Dedication

I don't know how he is on creeds - I never heard him say; but he's got a smile that fits his face, and wears it everyday. If things go wrong he won't complain - just tries to see the joke. He's always finding little ways of helping other folk.

He sees the good in everyone, their faults he never mentions; he has a lot of confidence in people's good intentions. You soon forget what ails you, when you happen 'round this man; he can cure the melancholies quicker than the doctor can.

No matter if the sky is gray, you get his point of view, and the clouds begin to scatter, and the sun comes shining through. You'll know him when you meet him and you'll find it worth your while to cultivate the friendship of the man behind the smile.
