Chelsea Lemons - River Days

1st Runner-Up

Chelsea Lemons was selected to represent the WHS student body in the Miss River Days Pageant. Chelsea began planning at the very beginning of the summer and worked throughout the summer months. With the Las Vegas theme, Chelsea was assigned "Circus Circus" for her homemade float. On Saturday, September 2, 2006, Chelsea began the busy day with the annual parade through Portsmouth. During the pageant that evening it was announced that Chelsea's float won the 4th place trophy. Chelsea, WHS' contestant #12, was escorted by senior Christian Whitt and she competed in sportswear, evening gown and three interview questions. When the results were read, Chelsea was crowned the 1st Runner-up of the Miss River Days Pageant. "Being on stage and fulfilling a dream she had for a long time" is what Chelsea said she enjoyed most. Her official duties as 1st Runner-up will be to visit festivals all around Ohio with the Queen and 2nd Runner-up and to promote and represent the Portsmouth River Days and Scioto County. The faculty and students of WHS are very proud of Chelsea!

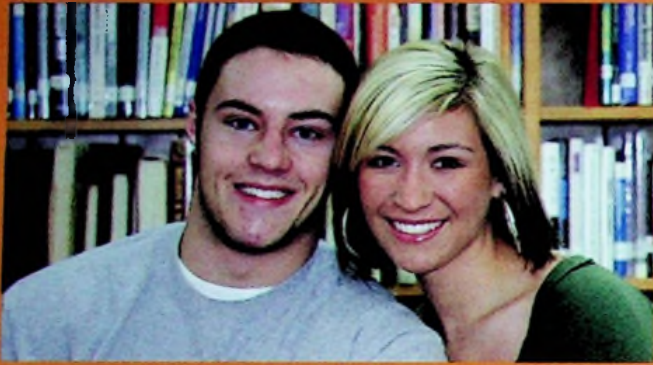

With her crown, roses, trophy and sash, Chelsea smiles with excitement after the pageant.

Miss Weisenberger retires at end of school year.

For the past 39 years, Miss Weisenberger has taught sophomore and senior English college prep classes. She taught 15 years at Green and has taught at WHS for the past 24 years. She has always supported the many academic, athletic, and club activities of WHS. We remember her Halloween costumes--her hippie outfit--but may never know if she really went to Woodstock. She participated in pep rallies, wore Pirate pins, ate Cheez-Its, danced in the WHS musical, and thoroughly enjoyed teaching. Because of her, all WHS sophomores, juniors, and seniors know the definition of Aristotle's tragedy. We have "Weisenbergerisms" such as "Do you need a drink of water?" "Are you alright?" and "Don't be doing that, that's real dumb." Last, but not least, she is famous for leading "Go Burg!" cheers before quiz team competitions, athletic events. To close the retirement assembly, she led everyone in one final "Go Burg!". The entire WHS student body and staff wish Miss Weisenberger the very best in her retirement.

In Memory of John Eaton
November 25, 1948 -- December 20, 2006

Mr. John Eaton served in the educational setting as a teacher, basketball coach, principal, and superintendent. He was principal of WHS and retired from the position as superintendent of Wheelersburg Local Schools in August 2005. He loved young people and devoted himself to helping them find success. He knew that education didn't end at 3:00. As pictured above in the WHS 2000 yearbook, Mr. Eaton was always a good sport for the students, as he took a pie in the face during a pep rally. He leaves a legacy of kindness, generosity, and concern for others. Mr. Eaton will be sadly missed and always remembered by all who knew him.

