CLAY HIGH SCHOOL

FOREWORD

The Time factor is all-important in our lives today. We are constantly keeping a close watch on both the clock and the calendar to make sure we meet the many demands made upon us. There is a Time for everything in our school life if we carefully and systematically organize our day. In our 1962 Panther we have tried to show the important part Time plays in the lives of the students and faculty of Clay High School.

ADMINISTRATION

This statement has often been made by teachers and administrators--"All in good time," for their work is never finished. The teaching of a class is just the beginning. There are always papers to be graded, classes to plan, tests to prepare, meetings to attend, activities to supervise, and students to assist. Teaching is indeed a twenty-four hour job.

EDWARD R. McCOWEN
COUNTY SUPERINTENDENT

County Superintendent E. R. McCowen received his B.S. Degree in Education from Ohio University, the Masters Degree from Northwestern University, and has attended both Otterbein College and Harvard University.

Mr. McCowen said in a statement to us, "I believe that the public schools of America and this county will continue to lead the way for a better, stronger, and greater America. I believe that the American people are too strongly committed to education to ever let it down.

As educators, our main aim must be to continue the development of the emotional maturity, an understanding necessary for living together in a world made small by modern communications, transportation, and great imagination, in order that all individuals may find their place in this great democratic society.

May our public schools continue to serve all boys and girls of the area to the best advantage of all concerned.

The entire county school administration wishes your school the best of success and well being in the years to come. We are proud of you.

MR. BANDY, Executive Head

Congratulations, Class of 1962, for a job well done. You have achieved several honors which will be difficult for future classes to equal or beat but you can rest assured they will always be trying. I hope you will be as successful in your life's work as you have been in school. You should always try to do every job just a little better than it has been done before and your work will be successful.

For the teachers and school administration this has been a most enjoyable year. Through the combined efforts of the students, parents, and teachers, many important honors have been received by our school this year. These honors represent hard work, community cooperation, and a fine democratic spirit which prevails in our school system. I am deeply grateful for the most wonderful and successful year in my twenty-three years as head of the Clay Local Schools.

MR. ESTEPP, Principal

I would like to congratulate the student body for a very successful and rewarding school year. I believe that this school year of 1961-62 has been the best that our school has ever enjoyed. You have excelled in every phase of our school program. Not only have you excelled in all activities, but you have obtained goals never reached before. We know that your parents and all the people of our community are very proud of you. We are planning to enlarge our school curriculum so that you may obtain higher goals. We also hope in the near future to expand our present school plant and facilities to enable you to reach these goals. Again may I say congratulations to the student body, and all other school personnel for a job well done.

This year the Senior trip was to Washington D.C. The first two days the students toured the city. They visited the White House, Capitol, Washington Monument, Lincoln Memorial, Tomb of the Unknown Soldier, and many other cities of historical interest. The third day they toured Mt. Vernon, the home of George Washington. The last evening they took a moonlight cruise on the Potomac River, where they met many other students from all over the United States. The next morning they began the trip home.

VALEDICTORIAN

JAMES DANIEL JOHNSON

To each individual the words "Clay High School" bring different memories. To me they institute thoughts of the teachers--ones that I like, ones that I trust, and ones that I forgive. The students leave me fond memories. They have been willing to ascend or descend to any sensible level to enjoy themselves and to provide entertainment for others. They have been modest, intelligent, industrious, and lazy. All of Clay's strong points and all of its foibles I'll treasure throughout my life.

