Foreword

To the students of Portsmouth High School, we, the 1946 Trojan Staff, present this edition of the Trojan. We hope that it will always be among your treasured memories of Portsmouth High School.

DEDICATION

The 1946 Trojan is dedicated to the memory of those Portsmouth High School students and graduates who paid the supreme sacrifice for their country in World War II. It is with the deepest sincerity and humility that this dedication is made to those who died that we might obtain a better education in a free America. That their sacrifice might not have been made in vain, we do solemnly pledge to strive most ardently for high ideals and superior standards in our school.

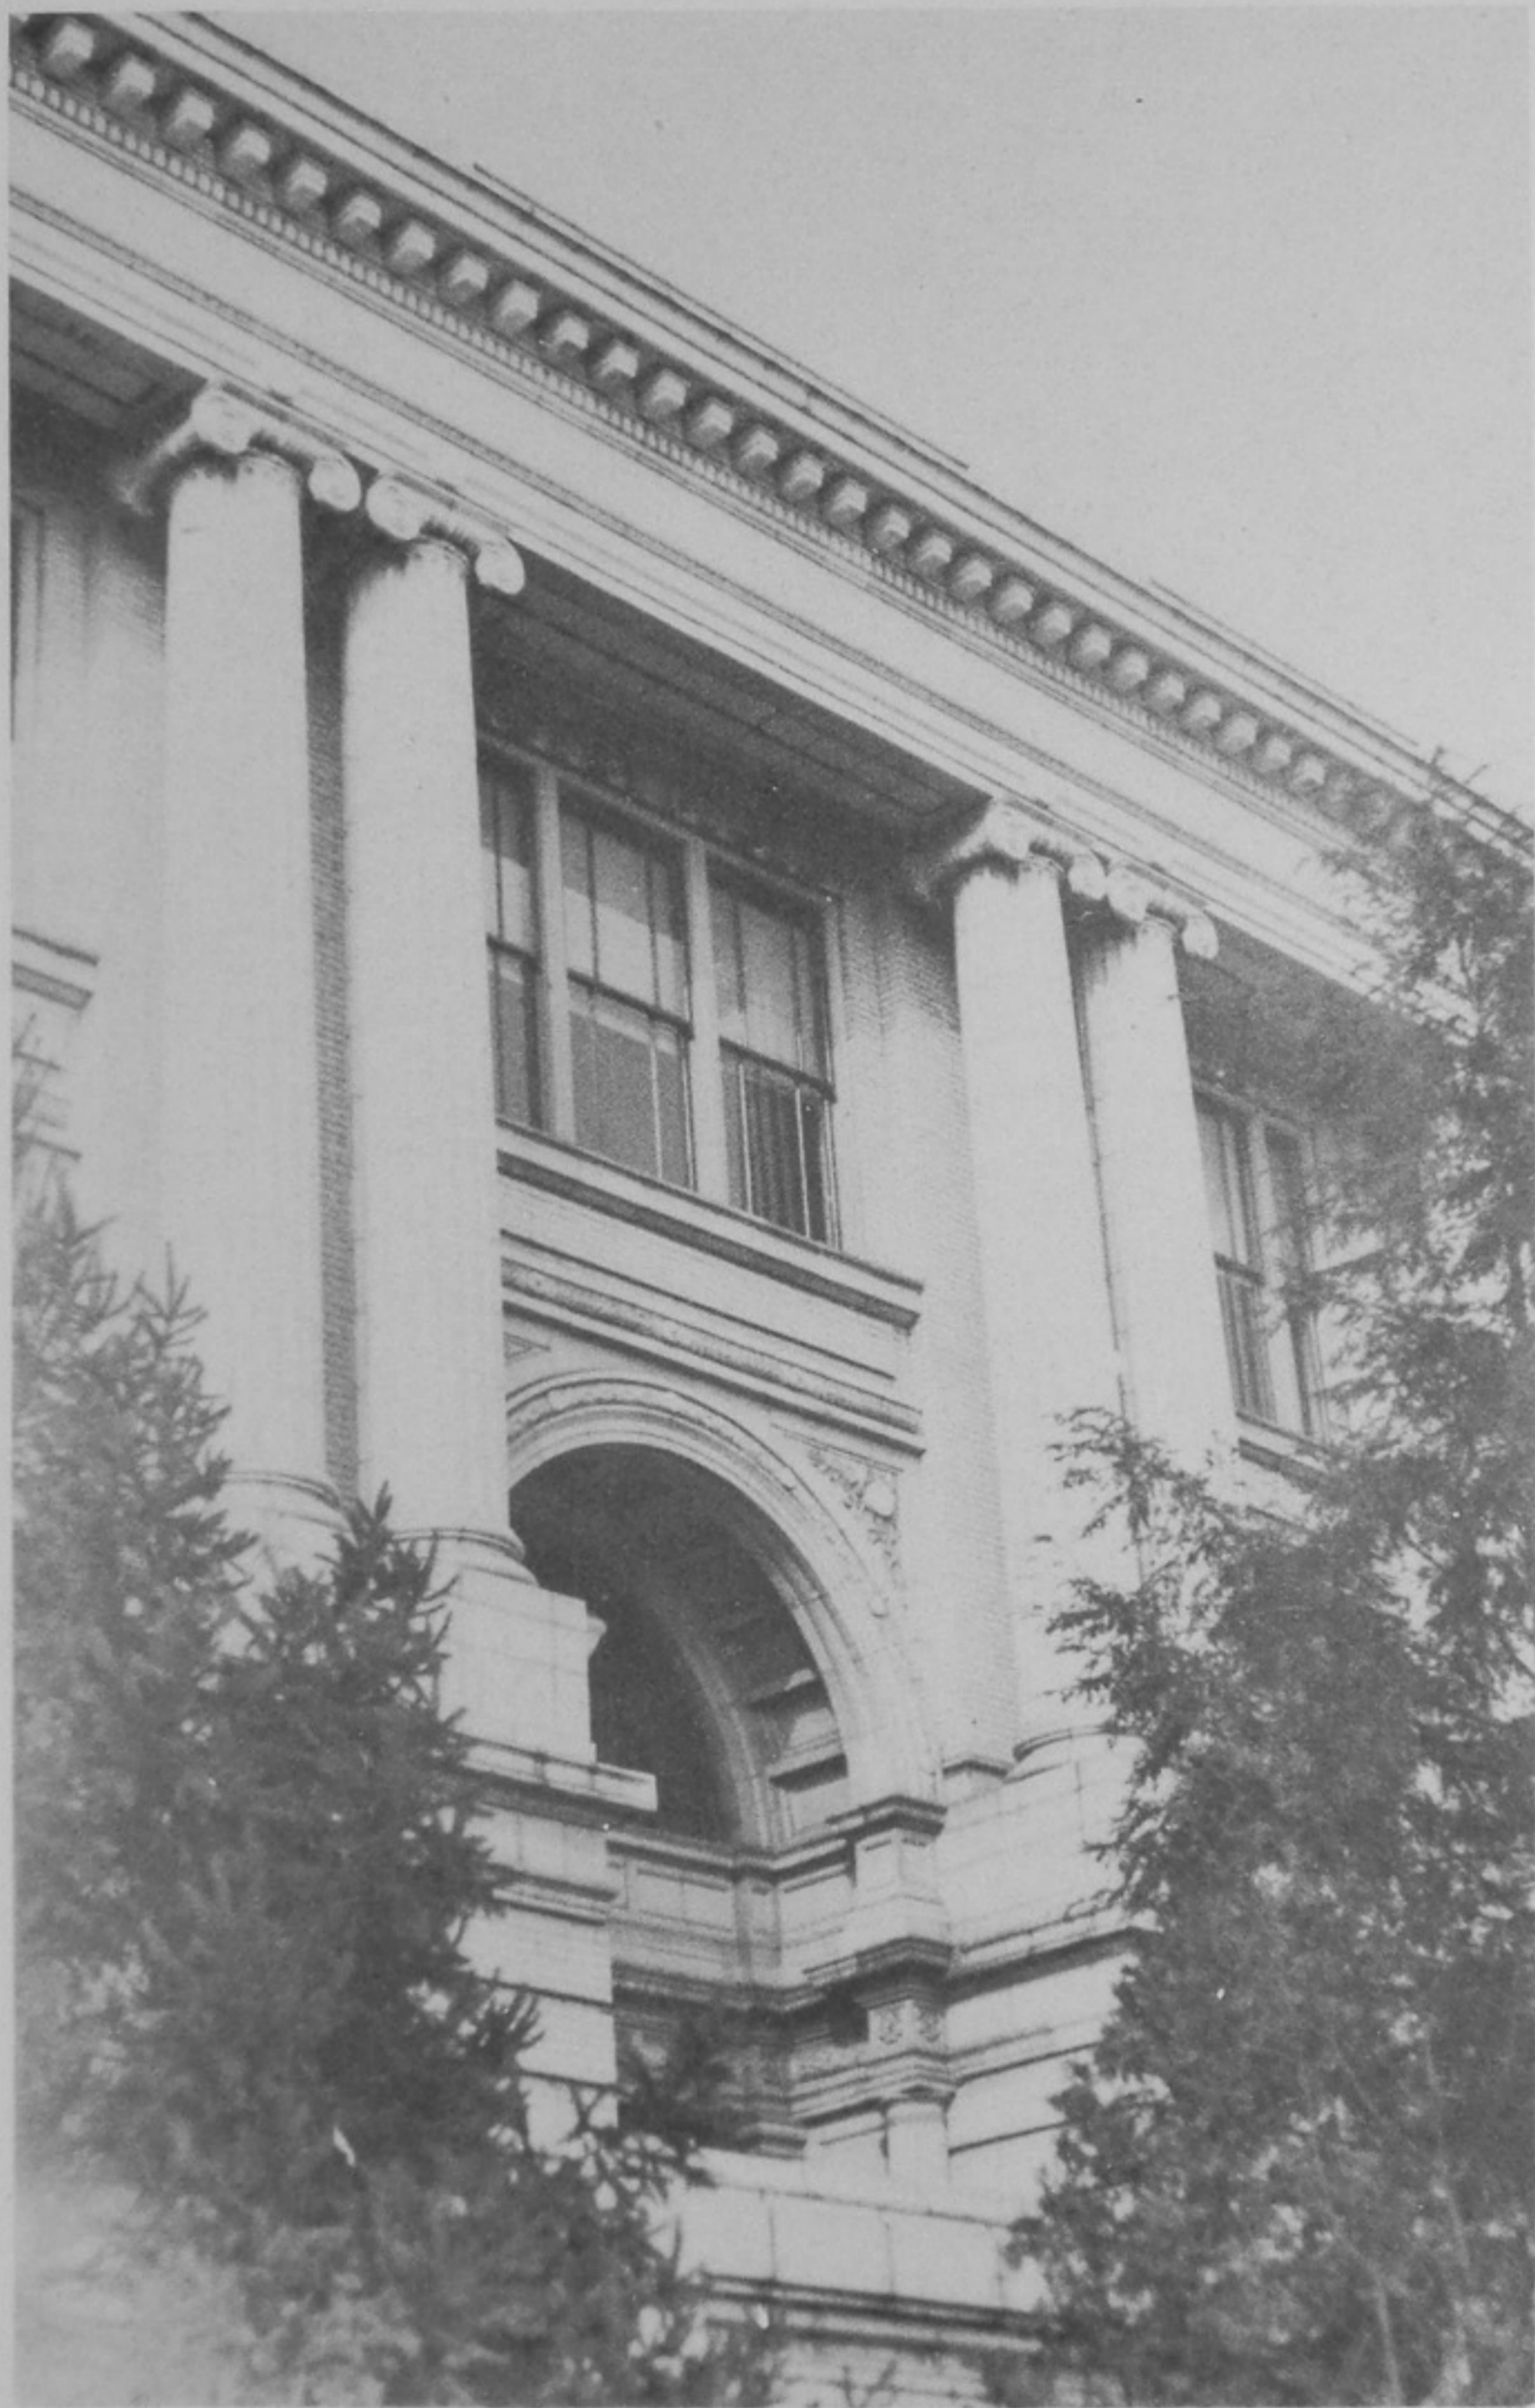

THE OATH OF THE
AMERICAN YOUTH
WE WILL NEVER BRING
DISGRACE TO THIS, OUR CITY

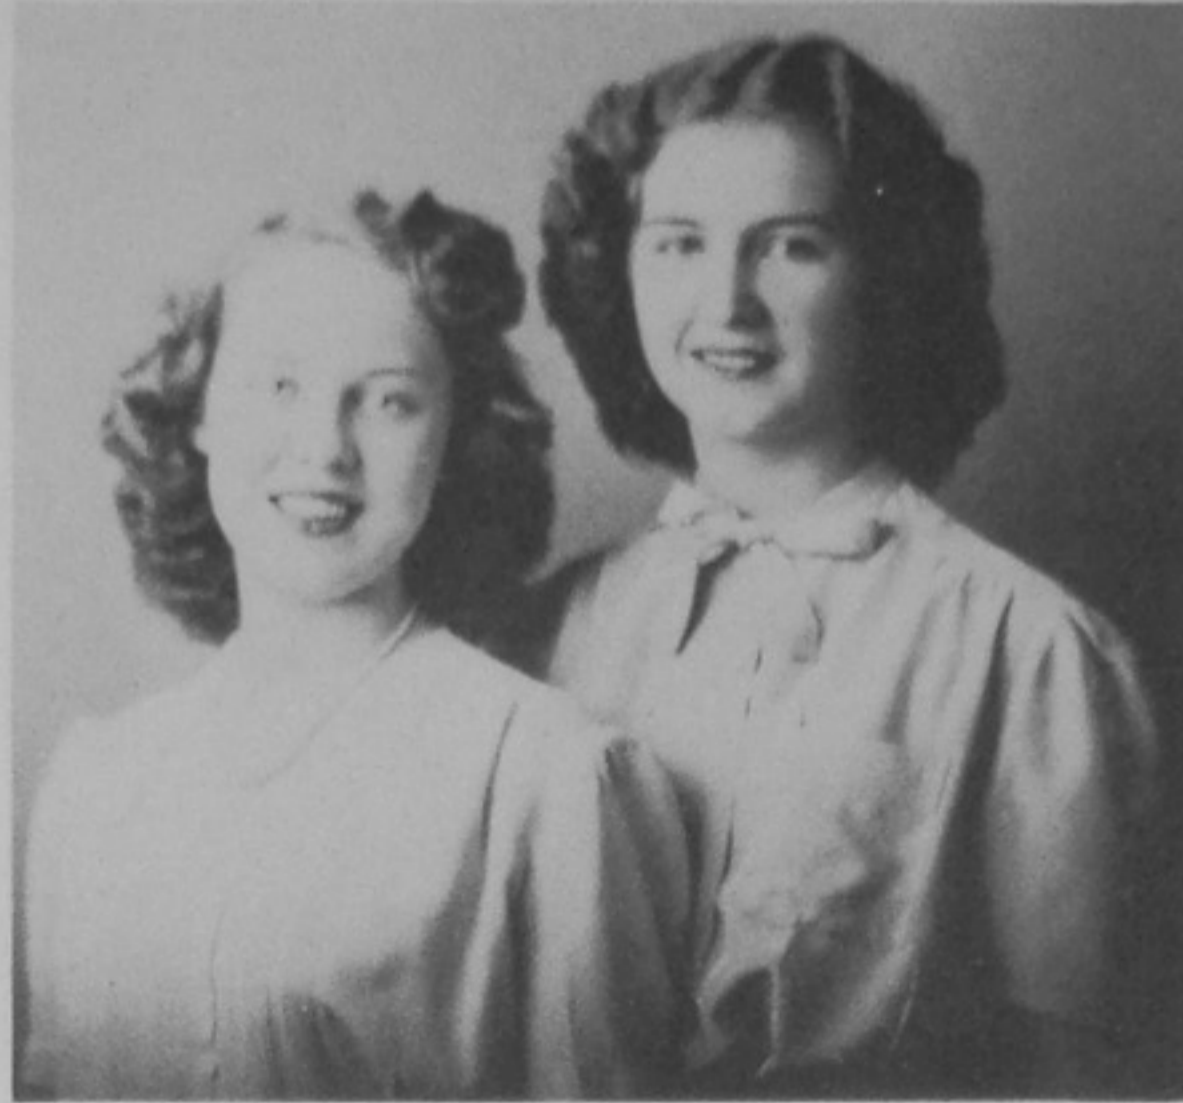

WE WILL TRANSMIT THIS CITY
NOT ONLY NOT LESS, BUT GREATER,
BETTER AND MORE BEAUTIFUL
THAN IT WAS TRANSMITTED
TO US.

