2008 Miss Riverdays

Ali Thompson

Representing Green High School in the Portsmouth Riverdays pageant has always been a goal of mine. Being crowned the 2008 Portsmouth Riverdays Queen was a dream come true. Working with the eleven other contestants throughout the community has been an experience I will never forget. When I walked out on that stage and heard all my fans cheering for me, I felt so much pride for my school. There are many people that contributed to my success in Riverdays. My family and friends helped me every step of the way. I thank the Green High School students for giving me this opportunity to represent them and I thank God for giving me the strength to go through with it.