Pirates Sweep SOC Meet

In the second meet of the season, the boys' cross country team scored 181 points, taking fifth place at the Hillsboro Invitational. The Pirate boys' team scored a perfect 15 points in winning the Western Invitational. In order to score a perfect 15, you must place 1-2-3-4-5, and the boys did that for the second time this season. The girls' team placed second in the girls' meet. The Pirates continued their dominance this season with another win at the

Lancaster Invitational. The boys' team placed four runners in the top 10 to defeat some very tough competition. The Lady Pirates placed eighth at the Lancaster Invitational. Pirates Earn 3rd Place in SOC

The Pirates relied on a solid mix of seniors and upperclassmen to produce a consistent season on the links in the SOC II. Posting solid scores through their first matches of the season, seniors Alan Gulley, Brandon Cline and Michael Staker took leadership roles for the Pirates. In the second match of the four-match SOC series, WHS placed third with a score of 159 behind South Webster (154) and West (156). Alan Gulley and Tyler Thompson shot 38 and 39 respectively. Battling a tough Dogwood Hills course in the third match of the series, the Pirates headed to the Elks course in third place behind West with 168. WHS finished seven strokes behind South Webster with a 173 and Charles Floyd carded the low

round of the day for the team with a 39. After three SOC matches, the Pirates had earned team scores of 158-159-173 (490). In a wet SOC final match of the series that saw South Webster and West named co-champions, WHS finished the round with 173, only two strokes behind and finished the tournament third, 16 strokes behind the co-champions. In the sectional tournament, the Pirates ended in fifth place by 7 strokes as a team shooting a 340. Charles Floyd scored an 80, Alan Gulley shot an 83, Brandon Cline carded an 85, and Andrew Rawlings followed up with a 92. Charles Floyd was the lone member of the Pirates to qualify individually for the district tournament with a score of 80 in the third spot.

In regular season, the Lady Pirates suffered only two losses, both early in the season and went on to defeat Notre Dame to share the title as SOC champions. After three hours of play on the first day of the SOC tournament, only WHS, Minford, and Notre Dame remained to advance at least one player to the semifinals with no seeded players losing. Lauren Dever, the Lady Pirates' No. 1 singles, was the No. 1 seed and reached the third round with a bye and a 6-1, 6-0 defeat over her Notre Dame opponent. Gracie Duckworth returned for the second day after a marathon victory against her Minford

opponent that went back and forth for more than two hours before Gracie Duckworth won a tie break to win 6-3, 7-6. In doubles, Lady Pirates' Courtney Haller and Brittany Warner earned the top seed and a bye before defeating their Valley opponents to reach the final four teams. Lauren Dever participated in the district and regional tournaments in Columbus. The top four singles players came out of the same sectional and were all freshmen. Unfortunately, Lauren Dever lost 6-1, 6-1 to her Wilmington opponent to end an excellent season overall.

The Pirates began training with the team's first live-in camp for three days at the field house. The focus was to eat, sleep, breathe, and live football for the Pirates. In their season opener, the Pirates took on the Ironton Tigers in a classic girdiron rivalry. The Tigers prevailed after a field goal in the final two minutes of the game that allowed them to pull ahead for the 24-21 victory. The Pirates got their first win of the season against PHS with a 19-14 score. The following week they beat Boyd Co. for a 2-3 record. WHS kicked off SOC action against a 5-0 Valley team and earned a 21-0 win with a team high

performance of fewest passing yards allowed of only one yard. Against the Waverly Tigers, senior Kailyb Burgess ran for almost twice as many yards as the entire Waverly squad. That didn't stop Waverly however as they threw for 21 of 26 with 372 passing yards in their 34-14 win. In mid-October, the Pirates switched up their offensive lineup and came away with a 52-6 win over Northwest. The Pirates won out the remainder of the season with a 26-0 win over Minford and a 21-0 win over rival West. The Pirates ended their season with a 6-4 record but were unable to make the playoffs.

