DEDICATION

BETTY REED

Our yearbook is dedicated this year to the memory of a very special lady - Betty Reed.

Betty served the Minford Schools as a volunteer for many years, during which time she gave unselfishly of her time and efforts in whatever capacity she was needed. Her love for and support of the students and schools showed through in all the many projects she so enthusiastically undertook.

Whether it was helping to make displays and bulletin boards for the teachers, doing layouts for a yearbook, planning a Halloween Carnival, or typing skill tests, Betty was always giving of herself.

The courage Betty displayed during her fight against cancer was truly an inspiration to everyone, and her tragic death was a great loss.

Betty's bright smile and cheery attitude is greatly missed, but she will always be remembered by those who knew and loved her.
