ADMINISTRATION

County Superintendent

EDWARD R. McCOWEN
County Superintendent

County Superintendent McCowen received his BS degree in Education from Ohio University, the Masters Degree from Northwestern University and has attended both Otterbein College and Harvard University.

Mr. McCowen said in a statement to us, "The Rural Schools of Scioto County are continuing to meet the great demands brought about by the impact of a great enrollment increase. Several Districts are in the process of starting new school construction amounting to somewhat over a million dollars. This money is coming from the Federal Government as a result of the A Plant. Rural Schools have already received thousands of dollars for school operation from the same source." Mr. McCowen continued his statement with this conclusion, "We shall continue to strive for the best in buildings and better educational opportunities for all boys and girls of our Rural Schools."

CLASS POEM

The time has come for us to part
To bid our books adieu,
To go out into the world alone
To see what we can do.

Some of us will part in joy
And some will part in tears
As we leave behind the many friends
We've made throughout the years.

Our thoughts are of the days gone by
As we turn to go our way
Hoping that somehow
We'll meet again someday.

We thank our parents, teachers and friends
Who've helped us all the way;
We'd never have made it without you
Or be where we are today.
