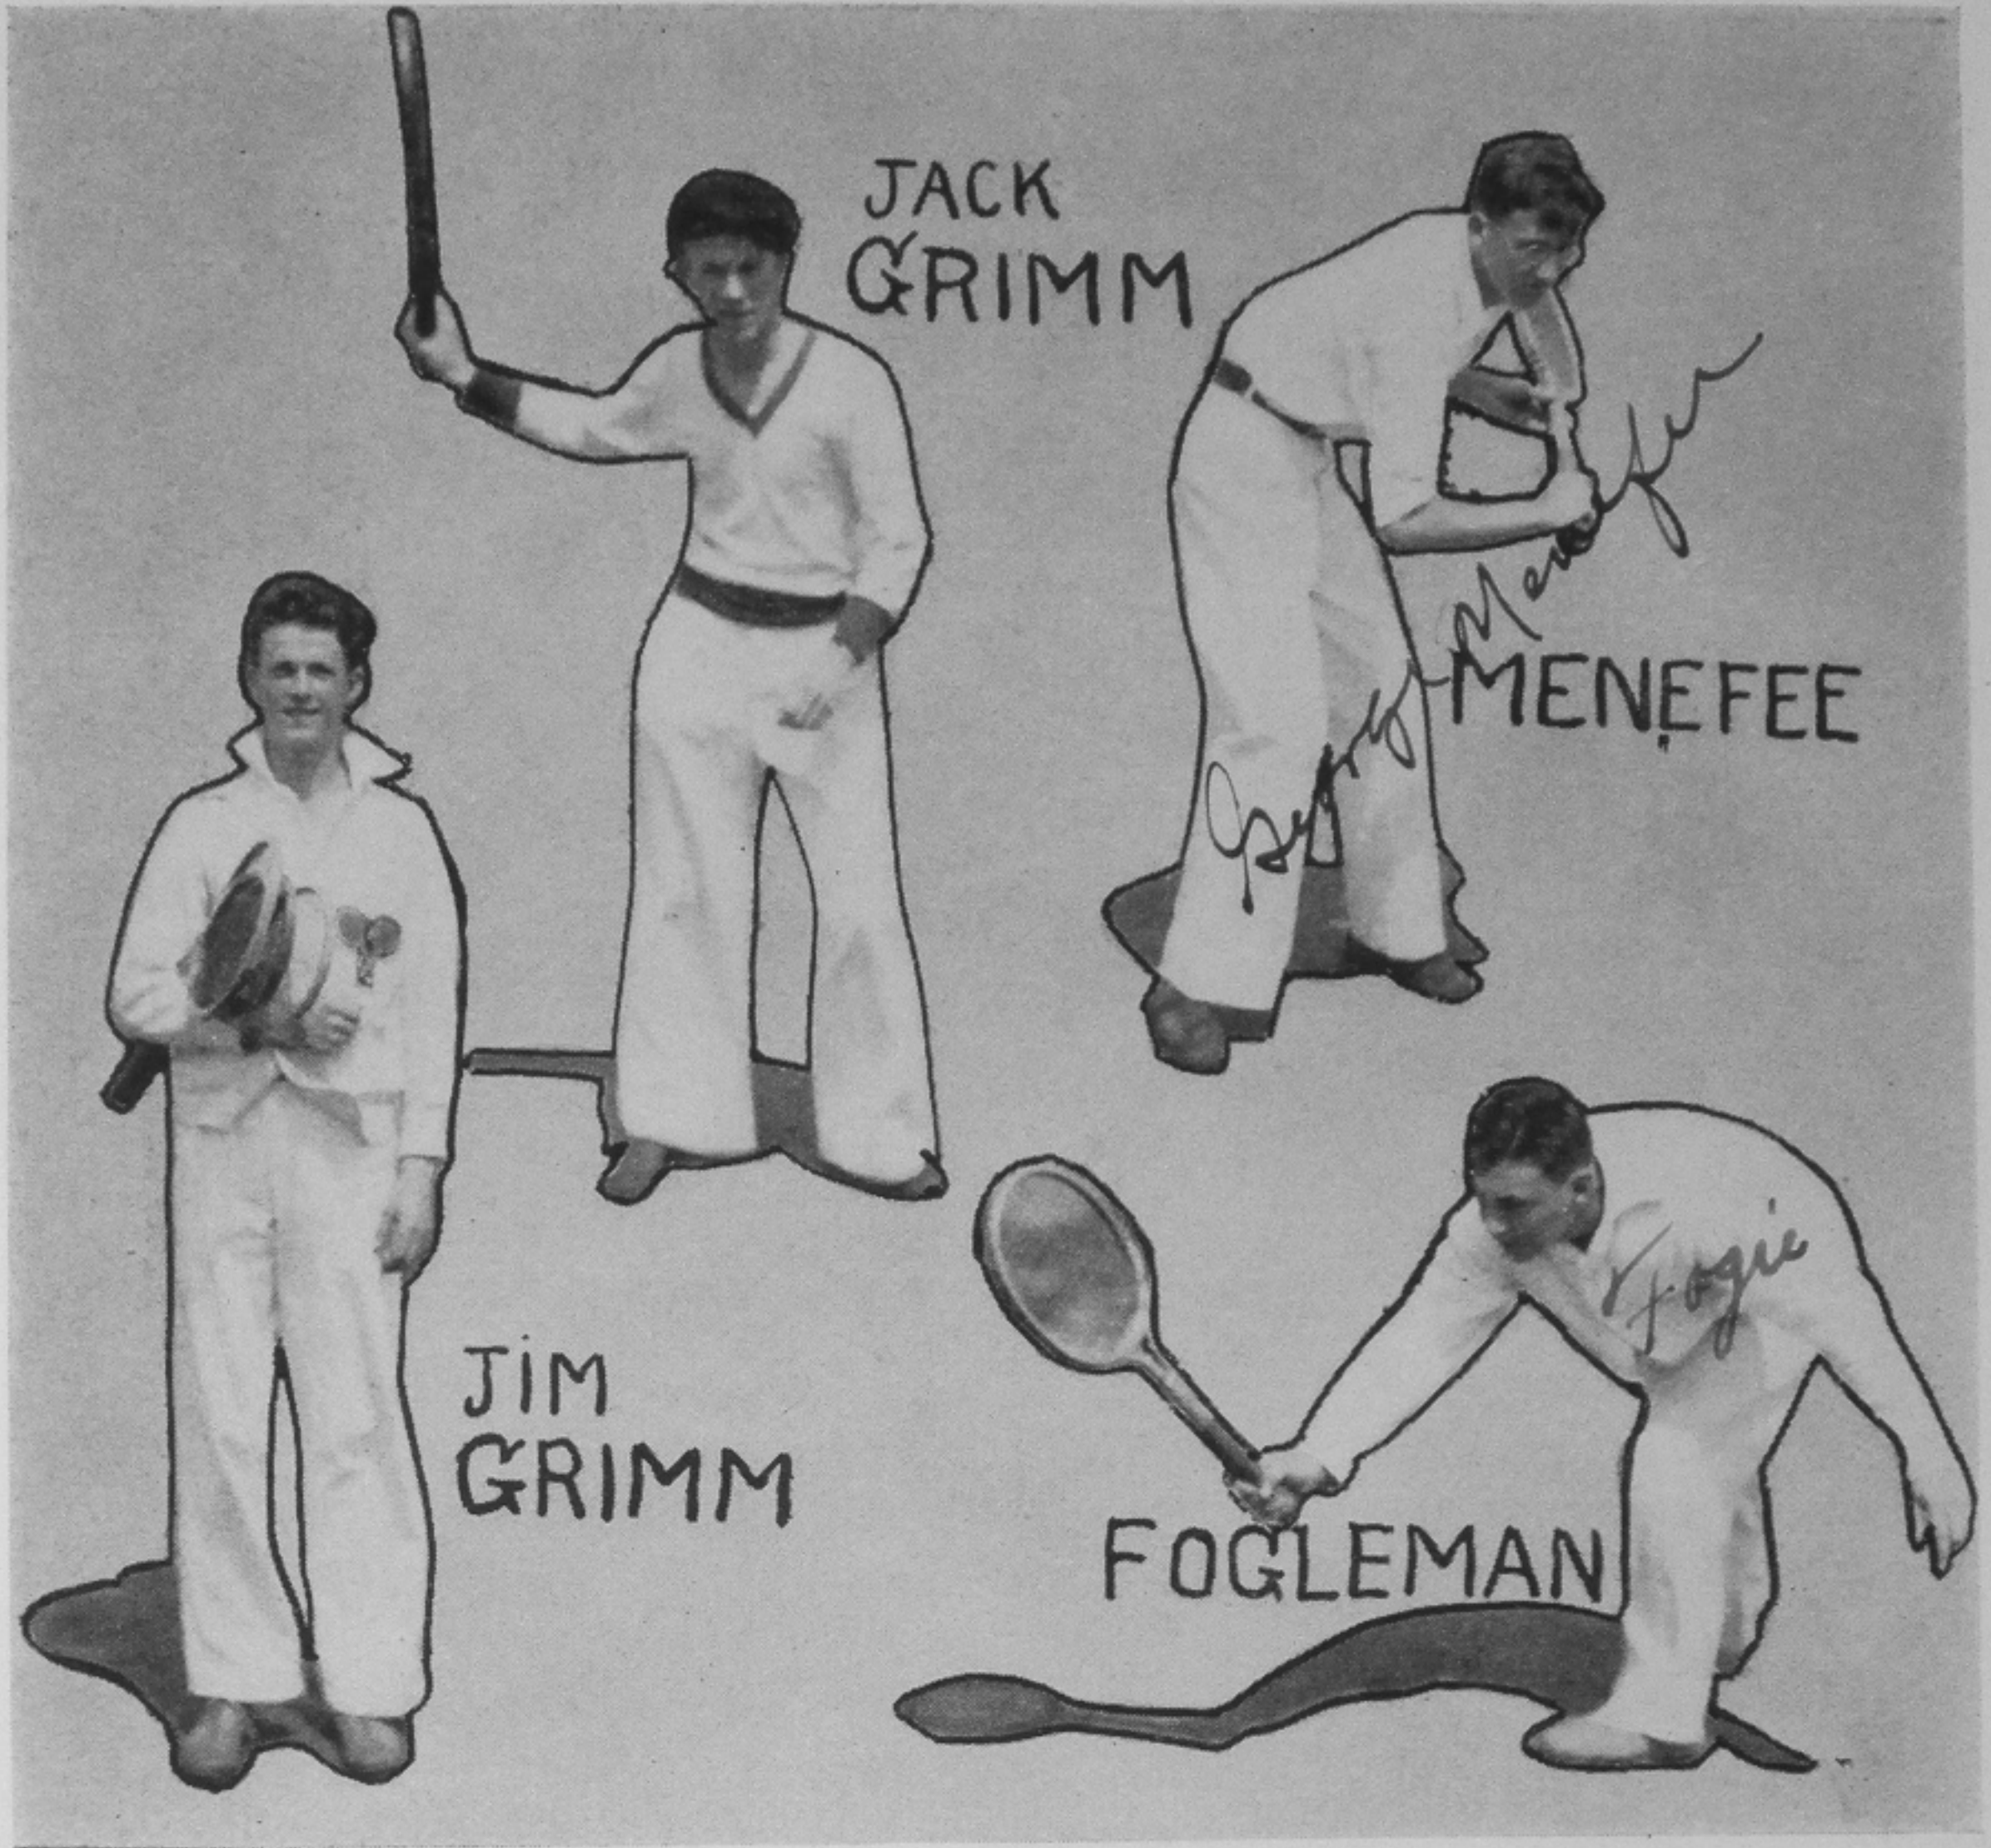

MARY MALAVAZOS, again used her athletic ability for P. H. S. by being one of the outstanding members of the bowling team.

KATE EVANS is lost to P. H. S. by graduation this year. While here, she made quite a name for herself in various athletics. She was a valuable asset to the bowling team.

EDNA FISHER, a Junior, is a more experienced bowler and was the high scorer for the team.