Pirates Make Final Four for Second Year in a Row

The Pirate tradition continued as they made the Final Four in Div. III for the second year in a row. It was only the fourth win of the season but it meant a lot more than that as the 61-40 victory against Ironton continued an undefeated season, defeated a Div. III rival, and earned win No. 300 for Head Coach Tom Barrick. Consistent with his nature, Coach Barrick turned the focus back onto his players' showing a lot of heart in the win. At the end of January, the Pirates' first loss came at the hands of McClain and then suffered their second defeat in a 57-60 upset by Waverly to force a tie for first place in the SOC II

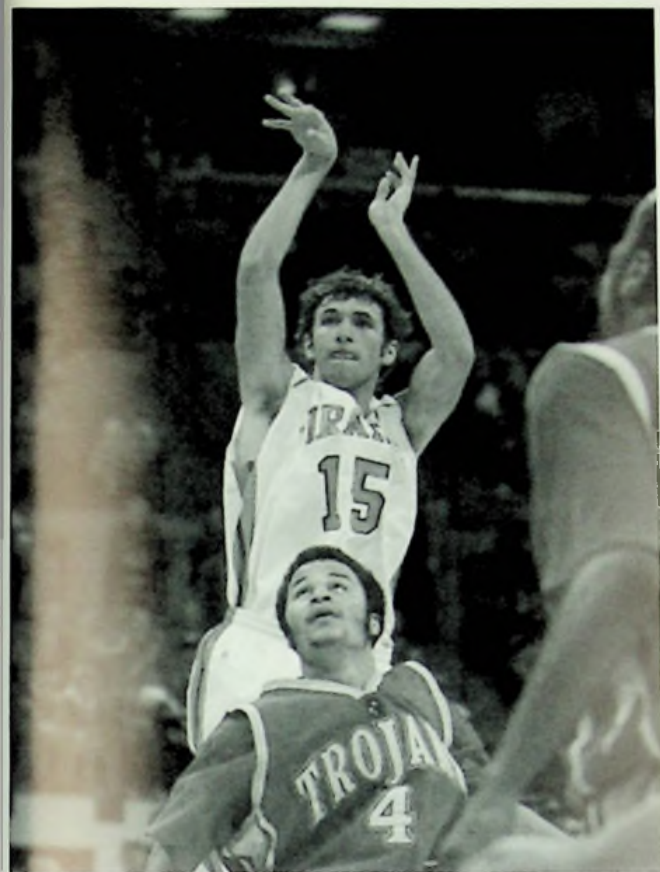

with the Pirates at 14-2 (10-1). The Pirates earned sectional, district, and regional championships as they made their way to the Final Four. WHS entered Value City Arena with a 23-2 record and an AP#6 ranking. With their back to the wall at 15-29 against North College Hill, it was all about pride as the Pirates used the second half to make the game a memorable one. The Pirates outscored North College Hill 42-28 in the second half to force overtime coming on a Cowgill 3-pointer near the end of the game. The Pirates had a chance to send the game into a second overtime as Drew Spradlin

knocked down two free throws with 4.1 seconds left to tie the game. However, with a 3-pointer floater at the buzzer by North College Hill, the Trojans went past the Pirates 69-66 in the Div. III state semifinal. Despite the scoreboard, for WHS and the community the Pirates were winners in all our hearts as they earned a 23-3 season. Cam Miller was named the AP All-Ohio Div. III Co-Player of the Year along with Player of the Year in both the SOC and the Southeast District. Drew Spradlin was named to the All-Ohio Div. III second team. Both have scored over 1,000 career points.

Lady Pirates Win Sectional Title

Jessica Blanton makes the strong pass under the basket.

As a young, small squad with only one senior, the Lady Pirates kicked off their season against Minford and though they played hard, they were eventually defeated. By mid-December the Lady Pirates would go over .500 for the season with a 54-30 victory over PHS. WHS improved to 7-3 (6-2) in the Lady Pirates 46-37 victory over South Webster with the season halfway finished. One month later it took all 32 minutes to decide a hard-fought battle between WHS and South Webster as the Lady Pirates pulled out a one-point, 49-48 win. In the sectional semifinal, the Lady Pirates downed North

Adams 58-43 to advance to the sectional final against South Point. Senior Jacquie Thayer had yet to go to a district tournament and didn't let another opportunity go by as she scored 11 points and added 6 rebounds as the Lady Pirates downed South Point 59-44 for the Div. III sectional title. WHS (14-6) took on Oak Hill in the district tournament. The Oak Hill defense forced turnovers and held the Lady Pirate scoring to defeat WHS 45-37. The Lady Pirates mounted a charge in the fourth quarter to pull within two with 1:10 left but their comeback was dashed. WHS ended with a 16-6 record.

