*"Once a Trojan, Always a Trojan!"*

Five years of waiting have finally come to an end as Portsmouth students and faculty are rewarded with their new, state of the art building. The first day of school was filled with jitters, excitement and anticipation of the new facilities. No more leaky roofs, hot spring days, dusty chalkboards, or broken desks. As our campaign slogan stated, it is finally:  
Our Time To Shine!

A string of students from the elementary, junior high and high school join together with Mrs. Fannin in the ribbon cutting ceremony.

# Portsmouth High School Welcome

A look below shows two fantastic murals painted in the hallways of the new high school.

Helping to kick off the new school year and the Grand Opening, Superintendent, Jan Broughton, recites The Pledge with members of the elementary school traffic scouts.

"It's Our Time  
To Shine!" 

The new schools are filled with new equipment, updated technology and fantastic amenities. These students show off one of our new "life-skills" classrooms.

Class Presidents Troy, Howard, Patrick and Rachelle accept our new school flag at the annual Veteran's Day Assembly.

# Football Homecoming 2006

No rain this year... It was a brisk fall day, and yes, there was a chill in the air, but that certainly didn't take away from the excitement. The student's votes were in, and Brooke Riggs was named the 2006 homecoming queen. Brooke and her court were sometimes serious and sometimes silly, but throughout the evening they always had fun.

She not only gave a speech in front of thousands of people, she also answered an on stage, non-rehearsed question. Even though she wasn't crowned Miss River Days, she represented Portsmouth High School outstandingly well and made the entire senior class proud to have chosen her as their representative.

The 2007 class of Portsmouth High School throw their caps as a celebration of all their hard work and memories of their twelve years of high school.

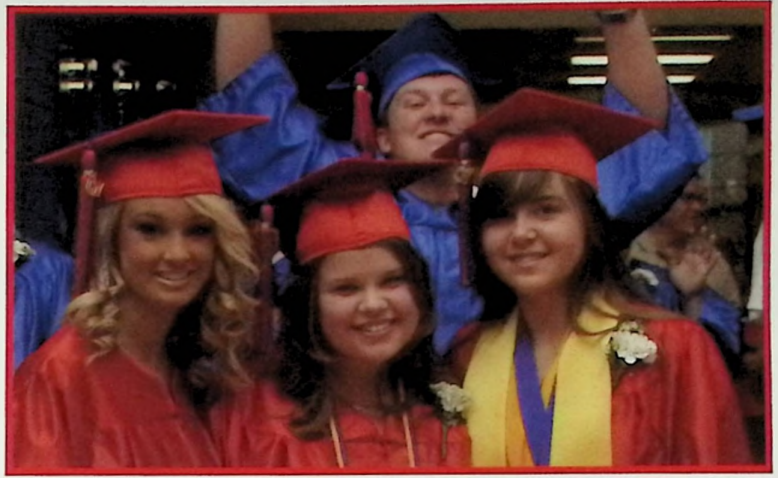

Graduation day was exciting and emotional for all the Trojans and their families. The mood was high and the ceremonies were very inspirational. This class will be remembered for many things, but they too will be remembered for being the *FIRST CLASS* to graduate from the "new" high school.

This year marked the 80th anniversary of the Emily Ball Chapter of the National Honor Society. Thirteen members were inducted from the junior class to participate in this significant organization. To be inducted into this society you must have outstanding grades, many extra curricular activities, and be a leader in your school. Character, Leadership, Service, and Scholarship are the four main traits of these members. Through many hours of volunteer work, individual service projects, and involvement in their community, these students truly shine at PHS!

Elizabeth Hardin, Troy Parker, Maggie McKenzie, Rachael Adkins, Julie Storts, and (not pictured) Jayson Jones are awarded for their participation in WSAZ's Best of the Class.

Maggie McKenzie and Ben Shultz received the Outstanding Academic Achievement Award.

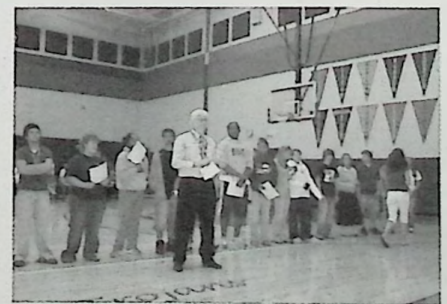

This year has been a challenge for all students as they moved into new schools and experienced the switch to block scheduling. Instead of having seven periods each day all year, they now have four blocks for half of the year and then a new schedule of four blocks for the second half. Block scheduling was sometimes tiring since classes were eighty-five minutes each, but the lengthened periods allowed for labs to be more successful and lectures to be more beneficial. Students were no longer crammed for time; they could get more done in class rather than having large amounts of homework. The students handled this conversion very well and stayed academically successful. Congratulations students on all your awards and accomplishments!

