SPIRIT!!**

You can find it everywhere here at PHS. We especially have had a lot of spirit this year with it being the last year in the building. Every last event is celebrated because it is the final time it will ever happen. For example: a game played in the gym, a musical performed in the auditorium. We want to celebrate all the good times that have happened here at PHS

**Queen
Chanelle Lewis**

This year, homecoming was celebrated a little differently than in the past few years - Luckily, the candidates were able to enjoy good weather allowing for a caravan that traveled inside of the stadium, and a dry walk across the field. Chanelle Lewis was crowned our 2005 homecoming queen! Kayla Chandler was the senior attendant. Junior attendant was Sarah Mullins, sophomore attendant was Annie Glockner, and freshman attendant was Heather Krekeler. "Being crowned this year brought back memories of being the football freshman attendant", said Chanelle.

"A Winter Walk In The Park" was this years basketball homecoming theme, but, on the contraire, the weather was unusually warm for a January 7th night. Four girls from each grade got all dolled up and had their fathers escort them during the ceremony. Anticipation built as the speaker paused before he announced the winner of each grade. Finally, the queen was chosen- Cassie Bradford!!

From the first day of school, the Class of '06 knew they had to make lasting impressions on the "old" PHS building. Being the last graduating class, they knew much was expected of them. Nerves were high and emotions were rampid. Ending an Era, the seniors of '06 took it upon themselves to make the year unforgettable. Walking across the stage for the last time was an emotional task for this group, and it was certainly a memorable experience for the community.

Best of luck to the Class of 2006!

Newspaper Staff

Extra! Extra!

Get the update on Portsmouth High School's newspaper staff! This year the staff consists of five members, Howard Harcha, Aaron Lacy, Taylor Cooper, Andrea Llewellyn, and editor Anne Brandel. The advisor of Newspaper staff is Mrs. Howell.

What does it take to be a member of Newspaper Staff???

Applications are taken and you must meet certain criteria before entering the world of journalism. Along with writing assignments and selling papers, you must also complete a community service project once every nine weeks. Newspaper staff isn't all just about lay outs, they get creative every year and go on field trips to newspaper offices. They also host the annual cutest couple contest!

Although this years staff was small in number, they showed up with a great amount of ability. With four experienced members the job was bound to get finished. From snapping photos to finishing the last few spreads, the yearbook staff was extremely busy. Hard work pays off, the staff was occasionally treated to a party. These girls did a great job of capturing **THE END OF AN ERA!**

The yearbook staff hosts the annual Snowflake Ball. Hosting includes baking goodies, coming up with a theme, decorating the cafeteria and cleaning up. This year was special because this was the last year to host the Snowflake Ball in the old PHS cafeteria.

Some of the staff members gather for a picture after eating lunch at Alexandria Point. "Its hard to believe that this is my last year to be a part of yearbook staff. Mrs. Keating and the staff really made it memorable!" said Senior member Eun Hae Jones

Emily Curtis shows her appreciation for her artwork by kissing it.

Chelsea Walburn concentrates on her masterpiece.

Don't you love walking past and admiring all of the artwork hanging in the showcase in the hallway? Don't you wish you had as much artistic talent as the students here at PHS who participate in the art programs? Art club is for students who want to do more with art outside of school, socialize with their friends, and just have fun. This year the Art Club helped out a church by touching up a Nativity scene with a fresh coat of paint and learned how to do ceramics.

Che Pickles, Robby Harris, A.J. Johnson, and Alex Moorhead dress up in their unique styles for a show on My Portsmouth High

My Portsmouth High gives Portsmouth High School a unique touch that not many other schools in this area have. Students here at PHS have the opportunity to create their own shows to broadcast throughout the school for the student body to see. It takes time and effort to create storyboards, film, and edit the footage. Also the students create graphic designs and beats to put on their shows. The media class also entered into many competitions this year and came out successful.

