Sun. Mar. 7 1894  
A nice cool day  
I rode up to  
Tompan by a  
battering of (24)  
A large cloud  
then

Jenny very sick  
Behz & Bertha  
up in Smiths.  
I eat down  
then

I walked down  
home with Anna  
and spent the  
evening they  
playing checkers  
and popping corn

Mon. Mar. 2 '26

A nice day  
Fog last night  
but thawed  
during the day  
& took Smith's  
place and  
went down and  
met with the  
guinea.

Joe Call came  
over after a  
load of corn  
I worked in the  
orchard  
lost all the  
peaches killed

Tues. Mar. 3

A nice day  
Fog had last  
night but  
thawed during the  
day.

& I half miled the  
sleigh, hauled a  
load of pads  
and plowed  
the rest of the  
day in the  
orchard.

Thurs. May 4  
A nice day.  
Foggy. Thawed,  
I plowed all  
day in the orchard.  
A boy baby  
born last night  
to Jennie Smith.  
The priest  
gave a christening  
for Pat Ma.

Thurs. May 5  
A fine day.  
Foggy - had  
last night.  
Thawed during  
the day.  
I worked clover  
seed until  
noon.  
Plowed in  
the orchard  
the rest of  
the day.  
Jim Martin in  
here to night.

Fri. Mar. 6.

A cloudy day  
Rained last  
night. Thawed

& plowed  
all day

Pa. rode over  
to Dr. McFalls  
to look at

some high  
glens, which  
cross the  
Creek

Sat. Mar. 7.

A nice day  
Rained last  
night

& plowed  
the orchard all  
morning

Cut sprouts  
after dinner  
back to high  
to cross

Genist & went  
down to church

Sun. Mar 8.  
A fine day  
all day.  
Sun. here  
I read most  
all day  
Spent my and  
read Warming  
things  
Wrote down in  
the by way to  
church.  
Spent the  
evening paper  
and after church  
at Father's  
singing and  
listening to music

Mon. Mar 9.  
A cool morning  
Fog had  
I started cloudy  
read all day  
but down  
I drove down  
to the Hill and  
then up to  
Mr. Swannabarger  
to get a cast  
wheel but  
baked to get it  
same back to  
church and  
prayer. Evening  
was home in the  
blessed. thanksgiving

Tuesday 10.  
A nice day  
Drove a letter  
Explored a  
bit of day in  
the Dapple glass  
Burnt brush  
and repeated  
the rest of the  
day  
Gavin & I drove  
down by the  
hill to church  
Gavin had his  
replum so we  
spent the evening  
at Hothorn  
again.

Wed 11  
Snowed all day  
A wet sticky  
snow. Most  
of it melted as  
it fell  
Drove home  
Chopped wood  
all day for us  
The whistling  
The snow must  
all day!

Thursday, Dec. 12  
had dinner  
around home

after a. p. in  
the shop and  
revised & shared  
grades  
to supper down  
to the Hill  
by meat with  
the boys. but  
they parted  
to camp. I stopped  
at Sam's to  
get a bunch of

Friday, Dec. 13  
Tape hard this  
morning.  
He finished around  
midnight  
I worked up  
on the arches  
hill.  
Walked over to  
the parsonage to  
mail a letter  
He and I were at  
the meeting in  
church  
Hilly & I  
Came back  
with Chappin

Sat. Mar 14

A nice <sup>mark</sup> forenoon  
but cooler after  
part of the day.  
Froze hard this  
morning.

A cleared off  
a patch of  
brush in the  
yard.  
Ben. Wasmuki  
came over and  
preached at  
our school here  
this evening.

\*

Sun. Mar 15-

A right good  
rise, snow fell  
last night and  
has snowed  
hard most of  
the day but  
it is warm  
and a great  
deal of the  
snow has  
melted. The attend-  
ance at 10 A.M.  
was at 7 P.M. today  
at the school house.  
A bad time

Mon. Mar. 16.

A big snow  
but melting  
some

Not very cold.  
Pharmky went  
home this  
morning

We fixed  
around and made  
boards

Gene & I drove  
down to the  
hill to church

Tues. Mar. 17.

Frost a little  
last night  
Gene & I hauled  
a log to the  
mill with  
four mules.

We then made  
boards the rest  
of the day  
We rode down  
to church

Wed. Mar. 18  
Froze a little  
last night,  
& hauled  
manure down  
on the island  
most all day.  
Began to rain  
in the evening  
and is still  
raining.

Thurs. Mar. 19.  
A steady rain  
most all last  
night.  
The creek most  
out of banks.  
We played around  
& pitched down  
a lot of steam  
and fixed the  
shad for the  
calves.  
Sollid the stalk  
and shored  
some boards.

Tue May 20  
Snowed a little  
Turned cooler  
The lined around  
most all day

Sat May 27  
Fierce, hard thin  
syringing but  
thawed up during  
the day

A nice day  
Guns & attend  
the staff sale  
at Okechuk.  
Took a quantity  
wheat up.  
A big lot of  
horses was thus  
for sale but  
none sold.  
Took Gunt a calf  
sold.

Sun. March 22  
A soft cloudy  
familiar but  
cleared off and  
turned a little  
cooler towards  
evening.

At home all  
day.

Read most of  
the day.

Mon. May 23  
A nice day over  
head but bad  
under feet.

~~Very cold~~  
Snowed a  
heavy snow  
this morning.  
Nothing done  
to day.

Genly about  
down with  
the day.

Tues. Mar. 24.

A cold morning  
but warmed  
up and snow  
began to lean  
fast.

I hauled  
manure half  
day. Found the  
rest of the day  
gives some  
better

Wed. Mar. 25.

A nice day  
over head but  
bad under  
foot.

Froze last  
night - So I  
sledged manure  
untill noon

Thurs. Mar. 26  
A damp showery  
day. I rode  
over to McQuay's  
Bought a hog  
of him  
Looked for  
some young  
cattle but  
found none  
that suited  
Same man  
thinks and  
saw several  
that I had  
business with

Fri. Mar. 27.  
A nice day  
I burned brush  
most all day  
Got ready to  
take load of  
wheat to Webster

Sat Mar 28

A nice day  
Glen & I took  
a boat to Bobbit  
& took the  
express and a  
boy to haul  
the hog from  
McKellar.  
I did not  
get back  
until after  
dark

Sun Mar 29

A warm damp  
day. Rained  
some. After dinner  
I rode over to  
Mr. St. Basil's  
found them  
rather under  
the weather  
had a nice  
time

Mon. Mar. 30

A nice warm  
day. Cloudy  
blame home  
this afternoon.

Gathered a  
lot of apple  
scions to  
graft.

Tues. Mar. 31

A damp warm  
day. Rained a  
little  
& gathered grafting  
material.

Rode up to  
uncle Charles  
and got some  
grafting  
Bell Barker can  
down home  
with me.