Nate Cadogan is awarded Most Outstanding Biology I student.

Brittany Stanley has definitely proven to be an outstanding student-athlete.

*The Trojan staff prepares for the Snowflake Ball by putting together and decorating the newly added, now annual, yearbook Christmas tree.*

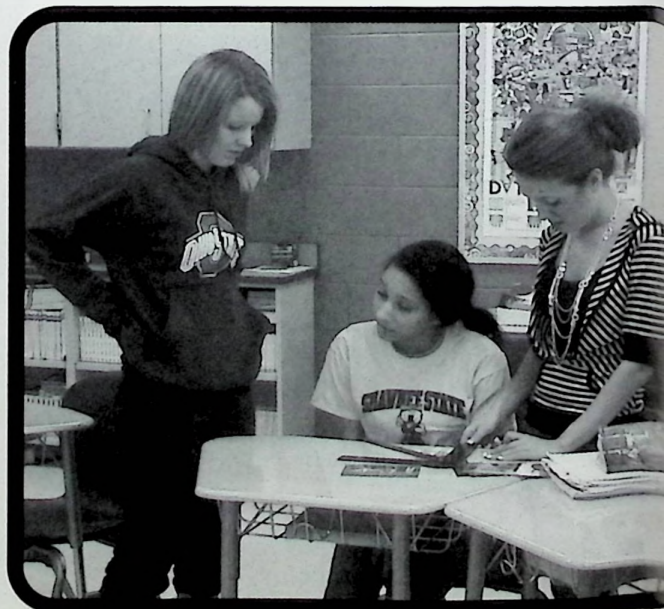

From selling ads, snapping pictures, and preparing for the annual Snowflake Ball to creating the 2006-2007 *book of memories*, the yearbook staff worked very hard. Although this year's staff had many new members, everyone stepped up and got the job done!

This year's staff included: Rachael Adkins, Anne Brandel, Kaylee Hodge, Nathalie Johnson, Jay Jones, Maggie McKenzie, Julie Storts, Jenny Pruitt, Kiley Rhea, and Gabby Scales; all instructed by advisor Mrs. Keating.

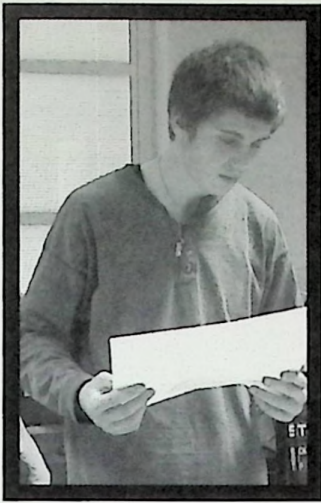

The staff did an excellent job capturing the many, memorable moments throughout the year.

Senior, Jay Jones resizes a picture for placement on the football spread.