Portsmouth City School Board

The termination of the war has brought to American educators and school boards throughout the nation, the privilege of teaching the present and future generations the essential elements needed in building a program of permanent world peace. The schools of today will determine the citizens of tomorrow and the responsibility of efficient administration in the local school system rests with the Board of Education.

Public endeavor requiring patience, intelligent judgment, and ever vigilant devotion to the improvement of educational facilities for the youth of Portsmouth has been uppermost in the mind of each school board member. Two retiring members, Mr. Arthur D. Lynn and Dr. S. E. Moorhead, served faithfully and well. The new members, Mrs. Charles S. Baker and Mr. Thomas A. Shackelford, are well aware of their duties and are to be highly commended.

Mr. Glen C. West, Superintendent of Schools

Mr. Glen C. West (page 8) is completing his first year as Superintendent of Portsmouth City Schools. He holds two degrees—B.S. from Ohio University and M.A. from Columbia University. Mr. West is a veteran of World War I, having served overseas with the 83rd Division. His wide experience in the State (Ohio) Department of Education as Executive Assistant to the Director of Education and Supervisor of Guidance is proving to be of great value to the Portsmouth School System.

Superintendent Glen C. West (below), late of the staff of the Ohio State Department of Education, succeeded W. Dennis Perkinson (above), who resigned in December, 1945, to accept a position with the U. S. Veterans' Administration.

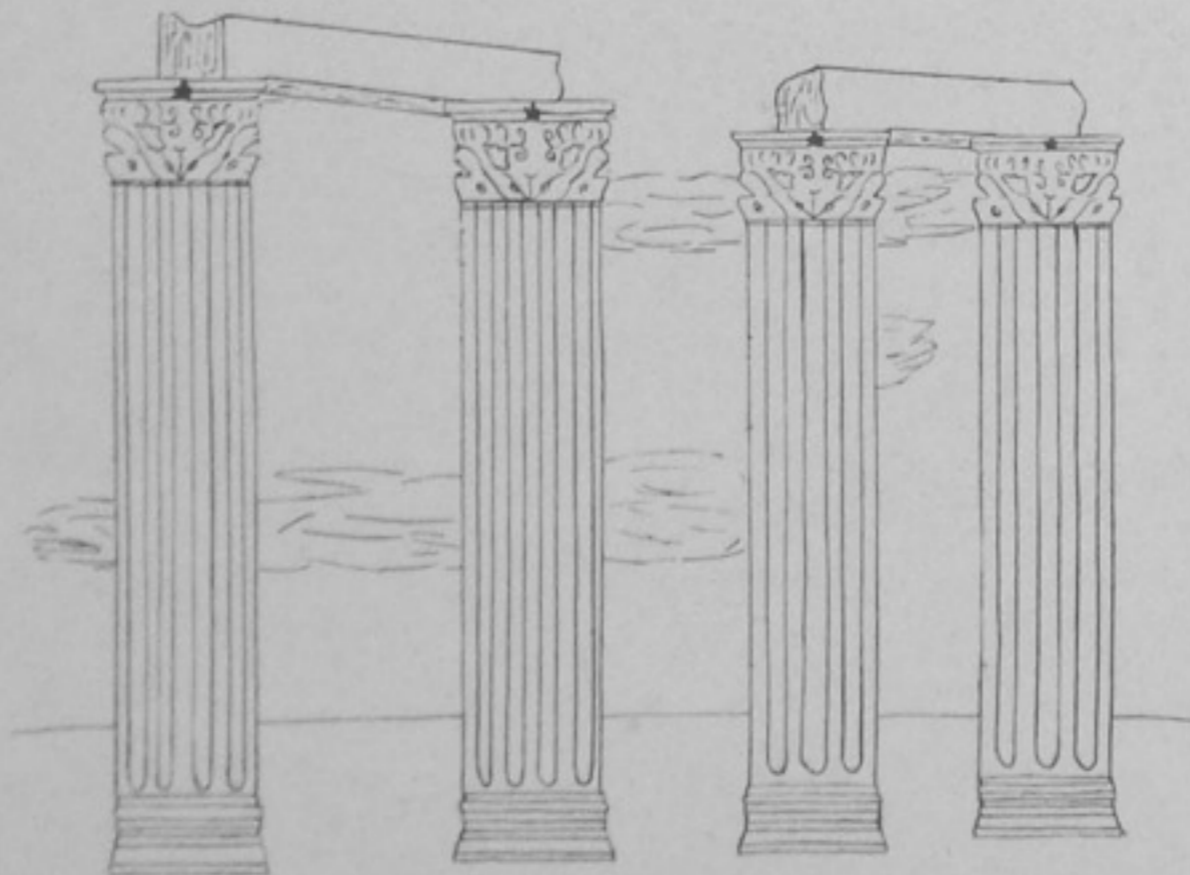

Mr. H. W. McKelvey, Principal

Mr. H. W. McKelvey is completing his second year as principal of Portsmouth High School. He received his B. A. degree from Ohio University. His graduate work was done in School Administration at Ohio State University where he received his M. A. degree. He served in the Air Corps during World War I.

Prior to coming to Portsmouth, Mr. McKelvey was principal of Harvey Senior High School at Painesville, Ohio. The experience and training that he has had have contributed effectively to the many improvements at Portsmouth High School. His genial disposition and cooperative attitude have gained for him the admiration of the teachers as well as the appreciation and respect of the students.

Mrs. Eleanor Cookes, Dean of Girls

Mrs. Eleanor Cookes, Dean of Girls, received her B. S. degree from Ohio University, and plans to begin her graduate work in Guidance at the University of Michigan this coming summer.

As Dean of Girls, one of her most important duties is the guidance of girl students in the solving of their problems, both personal and academic. These problems may arise from home difficulties (economic) and physical limitations (health). Parents are encouraged to confer with the Dean and to cooperate with the school in assisting the girls in making their normal adjustments. Very effective work is accomplished each Friday when Mrs. Cookes, accompanied by the school nurse, Miss Mary Wilking, visits the girls who are ill. On these visits parents are consulted in regard to problems affecting the welfare of the girls.

Other duties include the checking of girls' attendance and the appointment of hall monitors who serve as messengers as well as guides to visitors in the building. In addition to her routine tasks Mrs. Cookes is in charge of the school calendar, is sponsor of Senior Honor and Girls' League and acts as chaperon at all school dances and activities.

Dean Cookes' patient understanding of girls' problems and her willingness to help them have been of invaluable assistance to the girls of Portsmouth High School.

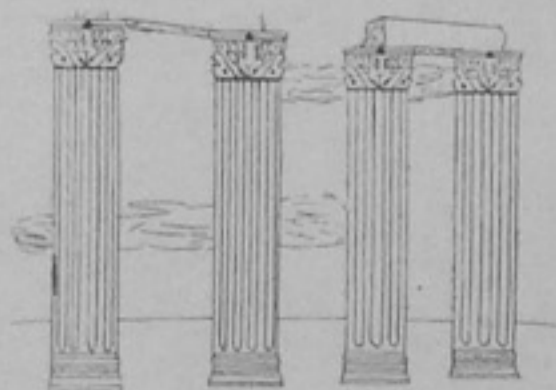

Mr. William Snook, Dean of Boys

Mr. William Snook is completing his second year as Dean of Boys at Portsmouth High School. He received his B. S. degree from Wilmington (Ohio) College but had previously attended both Miami and Ohio Universities. His graduate work was done at the University of Cincinnati in Psychology and School Administration. Prior to becoming Dean of Boys, Mr. Snook served twelve years as high school principal and four years as teacher.

His duties include the checking of attendance for boys and the operation of an employment service for male students, both part time and full time. He also assists in all the social activities of the high school and aids in the selection of courses of study. To encourage the development of orderly habits, to reduce failure to a minimum, and to properly advise and understand each boy are some of the objectives of Mr. Snook as Dean of Boys.

Dean Snook's cheerful disposition, sympathetic understanding and splendid cooperation have proved to be of great value to the boys of Portsmouth High School.

CLASSES

Senior Class

In the autumn of '42 we came into Portsmouth High School bewildered, and perhaps, a little frightened. We elected Jack Hughes, Martha Appel, Mary Alice Schisler and Jane Lloyd as officers of our class and were guided through the trials of freshman life with Miss Anna Blazer as our sponsor.

Returning as sophomores, we were calmer and more resolute. Gene Myers, Jackie Daniels, Judy Pratt and Eleanor McClure served as our class officers, and we had the good fortune of having Miss Blazer for our sponsor once more.

Harry Chastain, Billye Ross, Maurine McCulloch and Jackie Daniels, with Miss Elizabeth Whitehouse as sponsor, led the junior class. We were very proud that much of the material responsible for the undefeated team of '45 came from our group.

As seniors we had a brighter future ahead of us. We elected Tom Henderson, president; Joy Hensge, vice-president; Billye Ross, secretary; and Betty Yeager, treasurer of the class. Miss Hazel Wyant and Miss Octavia Shinkle were sponsors for the year. Our class play was successful and our commencement passed in the traditional manner. Good luck, graduates!

Pity us as freshmen! Much we had to learn through experience. With class organization, however, came class spirit. The class of "47" chose James Noel as its first president; Cynthia Edwards, vice-president; Sarah DuPuy, secretary; Carolyn Dill, treasurer. The year progressed; we got over our bashfulness through mixers, parties, and athletics. At last, we could say good-bye to our freshman year.

Pray for us as sophomores—those wise fools! To lead us were: Dick Nettles, president; Cynthia Edwards, vice-president; Mary Lou Elkins, secretary; and John Fisher, treasurer. As sophomores, we became more proud of our class; many athletic stars began to glimmer. Our social life became more complex with dances and group parties.

Envy us as juniors! This year, "47" produced the hit of hits, "Don't Take My Penny". The proceeds from this production were used in financing a lavish Junior-Senior Prom for which an out-of-town orchestra was imported. The decorations were in keeping with the post war gala days. Not satisfied with one social event, the juniors gave one of the biggest, informal school dances of the year. Leading the class through these trials and tribulations were: David Baker, president; Helen Hazlebeck, vice-president; Maggie Legas, secretary; and Joyce Scurlock, treasurer. Athletic stars growing to full magnitude during the year were Dave Thomas and Walter Green. They'll skipper the "47" football edition of the "Trojans". Bow, bow, you lower classmen! Next year, WE are the seniors!

Sophomore Class

The class of '48 entered the portals of Portsmouth High School in the fall of 1944. They soon shook off the feeling of bewilderment and became well organized. Bill Apel, Gene Hackworth, James Daughtery and Mary Ellen Scott were chosen to lead the class and Miss Caroline Mackoy was sponsor. The year was highlighted by the freshman skating party.

They began their second year by electing Jack Batterson, Bill Apel, Bob Mucha and Mary Ellen Scott to the offices of president, vice-president, secretary and treasurer respectively. Class sponsor was Miss Marie Trowbridge. The sophomores were proud of the number of athletes from their class who were making their way to the top, and equally proud of the many outstanding scholars. The main event of the year was the annual skating party.

Freshman Class

The officers for the freshman class were: David Gambill, president; Mitzi Levine, vice-president; Bill Stidham, secretary; and June Hensge, treasurer. They held a skating party which was advertised in a rather unique way—with Christmas trees made from green blotters. This was very successful, considering the hazardous weather conditions.

There were ten homerooms with an enrollment of 398 pupils in the freshman class. One person was chosen from each homeroom to represent his group at the Freshman Council meetings. These were held in 321 under the supervision of Miss Caroline Mackoy, the class sponsor.

Jr. Varsity Review

After a slow start the Reserves got on the victory trail by winning a return game from Ashland 32-6 at Municipal Stadium. Art Welton ran 70 yards on the first play and from then on it was a rout. A pass, Cooper-to-Call, chalked up the second Reserve tally; then Pendleton and Russell added two more touchdowns. John Thomas added a point after from placement. The final came when Pendleton intercepted a pass and ran over. Sparks plunged for the extra point.

The Frosh evened the count by decisioning Chillicothe at the Stadium 19-0. Singer accounted for two markers with Franz getting the other and a point after.

The Reserves hit a late-season snag when McKell trounced them 15-0 and a veteran Central Catholic team gave them a 37-13 lacing. P. H. S. gave the Titans a scare when Gambill passed to Anderson for one score and Welton ran 25 yards for the second. Keller kicked one extra point.

The Freshmen ended the season by smashing the grade school All-Stars 20-0. Gambill scored first on a 30 yard run and Franz plunged for the point. Franz plunged over for the next touchdown and White added the extra point. Gambill bucked over from the 5 for the final marker.

DECEMBER 1945

September 14

P. H. S. vs. St. Mary's of Columbus

Opening the 1945 grid season before 2,800 fans, the Trojans displayed the power to gain at will both on the ground and through the air. In the first period a 52 yd. drive paid dividends, the climax coming when Parks took Chastain's short pass and sped 32 yds. for the score. John Thomas' kick was good. Midway in the second quarter another 52 yd. advance ended with Elliott plunging over from the 3. Thomas' conversion was again perfect.

After taking the kickoff opening the third period, the Trojans marched steadily down the field sparked by the brilliant broken field running of Dave Thomas. The drive was brought to a climax by Thomas on a beautiful 40 yd. run through the whole St. Mary's team. This loss was the only one suffered by the St. Mary's team this season.

September 21

P. H. S. vs. Charleston Mountain Lions

Portsmouth journeyed to Charleston for the second game of the season and had, tough luck! The Mountain Lions came from behind in one of the most thrilling games the tri-state area had witnessed in many a year. It was a heart breaker to lose, the margin being in the form of a 93 yd. touchdown run by 133 lb. Charlie Coleman with only a minute remaining in the game. Playing without the services of Co-Captain "Lemon" Elliott, injured, the Portsmouth eleven for 47 minutes outplayed Coach Ed King's charges.

The first Red and Blue score came late in the opening period with Dave Thomas scoring the touchdown. Then, racing the clock, the Mountain Lions countered to make the score 7-6. Midway in the third quarter, Butt recovered a fumble at midfield. Before anyone knew what was happening, Thomas was booming into the end zone from 50 yds. out. J. Thomas kicked the point. On the first play in the final period the Mountain Lions moved across to make the score 14-13. Late in the game the Trojans moved 77 yds. with D. Thomas again striking pay dirt. Then came that run!

September 28

P. H. S. vs. Springfield Wildcats

Rolling roughshod over a "tough" Wildcat squad for seven touchdowns and two conver-

sions, the Trojans marked up the largest score in several years. Using straight football, P. H. S. marched 71 yds. with Chastain scoring. Then, in the second period, Journey romped 30 yds. for another tally. Thomas' kick was good. Before the half was over Pelfrey had hung up another 6 points on the score board. At the beginning of the second half Pelfrey scored again, this time from 34 yds. out. Then Clowe intercepted a Wildcat pass and raced 42 yds. to cross the last chalk line. Late in the final stanza Pelfrey added two more touchdowns. Thomas made one good conversion.

October 5

P. H. S. vs. Mansfield Tygers

The rain, mud, and Mansfield all combined to hand the Red and Blue a 19-6 trouncing at Mansfield. The field was soaked—it rained during most of the game. Mansfield, aided by some costly Trojan fumbles, kept the "men of Troy" very well in hand for three periods. The Tygers scored in each of the first three quarters while the Trojans tallied when Mansfield's punt went out of bounds on the Tyger 20. A 15 yd. unnecessary roughness penalty put the ball on the 5, and Elliott bucked to the 3 from where Thomas took it over.

October 12

P. H. S. vs. Huntington East Highlanders

After spotting the Highlanders a 13-0 lead in the early minutes, the Red and Blue attack began to click. Huntington looked like champions for about 15 minutes. Then the full fury was rent upon them. In the second period, Thomas sped around end for the touchdown. Later, on an end around, Parkes scored standing up while the startled defenders were still looking for the ball carrier. Elliott's kick tied the score.