NATIONAL HONOR SOCIETY

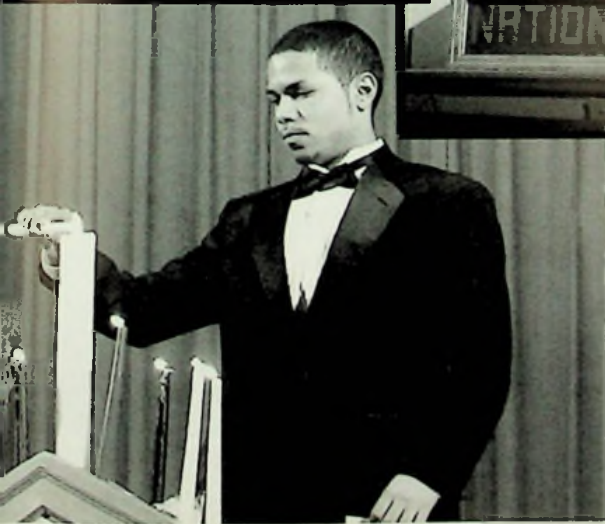

Society

EACH YEAR JUNIOR AND SENIOR STUDENTS APPLY FOR THE HONOR AND WONDERFUL OPPORTUNITY OF BEING CHOSEN AS A MEMBER OF THE NATIONAL HONOR SOCIETY. THE NATIONAL HONOR SOCIETY REPRESENTS THE BEST OF CHARACTER, LEADERSHIP, KNOWLEDGE, AND SCHOLARSHIP AT PHS. MEMBERS MUST COMPLETE SIXTY HOURS OF COMMUNITY SERVICE, AND A TWELVE HOUR INDIVIDUAL COMMUNITY PROJECT. THE GROUP IS A GREAT BENEFIT TO SCHOOL AND SOCIETY! BAND 2006

The PHS Band put on wonderful shows this year on and off the field. For the first time since '99, they brought back competition! Although they did not place, they had a really fun and fulfilling experience. Senior April Timberlake said, "Even though we didn't place, it was really great going out there and showing them what we had worked so hard on!" Graduating twelve seniors will be the biggest loss the Band has had in years. Remaining members hope to add to their numbers next year as they move into the new building and keep the spirit of music alive at PHS. We hope to see them continue competing and wish them the Best of Luck!

My Point, My Set, My Match: Your Loss!

These ladies started off slow but ended up with a record of 9-4. One of the many highlights this season was regaining victory from Athens and Minford after losing to them earlier.

Although this sport is tough, the tennis team wasn't all work! Before the season started they celebrated with a pool party at Coach Wells' house, and to relax before sectionals, they had a traditional Girls Night Out, where they had a fun scavenger hunt and snacks galore!

Senior Co-Captain Brittany Richter quoted, "Overall the season went out with a smash! Playing number one singles was tough. I had some pretty big shoes to fill. The team did awesome this year, and I am so proud of everyone. The attitudes were great and we always walked away with a smile. I will miss all the wacky moments and all the girls."

Partners Katie and Kayla relax after a hard practice. Katie said "Kayla and I had a great season. Together we were 9-1, and we always had fun!"

"Me and My Shadow..." Megan and her "shadow" show one serious tennis move!

GOING TO A GOLF MATCH, YOU LEARN A COUPLE OF THINGS... YOU WALK A LOT, SO WEAR COMFORTABLE SHOES, THE GOLF BALL ISN'T SUPPOSED TO GO INTO THE WATER OR SAND, AND YOU DON'T MESS WITH THE PORTSMOUTH TROJANS. OUR GOLF TEAM BROUGHT THEIR CLUBS ONTO THE COURSE WITH ONE THOUGHT~TO WIN. THEY CAME MARCHING IN THEIR POLOS AND KHAKIS TOWARDS THE COMPETITION, READY TO PLAY, AND THEY SWUNG THEIR WAY TO DISTRICTS. THEY MADE THE GAME OF GOLF EXCITING AND MADE OUR SCHOOL PROUD. GOOD JOB GUYS!!

Portsmouth Trojans

The Portsmouth High School volleyball team had a great season. With the combined effort of each player, the team shined. Coach Pennington commented: "The PHS varsity volleyball team finished the season with a 13-8 overall record. The season proved to be one with great improvement, excitement, and many accomplishments. The team really worked together and also had both seniors obtain honors at the district level. Sarah Barney and Brittant Skaggs will be missed as the rest of the team prepares for an exciting 2006-2007.

