Football season of 1961 had an early start with the first game being played one week after school opened. There were no previews this year, and East opened its season with a 12-0 victory over Wellston High School on our own field at Allard Park. This victory seemed to inspire the team to strive for a highly successful season. The Tartans won ten games and were scored upon only once. Notre Dame stole across their line for a six-point score. East for the season scored 398 points with Morris Gullion breaking all East former records with 156 points.

Morris Gullion and Allen Lee were chosen back and lineman of the year respectively, and several other players made the All-Star team. These boys were honored at the annual assembly held at Portsmouth East. Mr. Pogue was chosen coach of the year.

Mr. Pogue gives pep talk in assembly and the cheerleaders lead the school in a rousing cheer.

The picture above shows how happy our boys and our coach were to receive the S. O. C. trophy.

## S.O.C. CHAMPS

ROW ONE: Keeton, Manager; Craft, Brewer, Smith, Whitely, Lee, Gregory, Falls, Vogel, Ruth, Bauer, Manager. ROW TWO: Schonkwiler, Craft, Edwards, Rooney, Horton, Craig, Bear, Schneider, Gullion, Ruley, Chamberlain. ROW THREE: Pogue, Head Coach; Wolfe, Logan, Owen, Howell, Campbell, Wadkins, Warren, Benner, Doyle, Chamberlain, Knapp, Bailey, Little, Schomburg, and Carson, Assistant Coaches.

Take a look at how we won our title and kept the opponents to a low score. Thanks!

## FUTURE STARS

ROW ONE: <sup>Donnie</sup> Bailey, Wadkins, Little, Wolfe, Chamberlain. ROW TWO: Campbell, Knapp, Howell, Warren, Doyle, Benner, Owen.

Juniors had the concession stand as one of their money-raising projects.

Mr. Lou Carson was the junior-varsity coach this year. We know the experience gained will be a great help on the varsity squad.

This year our football banquet was held at Portsmouth East with coach Bill Hess as the main speaker. Mr. Hess is the coach at Ohio University in Athens. Allen Lee was awarded a four-year trophy. The cheerleaders were presented a megaphone for their support at all the games. Our Boosters Club gave each of our coaches-- Mr. Pogue, Mr. Schomburg, and Mr. Carson, a present for their splendid services rendered.

"Are you cold, cheerleaders?"

"Ladies and gentlemen, the East High School marching band!"

Mary Powell  
and  
Harold Carter

- Our football cheerleaders led the crowds in lifting the team's morale. They are, left to right: Marilou Goddard, Rena Young, Evelyn Porter, Sue Swick, Vicki Curcio, Barb Withrow.

Illness prevented senior Evelyn Porter, from cheering after the football season. For that reason Nadine Shepherd became a cheerleader during the basketball season and replaced Evelyn's pep.

Mary Powell and Harold Carter were chosen as head majorette and drum major. They received their positions after tryouts to search for leadership and ability to perform. Although Harold was only a junior, he did his job well and received many compliments. Mary and Harold, with the other majorettes, attended Morehead State College last August. After a week of strenuous practice, they were well prepared for the football season.

At the last football game, the members of the band who had served four years were recognized in a special ceremony. These people will miss the summer practice and parades very much and wish to give their positions to the eager freshmen. The senior members are Nancy Walker, clarinet; Ruth Johnson, French horn; June Schneider, clarinet; Cheryl Samson, clarinet; Phyllis Bussler, trumpet; Bob Payton, bass; Jerry Mershon, trombone. The majorettes are Barbara Birkhimer, Harriet Saunders, Glenna Gammon; Mary Powell, and Nancy Melvin. The majorettes who will replace the regulars are Connie Covey, Lois Crabtree, Patsy Jones, Sharon Couley, and Vicki Watts. Good luck in the coming season!

Our last home game.

## EAST

### S.O.C. CHAMPIONS

Defeat is hard to take after not knowing it for a year.

Many members of the "Mighty Tartans" played on both football and basketball teams.

"The Tartans" were, as many thought, the state champions; but as tournaments go, "going up the ladder" means winning all the games one at a time. They faltered on the twenty-second rung, to a team who proved themselves three points better in an overtime.

East won the S.O.C. Title and captured the non-county tournament. According to the United Press Poll, they were rated sixth in the state in their classification.

When the going was rough, each man on the team proved himself capable of filling the gap, as each player was high-point man in at least one game.