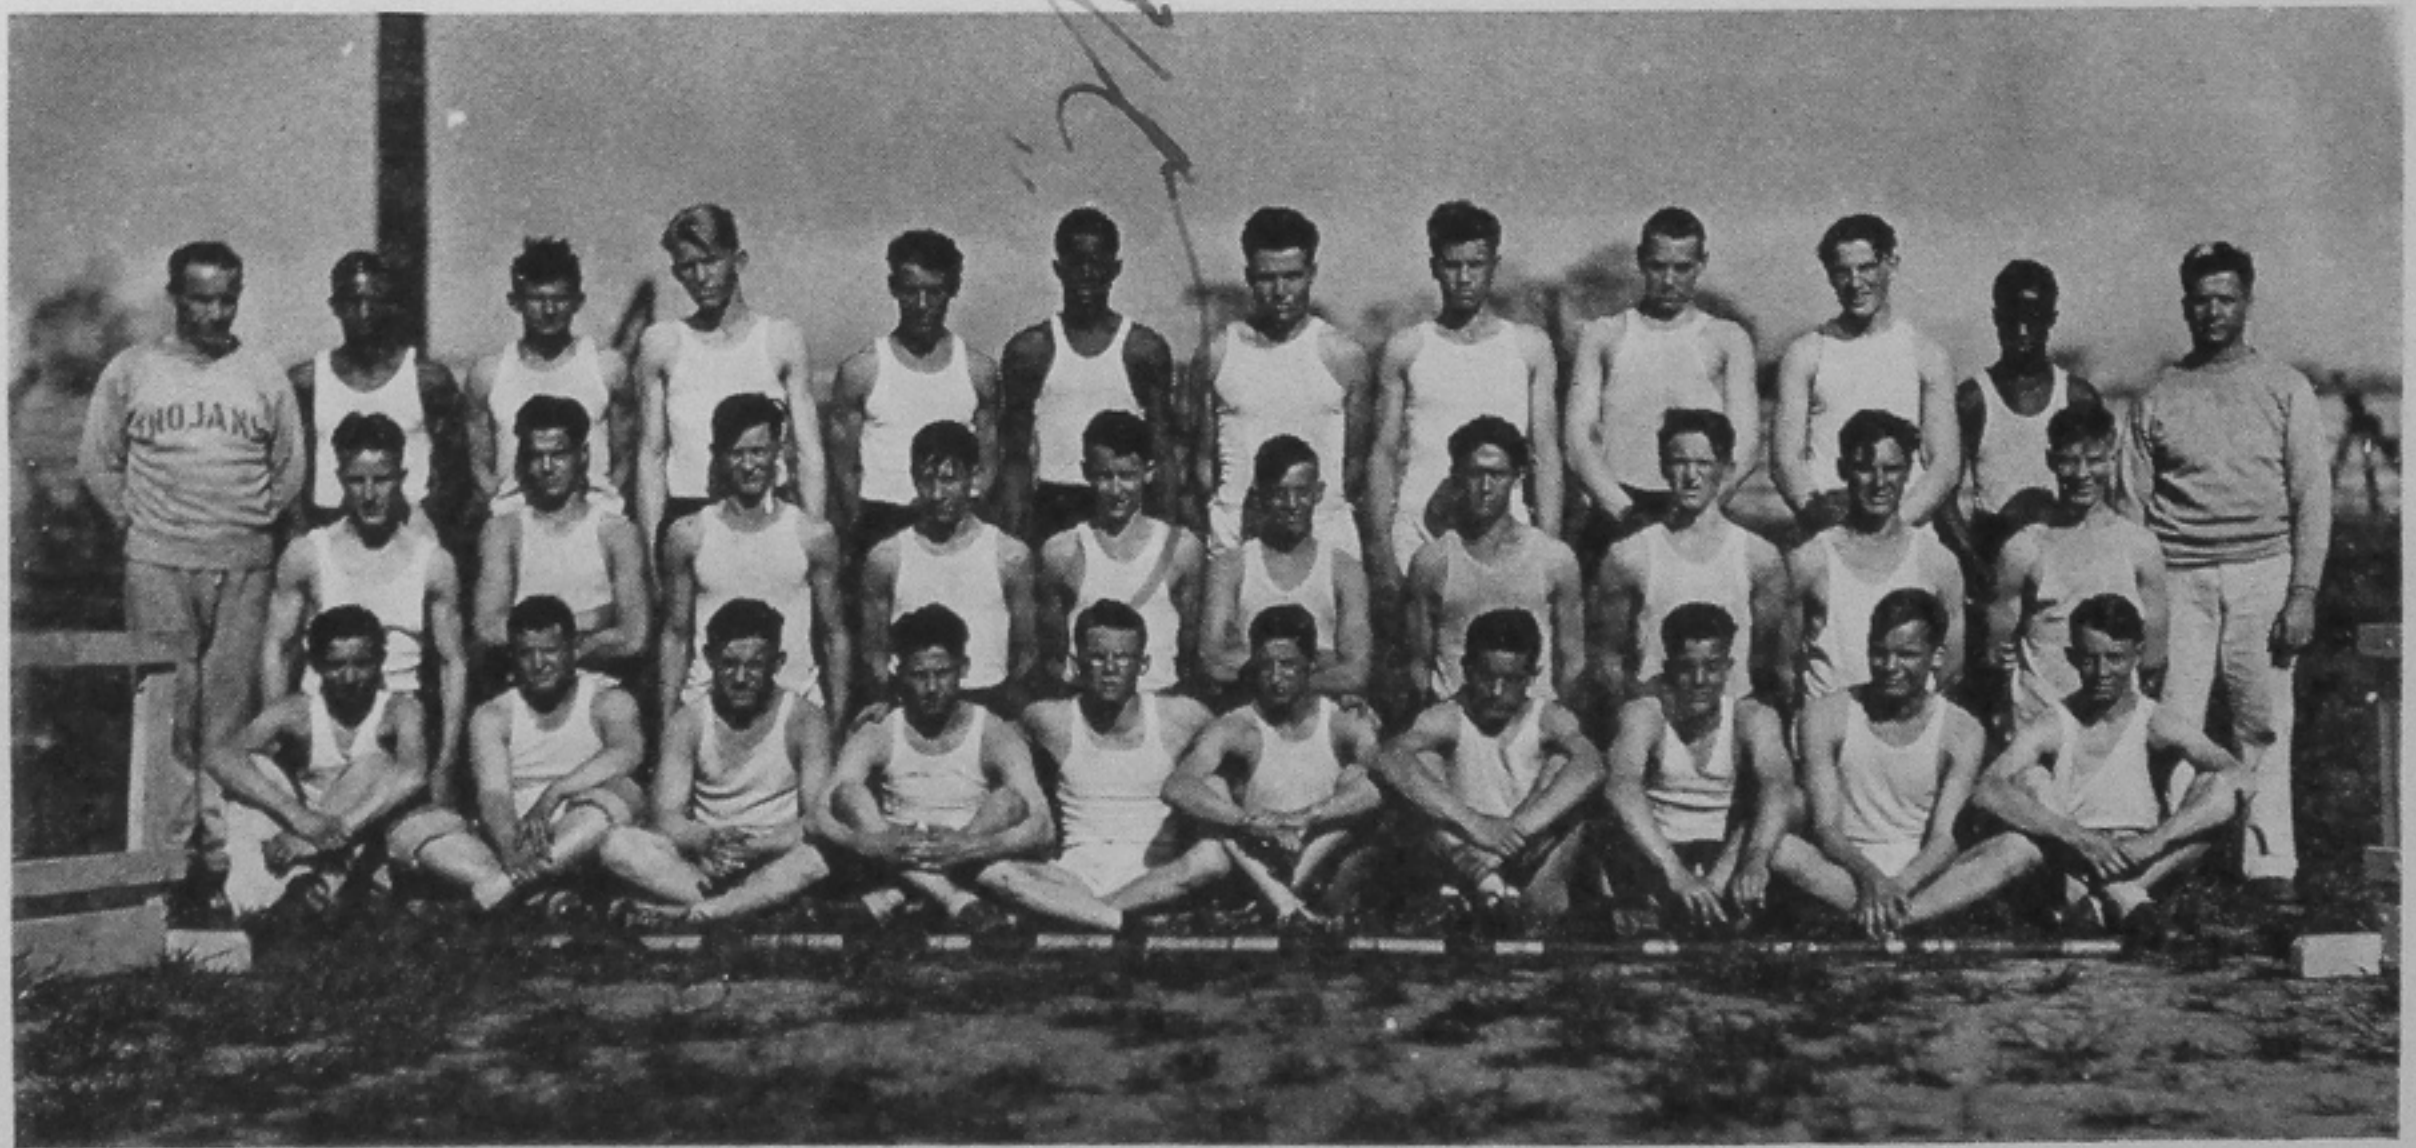

DOT BIERLEY did not participate in any other sport during her four years at P. H. S., but as a member of the bowling team, she devoted her undivided attention to it.