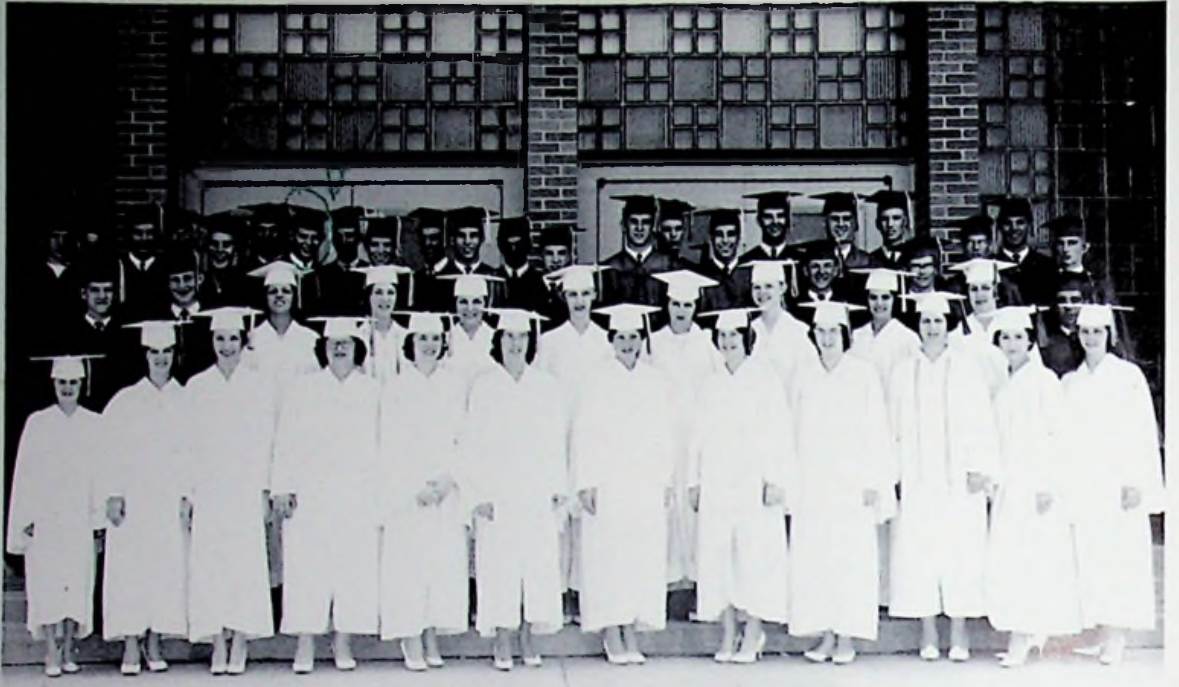

SALUTATORIAN

WILLIAM LEE GWYNNE

The four years a student spends in high school may be the capping of his educational career, or they may be preparation for more learning. Which ever stage of his career these four years represent, they mold his actions, his thinking, his "self." I am happy and proud to have spent my "molding years" in Clay High School, among the many types, all good in one way or another, of teachers and students represented here. Although I may soon forget the individual incidents of my high school career, I'll never be able to forget the lessons in living I learned at Clay.

COUNTY CHAMPS — AGAIN

After compiling a hard-earned 10-9 record during the regular season, the Panthers literally "cleaned-up" in the 34th annual Scioto County Tournament at Grant Gym. The Varsity copped the tourney title by defeating South Webster 65-52, Green 54-42, and Green again in the finals 38-37. The rotating trophy given each year to the county champions is pictured at the left-hand corner of this page. The Panthers finally tasted defeat in sectional tournament play when Peebles scored a thrilling 37-34 victory. Previously Clay had knocked Seaman from tournament play in a 65-51 contest.

During the season the Panthers proved themselves to be a hustling, well-balanced aggregation with any one of six boys capable of leading the squad to victory. Outstanding individual performances were turned in by Denny Morrow, who led the team in field goal shooting percentage with 40.2% and assists with 64, Larry Newberry, 245 rebounds, and Roger Carver, foul-shooting champ.

COACH JUSTUS gives pre-game instructions to: CLOCKWISE; J. Ginn, L. Newberry, R. Sheward, J. Howard, D. Morrow, P. Curtiss, R. Carver, G. Horsley.

PANTHER CUBS COUNTY CHAMPS, TOO

Clay's Reserve basketball team, after compiling a 15-4 won-lost record and becoming "co-champs" of the Tri-County League, climaxed a successful 1961-62 season by capturing the Scioto County Tournament crown, defeating Green's junior Bobcats 31-27 at Grant Gym. This victory, coupled with one by the eighth grade "kittens," gave Clay a "clean sweep" of the Tournament.

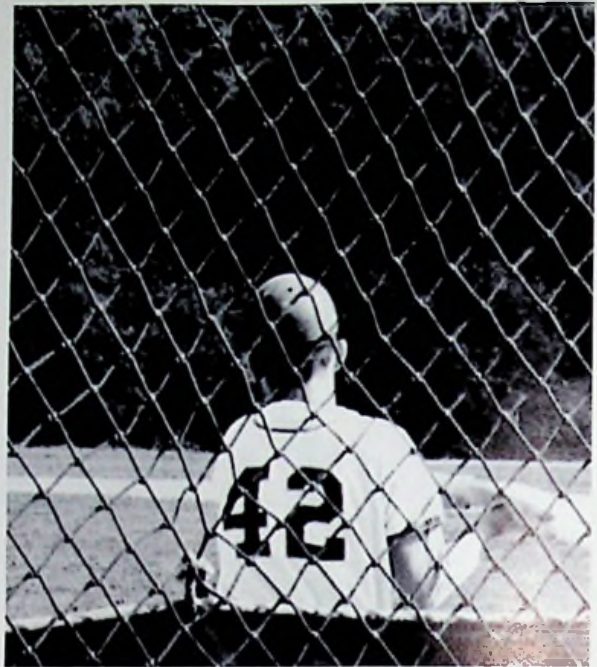

This year's Cubs, led by John (Cotton) Oliver in assists and free throw percentage, by Jim Runyon in rebounds and Clyde Fenton in field goal percentage, showed themselves to be a fast, scrappy team, capable of moving up and carrying on the winning tradition of Clay's Varsity Panthers.