Trojan Football

This year was a rebuilding year for the Mighty Trojans' football team. After graduating 21 players last year, and having only 5 returning seniors, the Trojans had to toughen up. They trained and practiced hard throughout the summer to get ready for the rough schedule ahead of them. Coach Clifford said, "Our season was definitely a disappointment if you go by the record. After posting a 68-23 win-loss record the past 8 years and 5 trips to the play-offs, you can understand why we weren't satisfied with the record. However, the effort these young men gave us week after week will never be forgotten. We are working hard now in the weight program to make sure this doesn't happen again." The Trojans may not have posted a winning record, but they did gain the respect of the coaches and fans; this young team is expected to come alive. Good luck next year guys!!

Brya also received the All District award two years in a row. Junior Jennifer Bendolph averaged 19 points and 11 rebounds a game; she and Sydnee Jordan, another junior on the team, received District Honor and Area Honor. Brittany Stanley improved throughout the year and the team is expecting great things from her next season. Coach Albrecht would like to thank Coach Shoemaker and Coach Nelson for all of their support and help. The team is looking forward to getting prepared for next year while training in the off season and getting into the new gym. New Season, New Coach, New Swimmers!

Although many of last year's swimmers did not return, small numbers were not going to stop this team from making a *splashing success*.

The girls and guys stayed positive under the guidance of their new coach, Tom Grashel. Even though the girls had some big *fins to fill*, they still had fun. Ceci Purtee said "It's hard to change, but there are certain changes that can make you grow. These changes might not be very fun in the beginning, but they always help later." The guys on the other hand were very successful in holding down their title as 2005 County Champs.

Freshman John Chabot dives into the water while Coach Grashel times him. "Practice really helped me out. The team really made me feel welcome, being a freshman."

Andrew Cline gasps for a breath as he races through the water. "It was awesome being number one at butterfly. I knew from the beginning we would win the County Championship."

Sophomore Jenny Pruitt waits on the blocks to start, while teammates stand off with support.

The Trojan swimmers line up during warm-ups to work on starts. Sophomore Matt Harcha said "It felt nice to win back-to-back County Championships."

SOFTBALL

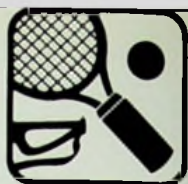

The Lady Trojans' season has been described by Coach Albrecht as a "Tale of Two Cities". The season started out with a lot of confusion, but the older girls (5 seniors) decided to take charge, and it finally turned around. Everyone started playing and hitting well. Coach Albrecht hopes that the team set the cornerstone to get the program back where it belongs. There should be some good younger girls coming through, and hopefully the current players return for the next season. All in all, they had a fun year, and they finished strong!

Trojan Boys Track

The 2006 boys track season was an interesting mix. Coach Burke fielded one of his biggest teams in terms of numbers with a good combination of experience & youth. The season started off on a promising note with competitive meets, including capturing the runner-up trophy at the Northwest Invitational. Shortly after, a devastating series of injuries to seniors Matt Spradlin, Chris Tackett, & Ryan Rigsbee cut into the team's depth. However, young runners like Malik White, Zach Link & James Lawson stepped up to keep the Trojans competitive. Returning runner Tyler Richburg, and newcomers Matt Chandler & Charlie Doll also provided good efforts along with senior Che Pickles. Coach Burke has high hopes for young, but talented throwers Nate Cadogan and Tyler Staker as well. The season concluded with some good efforts in the district at Oak Hill. The 400 relay and 1600 relay teams qualified for regionals where they bowed out in the semi-finals.

TIME

The Year Comes To A Close

Time is ticking as the last month approaches and seniors begin to prepare for graduation. As for the underclassmen, they have the excitement of looking forward to cleaning out lockers, going on field trips and attending school in the brand new buildings. The teachers have big messes to clean up in their classrooms and a lot of stuff to move. This is a stressful time of year but it will all be worth it in the end! **School is OUT!!!**

Students gather in the cafeteria for breakfast before AP testing!

Students take a last "changing of classes" walk through the "old" PHS building. Soon they will begin their walk through the newly built Portsmouth High School.

Troy Parker helps with the locker clean-out!