Late in the third quarter a Highlander punt rolled dead on the P. H. S. 2. Nothing daunted, the Trojans proceeded to waltz 98 yds., "Hoss" Pelfrey tallying. Elliott's kick again split the uprights. Two minutes after the final period began, Raymond was scoring, this time from the 14 yd. line. With time running out, Thomas countered again and just to make it an all Thomas score, John Thomas placekicked the point.

October 19

P. H. S. vs. Charleston Stonewall Jackson

Wearing down a fast Stonewall Jackson eleven which threatened constantly during the better part of the first half, the Elderites' superior conditioning "told" in the second half. Playing deep in Trojan territory the whole first stanza, the Generals counted but once. Fighting back, the "men of Troy" moved 87 yds. to pay dirt with reliable Dave Thomas countering. Elliott once again booted the tying point. Then, in the third quarter, the touchdown parade started in earnest. Thomas scored again to put Portsmouth out in front to stay. Elliott converted. Later in the Period Elliott scored and kicked his third straight. In the final quarter Pelfrey tallied number 4 and Gibby Clowe scored the final after he intercepted a General pass.

October 26

P. H. S. vs. Chillicothe Cavaliers

Once more coming from behind and then rolling up powerhouse scores, the Trojans continued their winning ways. Spotting the Cavaliers a 7 point lead as the result of a 66 yd. punt return, the Red and Blue moved through with ease. In the second, Elliott bulled over and converted. Early in the third period Thomas took a punt, reversed the field and ran 61 yds. untouched for the score. Bob Journey added the next marker after Joe Neikirk recovered an enemy fumble on their 16. After a breathing spell, the P. H. S. attack rolled again in the fourth stanza when Journey took it over from the 5. Later, Pelfrey intercepted a Chillicothe pass on their 2 and coasted over. Elliott concluded the scoring with the point after touchdown.

November 2

P. H. S. vs. Middletown Middies

Overcoming a 13-0 halftime lead, the powerful Middies rolled back for two quick touchdowns and a tie. Plagued again by heavy going and a constant stream of rain, the Trojans salvaged something. Early in the second quarter Chastain heaved a long pass to Parks for the tally. The final P. H. S. score came when Dave Thomas went over and Elliott converted. In the second half the Middies completely ran away from the Trojan crew, although scoring only in the final period. Incidentally, the Trojans were playing without Pelfrey, Elliott and D. Thomas in the second half. Moving steadily down the field, the enemy pushed over one touchdown and the point. Then, after holding the home team, they marched again. As the rain came down harder, they scored again and missed the conversion by inches.

P. H. S. vs. Ironton Tigers

In the annual Trojan-Tiger battle, the vaunted unbeaten "tankowners" had their faces ground into the Beechwood Stadium turf as the Red and Blue warriors came from behind. The final score was anything but the predicted three touchdown Ironton victory. After a hotly contested first half, the Trojans got up steam in the second. Moving against time the Tigers drove 64 yds. with only 40 seconds remaining in the first half. After taking the kickoff opening the third period, the P. H. S. men moved 58 yds. to knot the score at 6-all when Elliott bucked over from the 5.

Not content with a tie score, the "men of Troy" moved 66 yds. for another score, helped no end by Bob Parks' 38 yd. end around. Pelfrey moved the last 27 yds. on a beautiful piece of broken field running. Moving again in the fourth round they scored on a 71 yd. advance. Thomas crossed the goal line from Ironton's 16 but we were guilty of holding and were penalized 15 yds. Not to be denied, Thomas then moved 31 yds. to end the Trojan scoring. Ironton threatened again and countered on a 72 yd. drive. Late in the final period Irontons' passing attack began to function and almost led to a score, but the final pass trickled off the receiver's fingertips.

