The Delights of a Lake Trip

REST after work is necessary to human endurance, and holidays are a wise economy. The Great Lakes of America offer more vacation opportunities than any other source in the country. The steamers of the Detroit and Cleveland Navigation Company operating to all important ports are unrivalled in point of elegance, comfort and quality of service—the perfect freedom offered by the saloon and promenade decks, the commodious state-rooms, luxurious furnishings and excellence of cuisine make life aboard these floating palaces, a solace to the weary mind and body.

WHERE YOU CAN GO

Daily service is operated between Buffalo and Detroit, Detroit and Cleveland, four trips weekly between Toledo, Detroit and Mackinac Island, the historic summer resort of the North Country, and from June 25 to Sept. 10 a special steamer will be in commission between Cleveland and Mackinac Island, stopping at Detroit enroute every trip. During July and August special daylight trips between Detroit and Cleveland.

RAILROAD TICKETS AVAILABLE

Tickets reading via any rail line between Buffalo and Detroit, Detroit and Cleveland will be honored for transportation on D & C. Line Steamers in either direction. Send 2 cent stamp for illustrated pamphlet and Great Lakes Map. Address L. G. LEWIS, G. P. A. Detroit, Mich.

INTRODUCTORY

R. L. Polk & Co., publishers of the Portsmouth, Ohio, City Directory for 1920 herewith present the seventh consecutive issue of that publication.

The period that has elapsed since the issue of the last directory has been pregnant with great events.

It witnessed the transporting of 2,500,000 American troops across the Atlantic ocean; their participation on the side of the Allies in the World's War, with such victories at Chateau-Thierry, St. Mihiel and in the Argonne Forest as to force the signing of the armistice on Nov. 11, 1918. It witnessed the return of the armies, their demobilization and the change of the country from war to peace conditions.

It is to the credit of Portsmouth that her industries suffered but little in the latter process, but were able to absorb and utilize all the men released from military service.

The changes and additions made upon the street guide indicate that Portsmouth has made a successful effort to meet the housing problems which affected all cities alike.

Population

There appears in the alphabetical portion of the directory this year 18,102 names as suitable for directory registration. Using the usual multiple of $2\frac{1}{4}$ this would indicate that the present population of Greater Portsmouth (and that includes New Boston, Star Yards, Carl and Sciotoville) is 40,789.

LIST OF NAMES

Any Business—Any Locality
Accurate and Up-to-the-minute

WE publish over 400 Directories — City, County, State, National and Trade. We furnish real live up-to-date lists of all trades and professions.

¶ As directory publishers we frequently have available for lists the manuscript copy from which directories are being compiled, and thus you may secure information in advance of publication, a service that cannot be had elsewhere.

¶ We have no trade lists—our information is taken from the latest sources, and above all things, is accurate.

The Association of North American Directory Publishers is composed of reputable City Directory Publishers, organized for the general advancement of the Directory business. Any person, corporation or firm engaged in business as owner and publisher of a City Directory in the United States or Canada, who shall qualify as competent to gather information and compile a City Directory and furnish satisfactory references, is eligible to membership.

The objects of the Association are:

First. The advancement of the Directory business and the improvement of Directories by the interchange of ideas and the exchange of experienced employes.

Second. To provide protection to the public against fraudulent advertising schemes which operate under the name of Directories, and to drive unprincipled promoters of the same out of business.

Third. To provide permanent and profitable employment to competent, industrious and honest Directory canvassers and compilers.

Fourth. For the mutual protection and advancement of the established and prospective interests of all who may become members, by personal advice and assistance of members as may be mutually satisfactory, desirable or advisable, and by such other means as may, from time to time, be shown to be wise, proper and lawful.

\$100.00 REWARD will be paid by the Association for the arrest and conviction of any person or persons engaged in publishing, collecting or canvassing for any fraudulent or "fake" Directory.