# NEWS PAPER

## *New School, New News!*

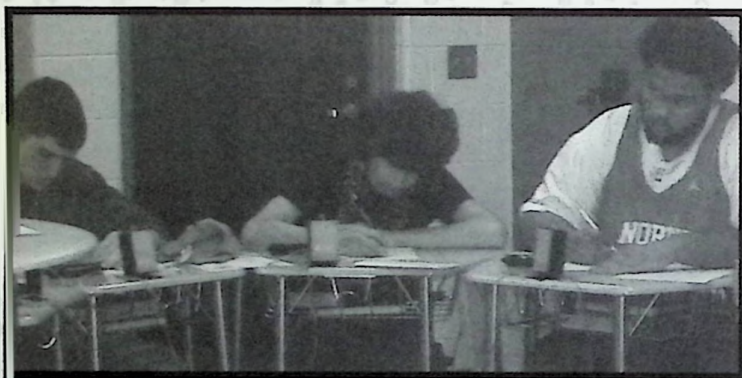

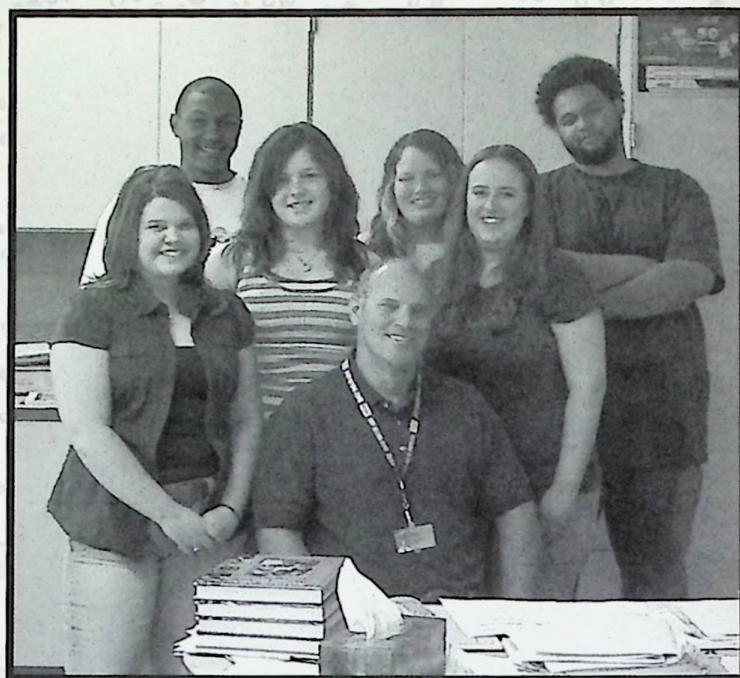

With the opening of the new school and the continued tradition of being a Trojan, there was certainly plenty to read about this year!! There's no doubt that this staff of three did an excellent job keeping us informed. The "newsies", led by Mrs. Howell, were: Taylor Cooper (editor), William Mollett, and Ashley Spencer.

Members of the Quiz Bowl team tested their skill, knowledge, and quick thinking every Thursday at the Seudder Center. Portsmouth faced many teams including rivals, Wheelersburg, West Portsmouth, and South Webster. They practiced and over worked their brains for many Trojan victories, including second place in the Second Division County Tournament. The Quiz Bowl team had an outstanding season.

# Quiz Bowl

Franklin Simpson, Corzy Irwin, and Freddy Bendolph work on a math question during the county tournament, held at Portsmouth High School.

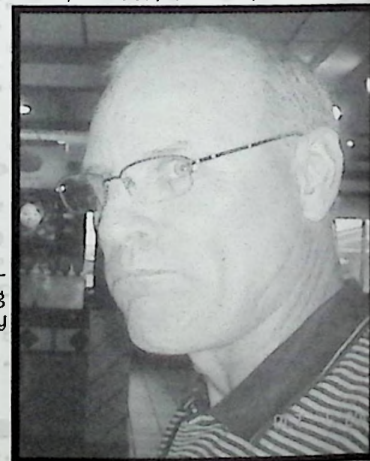

River Begley and Corey Irwin keep track of the rising Trojan score. In the eight rounds of quiz bowl the high scoring team wins the match.

Franklin Simpson, Howard Hareha, Nathalie Johnson, and Tyler Richburg prepare to face the competition. With their buzzers working properly, the opposing team had no chance.

Coach Burke takes the team to Fazoli's after winning a match. A reward for a victory was a trip to the favorite Italian restaurant.

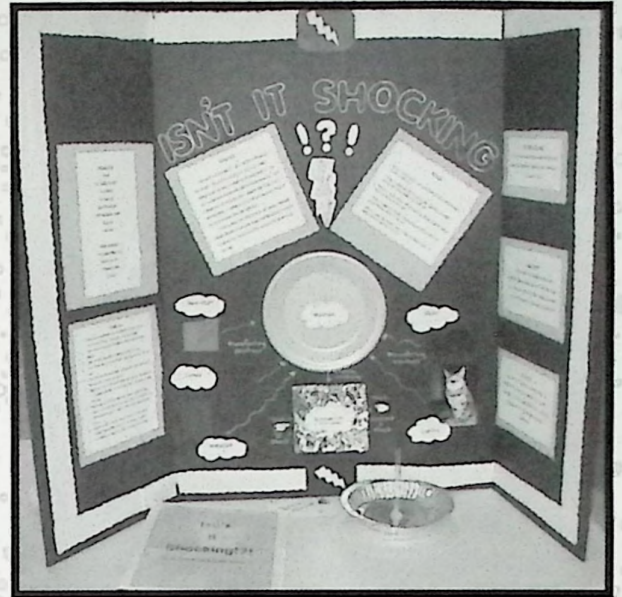

Maggie McKenzie catches Coach Burke mid-bite during the victory lunch!