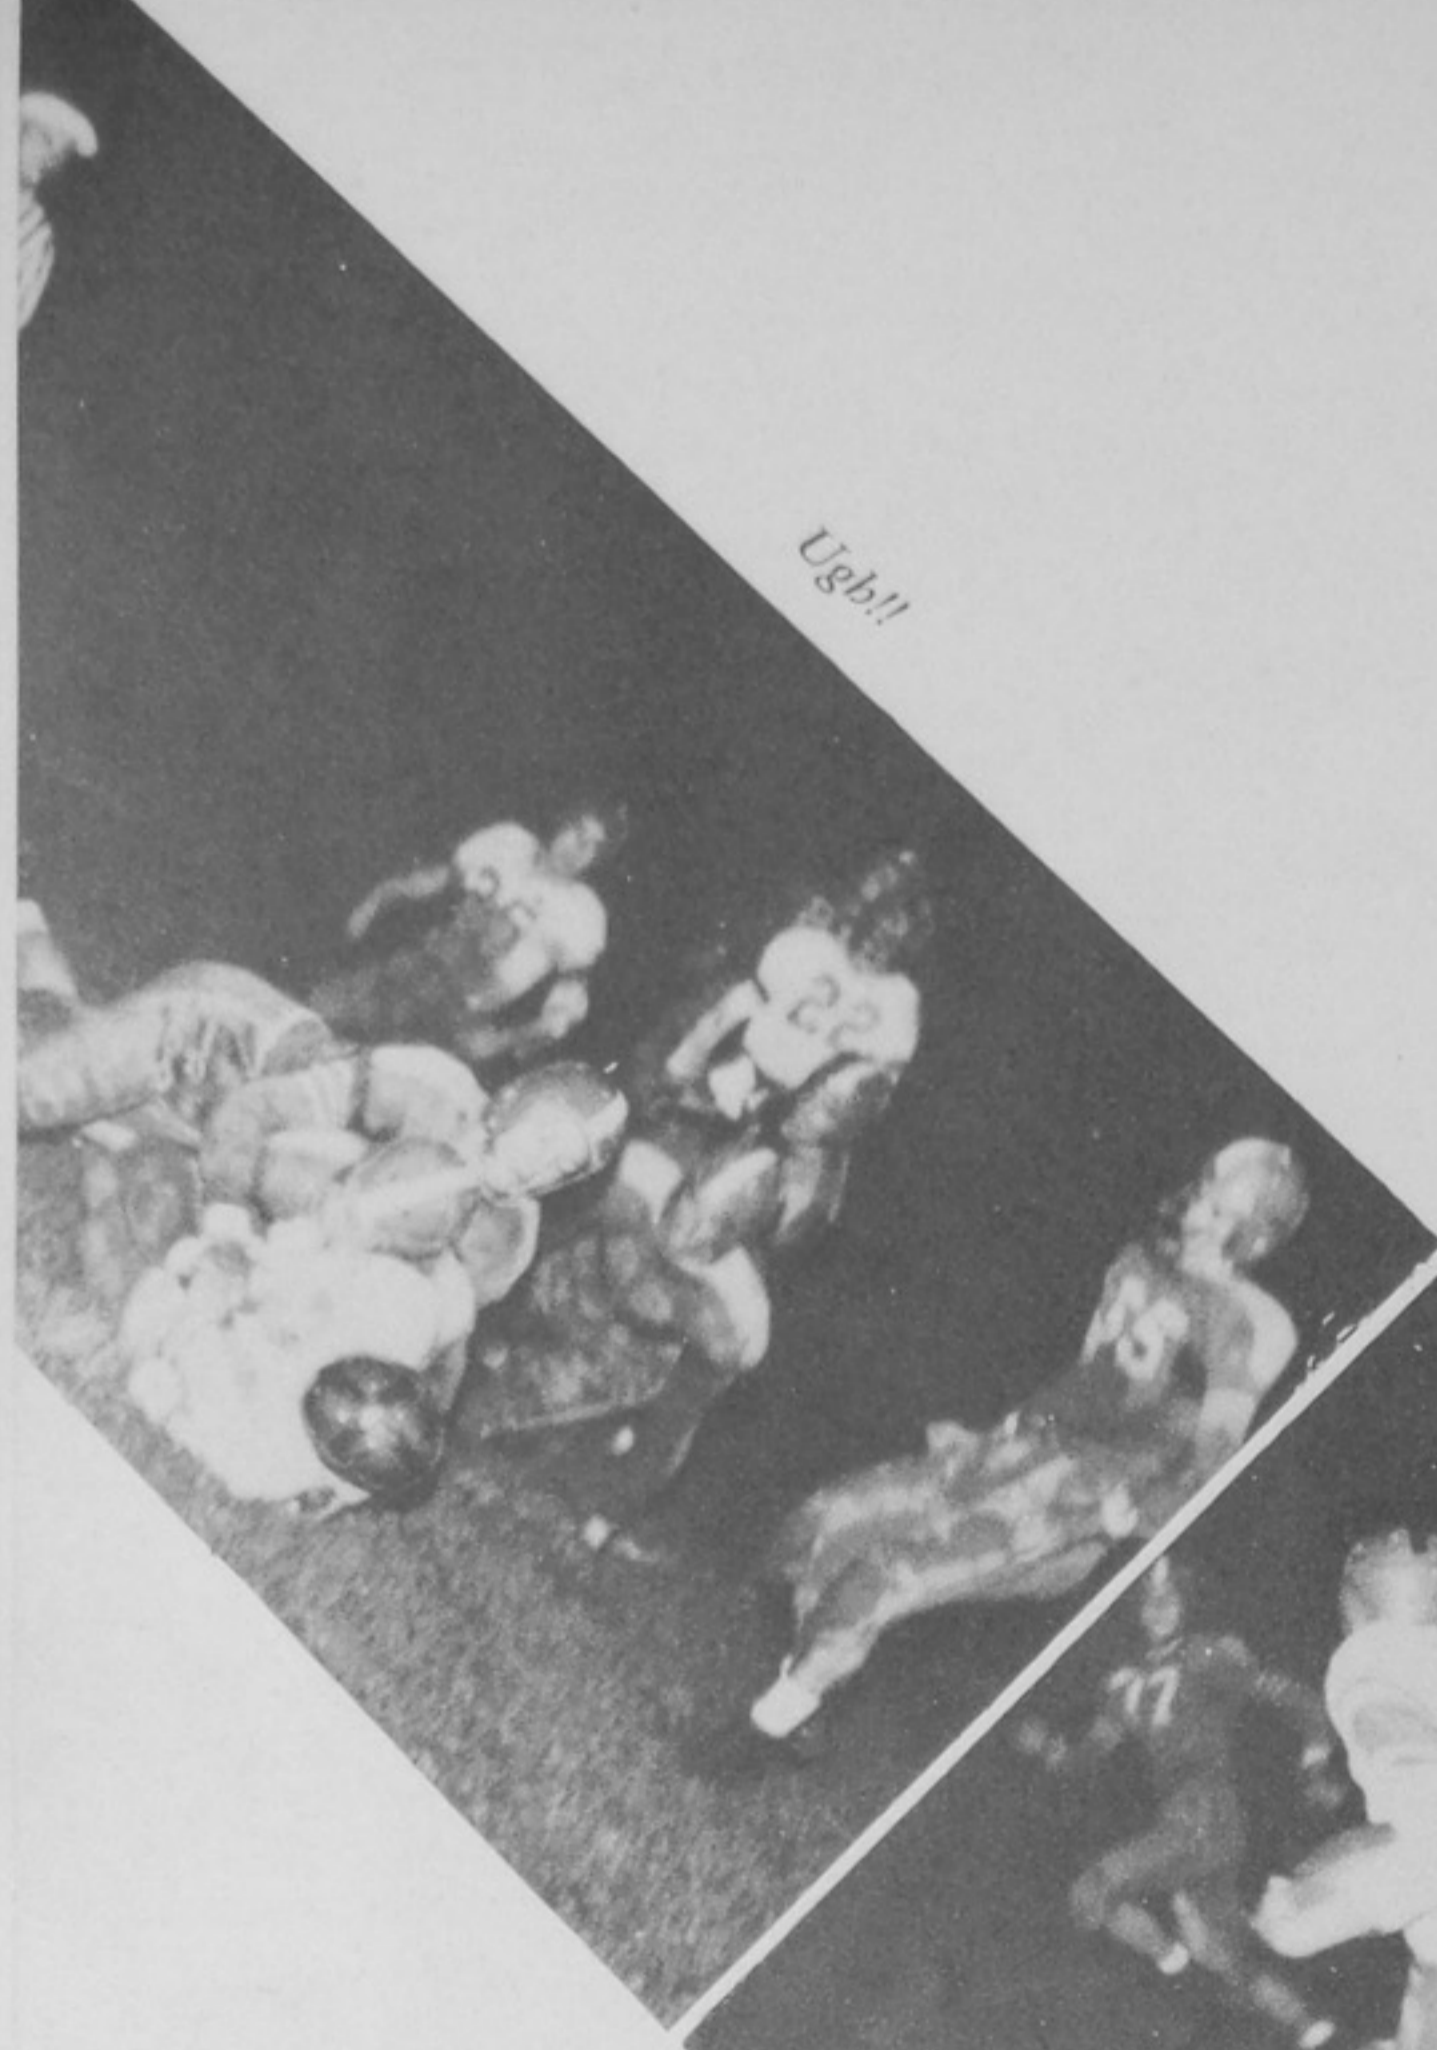

November 22

P. H. S. vs. Ashland Tomcats

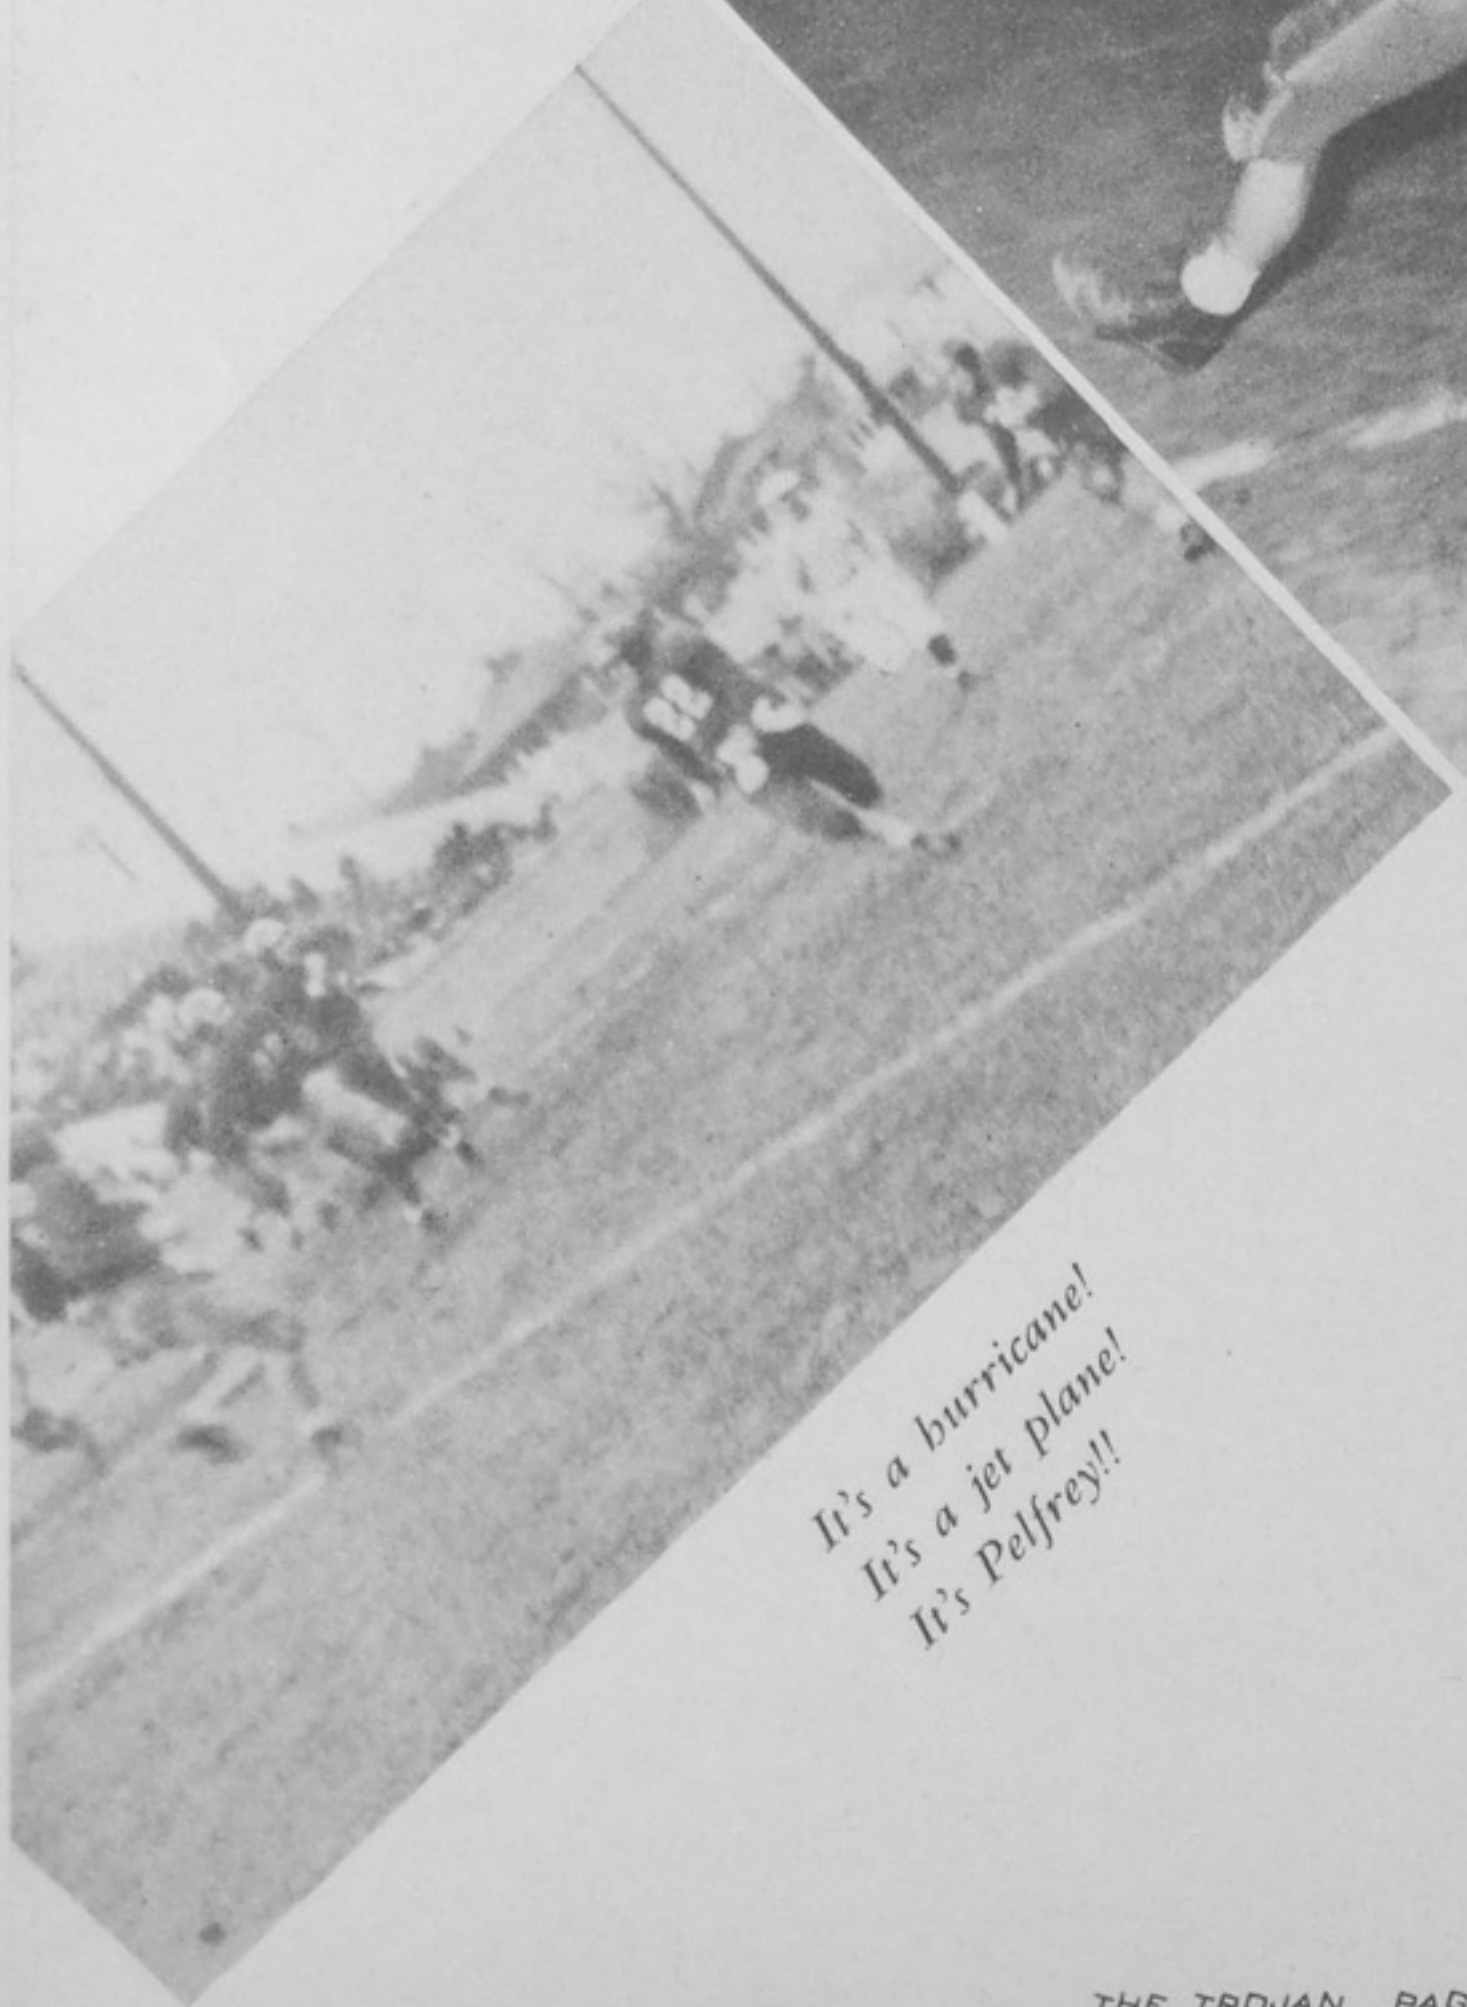

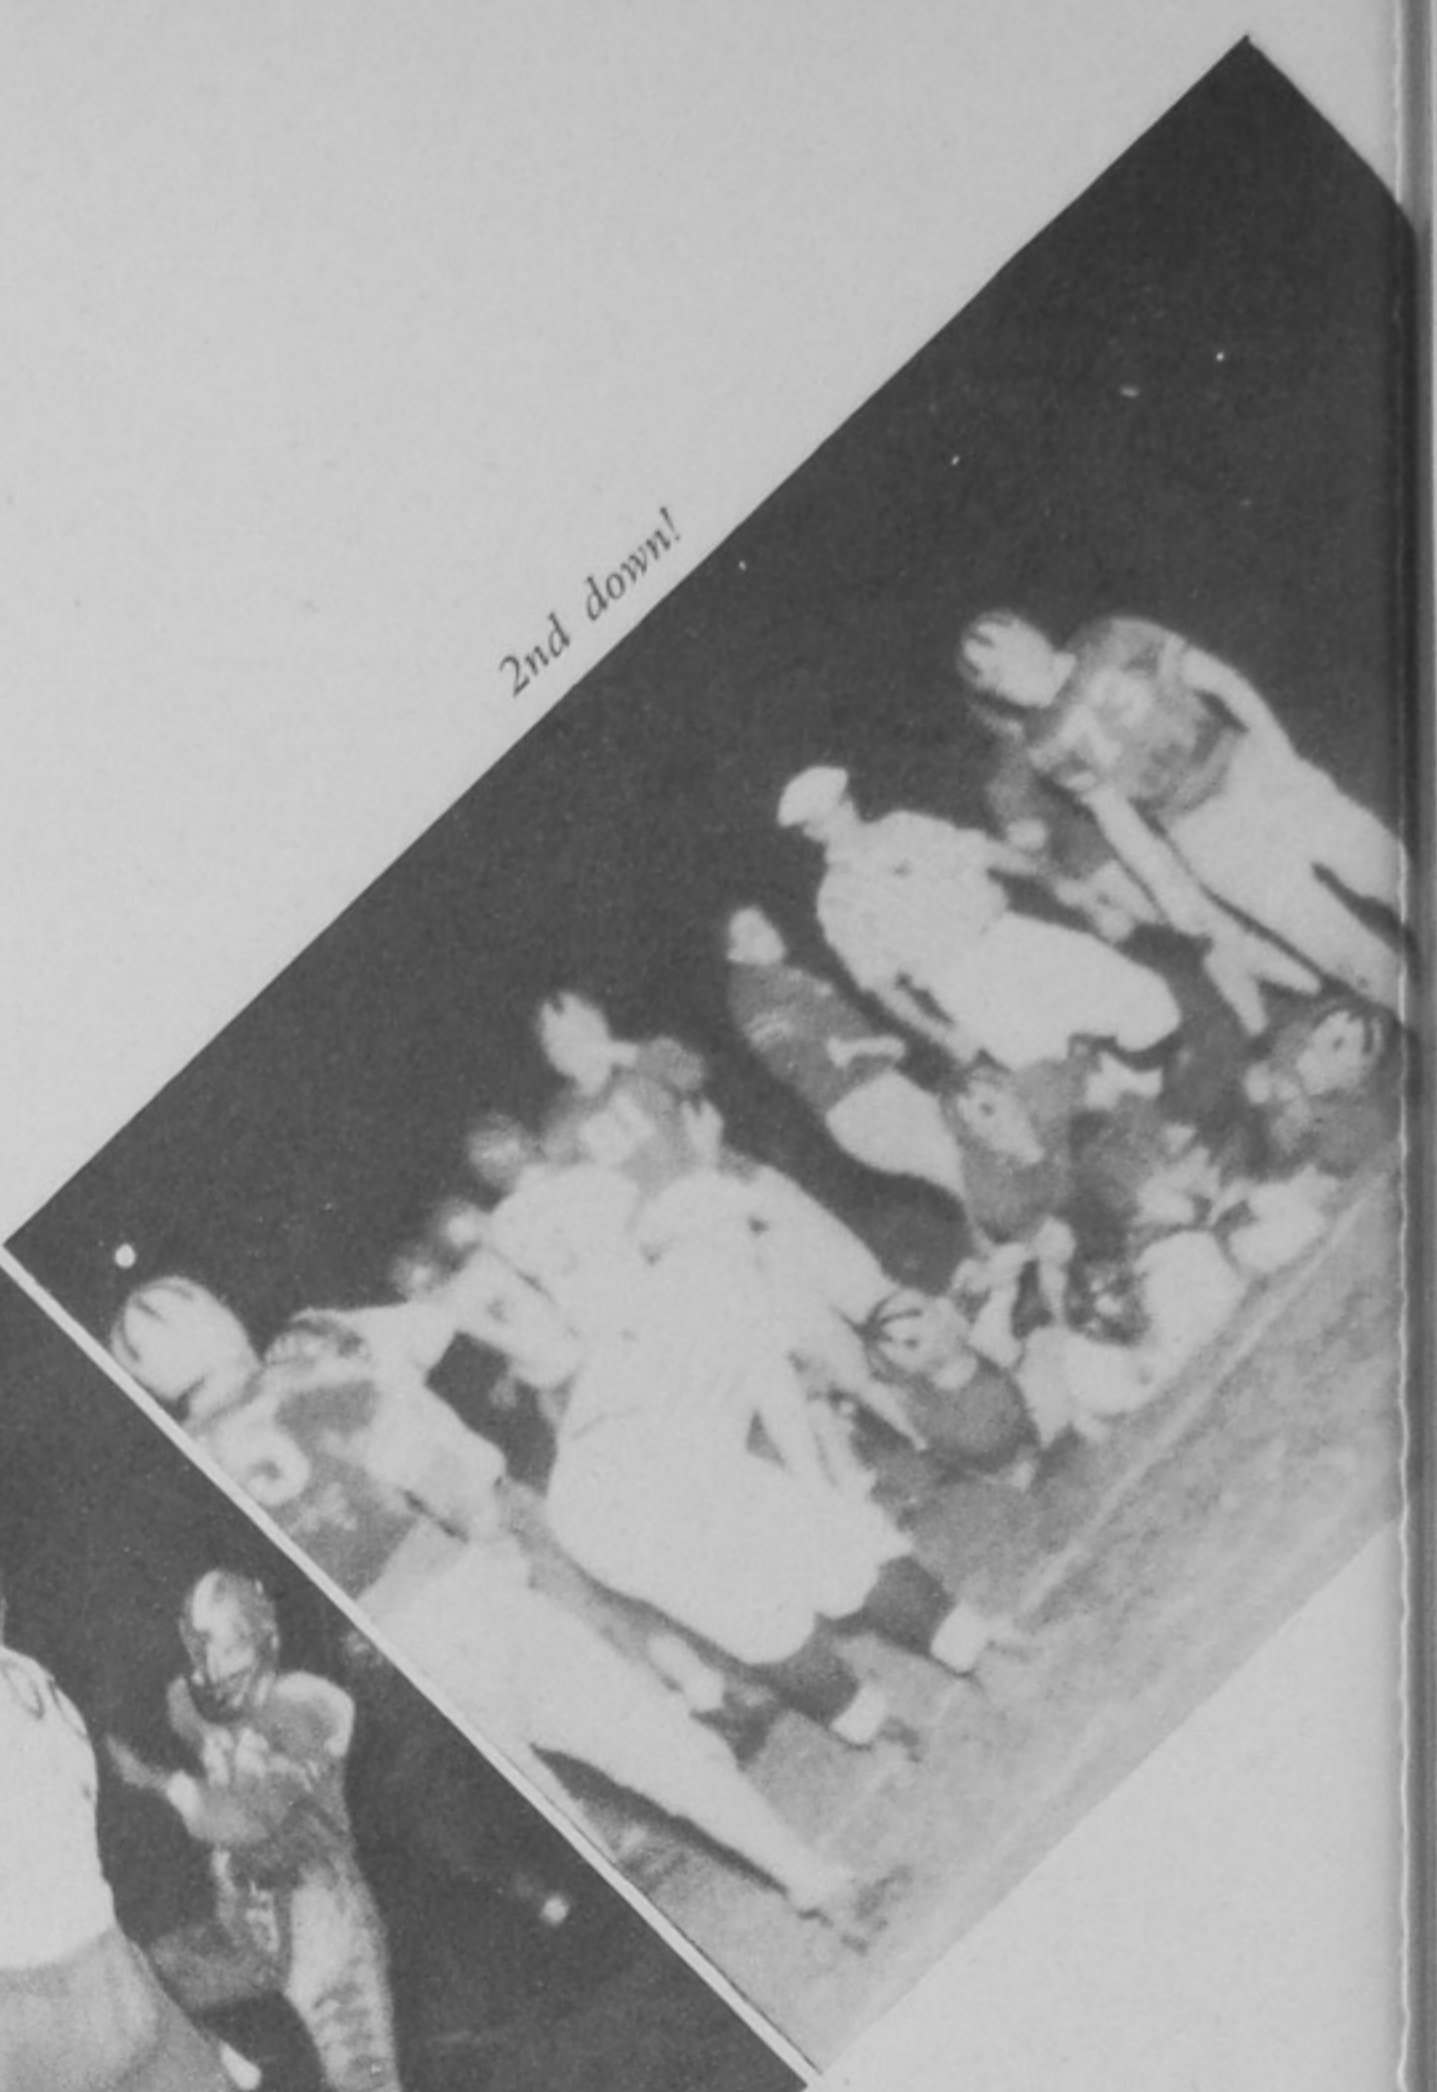

P. H. S. captured the Big "7" conference laurel wreathes by taming a Tomcat by the score of 19-7. It was the last game for ten seniors, and also homecoming. The first score came near the end of the first quarter when Elliott plunged over from the 2 yd. line. Neither team was able to work up steam for the remainder of the half although Ashland threatened once. The second half score came when Joe Neikirk recovered an enemy fumble on the 8 yd. line. Elliott rammed over in a try and continued to domineer the scoring by kicking the point.