JUNIOR--SENIOR BANQUET, 1931

○○○○○○○○

The class of 1932 brought to an end several weeks of intensive preparation, when it gave the annual Jr.-Sr. Banquet in honor of the class of 1931.

The gymnasium was beautifully decorated in the form of a large rose garden, and the air was filled with the sweet-smelling odor of roses and honeysuckle.

Taking things in order of importance to those present, we had on our Menu:

TROJAN HIGH SPOTS

SEPTEMBER 14.

The first day of school
An assembly we had.
With classes as usual,
I'm sure we were glad.

SEPTEMBER 15.

Each girl who is new
Has a big "sis"
Who will guide her in school
So there's nothing she'll miss.

SEPTEMBER 18.

P. H. S.' first night game
We played Glenwood Hi,
Beat them 52 to 0
Oh my, my, and my.

SEPTEMBER 22-26.

Class officers and sponsors
Were elected this week,
To help all the students
No matter how meek.

SEPTEMBER 24.

We skipped 7th period
To hear Mr. Vans Zandt,
He can tickle the ivories,
Don't say that he can't!

SEPTEMBER 26.

Of touchdowns and goals
Trojans gave us a feast
By 20 to 0
We beat Columbus East.

TROJAN HIGH SPOTS—Continued

SEPTEMBER 29.

Advisory officers
We elected this day
To brighten our Tuesdays
And make us feel gay.

OCTOBER 1.

A "thuse" meeting today
With plenty of pep,
"Beat Huntington Hi,
And give us a 'rep' !!"

OCTOBER 3.

More fortune and fame
For our football eleven,
Beat "Pony Express"
Score 13 to 7.

OCTOBER 10.

33 to 0
Oh what a thrill—
We gave "Cincy" Withrow
A terrible spill!

OCTOBER 16-24-31

Hamilton, Wayne, and Middletown
Were next to meet defeat,
Because our team was backed by fans
Who know we can't be beat.

OCTOBER 17.

Will Rogers, "The Headless Horseman,"
Came to visit us today.
Now don't get so excited
'Twas just a picture play.

TROJAN HIGH SPOTS—Continued

OCTOBER 24.

The Hallowe'en dance was quite the thing
With witches, spooks, and ghosts.
All classes were invited,
The Juniors were the hosts.

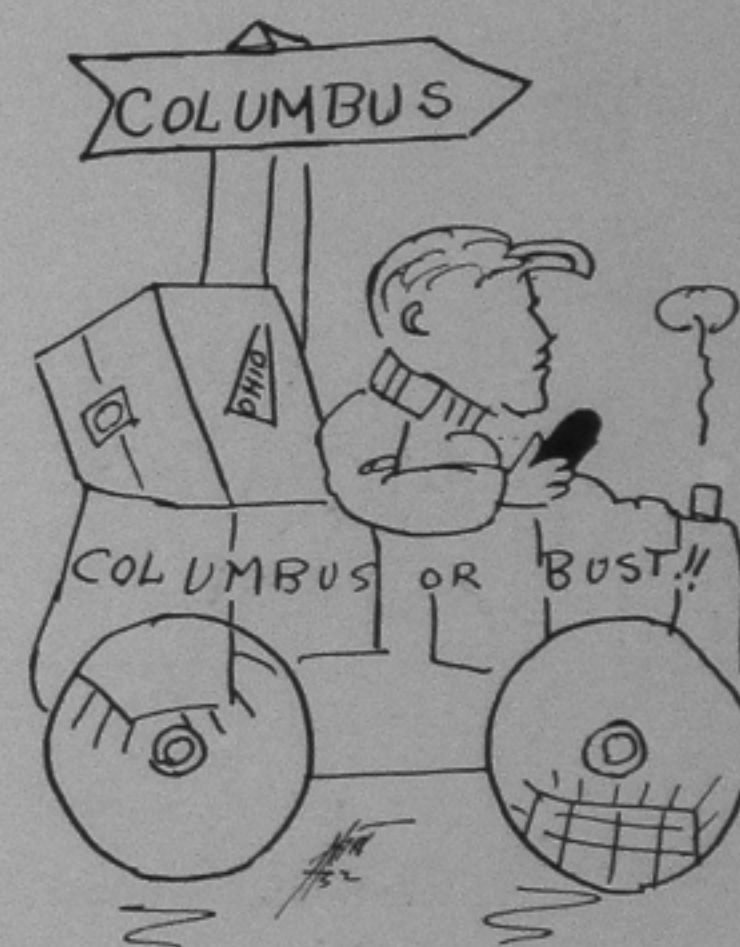

NOVEMBER 7-20.

Glenville and Chillicothe
Were next to be trimmed,
And their bright shining records,
Were doomed to be dimmed.

NOVEMBER 20-21.

Echo and annual staffs
With one good intention
Went to Columbus
To the journalistic convention.

NOVEMBER 26.

Turkey day, was Trojan's day
And all of Ironton knew it,
And surely 33 to 12
Shows how the Trojans do it.

DECEMBER 4-5.

"Green Stockings"
Proved a smashing hit.
Give seniors and sponsors
Credit for "It."

DECEMBER 9.

The Football Whoopee Banquet
At Crystal Springs Inn.
No girls were invited,
Now "ain't" it a sin?

TROJAN HIGH SPOTS—Continued

DECEMBER 11.

Basketball started
With Glenwood as foe.
Came out of the fray—
Trojans high, Glenwood low.

DECEMBER 12.

Even the seniors
Have to confess
That the Sophomore Hop
Was quite a success.

DECEMBER 18.

Santa Claus
In our awed presence,
Presented those present
With beautiful presents.

DECEMBER 19-26.