# Science Fair

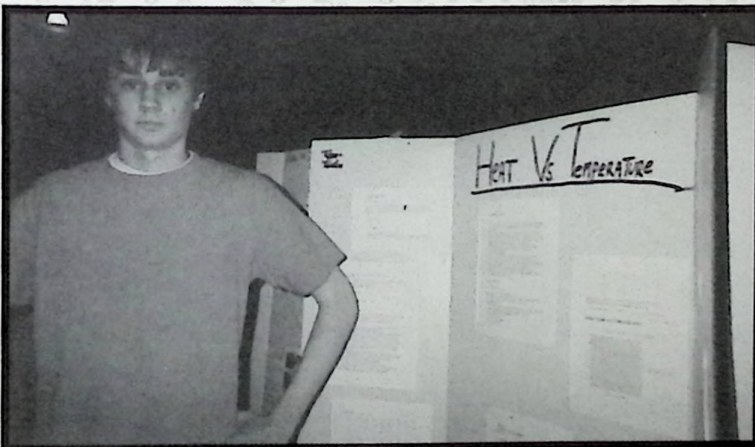

Rachel Snyder showed of her project. The project was about splitting water molecules.

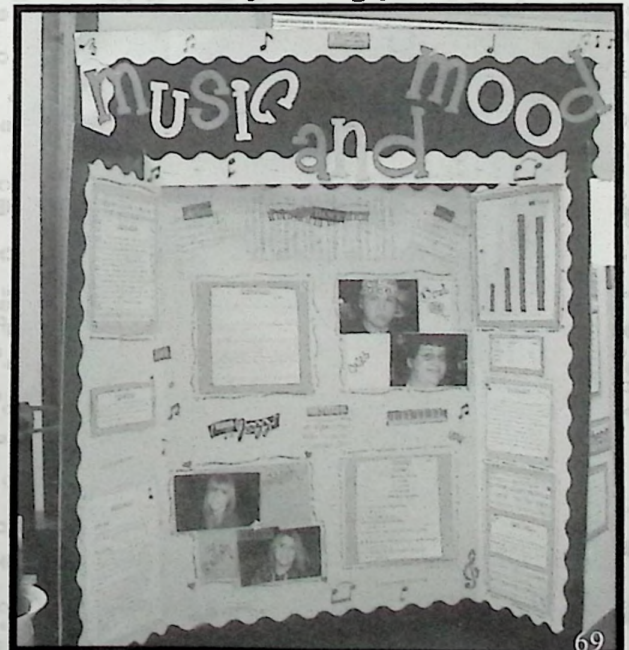

The high school science fair was very competitive this year. All participants worked very hard on their projects. Many hours of research and testing paid off. Elizabeth Rodriguez, Kari Hodge, and Crystal Carpenter persevered through the competition and came out on top. Elizabeth Rodriguez earned 1st place, Kari Hodge received 2nd place, and Crystal Carpenter won 3rd place. It was a very exciting year.

Elizabeth Rodriguez, Kari Hodge, and Crystal Carpenter were in the top three of the high school science fair.

Tyler Tomko presented his project. Its title was Heat v. Temperature.

## MOCK TRIAL HEADS TO STATE- AGAIN!

FOR THE FOURTH TIME IN THE LAST FIVE YEARS, THE PORTSMOUTH HIGH SCHOOL MOCK TRIAL TEAM ADVANCED TO THE STATE COMPETITION. MOCK TRIAL IS A COMPETITION WHERE THE STATE DELEGATES A CASE AND STUDENTS REENACT THE CASE AS IF IT WERE REALLY A TRIAL. ONE SCHOOL'S PLAINTIFF GOES AGAINST ANOTHER SCHOOL'S DEFENSE. ON EACH SIDE THERE ARE TWO LAWYERS AND TWO WITNESSES. STUDENTS THAT ARE ATTORNEYS RESEARCH CASE LAW, WORK ON OPENING AND CLOSING ARGUMENTS, DIRECT EXAMINATION, AND CROSS EXAMINATION. CROSS EXAMINATION IS PARTICULARLY

THE TEAM HELD UP THEIR GOODIE BAGS IN GREAT APPRECIATION TO MRS. CHARLES AND PAM ALLEN FOR THE YUMMY SNACKS

# MOCK TRIAL TEAM

NATHALIE JOHNSON AND TYLER RICHBURG FLAUNT THEIR OUTSTANDING WITNESS AWARDS ON STATE LEVEL

THE DEFENSE AT DISTRICTS: ELIZABETH HARDIN AND JULIE STORTS WERE ATTORNEYS, NATHALIE JOHNSON AND MARLITA CADOĞAN WERE WITNESSES, AND ANNIE GLOCKNER WAS THE TIMEKEEPER.

