The

MINFORD
FALCON
SILVER
ISSUE

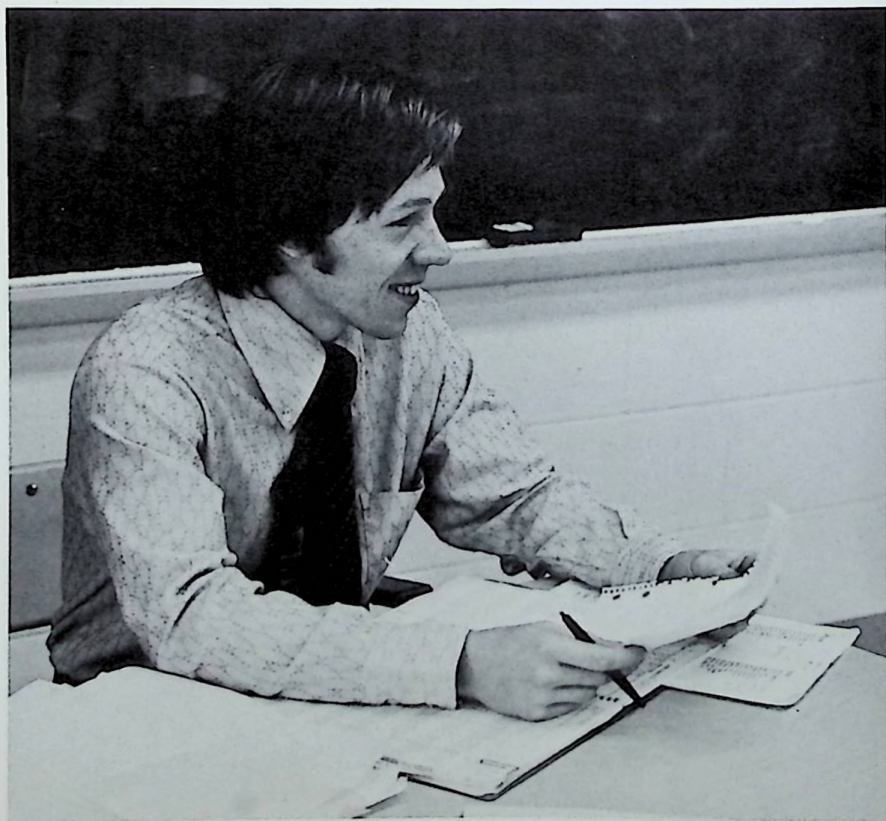

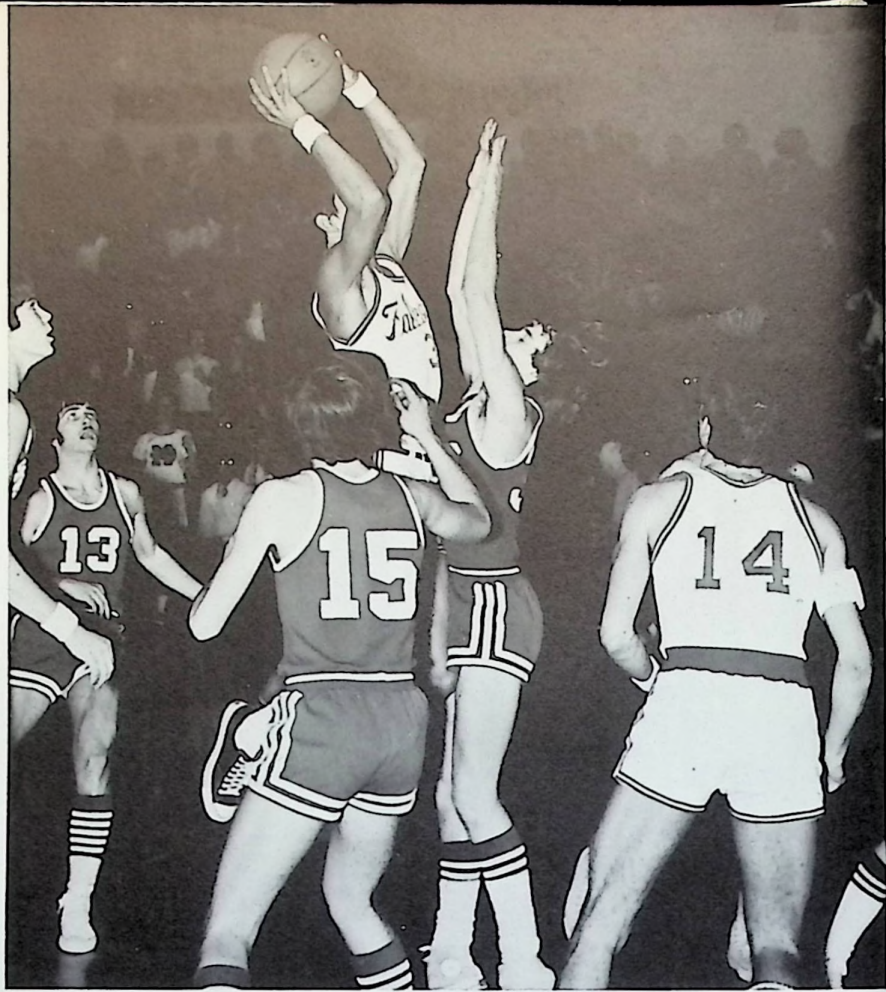

Editor
David Platt

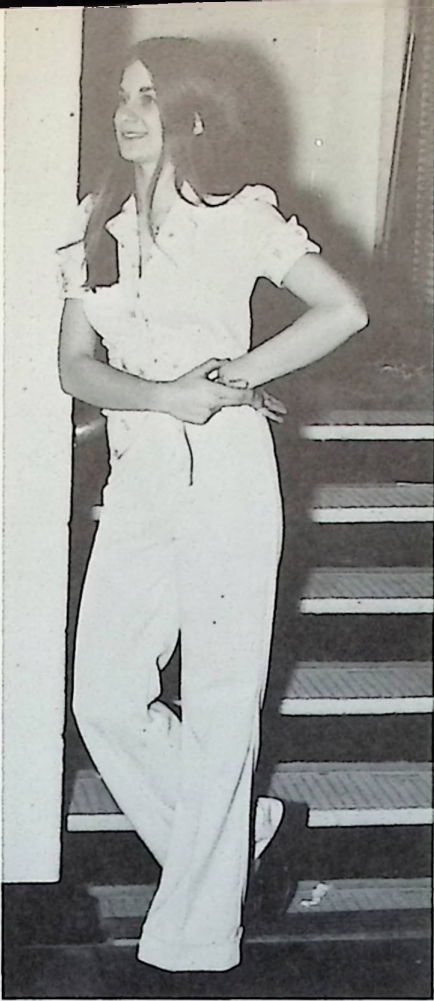

Where did it go?

We enter as freshmen and can only see the long, long years ahead. The days seem to crawl along at a pace as slow as time itself. We see towering people around us. Why don't they speak? Maybe they are as afraid of you as you are of them. We get lost trying to find out where we should have been ten minutes ago. We seem lost in an unending, unbelievable maze of hall. Confusion? Yes, in its raw state!

The year rolls on, slowly picking up speed. Friends, old and new, are surprised. Both you and they have made it through the ordeal of being a Freshman. We all have been Freshmen in high school, now we all are rapidly becoming freshmen in life. It may seem we have long years ahead but life is too short to miss any part of. We will soon be Seniors of life.

The time goes too quickly. We shall miss some things. We shall enjoy being without some things. When we leave, may we have each shared our joy with each other fully.