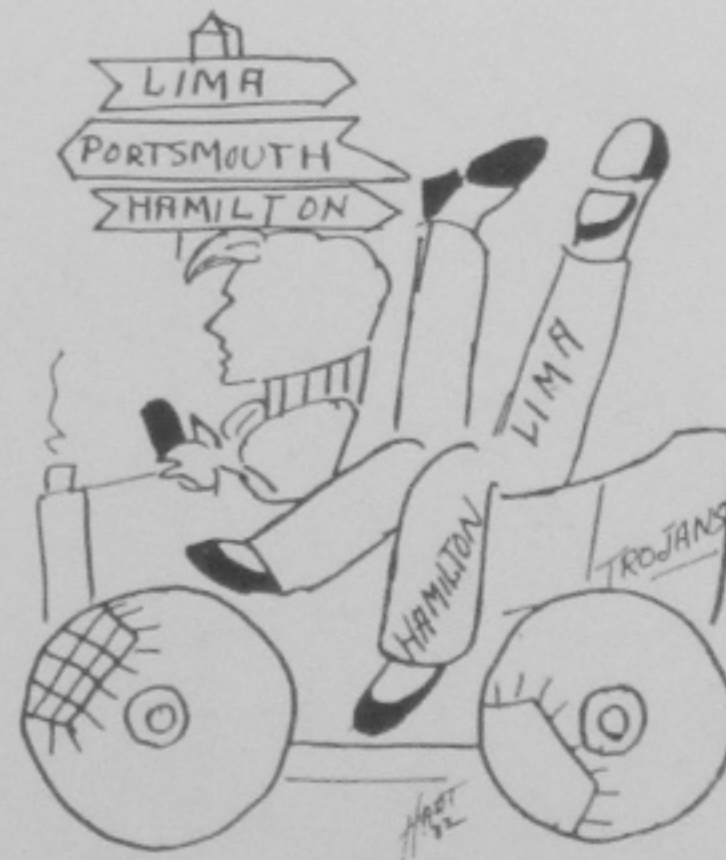

Defeated by Stivers
We were all rather sad,
We triumphed o'er Norwood
And then we were glad.

JANUARY 1-2.

Hamilton and Lima
Were taken for a ride
And the Trojans came home
With "Victory" as guide.

JANUARY 8-12-15.

Akron South took it
Right on the chin.
Then Ironton and Huntington
Found they couldn't win.

TROJAN HIGH SPOTS—Continued

JANUARY 22.

Debate has started
With a bang and a clatter,
And we'll nose out victories,
With our incessant chatter.

JANUARY 23-29.

Columbus North and Springfield,
Were next to take the town—
Perhaps you don't know how we feel,
Defeats "sure get us down."

JANUARY 28.

"Take My Advice,"
The Junior play,
Is the talk of the town—
The hit of the day.

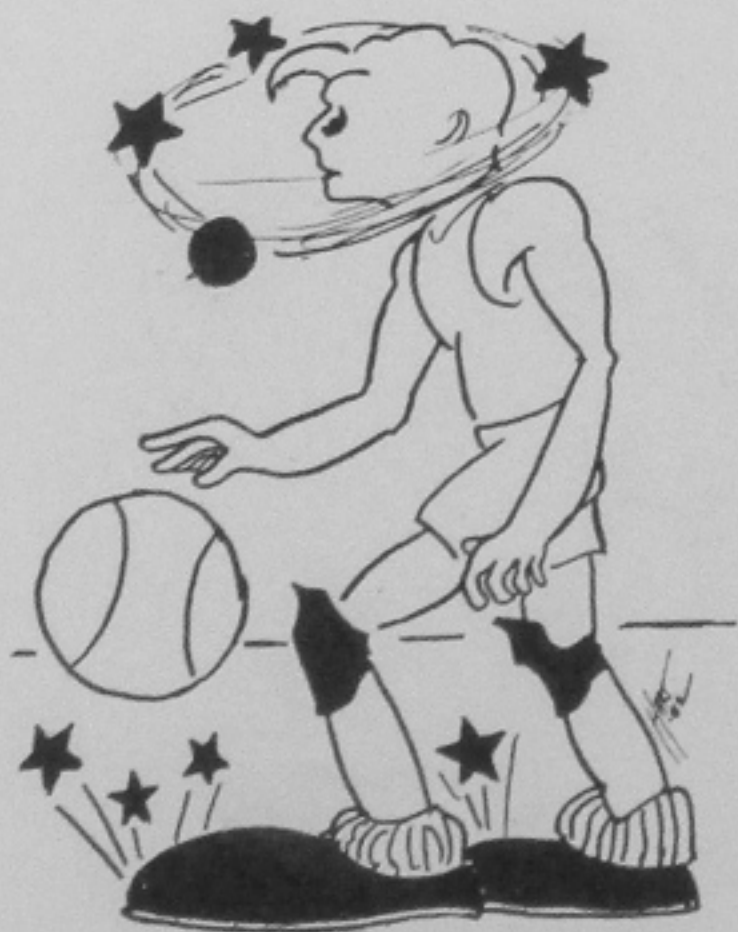

FEBRUARY 2.

Chillicothe came,
Trojans said "nix!"
So we smothered them under
19 to 6.

FEBRUARY 5-6.

Hurrah for the boys
In the red and blue,
They defeated Middletown
And New Boston too.

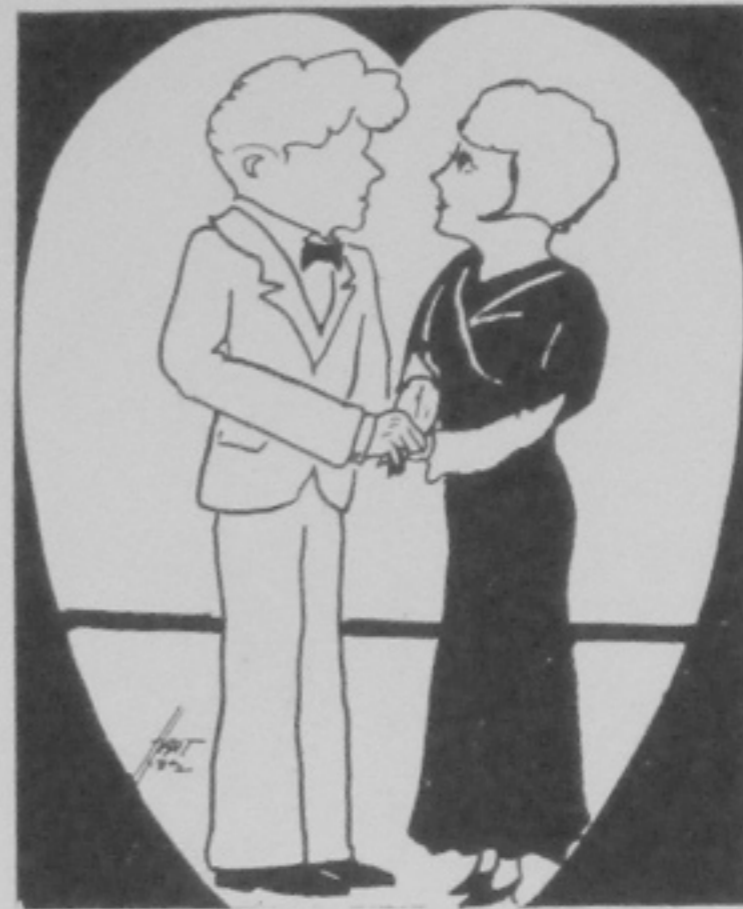

FEBRUARY 12-13.