DIFFICULT BECAUSE THE ATTORNEY CANNOT FULLY PREDICT WHAT THE OTHER TEAM'S WITNESS IS GOING TO SAY. THE ATTORNEYS MUST REACT IN A SPLIT-SECOND TO COME UP WITH A RESPONSE OR A DIFFERENT QUESTION. THE ROLE OF A WITNESS IS ALSO CHALLENGING. THE STUDENT PORTRAYING A WITNESS MUST "BECOME THAT PERSON." THEY HAVE TO TALK LIKE, ACT LIKE, AND RESPOND LIKE THEIR WITNESS WOULD. A WITNESS IS TYPICALLY PREPARED FOR DIRECT EXAMINATION, BUT, IF YOU'RE NOT CAREFUL, CROSS EXAMINATION CAN BE A NIGHTMARE. THERE ARE SURPRISES AT EVERY TURN IN A MOCK TRIAL COMPETITION. PORTSMOUTH WON FIRST PLACE OUT OF 12 TEAMS AT DISTRICTS. THE TEAM ADVANCED TO REGIONAL COMPETITION AND WON BOTH OF THEIR MATCHES. PHS'S MOCK TRIAL TEAM ADVANCED TO THE STATE LEVEL, WHERE THEY PLAYED THE TOP TEAMS FROM ALL OVER OHIO. AFTER EVERYTHING WAS OVER THE MEMBERS REALIZED ALL OF THE LONG HOURS OF PRACTICE WERE WORTH IT! THEY COULDN'T HAVE DONE IT WITHOUT THE EXTENSIVE HELP OF THEIR LEGAL ADVISORS RUSTY MILLER AND MARGARET APEL-MILLER, AND ALL OF THE TIME AND WORK FROM THEIR TEACHER-ADVISOR MRS. AMY KEATING.

PLAINTIFF AND DEFENSE STOOD PROUD FOR THE CAMERA IN ONE OF THE COURT ROOMS IN COLUMBUS, OHIO. TEAM MEMBERS ARE: NATHALIE JOHNSON, APRIL CLARK, MAGGIE MCKENZIE, ANNIE GLOCKNER, ELIZABETH HARDIN, CECILIA PURTEE, MARLITA CADOĞAN, HOWARD HARCHA, MATT HARCHA, JULIE STORTS, AND TYLER RICHBURG.

# On va en France?

March 19th, 2007 a group including 19 students and 17 adults traveled across the Atlantic Ocean. As soon as they landed they started touring Paris, France. After four days they departed from Paris and traveled south. They stopped in Toulouse, Carcassonne, Eymont, Nimes and spent the night in Arles. After two days they traveled to the beautiful city of Nice. They also visited the principality of Monaco, taking in the breathtaking scenery and enjoying the sun. The travelers to France will always remember this amazing trip. It was truly a once in a lifetime experience.

Due to the injury of David Chabot and the illness of Charlie Doll, the Trojans had to regroup. Younger players stepped up to complete another successful season. The Trojans finished twelfth in the state in Division II.

# Cross Country

The Trojan Cross Country team began conditioning far before their first meet. Running Cross Country seems simple, but when you add exhausting heat, mud puddles, and steep hills it all changes. Each practice, runners became better by increasing their endurance, building stamina, and cutting off time. The dedication and perserverance of these runners paid off for a successful season.

Warren. The seniors were great rolemodels, and they will be missed. The Trojans have a lot of returning starters coming back next year, so they hope to have a great season.

With only one returning senior, the softball team had their work cut-out for them. "We had ten freshmen, six sophomores, no juniors, and one senior; we were basically a JV team playing varsity softball. I was really proud of the girls showing up in adverse situations." said Coach Albrecht. The team had a unique situation with which to work, but they played well, and were determined to build their abilities.