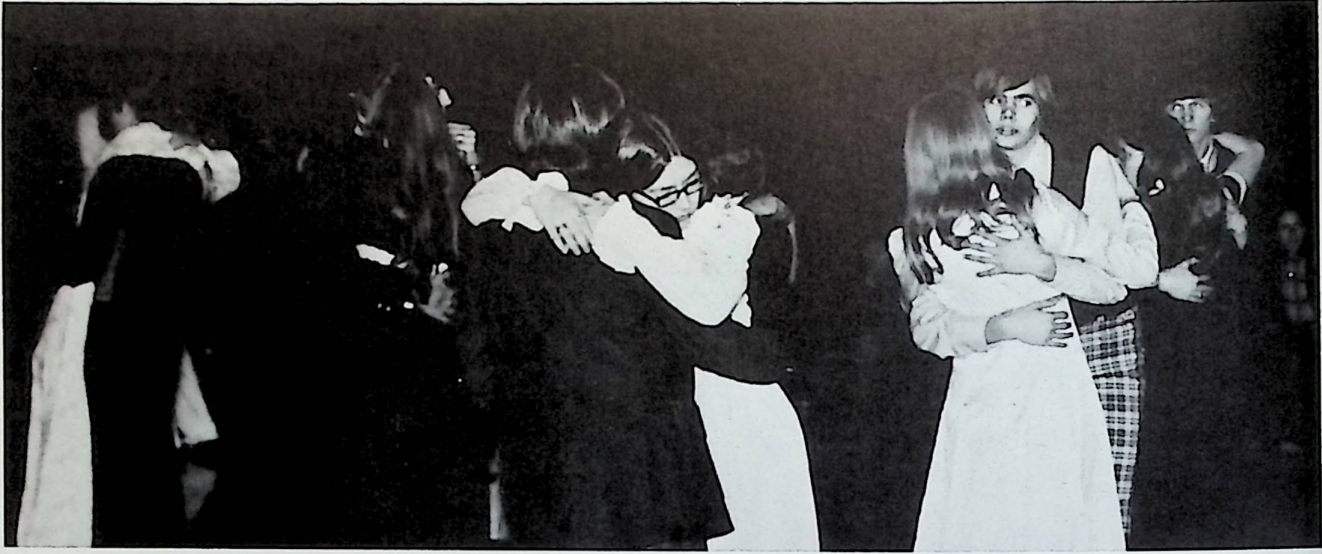

A major issue we handled was a seemingly silent hate amongst Minford students. Not against a rival school, not against an enemy, but a hate for ourselves! This hate was shared by a few with a vengeance. Minford will stand against anyone or anything. We have faced defeat in sports only half-supported by an unsure student body! Take a stand. You either stand for Minford or you stand against her. We shall be defeated in life, time and time again! When you learn to hold your head high and walk proud, regardless! Then is the time you can be Proud of yourself, your friends, and your school!

The image shows a single sheet of paper divided into four equal rectangular sections by a thin black vertical line and a thin black horizontal line intersecting at the center. The paper has a light cream or off-white color with some subtle texture and slight discoloration, particularly towards the edges. In the bottom right corner, there is a small, dark number "109".