We have fallen arches
And it's not mysterious
We went down in defeat (dee feet)—
That's really very serious.

TROJAN HIGH SPOTS—Continued

FEBRUARY 13.

Many loving couples—
Seniors' Valentine dance—
Charlie Reitz's orchestra—
Guess *that* spells romance!

FEBRUARY 19.

Parkersburg, most 6 foot 2,
Was not a lot of fun,
But we beat them, anyway—
32 to 21.

FEBRUARY 26.

Again the Tigers
Were bounced on their ears,
Because we all joined
In loud, lusty cheers.

MARCH 2.

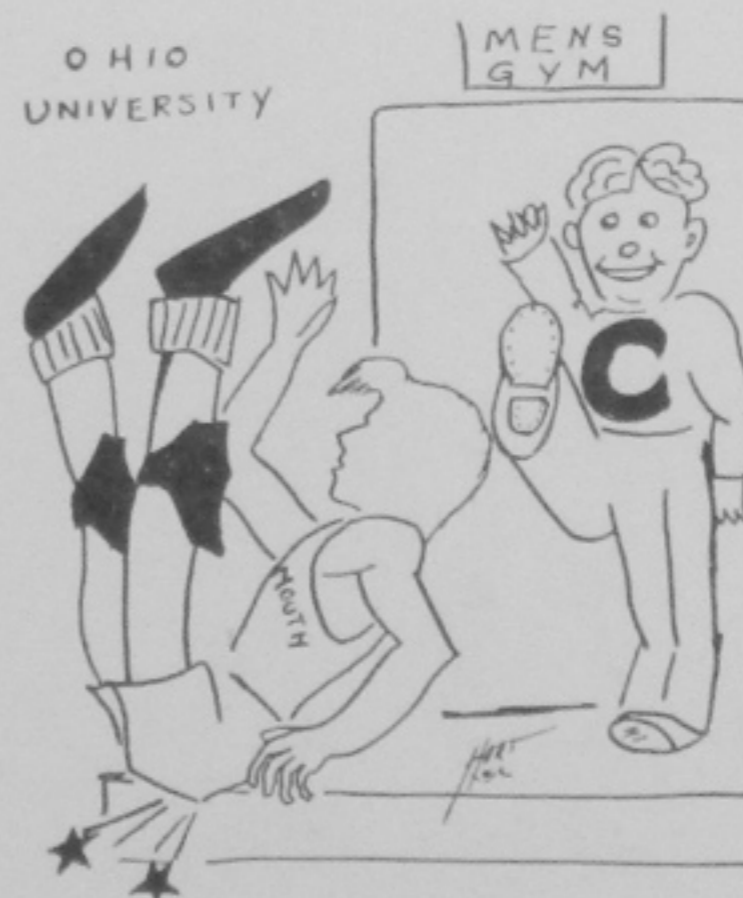

Two dollars now—
By installments two-fifty,
Will buy an annual
That's really quite nifty.

MARCH 4.

The season ended
As it began—
And we defeated "Chilli,"
Man, oh man!

MARCH 11.

We lost in the "tourney"
But we've had a good season,
Cast your "glims" on the players,
And you'll see the big reason.

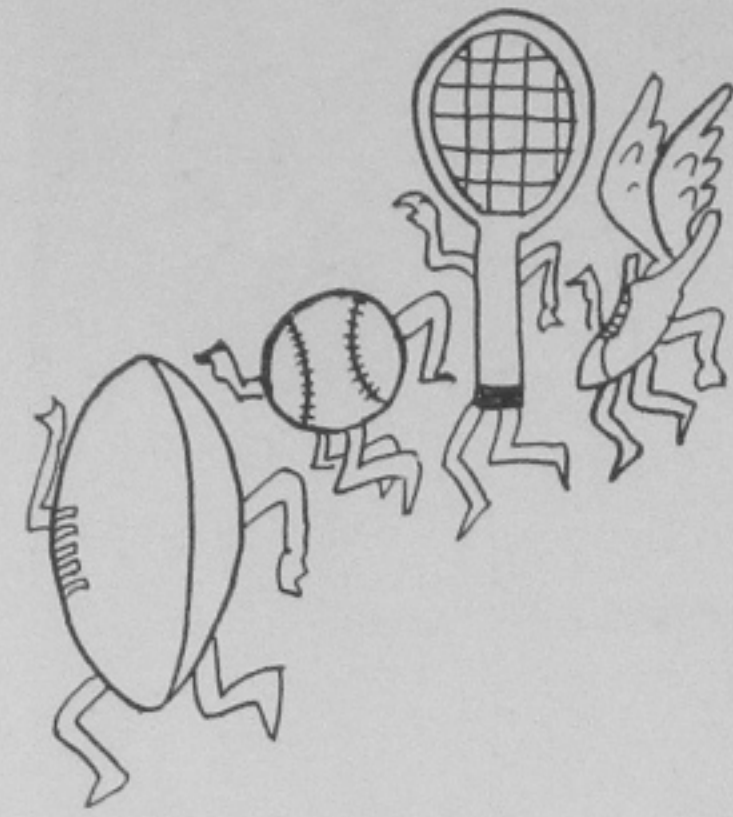

TROJAN HIGH SPOTS—*Continued*

MARCH 18.

The Revelers showed us
How fame is won,
When they presented
The drama, "My Son."

MARCH 21.

Football, baseball, tennis, track
Come walking in with Spring,
And once again the fickle girls
Our heroes's praises sing.

