In view of his superior training, competent, leadership, and with the confidence of the entire staff, student body, and the community, we believe that the State School Supervisor in his written report summed it all up very neatly when he said, "Mr. Duduit is one of the best Local School Superintendents in the State."

EDWARD R. McCOWEN
County Superintendent

Mr. McCowen received his B.S. degree in education from Ohio University, the Master's degree from Northwestern University and has attended both Otterbein College and Harvard University. His broad vision has helped make it possible for our schools to continue to offer new courses as the need arises.

In a recent letter from Dr. Clyde Hissong, State Superintendent of Public Instruction the following excerpts will show how the schools of Scioto County rank. Dr. Hissong states, "I have just completed a survey of the high school reports filed in this office by our high school supervisors. I have been favorably impressed by the nature of these reports and particularly the evidence of the fine work which you are doing in Scioto County as revealed through such comments in the reports from the several schools. Such comment as

made by our high school supervisor give abundant evidence of the enviable record which you and your administrative staff have made in cooperation with the County Board and the Local Boards of Education in your county. Accept my congratulations upon this fine record and my best wishes for a continued fine program in Scioto County".

Mr. McCowen points out that the motto for our schools is, "Go Forward Scioto County Schools". Says Mr. McCowen, "We will continue in the years to come to serve our boys and girls in the best manner and continue to improve the educational set-up in all Rural Schools. The best is none too good for our boys and girls".

CHEERLEADERS

The Cheerleaders with their sponsor, Miss Lyda Belle Shepherd have given a great deal of encouragement to our team. Their efforts in leading the fans in cheers have helped in many ways to make this another of our successful basketball seasons.

This year the squad is composed of one senior, Helen Miller, three juniors, Judy LeMaster, Mary Lu Turner, Joan Bolander, and one sophomore, Elizabeth Flanagan. These girls have shown great spirit in backing our team. They have followed them in victory and defeat, never giving up.

CLASS PROPHECY

It is the year 1960 and we, Betty Tussey and Gertrude Sherman have returned to the city of Wheelersburg from our home in Phoenix, Arizona. Upon entering the city we see Mildred Hale and Beatrice Queen who are now teaching school at our dear old Alma Mater. They tell us that Howard Staker is manager of McCarty's Grocery, and that Stanley Braden is the Postmaster. They also tell us that Bob Hibbitts now owns a large department store in the city of Wheelersburg. Richard Aeh and Joanne Hughes are now Mr. and Mrs. Donna Haws is a secretary for a corporation in Columbus. They also tell us that Bill Flannagan is now an inventor. Gale Aeh is manager of Conklin's Garage. Virginia Hays is working at a local truck stop. As we depart we hail a taxi and are surprised to see Bill Litz and Kenny Green are the Chauffeurs. They tell us that Bob Blanton and Paul Brown are now in the Navy. Allard Lawson and Max Warnock are now great game hunters. When we reach our hotel we are greeted by none other than Betty Lou Arthurs and Mary Christain, who now own the largest hotel in the city. They call the bell-hops for us and see that they are our own classmates, Sonny Wellman and Dick Willard. After we talk for a while we realize that we are hungry. We go into the dining room where we are greeted by Barbara Underwood and Emma Lambert who are now happily married. They tell us that Helen Miller and Myrtle Rice are working for a large firm in Portsmouth. Carol Dheel is now a nurse and the wife of Emil McHenry. Glen Williams is now principal of Wheelersburg High School. Patty Dutiel and Helen Justice are now in the Waves. Roger Mullins is now a famous poet. Fannie Bailey is now a model in New York. After we finish dinner, we see none other than June O'Brien who is now Mrs. Ervin Wagner. She tells us that Henry Taulbee and Jim Tussey are now cousins and are co-owners of a large trucking firm. Edna Ruggles and Emma Pierce are owners of the local beauty shoppe. As we depart we see Jackie White a famous artist. She tells us that Joanne Miller is studying voice in New York. Dave Sommers is the owner of a large farm. Harold Purcell and Jim Parlin are now Law teachers at Wheelersburg High School. On our way to catch our plane we buy a local newspaper. As we leaf through it we read that Bob Pyles is a basketball coach and is coaching the local ball team. We read further that Harold Montavon is running for Congressman and is going to give a speech. We regret that we cannot stay to hear it but we must get started on our long journey home.

CLASS HISTORY

Yes! At Last! The Senior Class of 1950 has reached the goal - Graduation, which they have worked for twelve long years to accomplish. Looking back now to a beautiful day in September, we recall the day we started in school for the first time. For eight years we worked and played, advancing, slowly from one grade to another until we entered that wonderful place, we call high school.

Entering the first year of high school we had an enrollment of seventy-four in the Freshman class. The class officers were Robert Pyles, President; Howard Staker, Vice President; Helen Miller, Secretary; and Stanley Braden, Treasurer. Our activities for the year were a party, and a picnic at Lake White ending the year. We were sponsored by Mrs. Kelso and Mr. Doughty.

As Sophomores we entered our second year of high school, with the enrollment of Seventy. The class officers were Stanley Braden, President; Howard Staker, Vice President; Helen Miller, Secretary; and Holly Williams, Treasurer. We started our activities for the year with a hay ride, on which we went to Distel's Camp at Rush-town. At Christmas we had a party in the gym. We ended our Sophomore year by holding a picnic at Lake White. We were sponsored by Mrs. Kelso and Miss Mitchell.

Coming back in the fall as juniors we elected Bob Hibbitts, President; Gale Aeh, Vice President; Helen Miller, Secretary; and Janet Hoover, Treasurer. We started off with our Junior play, "Love Your Neighbor" given in the fall. We had a Valentine party in the gym for the Juniors and Seniors. Then the big event of the year came-working and planning to give the Seniors a banquet at the Chez Paree. Our Theme "Wish on a star", held throughout the evening made our banquet a great success. We finished the activities of the year with a hay ride to Lake Roosevelt. Following the Commencement program, we had a Commencement Prom in honor of the Senior Class of forty-nine, on the open court with Lou Martin's Orchestra. Through the year we were sponsored by Miss Richards and Mr. Preston.

At last we have reached our goal, that wonderful goal, the Senior year. With an enrollment of fifty five. Along the way we have lost some of our class mates. The class officers were Bob Hibbitts, President; Gale Aeh, Vice President; Helen Miller, Secretary; Janet Hoover, Treasurer. We were sponsored by Mr. See and Mr. Preston. We started off with a Bang! realizing it was our last year in school. We had our annual hayride, in which we went to a weiner roast on Goosecreek. Then we planned our Holiday Ball, the Juniors and Seniors were joint hosts, with Lou Martin's Orchestra. Then in April came our Senior Play, "The Boarding House Reach," which was a great success. The main event was the Junior and Senior Banquet. Although we missed helping plan for it, we are certainly grateful to the Juniors for such a nice banquet. Now as our thoughts turn towards Graduation the two days marked with great flourish on our calendar, May seventh, the Baccalarureate, and May eleventh, our Commencement.

Memories sweet, happy, some sad, and regretful, but memories of our days at Wheelersburg High School.

Our motto which carries thought for all of us; "The Future lies not within the hands of Fate, but ourselves." May we leave these thoughts with you.

By Helen Miller