Then, for the second time this year, the "thing" happened. Webb took Neikirk's kick on his 5 and proceeded to twist and dodge his way 95 yds. for a touchdown. The final tally was set up when Walter Green intercepted a pass on Ashland's 27. Thomas moved to the 8 and Pelfrey took it over. The championship thus won was the first for Portsmouth, Charleston's Mountain Lions having won it the two previous years. The season concluded was another very successful one, establishing P. H. S. as one of the gridiron powers of the state.

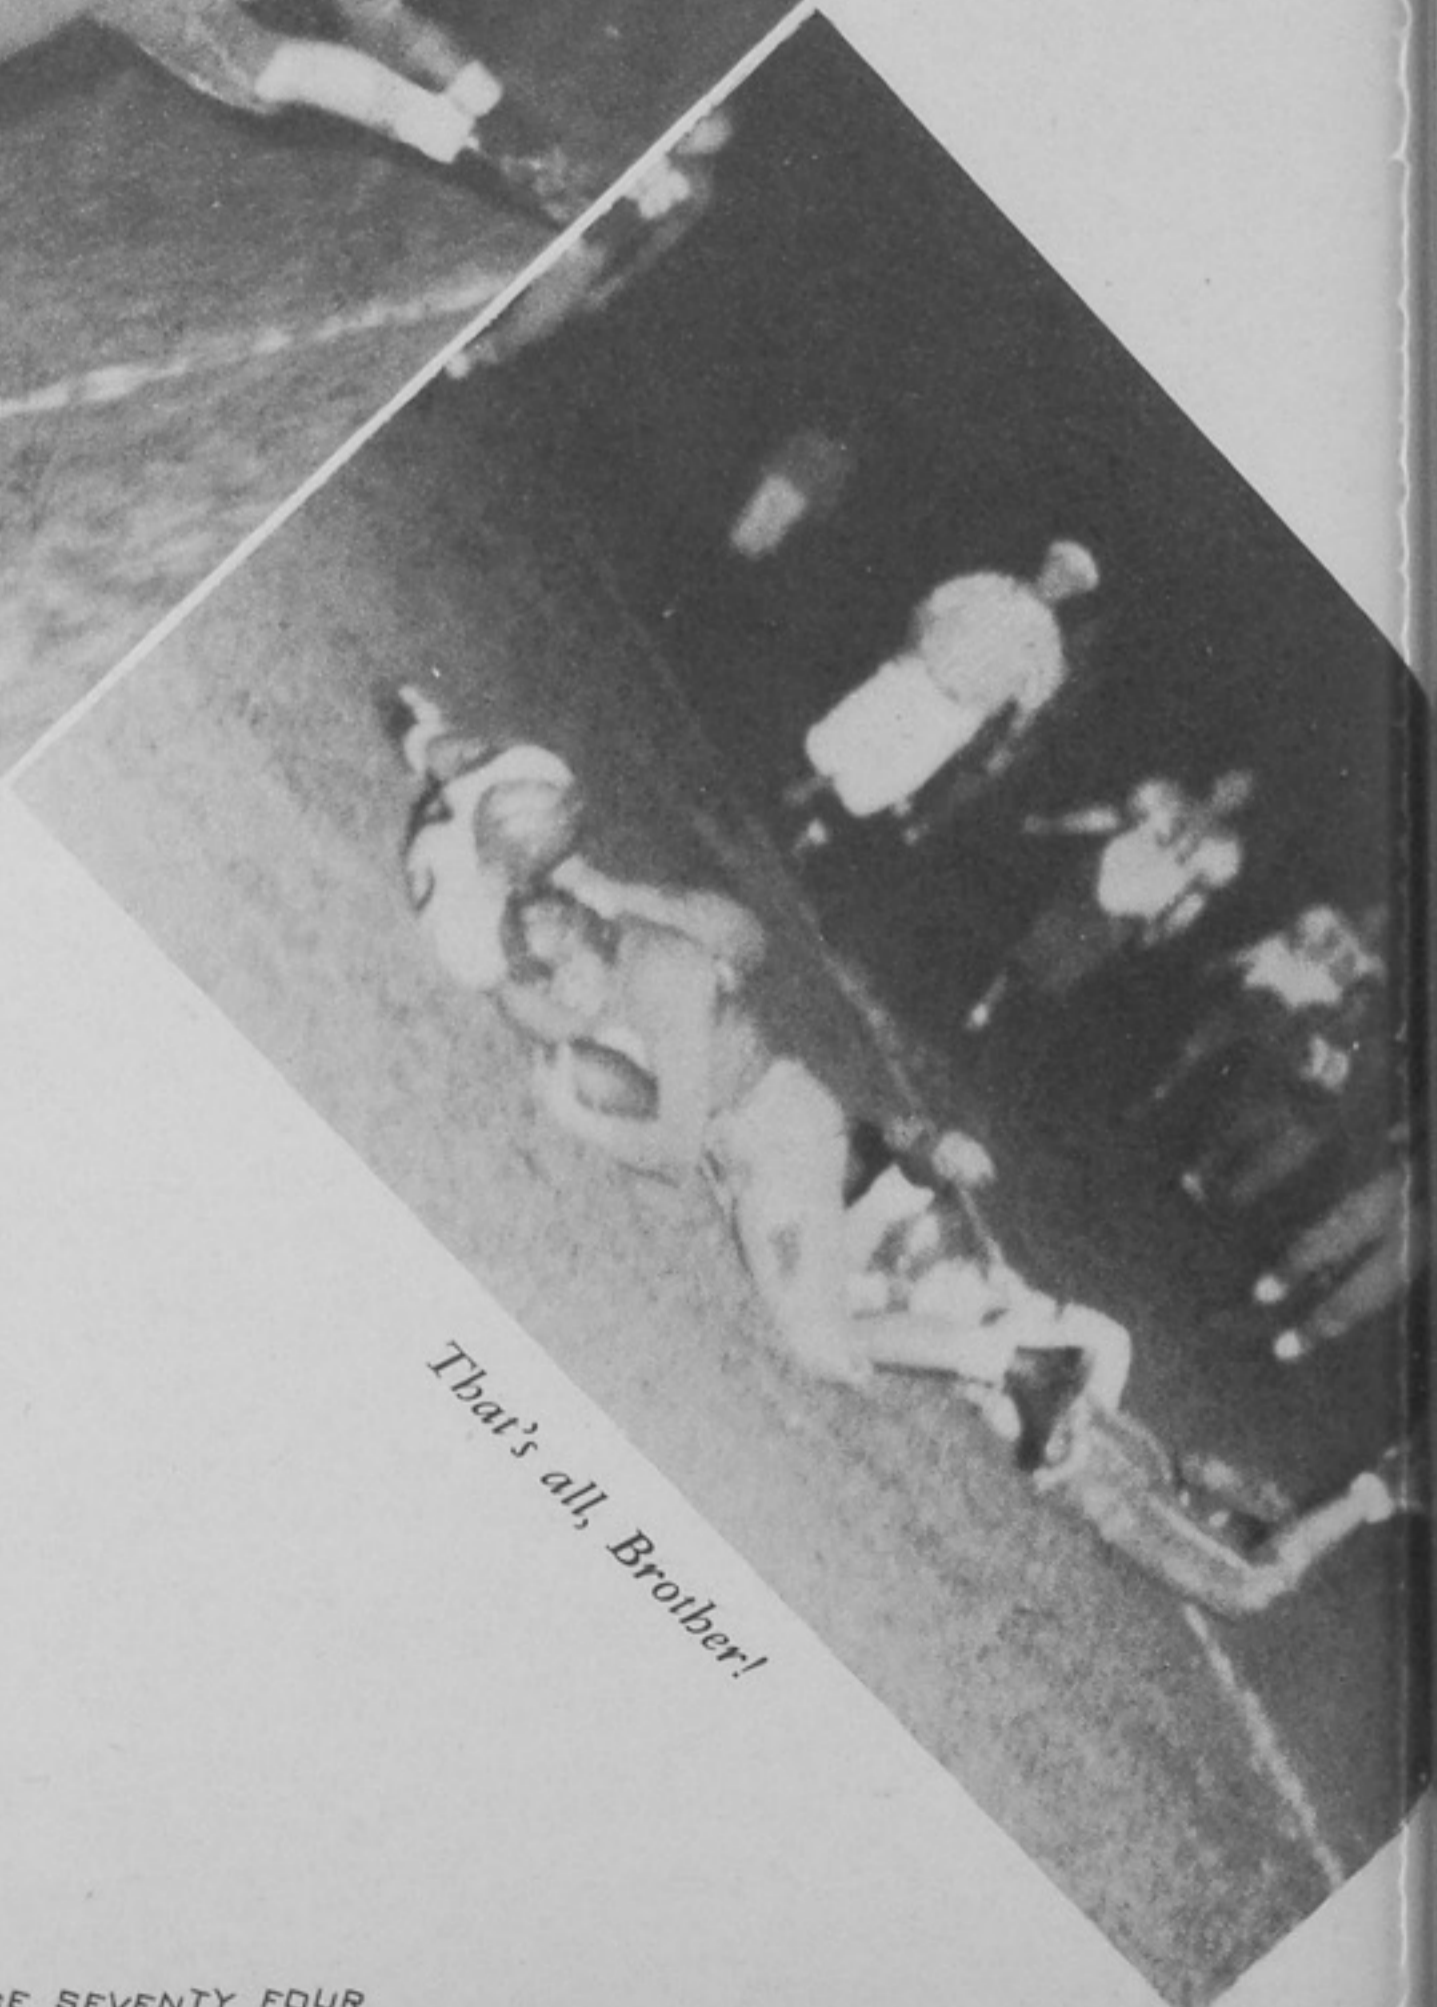

Ugh!!