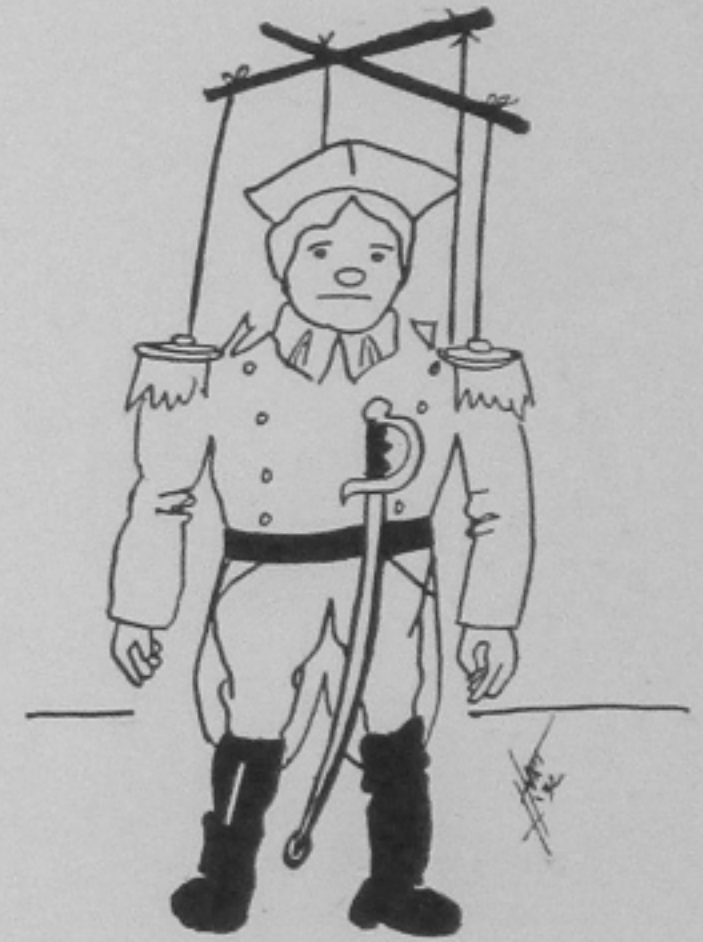

MARCH 25.

Vacation and spring fever
Come hand in hand,
And contagious laziness
Spreads o'er the land.

MARCH 25-30.

To Cleveland journeyed our musicians,
An idea very rational,
Beulah, as our soloist,
Copped second place in national.

APRIL 4.

Jean Gros's Marionettes
Were really a treat
With their cute little actions,
And their light dancing feet.

APRIL 8.

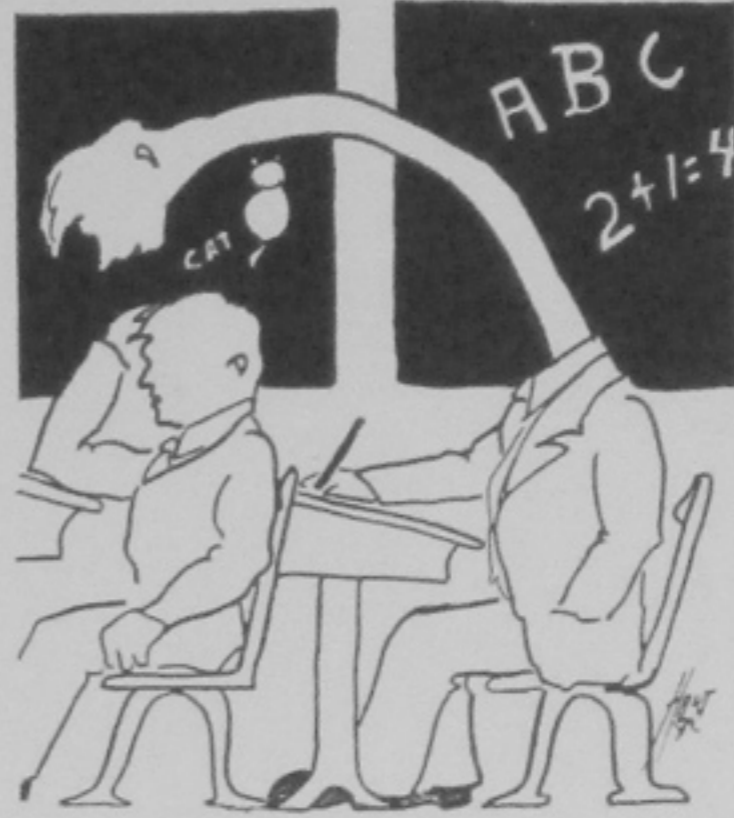

General science pupils
Are quite a smart bunch;
Dug the dandelions from the lawn,
And we had "greens" for lunch.

TROJAN HIGH SPOTS—Continued

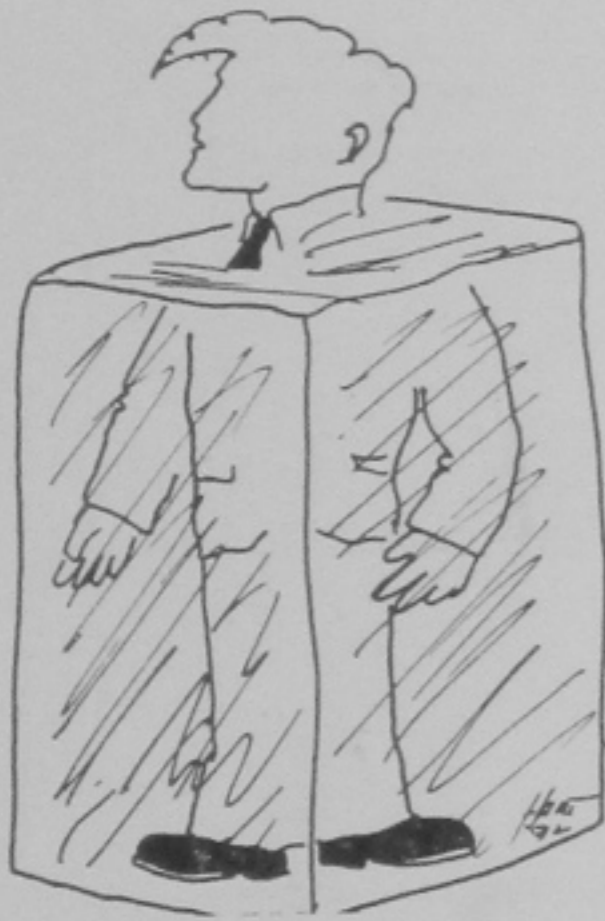

APRIL 9.

Many attended
The Leap Year dance,
For this was the nite
That the girls had their chance.

APRIL 13.

The Every Pupil tests today
Caused trouble by the pecks,
And many pupils are complaining
Of strained eyes, and stiff necks.

APRIL 22.

"Icebound" brought the Sophomores
Behind the footlights,
As they made their debut
On this nite of nites.

APRIL 28.

The National Honor Society
Held it's annual installation,
The honor students were announced,
Those outstanding in the nation.

APRIL 30.

Chillicothe's contest
Was attended by our band,
We bowed to Columbus North—
Let's give them a hand.

MAY 2-6.

Solos are heard—
Instruments squeak—
For this is
National Music Week.

TROJAN HIGH SPOTS—Continued

MAY 4-5.

Mr. Wagner announced
The Fall Hobby Fair
So plan your collection
With the greatest of care.

MAY 7.