Boys Earn SOC Title Undefeated and Break Records

WHS, Notre Dame, Valley, Northwest and East competed to determine the SOC championship. The Pirates entered the meet undefeated. The Lady Pirates took advantage of their numbers for a solid regular season with only three losses, all to Notre Dame. Eli Gerlach, Spencer Hall, and Bryan Hall led the boys' team while Beth Sloas and Mollie Brown anchored the girls' team. Records are made to be broken and the Pirates didn't waste any time doing that in the SOC championship meet as the Pirate boys secured the conference title. As a team, WHS' score of 141 topped the former mark of

97 the team set in 2005. The Pirates finished 1st in all but two events-the 500 freestyle and the 50-m freestyle. Spencer Hall won the 100-m butterfly and set a new record in the 100-m breaststroke. He was also part of the 200-m medley and 400-m freestyle relay teams which set new meet marks in both. Pirates Go Undefeated for SOC

Behind the top two single players in the SOC, the Pirates went undefeated on the season winning their second SOC in a row. In the SOC match, neither Adams or Pierron had lost a set in the tournament and forced a rematch of last year's finals. Adams won the first set 6-4 but Pierron rallied to win the next two 6-1, 6-3. Doubles Trevor Miller and Alex Provaznik lost in the semifinal round 6-2, 6-4. Twenty-eight players competed in the SOC II singles tournament but only senior Tyler Adams earned the right to play at the state level by defeating the Bishop Ready opponent at districts. Up 6-4 in

a second-set tiebreaker to his opponent, Tyler scored the next point to put the finishing touches on a 6-2, 7-6 (7-4) win to qualify for his first state tournament. No. 1 singles Chad Pierron lost to the Columbus Academy player who finished third in the state in 2006. Chad, who went to state as a sophomore, continued to help his teammate to prepare. Tyler's four years of Pirate tennis came to an end with a 6-3, 7-5 loss against a No. 1 seed in the first round of the state tournament at OSU. He will continue his tennis career at Baldwin-Wallace College and carry a piece of Pirate pride with him.

Pirates Go Undefeated in SOC and Earn District Runner-up

Spencer Hall watches for the ball to leave the bat at the plate.

After losing a strong senior class from last year, the young Pirates with only one senior went undefeated in the SOC losing only to non-conference Greenup Co. in the first game of the season and to Ironton in a late season game. Scoring runs was a Pirate consistency throughout the season that included numerous home runs and grand slams. In the Div. III sectional tournament, WHS (20-2) pounded River Valley 27-3 in the first game and defeated Ironton 4-2 for the sectional championship title. The game was a pitchers duel with Jordan Russell on the mound for the

Pirates as only one run scored on something other than a homer. Aaron Hopper got a two-run homer in the third inning and a solo shot from Adam Wamsley in the fifth. Pirate third baseman Wes Lyon applied the tag and threw to first for the game-ending double play. The Pirates 22-2 (14-0) played Westfall in the district semifinal. In the bottom of the ninth the Pirates had the bases loaded, no outs, and the game tied at 5-5. After two outs and the bases still loaded, Daniel Armstrong took a fourth ball high to walk in the winning run as the Pirates defeated Westfall 6-5. In the

district final the Pirates once again met #3 ranked Zane Trace to decide the district title as they had last year. Pirate Jordan Russell had pitched seven innings of shutout baseball and the defense had played well as the game was a scoreless tie. The Pirates managed to get two runners on base in the bottom of the seventh but would not score. The Pirates lost 0-1 to Zane Trace for the district championship title. The Pirates' season ended with a record of 24-3, an undefeated SOC season and SOC II championship, district runner-up, and ranked #6 in the state.