J. Bierley, V. Conley, and J. Runyon fight for control of opening "tip."

DISTRICT CHAMPS

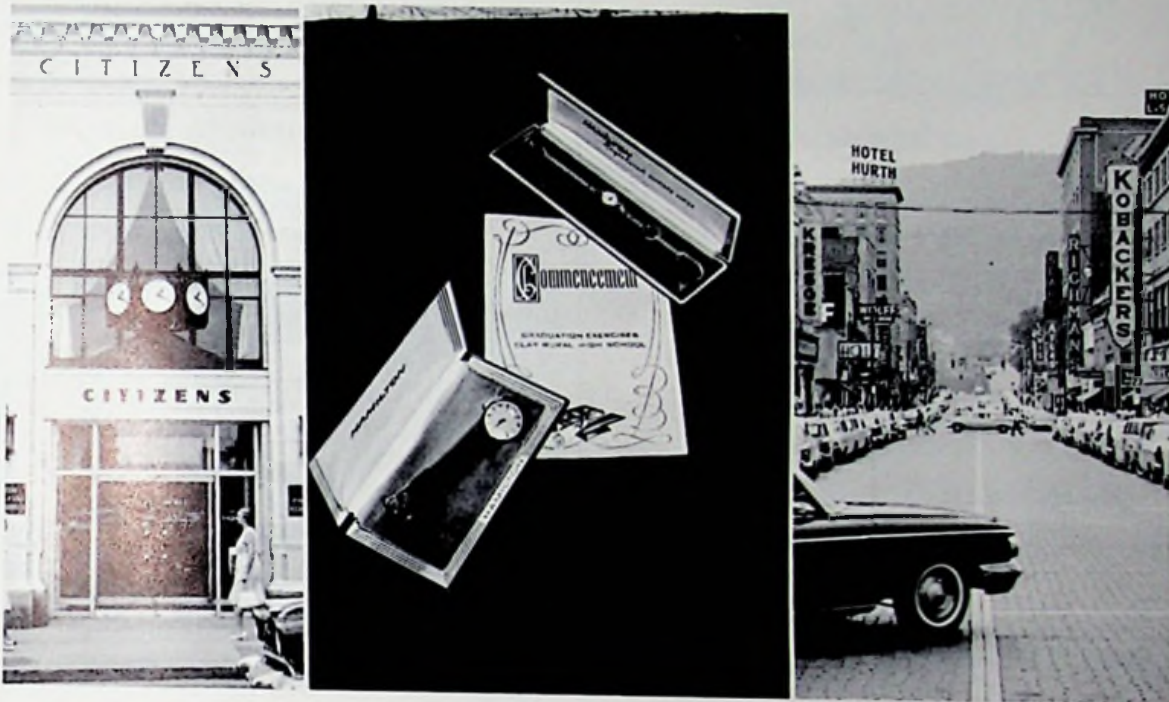

Our baseball team capped a successful season by winning the Southeastern District Tournament with a come-from-behind 5-3 victory over MacArthur. In the first game of the Regional Tournament, the Panthers were out-lasted by West Lafayette, 3-2 in 10 innings. Enroute to the District Tournament, Clay dropped Green and South Webster twice, Ironton St. Joe, Jefferson, and Peebles.

A well-balanced team with a never-say-die attitude, Clay compiled an impressive 14-3 mark. Equally impressive were the high batting averages of Larry Newberry (.525) and Dave Smith (.452), the pitching records of Bob McNamee (7-0) and Mike Powell (6-2), and, as always, the excellent coaching of Mr. Long. Several other members of the squad gave steady, reliable support to the team's success. They were Dean Gambill, Denny Morrow, Jack Branon, Dennis Lehman, John Oliver, and Dan Burt.

Though the starting nine was composed mostly of Seniors, there will be five returning lettermen to carry on the tradition of fine baseball at Clay next year.

How Much Is \$165,000,000?

When the current expansion and modernization program is completed at its Portsmouth Division, Detroit Steel Corporation will have spent over \$165,000,000 in its determination to make this southern Ohio steel mill one of the finest, best equipped, most competitive such plants in the nation.

That's a lot of money.

For example, had a man who was living when Christ was born, continued to live until today, and had he spent \$225 every single day during all those long years, he would still not have spent that much money.

One hundred and sixty-five million dollars . . . the savings of thousands of ordinary people who, believing in the American Way, have become part owners in American Industry . . . plus the "plowed back" earnings of the company . . . all that money, within the next few years, will have been invested in the future of the Greater New Boston - Portsmouth Area to provide jobs and security for its citizens.