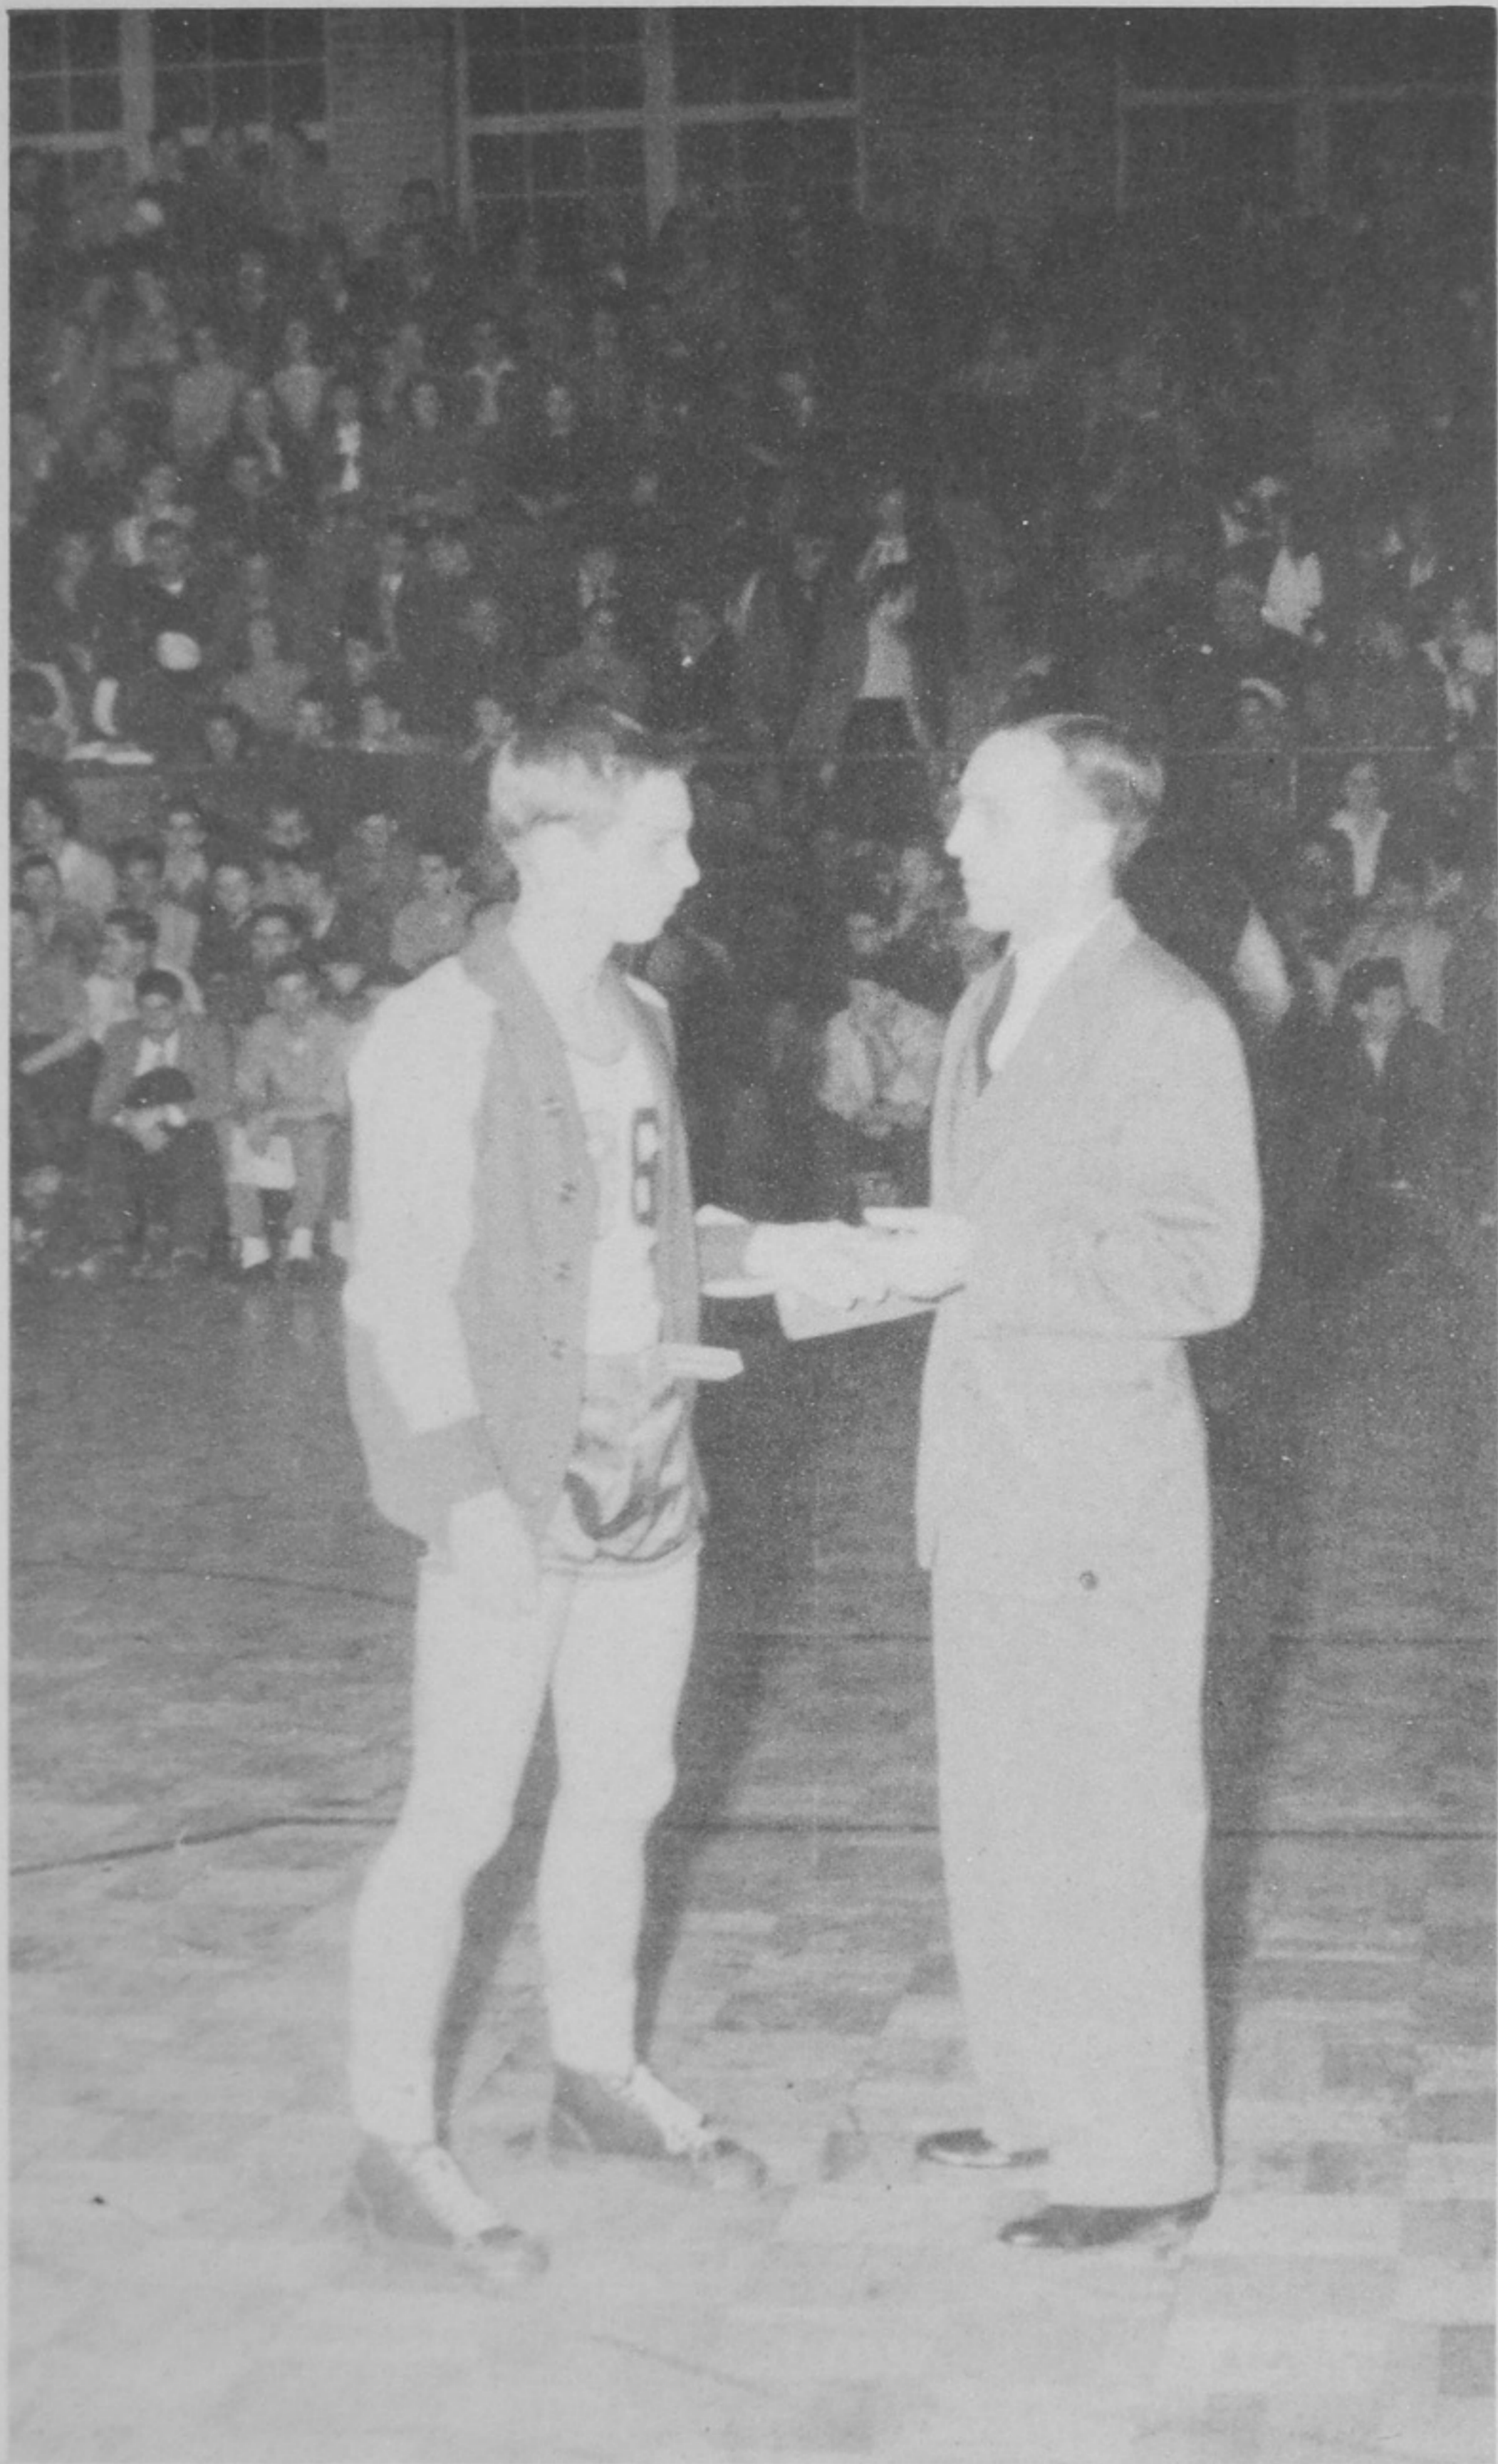

2nd down!

Cheerleaders

With Betty Handley and Jackie Daniels calling signals, the cheerleaders pranced through the year with their usual "wim, wigor, and witality". In addition to the old squad—Sarah DuPuy, Cynthia Edwards, Maggie Legas, and Janet Martin—four new members were chosen. These were sophomores Sheila Tracewell, Barbara Himes, Carolyn Hodge, and Norma Middlecamp, a senior. These girls helped the students lend the proper atmosphere to football and basketball games and pep rallies. Several new cheers were inaugurated this year and these gave additional pep to student gatherings.

This year the girls of Portsmouth High School established a record in the number of games played. In the total of 380 games the Senior 1 team came out on top with 18 wins, one tie, and no losses. Runner-up was the Senior 2 team with 17 wins and 2 losses. Third place was shared by Sophomores 2 and 5 with 15 games won, 3 lost, and 1 tied. Play was supervised by Miss Christine Heer, P. H. S. girls' athletic director.

Tripping along to the tune of the "Shin-Cracker Suite", the girls of P. H. S. added another season to their already enviable record. Under the supervision of Miss Christine Heer, the games were played at Mound Park after school for several weeks. It was a close race from the start between the team piloted by Joy Hensge and the group led by Maurine McCulloch. Four games were played to determine the winner, but in the fourth game Joy's team snatched the title.

G. A. C.

In girls' sports at Portsmouth High School the Girls' Athletic Club acts as the inspiration for the year's activities. Under the supervision of Miss Christine Heer, officers Frances Quinn, President, Eleanor McClure, Vice-President, Mary Alice Schisler, Secretary, and Betty Newman, Treasurer, tried to uphold the standards of sportsmanship and fair play which have been typical of the club in past years.

In order to be a member a girl must earn 500 points in the large selection of sports offered. Among these are field hockey, basketball, volleyball, softball, bowling, badminton, and tennis. She must participate in at least one sport a year in order to maintain her standing in the club. There are many rewards towards which she may strive, such as the letter, requiring 1000 points; the key, 2000 points; and the special award established this year, 2500 points.

The year is brought to a close by the annual banquet at which the awards are given and the officers for the following year are presented.

ACTIVITIES

National Honor Society

National Honor this year consisted of fourteen seniors who were outstanding in their scholastic and extracurricular activities. The organization was led by Steven Combs, President; Frances Quinn, Vice-President; Betty Yaeger, Secretary; Billye Ross, Treasurer. Miss Edith Johnston and Miss Margaret Ball acted as co-chairmen for the faculty committee. They supervised the collection of records for all National Honor alumni—a project begun the previous year.

For the first time, scholarships of \$300 each were offered this year by the National Honor Society to be awarded to a selective group of members by competitive examination. Members of the Emily Ball Chapter who took this examination were Christine Dever, Zelma Edwards, Billye Ross and Betty Yaeger.

The new members, announced at an assembly in May were: Seniors—Sally Andre, Harold Armsey, Betsy Donohoe, Mary Ellen Duis, Jean Fields, Mary Lou Frecka, Ann Harper, William Harris, Tom Henderson, Joy Hensge, Jacquelyn Howell, Jack Kugelman, Jane Lloyd, Margaret Lynn, Monta Maddy, Mary Marcum, Jo Ann Martin, Eleanor McClure, Maurine McCulloch, Eileen Morgan, Betty Morris, Joan Moritz, Joe Setty, Marjorie Skaggs, Eulah Vest, Rebecca White, Irene Winters; Juniors—David Baker, Elaine Coburn, Robert Day, Cynthia Edwards, John Fisher, Claudia Hatch, Helen Hazlebeck, Richard Justice, Jack Lang, Jack Lewis, Janet Martin, Judy McNamara, Joyce Scurlock.

Senior Honor

Senior Honor is composed of senior girls chosen by the old members and approved by the faculty. The Link Girl, chosen from the sophomores, automatically becomes president her senior year. Senior Honor has had a successful year under leadership of Mrs. Cookes, with Mary Alice Schisler, president; Phyllis Bradford, secretary; Maurine McCulloch, treasurer; and Helen Hazlebeck, Link Girl. Among their activities were: escorting the freshmen through school before school started, assigning freshmen girls as "little sisters" to the members for guidance, selling Trojan pencils (the profits of which established a loan fund from which a worthy student may borrow \$200 per year to help finance his college education), and assisting the Girls' League at the Mother-Daughter Tea. It is a real honor to be chosen for Senior Honor.

Girls' League

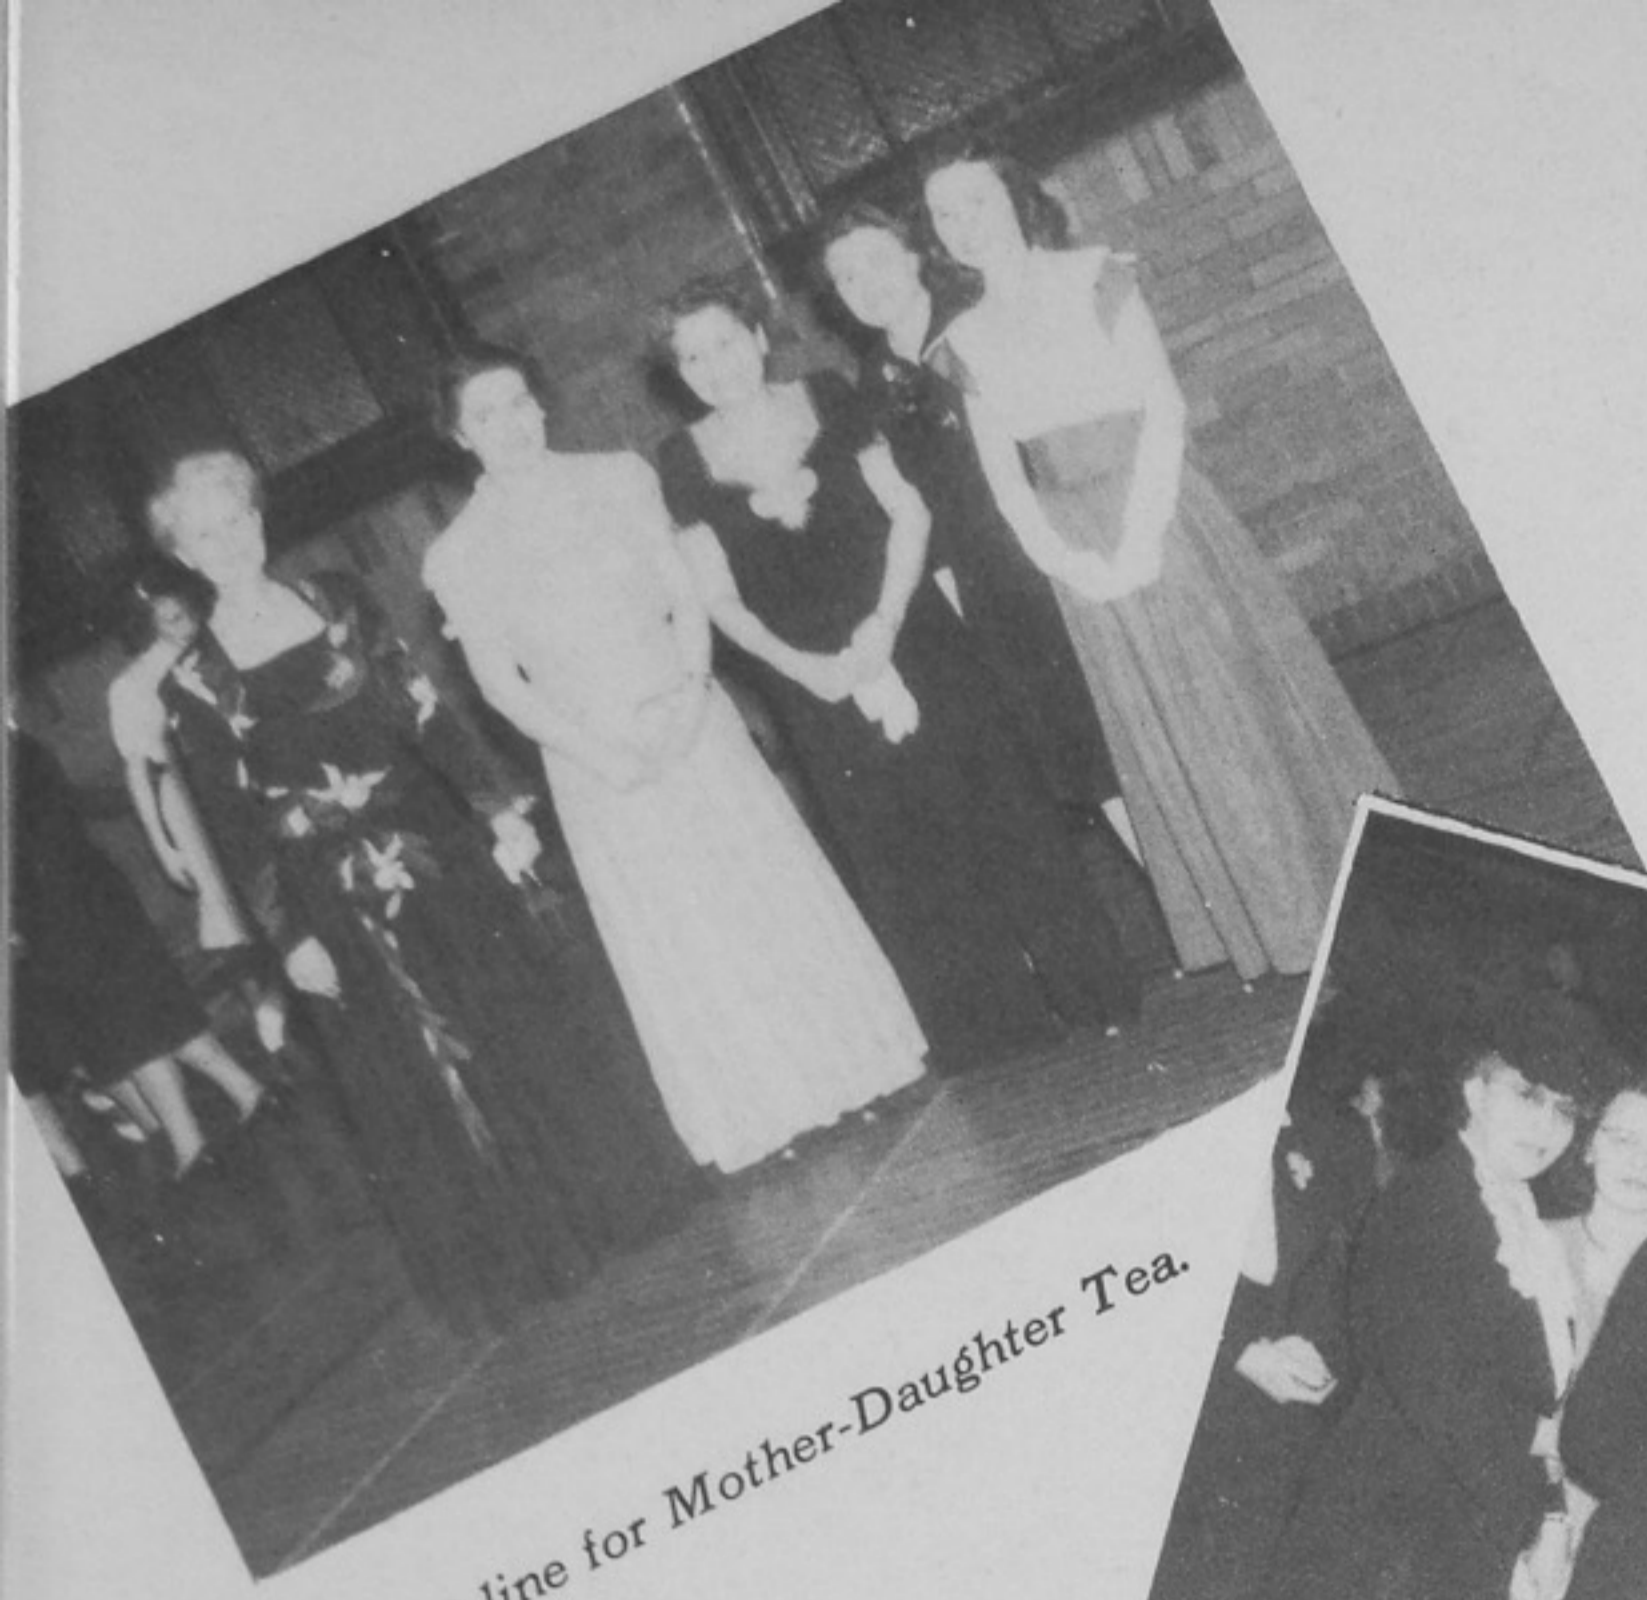

The one club to which all girls in the high school may belong by purchasing a membership ticket is Girls' League. With this ticket a girl is entitled to attend all the club's activities. Among the outstanding events which she might have attended this year were the Mother-Daughter Tea, which was held February 13th., or the annual Co-Ed Prom.