To Athens we sent
Our scholarship teams
We copped lots of prizes—
At least so it seems.

MAY 13.

Rabbit feet, lodestones, and horseshoes
Were carried to school today,
For it is Friday the Thirteenth
In the merry month of May.

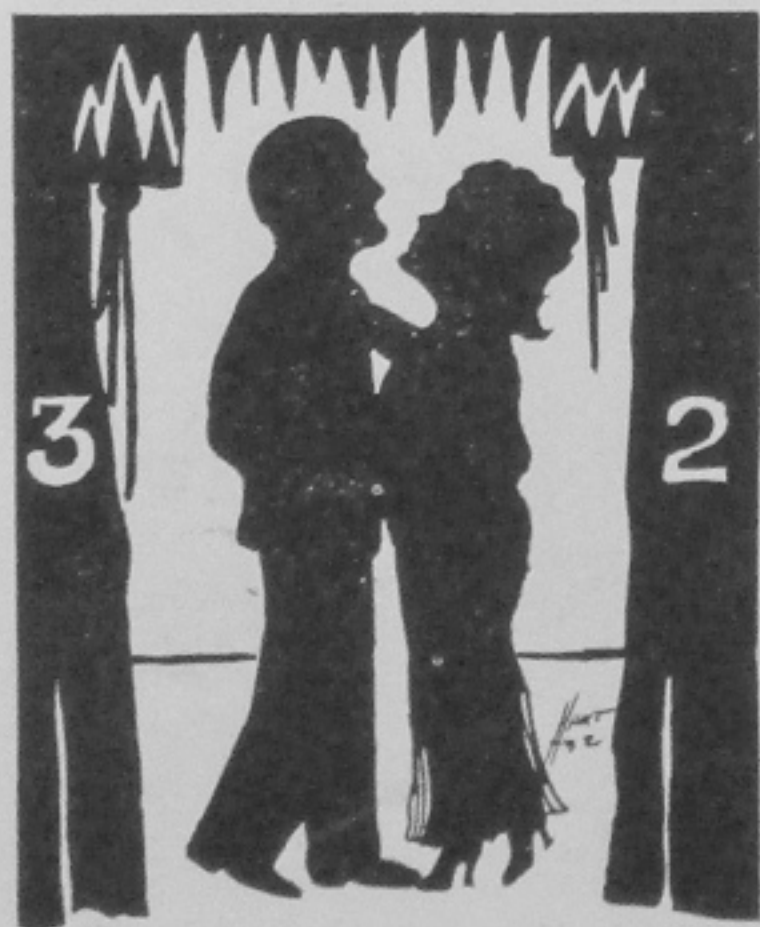

MAY 17.

The Seniors gave a boat ride
On the steamer Washington;
An orchestra, a peppy crowd,
We all had gobs of fun!

MAY 27.

Miss Hughes coached our Senior hit;
The play was "Bab" by name,
And we're afraid that Broadway
Our able coach will claim.

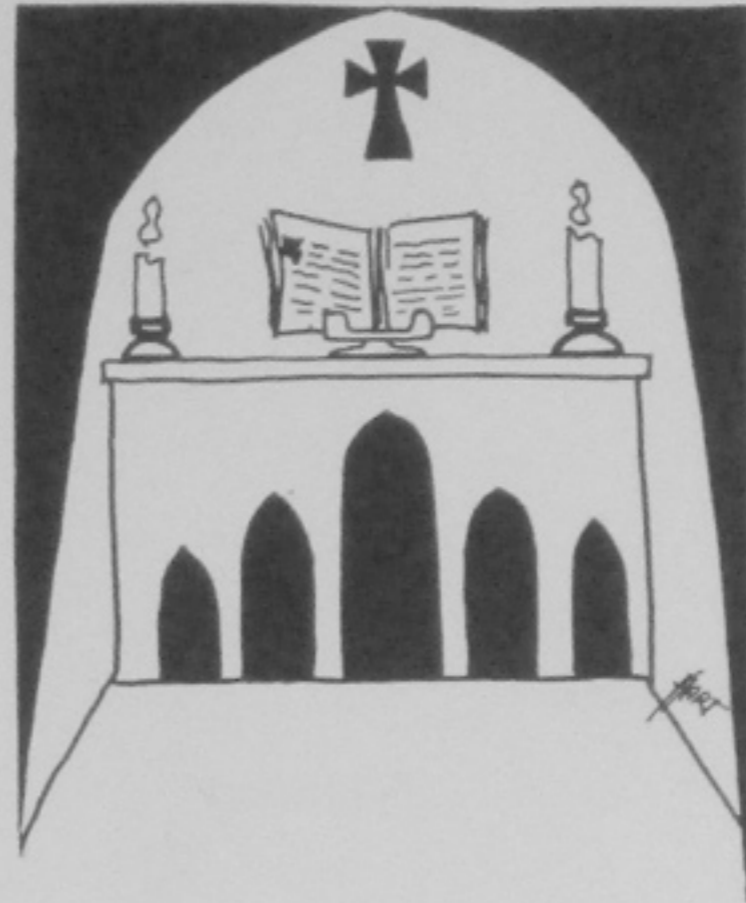

MAY 28.

The seniors flung a great big dance—
Their last in P. H. S.
Did they have a keen old time?
200 and 40 say "yes!"

TROJAN HIGH SPOTS—Continued

MAY 29.

The seniors were deeply impressed
By the Baccalaureate service,
But it wasn't very hard to see—
That they all were kinda nervous.

MAY 31.

The senior picnic was a "duzzy."
Ants crawled on the food,
But not a senior seemed to care,
They all were in sprightly mood.

JUNE 1.

The time of times has come
When the Juniors foot the bill,
So all the Seniors be on hand
And prepare to eat your fill.

JUNE 2.

The gladdest yet saddest of days has come
When the seniors say farewell,
And may our diplomas for ever
A tale of happiness tell.

JUNE 3.

The annual cry for autographs
In our halls is heard again,
So grab your "Trojan" year book,—
And fill your fountain pen.

JUNE 10.

No more pencils—
No more books
I'm going down
And pawn my books.

WHAT SOME FOLKS THINK!

"It's such a comfortable store to shop in," is what we heard one customer say the other day. And quite often we hear, "You're really helpful."

Well we certainly are glad, when folks talk like that, because the especial aim of this store is to serve you as comfortably and well as possible. To make your shopping one round of fun, rather than annoying necessity. You will find us ever anxious to please.

In the policies and program of The Royal Savings and Loan Company is an enormous capacity for helping men and women who aspire to advance.

This Company does not claim to make leaders—but we do serve them faithfully. Here the foundations of fortunes are laid—here home buying problems presented and solved.

Experienced judgment, sound counsel, a personal interest in every owner of a Savings Account, and in every home buyer financed by us—these qualities back the co-operation we offer you.