Lady Pirates Go Undefeated in SOC and Advance to Regional Semifinal

There would be no sharing the SOC II title this year as the Lady Pirates defeated West twice. The first game saw WHS come away with a 1-0 win and the second game, started in early April and finished May 3, was an 18-inning endurance contest that ended with the Lady Pirates taking sole possession of the SOC title that had belonged to West for nine of the last 10 years. In the sectionals WHS (15-3) knocked off Crooksville and Belpre. Round three of the WHS-West rivalry came in the district semifinal. The Lady Pirates had beaten the West Senators twice in the regular

season by very close margins, but left no questions unanswered as they defeated the Senators 8-0. The win marked the fourth consecutive trip by WHS to the district finals. It took four innings for the Lady Pirates to get on track against Huntington Ross. Brooke Baker's leadoff single in the top of the fifth was followed by a stolen base by Kelly Chaffin and a sacrifice bunt by Taylan Floyd. Laine Clay singled her in to give WHS a 1-0 lead. The Lady Pirates had five hits during the final three innings, plating two runs, and made it hold up as pitcher Brooke Baker scattered

four hits, struck out three, and the defense didn't commit an error on the day to win another Div. III district championship 2-0 over Huntington Ross. For the second year in a row in the Div. III regional semifinal, the Lady Pirates met Bloom-Carroll, the defending Div. III state champion. Senior Taylan Floyd drove in a run with two on in the sixth inning to bring the Lady Pirates within one at 2-3. However the come back fell short and the loss ended the Lady Pirates season with a 22-4 record.

The WHS boys' track team did as the Lady Pirates and took the first place trophy at the WHS Invitational. The Pirates racked up 131 points, beating second-place Fairland by 43.5 points. High-point medalist Nathan Fannin and teammate Craig Stamper teamed up and gave a nice combination in the meet. In the SOC II meet, the Pirates were not to be outdone by the Lady Pirates as they also beat out the Waverly squad by 6.5 points. The high point for the Pirates was setting a new SOC meet record in the 4 x 200 relay as Jordan Schankweiler, Matt Jenkins, Craig Stamper, and Caleb Brown ran it in 1:53.3.

In the Div. II district meet the Pirates finished second with a score of 105 behind South Point with 119 points. The Pirates qualified for the regional in 10 events overall. At the state meet at Jesse Owens Stadium the 4 x 200 relay team of Jordan Schankweiler, Caleb Brown, Nathan Fannin and Craig Stamper ran a time of 1:32.95 missing by just one second to break the school record of 1:31.86. However, the team finished last in its Div. II heat and 15th overall. All four runners will return next year with the experience of representing WHS at the state track meet.

Mock Trial

More than 3,000 students representing over 300 high school teams competed at 26 district sites across the state. The top 40 teams advanced to the state finals in Columbus. WHS' team #1 earned one of those spots at the state finals as they went undefeated in district competition and qualified from the regional competition. Students played the roles of attorneys, witnesses and other trial members and argued both sides of a hypothetical case. Team members spent weeks preparing their cases, working with Coach Gary Johnson and their local attorney. They competed in trials which lasted up to two hours and were scored individually for creativity and persuasiveness. Dillon MacDonald was named Outstanding Attorney in both of his trials at the district and regional. Christian Whitt was named Outstanding Witness in his trial at both. In addition, Shannon Stewart and Chris Nolfi were named Outstanding Witnesses in their trials at the district competition. This was the first year the WHS Mock Trial team reached their goal of competing at the state finals.

Wheelersburg High School's chapter of the National Honor Society was named after one of WHS's first graduates, George Rightmire. Nine seniors began the school year as its current members under the leadership of advisers Mrs. Regina Craig and Mrs. Joyce Riepenhoff. On November 10, 2006, NHS sponsored the 3rd Annual Veteran's Day Assembly to honor America's veterans. Then on January 12, the major event of the chapter was the Induction Ceremony 2007 for 15 new members. In addition to these events, NHS officers secured financial support for the annual scholarship reception from corporate sponsor Southern Ohio Medical Center. In connection with this partnership, NHS members provided volunteer hours at the hospital throughout the school year as their service project. Officers were Alex Prater, President; Trevor Miller, Vice President; Katie Brandt, Secretary; and Lindsay Jackson, Project Chairperson.