Girls' League is under the supervision of Mrs. Cookes, with Betty Handley, president; Judy Pratt, vice-president; Joyce Scurlock, secretary; and Joan Yuenger, treasurer. Five committees and their chairmen are responsible for the year's activities. They are: Program, Social, Publicity, Health, and Membership.

This organization is interested in and co-operative with all school activities.

Student Council

Student Council is comprised of homeroom presidents, representing all classes. The group, with Miss Anna Blazer as sponsor, acts as an intermediary between the principal's office and the student body.

Activities for 1945-1946 were: publication and sale of handbooks for the purpose of acquainting the students with school procedure, courses of study, rules, cheers, songs, etc., collection of dimes for the faculty assembly committee in order to defray expenses of special assemblies, purchase of a glass case in which lost and found articles are to be kept, and the sale of Trojan head lapel emblems. Three large projects were carried out this year: (1) \$50 was contributed to the expense of sending the Scholarship Team to Athens on May 4th; (2) \$50 was donated to the "Foster Parents' Plan for War Children", and the other students were asked to make additional contributions in the name of Portsmouth High School; (3) a plaque, containing the names of all P. H. S. graduates who gave their lives in World War II, was presented to the school.

Betty Lamp Club

The Betty Lamp Club, sponsored by Miss Joanne Kugelman, is composed of girls who are interested in home economics. Each girl must earn fifty points before she may become a member. These points are made by serving at banquets, by saving sales tax stamps, by working in laboratory, and by maintaining a "B" average. At the meetings a little skit is given to demonstrate manner and dress. The activities of the club include decorating and serving at the football banquet and selling poppies for Veterans of Foreign Wars. The officers for the year were Clotine Rose, president; Jean Fields, vice-president; Rebecca White, secretary; Regina Goddard, treasurer.

Chemistry Club

The Chemistry Club, with Mr. R. D. Cole as sponsor and adviser, is open to all chemistry students with a scholastic average of "B" or above. The purposes of the club are to teach the students the value of chemistry in our daily lives, to enable them to carry out research and experimentation beyond regular class laboratory work, and to give those students who are talented in a scientific way an opportunity to develop their talents.

Members have special projects—for instance, the extraction of aluminum from its ore and the making of cosmetics—at which they work after school. Also there are meetings at which the members hear talks on subjects of interest to chemistry students. Among the speakers for 1945-1946 were Mr. Edgar Massie, a former chemistry teacher in Portsmouth High School, and Dr. John E. Edwards of Ohio University, who spoke before a joint meeting of the Physics and Chemistry Clubs on the subject of atomic energy. The club entered several exhibits of projects in the Science Day Exposition at Athens, among them a collection of the ninety-two elements.

Officers elected were as follows: William Harris, president; David Ball, vice-president; Judy Pratt, secretary; and Mary Ellen Duis, treasurer.

Revellers

The Revellers' Club, sponsored by Mr. Bert Leach, is an organization open to all juniors and seniors who are interested in dramatics. The club gives the students of P. H. S. the opportunity to show their Thespian art before the public and student body. At the meetings a little skit is put on by the members. This year the club paid for the new stage scenery which was built by Mr. Fred Multer's woodshop classes.

The officers for this year were Jack Lang, president; Bill Hoover, vice-president; Mary Lou Elkins, secretary; Martha Eastwood, treasurer.

Debate Club

The 1945-1946 Debate Team, with Miss Isabel Musser as adviser, started the year with two old and thirteen new members. Lower classmen were invited to attend as an audience. Officers elected were: Sam Johnson, president; Pat Alls, vice-president; and Elaine Cobourn, secretary.

This organization, whose purpose is to give students an opportunity to speak in public and to aid them in diction and enunciation, holds semi-monthly meetings at which the members debate a subject, then "choose up sides" for the next meeting. In November the members debated in assembly on the subject of compulsory military training, with several members of the faculty acting as judges. They followed up before a church group and before another assembly in April.

Junior Club

The new members of the Junior Club opened their sixth year by electing the following officers: Marilyn Nichols, president; Beatrice Tanner, vice-president; Emogene Preston, secretary; Cleo Fisher, treasurer. The object of the club is to cooperate to the fullest extent in making the senior year a successful one.

Activities to raise funds for the annual junior-senior prom included a junior dance given at Washington School in March, several basketball games, an all girl play sponsored by the P.T.A., and a co-ed prom in the spring. Mr. Frank Pierson, the sponsor, has proved capable and helpful and has shown a real interest in guiding the club through a successful year.

The "Keepers of the Light", under the supervision of Miss Bernice Kirkpatrick, is primarily a service club. It is composed of the P. H. S. "book-keepers", who must have a scholastic average of "C" or above in order to work in the library. At the meetings, held semi-monthly, the members give book reviews and discuss plans to run the library more efficiently. Their social activities include annual Christmas and Valentine parties.

Physics Club

The Physics Club was organized this year with Mr. Lowell Adams as sponsor. Membership in this organization is open to all Physics students. The purpose of the club is to gain knowledge concerning natural phenomena which cannot be studied during class time. The officers include: Jack Lewis, president; David Livingston, vice-president; Betty Ann Bryant, secretary; Bill Shultz, treasurer.

Inter Nos

Inter Nos, meaning "Among Ourselves", is the Latin Club for first year students. The purpose of the organization is to stimulate interest in Latin and to learn more about the Romans to whom we are indebted for many things which we enjoy in modern life. Its sponsor is Miss Anna Blazer. Membership is open to any student enrolled in first year Latin. Programs, which were planned each month by program committees appointed by the president, have included Latin songs, special reports, plays, games, and contests of various kinds. Officers elected were as follows: Jerry McNamara, president; Charles Mohl, vice-president; Judy Aeh, secretary; Don Maze, treasurer.

Plus Ultra

Plus Ultra is under the supervision of Miss Margaret Ball. In addition to teaching the students about the customs of the Romans, it also gives them the opportunity to become better acquainted socially.