*"I'll miss all the girls. Have fun next year and GOOD LUCK!", said senior, Katie Click.*

Nick Nelson stays alert on the court so he can make the perfect return.

The boys are always busy, whether they are on the court competing or in the shade cheering for their teammates.

## Trojan Tennis Swings into Action

The Boys Tennis team has practiced diligently, and are ready to have fun throughout the season!

Chase Scott prepares his serve while his partner, Andrew Simon, readily awaits the return.

Assistant Coach Ramey throws some practice balls to the players so they can warm up.

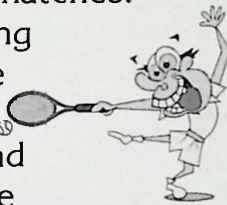

Senior co-captains Adam Tatum and Drew Throckmorton, getting ready for a doubles match at SEOAL Tournament. Drew encourages others to go out for the team next year, "It's fun you won't regret it."

The 2007 Boys Tennis team had high hopes with nine returning players. These hopes however, were hindered by unexpected injuries, and a lack of experienced players after the team regrettably lost six of their veterans. Luckily, the new members were more than ready to practice hard and give it their all. The boys dedicated their time to practicing each day after school, as well as playing in nearly 14 scheduled matches.

The team was under strong leadership with Mr. Cole and Mr. Ramey as their coaches. Adam Tatum and Drew Throckmorton were named this year's senior co-captains. Although their record was not perfect the team never gave up and played their best every match.

Senior Andrew Simon leaves some advice for future PHS tennis players, "Have fun, but don't break your racket and watch out for parents."

Josh Nelson leaves the team with some words of wisdom, "Hard work, dedication, and perseverance through tough times produces a winner in life."

Chase Scott was excited to have his little brother Dylan on the team this year, but was disappointed they didn't get to play together because of Dylan's injury. Chase bids farewell to his senior teammates, "It was a real pleasure playing with my teammates, I learned a lot from the seniors and I will miss them."

# ROJANS

The Boys' track team was very young in 2007 with no upper classmen on the roster. Despite the lack of experience, the young Trojans performed well and have laid a good foundation for PHS for the next couple of seasons. The Trojans were led by Malik White who set a school record in the 300 meter intermediate hurdles and qualified for regional competition in the event. Zack Link also qualified for regional's by finishing second in the 400 meter dash at the districts. Nate Cadogan finished 5th in both the shot put and discus at the districts and looks forward to a bright future. James Lawson and Ryan Jordan were sophomores who lettered and competed well in every meet. Coach Burke was pleased with the work ethic and competitiveness of this year's team and is looking forward to building the Boys' track team into a SEOAL power in the near future.

The Girls' track team did a nice job this season with great team players. Although the team was young, with only four returning seniors, the team certainly gave it their all. Congratulations to Maggee Colley, who broke the school record for pole vault and went on to compete in Pickerington, Ohio in the regional track meet. Coach Lard is hoping to recruit fresh new faces and is looking forward to another great season.

# 2007 Year in Review

**2006-2007 IS THE YEAR OF THE PEOPLE!** People marched, demonstrated, fought, argued and voted to make their voices heard. People put the Democrats in control of Congress. People demanded an exit strategy from Iraq. Immigrants marched to show how valuable they are to the American economy. Scientists destroyed (okay, demoted) a planet. And screaming, text-messaging fans took a grey-haired soul man and turned him into an American Idol.

**We became the media.** MySpace, Facebook, YouTube, and SecondLife were the places to see and be seen. And since it was difficult to leave your house when you lived online, we relied on iTunes, Blockbuster and Netflix to deliver movies directly to our doors. DVRs and online downloads let US determine when we would watch our favorite TV shows. And our increased online music purchases have further crippled the sales of compact discs.

**We grew and we learned.** We discovered that dark chocolate was good for lowering the blood pressure, while Cherry and Mint Chocolate were good for making calls. We found out that high school was a lot more fun as a musical. We used our purchasing power to fight AIDS in South Africa, and we bought David Beckham for \$50 million. We declared war on global warming, and were relieved when the only hurricanes to hit the east coast this year brought home the Stanley Cup.

**And we finally got some recognition.** For our impact on the world in 2006, we the people were named Time magazine's "Person of the Year." And for good reason: this year's accomplishments will shape the future. They will forever affect our daily lives. And they will live always in our hearts, in our minds, and in the pages of this yearbook.