Quiz Team

The WHS quiz bowl team earned a 9-1 SOC league season record to tie as SOC league co-champions with Notre Dame. With only one four-year member, Christian Whitt, the team relied on a balance of junior and senior starters. Junior Dillon MacDonald served as the captain of the team. Competition took place in 10 categories that included American literature, mathematics, world history, fine arts, biological science, English literature, American government, physical science, world geography, and American history. Two additional rounds of competition included the alphabet and lightning round. In the Southern Ohio Academic Competition held at PHS, the Pirates won first place in the large school division remaining in the winner's bracket through the entire double-elimination tournament. Winning the Southern Ohio Academic Competition qualified the team for regional competition. The team was coached by Ms. Melody Williams.

Y.E.S.

The Youth Employment Services, Y.E.S., program was very busy with many community service activities throughout the year. Students participated in CROP Walk and volunteered for the Coterie Guild Halloween Party in October. They also raised money on Make-A-Difference Day for the children of the Community Action Health Clinic. Through donations, students raised approximately \$500. YES students purchased Christmas toys for less fortunate children with the donations. In December, students collected and wrapped toys for the Wheelersburg Local Schools' Safety Committee toy drive. They also rang the bell for the Salvation Army at Kroger. For the past three years, the YES classes have participated in St. Jude's Trivia Event. Through donations and pledges from the community, students raised over \$600 for the hospital.

The major financial debt to produce the yearbook was met by staff members seeking community advertising and through book orders. Through the hard work by a few dedicated staff members, a successful yearbook was created to be enjoyed by students, staff and community for many years to come and to become a part of WHS' history.

For our wonderful daughter
Katie
A special little girl God gave to us
one day,
You were placed into our arms
for us to lead your way.
The love we had for you right
from the very start,
Has grown so much and now it
completely fills our hearts.
Our lives have had some
laughter,
We've had our share of tears.
But God has given each their
place,
With the passing of the years.
You stand before us now and it's
hard to understand,
How God has turned our little girl
into a fine young woman.
But this one thing remember as
you open each new door.
That as much as we do love you,
God still loves you more.

You are a mirade! Before you had a name or opened up your eyes. God knew you were going to be special. We are so proud of you and all that you have accomplished. You have touched so many lives with your vibrant personality, positive attitude and determination, you are a masterpiece. Through you, we have learned to enjoy the simple pleasures in life. As the song goes, "We have this moment to hold in our hand and to touch as it slips through our fingers like sand; yesterday's gone and tomorrow may never come, but we have this moment today." We are celebrating this moment with you today. Remain firm in your beliefs and remember, with God all things are possible.

 Congratulations! You allowed nothing to stand
 in your way. Continue to keep your goals high
 and stay determined. Many times you've had
 to be very mature beyond your years; and, it
 has paid off. Remember, God has been by

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial statements. This includes not only sales and purchases but also expenses and income. The text suggests that a systematic approach to record-keeping is essential for identifying trends and managing the business effectively.

In the second section, the author addresses the common challenge of reconciling bank statements with the company's internal records. It provides a step-by-step guide to identify discrepancies, such as timing differences or errors in recording. The importance of regular reconciliation is highlighted to prevent small errors from accumulating and causing significant issues at the end of the year.

The third part of the document focuses on budgeting and financial forecasting. It explains how to create a realistic budget based on historical data and market conditions. The author stresses that a budget is not just a constraint but a tool for planning and controlling the business. Regularly comparing actual performance against the budget allows for timely adjustments and better decision-making.

Finally, the document touches upon the importance of seeking professional advice when needed. It acknowledges that while many business owners can handle their own finances, complex situations may require the expertise of an accountant or financial advisor. The text encourages readers to consult with professionals to ensure compliance with tax laws and to optimize their financial strategy.