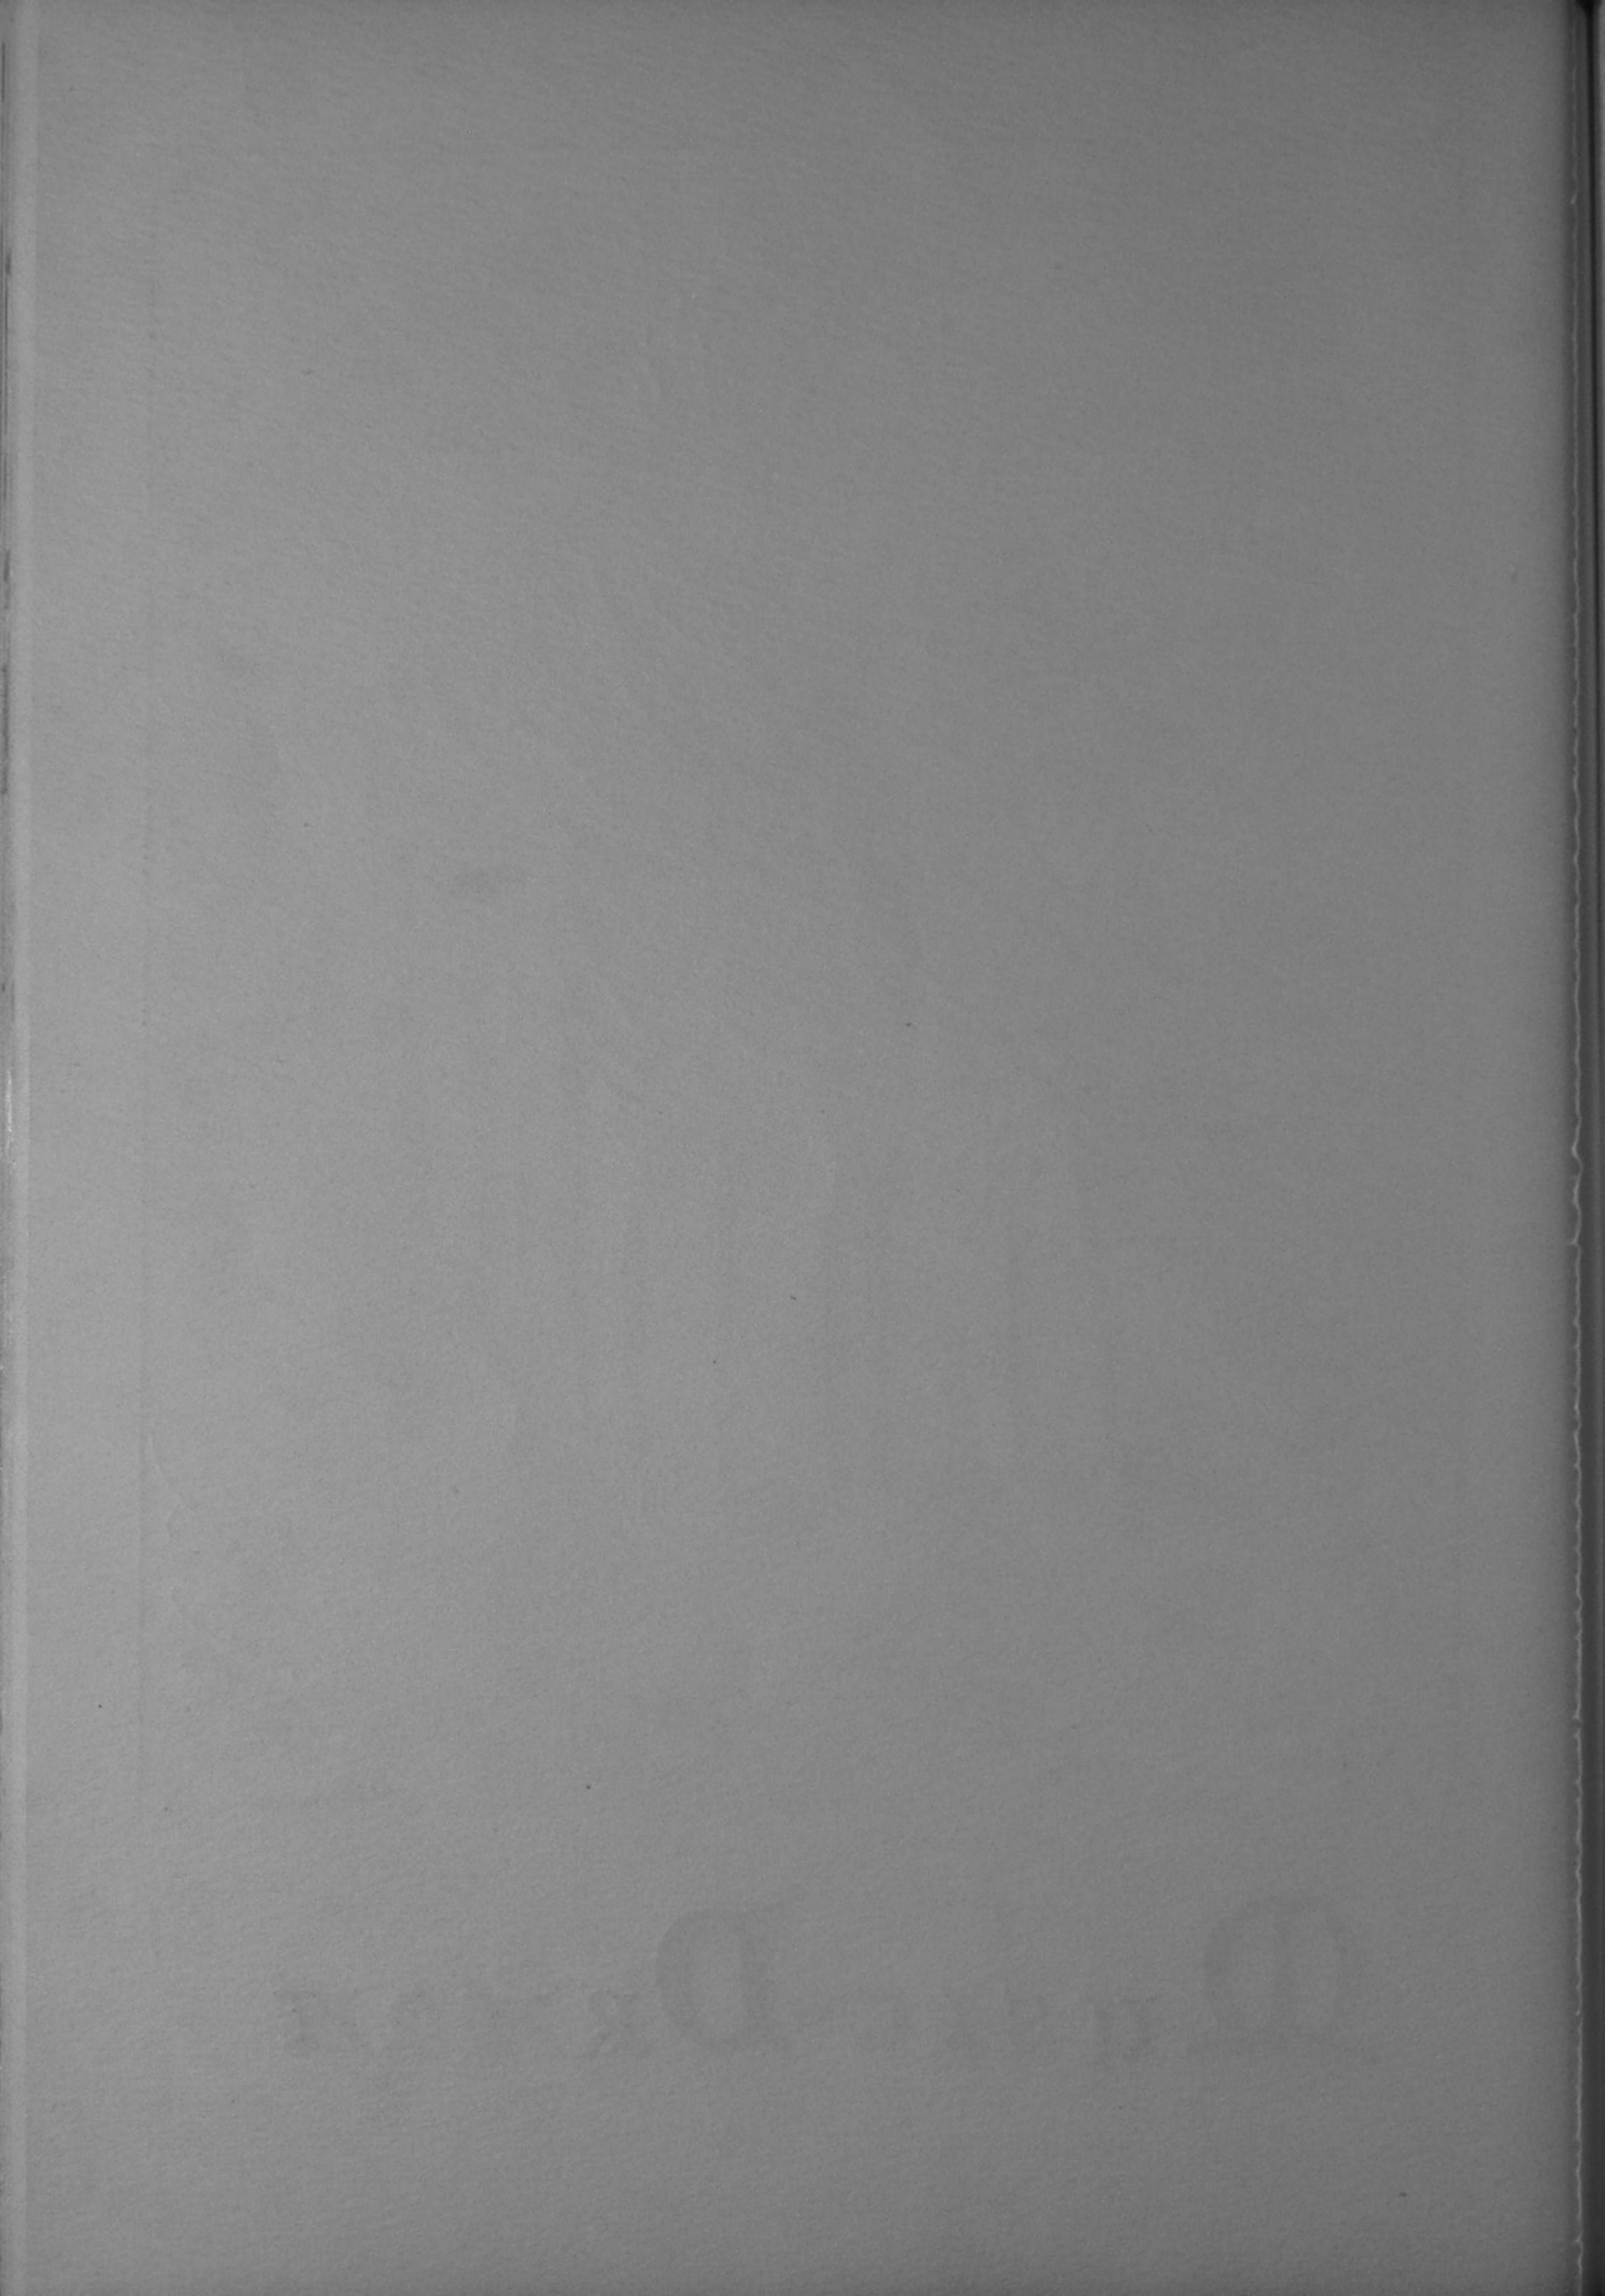

At Christmas time the club had a tree, decorated in the true Roman fashion with real wax tapers. They also presented a play comparing the American and the Roman methods of celebrating "Saturnalia". Latin Christmas cards were made and a basket of food was contributed to The Salvation Army. Latin Week was celebrated by bedecking the halls with posters serving to stimulate interest in Latin. Officers elected were: Consuls, Bill Hoover and Rebecca White; Quæstor (secretary), Barbara Himes; Quæstors (treasurers), Joanne Moritz and Bernice Winters.

MUSIC-DRAMA

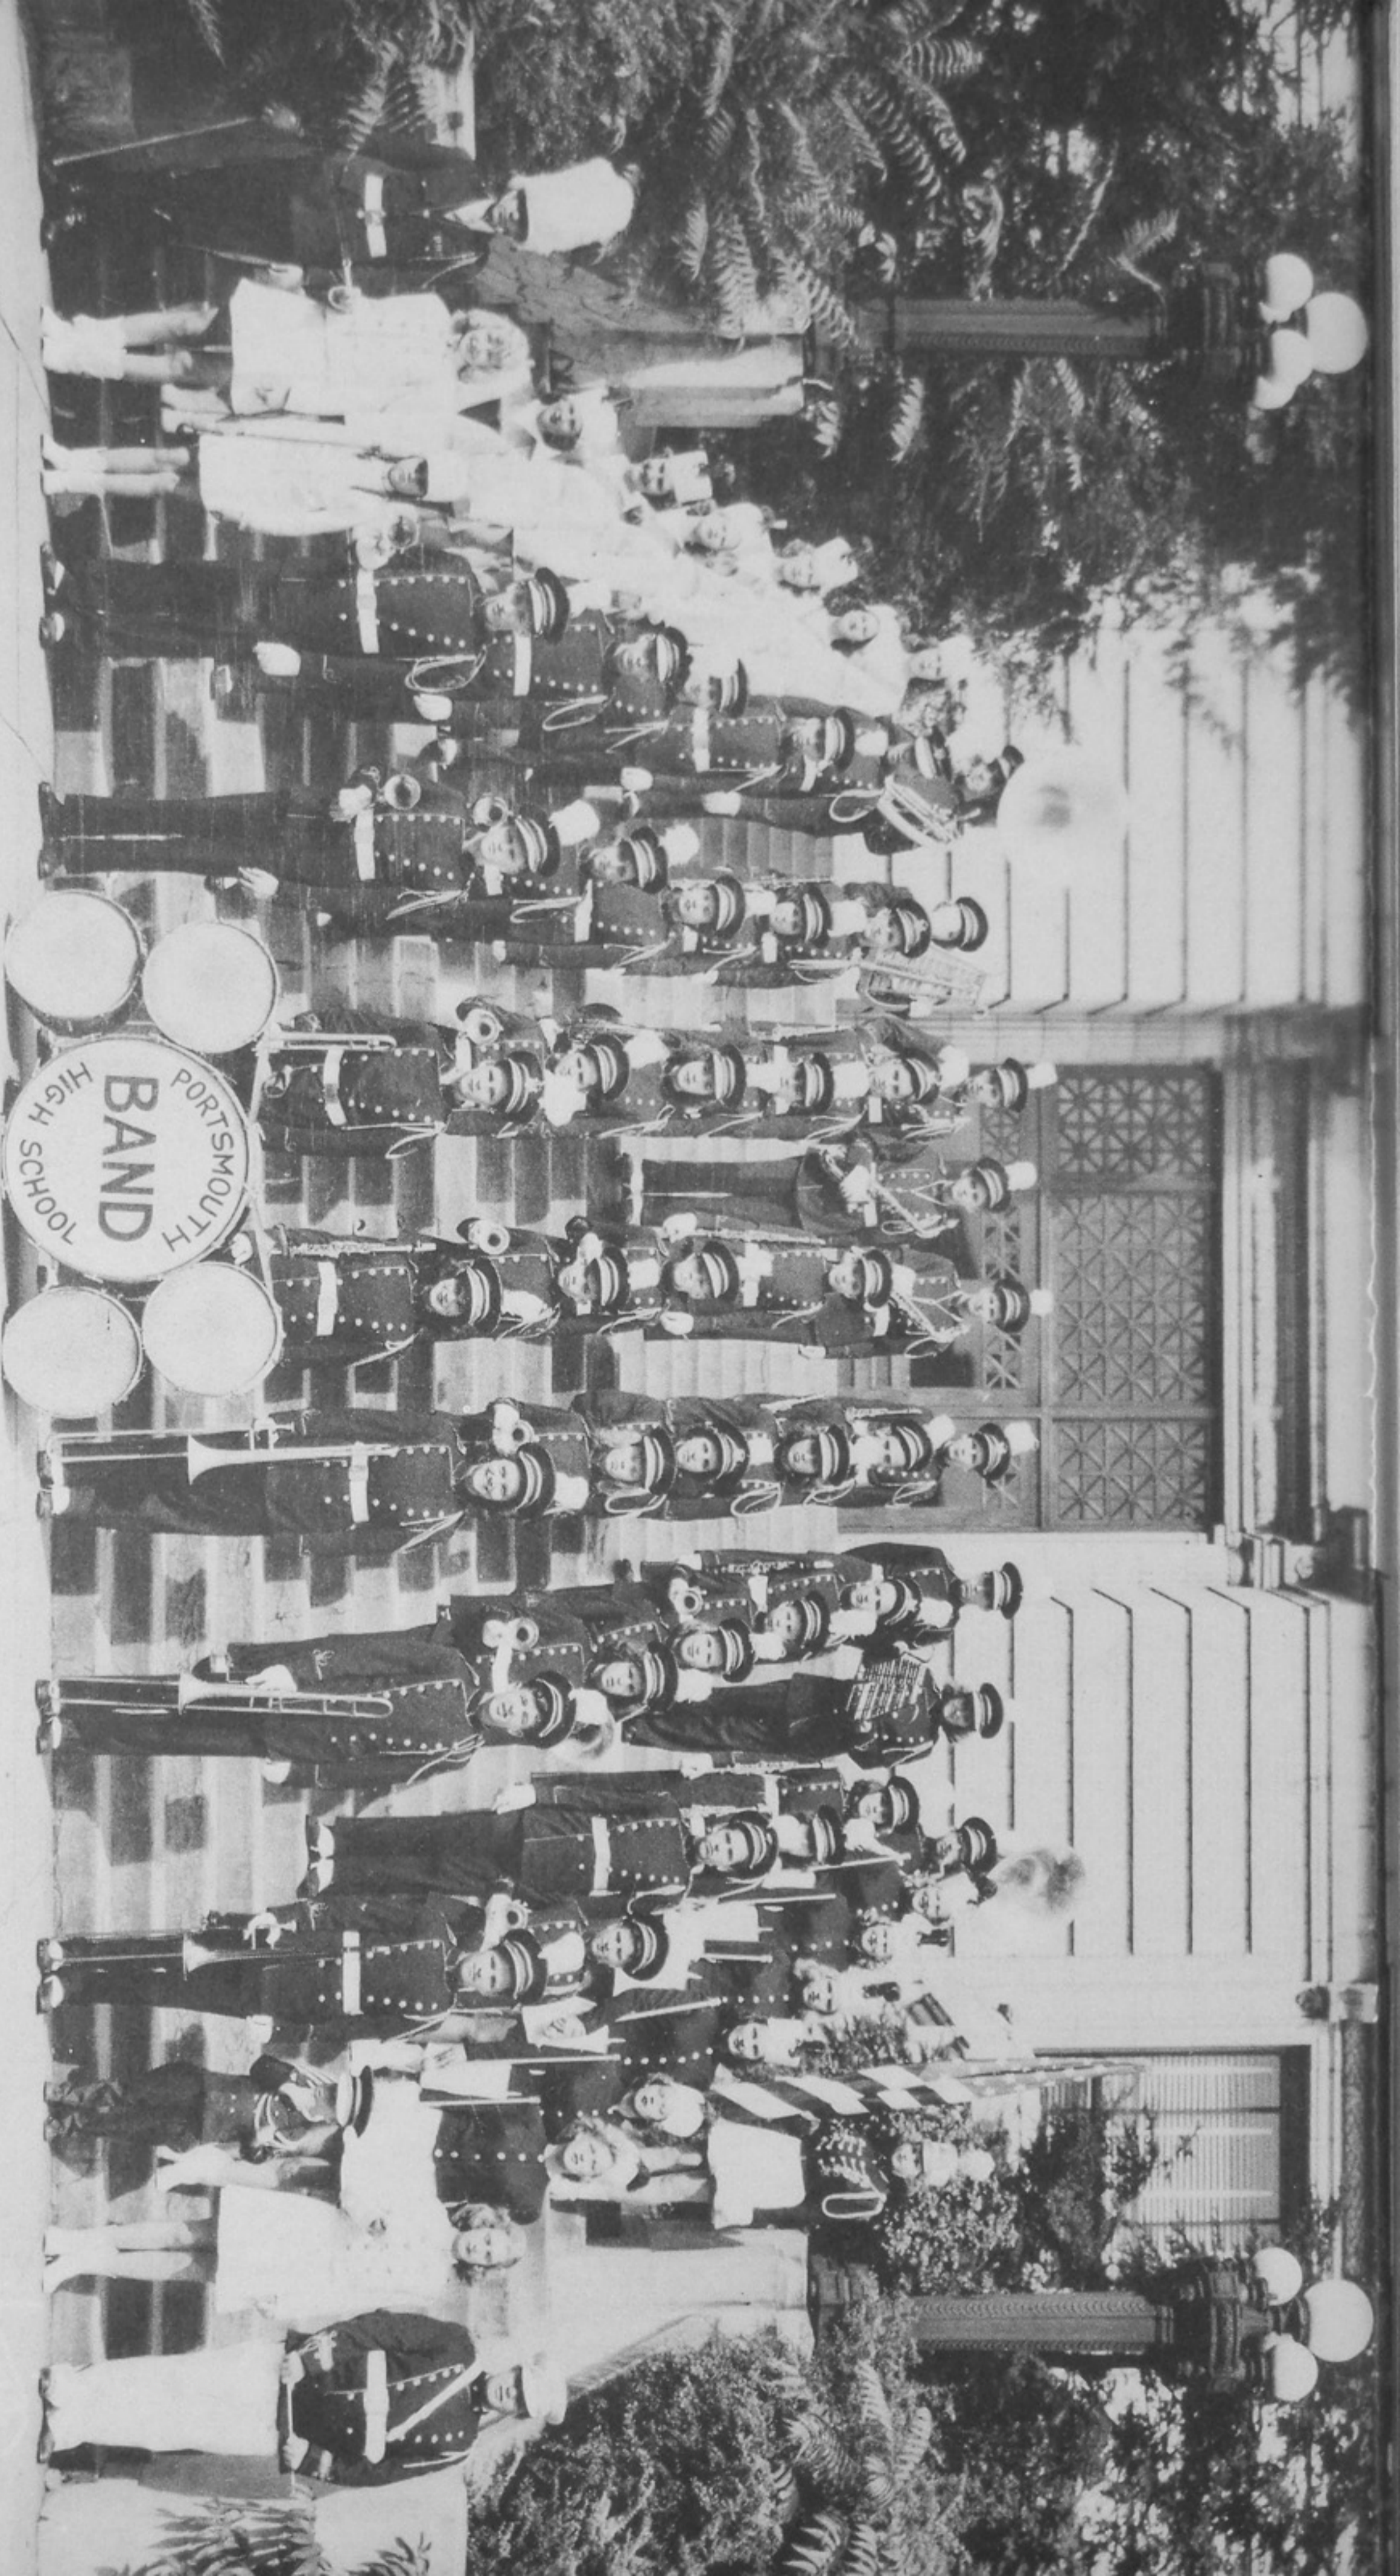

Miss Sadie Mann, Portsmouth High School choir and glee club instructor, came here from Concord, West Virginia, where she was critic music teacher. She received her degree in Public School Music from the Peabody Conservatory of Music in Baltimore, Maryland, and her B. S. degree and Music Education at the University of Cincinnati. She also attended Cincinnati Conservatory of Music and the University of West Virginia. The operetta, "Words and Music", given by the combined glee clubs on March 21 and 22, 1946, was under her direction.

Mr. Harrison Elliott, band and orchestra director of Portsmouth High School, came to us after seven years of teaching in Kentucky schools. He received his musical education at the University of Kentucky, where for two seasons he was official composer for the "best band in Dixie". Mr. Elliott gained national recognition in 1935 when his folk opera, "Call of the Cumberlands", was given its world premiere on a coast-to-coast hook-up by NBC.

Groups originating from the band and orchestra are: The Delinquent Four, The Boogie Boys, and the String Ensemble.

D. Baker, J. Hobbs, M. Revare, and S. Combs were Portsmouth High School's representatives to the All-State Band at Cleveland, March 31.