There were five seniors on this team that will be greatly missed. They are Ray Keeton, Jerry Craft, Doug Ruth, Allen Lee, and Morris Gullion. The junior varsity seemed to be the nucleus of another great winning team with only one game lost during the regular season play.

# "AN EVENING IN SPACE"

You're invited to step in for "An Evening in Space." Prom waitresses: Pat Schomburg, Marilyn Brown, Esther White, Brenda Storey, Donna Tussey, and Linda Shear.

In keeping with the times, as juniors we chose "space" as the theme of our prom. The gym was filled with stars and rockets, and guests were invited to step in with their imaginations for a cruise through space.

Approximately a year later in May of 1961, Alan Shepherd, a United States Naval officer, made the imaginary dreams come true. He became the first man of our country to make a real flight into space.

# STUDENTS HOLD ELECTION

About two weeks before the Presidential election, while the entire country was stirred up about the coming results, the student body decided to hold a mock election. The results were close. The Republican candidate, Vice-President Richard Nixon, was given 51% of the votes, while Democratic Senator John Kennedy received the other 49%. We later compared these percents with the national result, and Senator Kennedy won with 50.1 per cent of the votes.

# KING AND QUEEN CONTEST

The majorettes formed an entrance for the expectant candidates while the band played "A Pretty Girl."

The candidates who were in the Tartan-King-and-Queen contest were honored at the East vs. Valley basketball game in February. In spite of the poor financial condition in the area, within three weeks the candidates raised \$366. The juniors, Marilou Goddard and Jim Falls, submitted the largest amount, which was \$143, and were crowned at the basketball game.

The co-editors of the "Tartan", Nancy Melvin and Nancy Walker, presented the crowns and sashes.

Each of the queen candidates were given a bouquet with which to remember the occasion; each of the boys received a diamond stick pin.

The candidates are, left to right: freshmen, Terry Cropper and Phil Houck; sophomores, Donna Hammond and Lonnie Edwards; juniors, Marilou Goddard and Jim Falls; seniors, Vicki Curcio and Gene Cabiness.

#### CLASS HISTORY

We entered East High School in the fall of 1957 with high hopes and spirits. We began with an enrollment of 140, but only 84 of the more hardy remain. Our freshman year was overshadowed by the doubtful future of East High. Portsmouth was instituting the new 6-3-3 system, and East was to be a junior high. Through the valiant efforts of the Committee for Retention of East High, we were allowed to continue as a four-year high school. As a compromise, the graduation ceremonies of Portsmouth High and East High were combined. Again through the efforts of the Committee, our class will have its own ceremonies at Allard Park.

Our advisors now are Mr. Schomburg, Mr. Donley, Mrs. Basham, and Miss Madeira. Three of our original advisors, who no longer are teaching at East, were Mrs. Edith Stahr, Mrs. Helen Moore, and Mr. Keith Bennett.

Some successful money-raising schemes and some not so successful that the class has been engaged in are candy sales, skating parties, dances, the junior concession stand, magazine sales, the school newspaper, the junior class play, the sale of school supplies, the Tartan-King-and-Queen contest, the sale of graduation announcements and calling cards, and class dues.

Through the cooperation of this class and the class of 1960, a permanent crest was selected for our class rings, and a new three-year contract was signed with the Herff Jones Company. Our class was the first class in the history of East High to contribute to another educational institutional. To bring a day branch of Ohio University to the Portsmouth area, we contributed two dollars per senior.

In our senior year we also set some new sports records. This is the first year that a class has gone through the entire seasons of both football and basketball without a single defeat. Morris Gullion, our back, set a new single scoring record in football of 156, thus breaking the former record of 130.

# How Much Is \$165,000,000? . . .

When the current expansion and modernization program is completed at its Portsmouth Division, Detroit Steel Corporation will have spent over \$165,000,000 in its determination to make this southern Ohio steel mill one of the finest, best equipped, most competitive such plants in the nation.

That's a lot of money.

For example, had a man who was living when Christ was born, continued to live until today, and had he spent \$225 every single day during all those long years, he would still not have spent that much money.

One hundred sixty-five million dollars . . . the savings of thousands of ordinary people who, believing in the American Way, have become part owners in American Industry. . . plus the "plowed-back" earnings of the company. . . all that money, within the next few years, will have been invested in the future of the Greater New Boston-Portsmouth Area to provide jobs and security for its citizens.
